## Positioning and Differentiation as Key Competitiveness Factors

### 1. Strategic Multi-brand and Multi-format Differentiation

#### Brand Architecture

Simplification of the banner brand portfolio ✓

Focus: Pão de Açúcar, Extra and Comprebem

Simplification and optimization of the number of Private Label products ✓

From 24 to around 12 (end of 2008)

Transversal Brand Strategy

i.e.: Taea, Pão de Açúcar and Custo-beneficio (cost-benefit) brand

Experience in Store ✓

Assets reflecting positioning (way of life, service, visual communication)

Causes ✓

Socio-environmental responsibility aligned with positioning of the corporate brands and banners

#### Products

Review of assortments ✓

#### New Businesses and Services

Creation of area and processes (funnel) ✓

Review of Gift and Purchase Cards ✓

Creation of service pool in the stores ✓

Digital Photo Development

Cell Phone Recharging

## Positioning and Differentiation as Key Competitiveness Factors

### 2. Strengthening of Pricing Model

Methodological Review of Competitiveness ✓  
Notability from the Consumer's point of view ✓  
New brand pricing model/strategy ✓

EDLP, EDFP and HILO ✓

**Main Drivers to reduce expenses:**

Lower corporate expenses (holding costs):

Headcount reduction

Dilution of fixed expenses

SAP

Zero Based Budget

External clients for the Shared Services Centre

Lower renting expenses

Stores productivity programs

2008 will be the first year of profitability

Growth of the activity levels of the Private label card related to new aggregated benefits:

- MasterCard banner for heavy and good users (PL Embandeirado)
- Increased of limit with the bill from the competitor
- Different and better terms of payment (# of installments, lower interest rates)
- Creation of CDC light in the Private Label
- Associated exclusive discounts
- Database marketing initiatives
- Electronic CDC (with higher credit limits for installments)

FIC reaching 15% to 20% share in GPA s volume of sales

One million PL new clients

Evolution in the penetration of Extended Warranty and Insurance Policies.

Gross Sales above R\$ 20 billion

Same stores sales above inflation:

    food in line with inflation

    non-food growth close to 2 digit

Gross Margin below 2007 due to the consolidation of Assai and maintenance of the competitiveness strategy (27%-27.5%)

Reduction of total operating expenses (20%-20.5%)

    Growth of Ebitda due to growth of sales and greater dilution of expenses (Assai) and gains of efficiency (7%-7.5%)

Net Debt/EBITDA ratio around 1.3x

Investments R\$ 1 billion
