**Clarification about News: Capitalization Amount**

Rio de Janeiro, February 01, 2010   Petróleo Brasileiro S.A.   Petrobras wishes to clarify about news issued today by the international press titled "Petrobras will raise from US\$ 15 to US\$ 30 billion through capitalization".

The article makes reference to a statement made by Petrobras Chief Financial Officer and Investors Relations Officer, when he mentioned that the Company believes that it has a potential demand by its minority shareholders for the capitalization in the amount between US\$ 15 billion to US\$ 30 billion, based on current market conditions and without considering the participation of the controlling shareholder. The Officer did not disclose any decision about the capitalization, nor expected funding needs of the Company, but only a view of the market demand.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
