Cooperation Agreements with Chinese Companies

Rio de Janeiro, April 15th, 2011 – Petróleo Brasileiro S.A - Petrobras announces that today it signed a Memorandum of Understanding (MOU) with the Chinese company Sinochem Corporation and a General Technological Cooperation Agreement (GTCA) with Sinopec.

The MOU signed with Sinochem includes a strategic cooperation between the parties in oil and gas exploration and production in Brazil and abroad; technological cooperation for the development of projects aimed at increasing oil recovery; export of oil and other products.

The objective of the GTCA signed with Sinopec is the exchange of experiences and knowledge in technological areas with a focus on Geophysics, Geology, Reservoir Engineering and Assessment aimed at increasing oil recovery of the reservoirs of both Companies.

The agreements are designed to enhance cooperation between the activities of the companies, both in Brazil and abroad, in areas of common interest and are aimed at developing a strategic cooperation in activities of the oil and gas industry.

This document may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that merely reflect the expectations of the Company's management. Such terms as "anticipate", "believe", "expect", "forecast", "intend", "plan", "project", "seek", "should", along with similar or analogous expressions, are used to identify such forward-looking statements. These predictions evidently involve risks and uncertainties, whether foreseen or not by the Company. Therefore, the future results of operations may differ from current expectations, and readers must not base their expectations exclusively on the information presented herein.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
