Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The Compensation Committee of the Board of Directors of Universal Technical Institute, Inc. (the "Company") approved a Deferred Compensation Plan (the "DCP") applicable to Company employees at Grade 18 and above and non employees of the Board of Directors, effective April 1, 2010.

Under the DCP, eligible employees may defer:

- Up to 75% of Salary
- Up to 100% of Bonus
- Up to 100% of cash Board compensation

Participant Deferrals will be 100% vested. Company contributions will vest according to a 5 year vesting schedule. The Company will make incentive contributions of 50% of deferrals up to 5% of the Participant's salary. Company contributions will also be made to the extent that a DCP participant's 401(k) match is reduced due to participation in the DCP and in accordance with the 401(k) vesting of Company contributions. The Company may also make discretionary contributions to accomplish strategic objectives.

Distribution elections under the DCP may be for In-Service distribution or Separation of Service distribution. Separation of Service under the DCP is defined as termination of service through death, retirement or other reasons or reduction of services to 20% or less of the average level of services performed. At Separation from Service, Participants will be able to elect to receive amounts in: (i) a single lump sum, (ii) annual installments over a period of 2 to 10 years or (iii) a partial lump sum with the balance paid in 2 to 10 annual installments. If a Participant elects to receive their Separation from Service account in 6 or more annual installments, and his/her age plus years of service is less than 60 at the time of Separation, the Account Balance will be paid in 5 annual installments. Alternatively, Participants can schedule In-Service penalty-free future distributions from the DCP while they are employed as long as the distribution is scheduled at the time of deferral.

Upon the death/disability of a Participant, the Participant or his/her designated beneficiary will receive the Participant's account balance in a single lump sum. Unforeseeable Emergency distributions are available upon approval by UTI and in accordance with applicable tax laws. A Separation from Service within 2 years of a Change in Control will be paid in a single lump sum, regardless of the elected form of distribution.
