The rights and privileges associated with the Common Stock issued upon conversion of the Series B Preferred Stock are identical to the rights and privileges associated with the Common Stock held by existing common shareholders, including with respect to voting rights. Upon the Conversion, the ability of the Company to declare or pay dividends or distributions on, or repurchase, redeem or otherwise acquire for consideration, shares of its Common Stock no longer will be subject to restrictions in the event that the Company fails to declare and pay full dividends (or declare and set aside a sum sufficient for payment thereof) on its Series B Preferred Stock or other restrictions as set forth in the Series B Articles of Amendment.
