Yes No

If "Yes" is marked, indicate below the file number assigned to the registrant in connection with Rule 12g3-2(b): 82-_____.

**BANCOLOMBIA S.A. ANNOUNCES THAT THE UNITED STATES COURT OF APPEALS FOR
THE SECOND CIRCUIT RULED IN FAVOR OF BANCOLOMBIA S.A.**

Medellín, Colombia, June 2, 2008

In a decision dated June 2, 2008, the United States Court of Appeals for the Second Circuit (the Court of Appeals) confirmed the decision of February 28, 2008 by the United States Court for the Southern District of New York (the Court), which dismissed the complaint of the sellers of the former Banco de Colombia (the Plaintiffs) against Bancolombia S.A. (Bancolombia), its president Jorge Londoño Saldarriaga, and some directors of Bancolombia at the time of the merger and acquisition

As previously disclosed by Bancolombia, the Court dismissed Plaintiff s complaint based on the principle of *res judicata* and held that the award of the Colombian arbitral tribunal (the Tribunal), dated May 16, 2006, decided the same claims filed before the Court. The Plaintiffs appealed this decision arguing that the Tribunal had not decided the claims related with the violation of the United States securities regulations.

The Court of Appeals held that the Tribunal had decided the merits of all claims, and confirmed particularly, that the Tribunal rejected the main three allegations of the complaint filed before the Court. The Tribunal found that (i) Bancolombia had not manipulated the price of ADRs on the New York Stock Exchange; (ii) the failure to raise U.S. \$150 million was neither a breach of an express contractual obligation nor fraudulent or willful misconduct; and (iii) neither Bancolombia nor the remaining defendants engaged in transactions or conduct in violation of Colombian law and sound banking practices.

The decision by the Court of Appeals was adopted unanimously by the Hon. José A. Cabranes, Hon. Richard C. Wesley and Hon. J. Clifford Wallace, who affirmed that any deficiency in the Tribunal s explanations of the Plaintiff s U.S. law claims was the result of the Plaintiff s tactical choices before the Tribunal, not a lack of capability or willingness by the Tribunal to determine the claims.
