NOTE A – THE COMPANY

AMHN, Inc. (the "Company") was incorporated in Utah in 1907 under the name Croff Mining Company ("Croff"). The Company changed its name to Croff Oil Company in 1952 and in 1996 changed its name to Croff Enterprises, Inc. On September 25, 2009, the Company changed its name to AMHN, Inc. and on September 25, 2009 approved a redomicile of the Company from Utah to Nevada. In February 2011, the Company relocated its corporate offices to 10611 N. Hayden Rd., Suite D106, Scottsdale, Arizona 85260.

Business Overview

On June 1, 2010, AMHN entered into an Agreement and Plan of Reorganization (the "Spectrum Acquisition Agreement") with Spectrum Acquisition Corp., a newly formed Delaware corporation and wholly owned subsidiary of AMHN ("Merger Sub"), Spectrum Health Network, Inc., a Delaware corporation ("Spectrum") and the sole shareholder of Spectrum (the "Sole Shareholder"). The terms of the Spectrum Acquisition Agreement provided for (i) the transfer of 100% of the issued and outstanding shares of common stock of Spectrum to AMHN in exchange for the issuance to the Sole Shareholder of Spectrum of an aggregate of 500,000 shares of common stock of AMHN (the "AMHN Common Stock") at a conversion ratio where one share of Spectrum is converted into 500 shares of AMHN; (ii) AMHN's assumption of all the assets and liabilities of Spectrum; (iii) the officers and directors of Spectrum to retain their respective positions in the Merger Sub; and (iv) Spectrum to become a wholly owned subsidiary of AMHN. On June 11, 2010, the Closing Date of the Transaction pursuant to the terms and conditions of the Acquisition Agreement, AMHN acquired 100% of the issued and outstanding shares of Spectrum in exchange for the issuance of an aggregate of 500,000 shares of AMHN Common Stock. In accordance with the provisions of this triangulated merger, Merger Sub was merged with and into Spectrum as of the Effective Date of the Acquisition Agreement, the separate existence of Merger Sub ceased, and Spectrum became a wholly owned subsidiary of AMHN. In conjunction with the Acquisition Agreement, AMHN assumed the assets and liabilities of Spectrum totaling approximately \$247,000 and \$480,000, respectively. The excess of the purchase price over the net liabilities assumed was recorded as goodwill on the consolidated balance sheet.

Spectrum sells its network to independent physician associations ("IPAs") and is supported by ad revenue. Spectrum's markets its network to IPAs for a one-time fee per location for equipment and installation ("Subscription"), plus an ongoing monthly service fee per location for content delivery and network maintenance ("Service Fees"). Spectrum has a primary target list of prospective IPAs, which if subscribed, would represent a minimum of 640 potential locations, with each location supporting its own system. There are approximately 3,500 IPAs operating in the United States. Of this total, an estimated 2,000 fall under the category of the "Staff Model" where staff are fulltime employees directed under a corporate management structure. Another 1,500 are considered a "Staff/Hybrid Model" where the IPA is created to facilitate a Primary Care Group and still enable specialized physicians to maintain their own practices, but allows them to receive the benefits of achieving economies of scale from the formation of an association to operate and help manage their practice.

NOTE A – THE COMPANY (Continued)

Business Overview (Continued)

On February 15, 2011, after the Company defaulted under the payment terms of a Secured Promissory Note issued to Seatac on December 16, 2010 (the "Spectrum Note"), the Company and Seatac agreed that the Spectrum Note be satisfied through the transfer of the collateral for the Spectrum Note. In connection therewith, the shares of Spectrum owned by the Company were transferred to Seatac and the Spectrum Note was satisfied in full. See NOTE E – PROMISSORY NOTES, Secured Promissory Note to Seatac and NOTE G – DISCONTINUED OPERATIONS.

In conjunction with the settlement of the Spectrum Note to Seatac, and immediately after the transfer of the outstanding shares of Spectrum to Seatac, the Company's sole officer and director, Robert Cambridge, resigned. Upon his resignation, the majority shareholder owning 53.7% of the Company's 16,575,209 outstanding shares, elected Jeffrey D. Howes as the Company's sole officer and director to serve until the next annual meeting of shareholders or until his earlier termination or resignation.

Also in conjunction with the settlement of the Spectrum Note to Seatac, Spectrum and Seatac entered into an Exclusive Licensing, Distribution and Advertising Sales Agreement with the Company (the "Agreement"). Under the terms of the three-year renewable Agreement, the Company was granted a license to promote, distribute and sell certain products developed and sold by Spectrum relative to its digital media network in the southeastern United States. The Agreement relates to all current and future Spectrum products and/or services developed by Spectrum, specifically services pertaining to the digital signage waiting room network built for the multispecialty group practice and independent physician associations ("IPAs") including (i) network subscriptions sold to multispecialty group practices and IPAs for software, hardware and content developed for and distributed by Spectrum, and (ii) advertising spots on Spectrum's network. The Company may earn up to thirty percent (30%) of fees paid for subscriptions and advertising spots.

On May 7, 2011, the Company entered into a Sales Representation Agreement ("Agreement") with Mann Equity, LLC ("Mann") wherein Mann purchased from the Company the right to sell the Company's products as an independent distributor for the state of Florida for \$5,000. Pursuant to the terms of the one-year agreement, Mann can earn a commission of twenty percent (20%) for each contract sold for network subscriptions or advertising spots.

On May 18, 2011, the Company entered into a non-binding Letter of Intent ("LOI") with vitaMedMD, LLC, a Delaware limited liability company ("VitaMed"), in which vitaMed will become a wholly owned subsidiary of the Company. VitaMed is a specialty pharmaceutical company focused on creating value by eliminating inefficiencies in the multi-billion dollar prescription and OTC nutrition and medical foods market while leveraging an innovative, patent-pending informational technology platform. VitaMed primarily markets its products directly to women with the recommendation of their doctor. By significantly eliminating much of the cost associated with the traditional distribution models, VitaMed offers superior-quality products for a lower overall cost to patient and payors while increasing efficiencies for the physician. In addition, VitaMed's information technology collects and analyzes data designed to improve patient compliance and education, facilitate product development and provide immediate feedback on effectiveness of therapies. The result is increased efficiency and communication between the patient, physician and payor, ultimately creating improved outcomes.

NOTE A – THE COMPANY (Continued)

Business Overview (Continued)

The terms of the LOI called for a definitive agreement to be negotiated between the parties prior to June 30, 2011. This date was later extended to July 15, 2011 by mutual agreement of the parties and on July 18, 2011, the parties executed a definitive agreement.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Interim reporting

While the information presented in the accompanying interim consolidated financial statements is unaudited, it includes all adjustments, which are, in the opinion of management, necessary to present fairly the financial position, results of operations and cash flows for the interim periods presented in accordance with accounting principles generally accepted in the United States of America. These interim financial statements follow the same accounting policies and methods of application as used in the December 31, 2010 audited financial statements of the Company. All adjustments are of a normal, recurring nature. Interim financial statements and the notes thereto do not contain all of the disclosures normally found in year-end audited financial statements and these Notes to Consolidated Financial Statements are abbreviated and contain only certain disclosures related to the six month period ended June 30, 2011. It is suggested that these interim financial statements be read in conjunction with the Company's audited financial statements for the year ended December 31, 2010. Operating results for the three and six months ended June 30, 2011 are not necessarily indicative of the results that can be expected for the year ending December 31, 2011.

Reclassifications

Certain 2010 amounts have been reclassified to conform to current year presentation.

Recently Issued Accounting Standards

In January, 2010, the FASB issued ASU 2010-06, Fair Value Measurements and Disclosures: Improving Disclosures about Fair Value Measurements, which amends ASC 820, Fair Value Measurements and Disclosures ("ASU 2010-06") to add new requirements for disclosures about transfers into and out of Levels 1 and 2 and separate disclosures about purchases, sales, issuances, and settlements relating to Level 3 measurements. ASU 2010-06 also clarifies existing fair value disclosures about the level of disaggregation and about inputs and valuation techniques used to measure fair value. The Company adopted the provisions of ASU 2010-06 as required on January 1, 2010.

All other new accounting pronouncements issued but not yet effective or adopted have been deemed not to be relevant to us, hence are not expected to have any impact once adopted.

NOTE C – GOING CONCERN

The financial statements of the Company have been prepared in conformity with generally accepted accounting principles in the United States of America, and assume that the Company will continue as a going concern. The Company expects to incur losses as it expands. To date, the Company's cash flow requirements have been entirely met with funds raised through loans from a strategic vendor and shareholder of the Company. There is no assurance that additional funds will be available for the Company to finance its operations should the Company be unable to realize profitable operations. These conditions, among others, give rise to substantial doubt about the Company's ability to continue as a going concern. The financial statements do not include adjustments relating to the recoverability and realization of assets and classification of liabilities that might be necessary should the Company be unable to continue in operation.

Besides generating revenues from operations, the Company will need to raise additional capital to expand operations to the point at which the Company can achieve profitability. If adequate funds cannot be raised outside of the Company, the Company's majority shareholder may need to contribute funds to sustain operations. As previously mentioned, the Company is currently negotiating the terms of a definitive agreement with VitaMed (see NOTE A – THE COMPANY, Business Overview).

NOTE D – STOCKHOLDERS' EQUITY

Preferred Stock

The Company has 10,000,000 shares of no par value preferred stock authorized. No preferred shares have been issued. On July 20, 2010, the Company's shareholders approved a change in the par value of the Company's Preferred Stock to \$0.001 per share.

Common Stock

The Company is authorized to issue up to 50,000,000 shares of common stock at \$0.10 par value per share ("Common Stock"). On July 20, 2010, the Company shareholder's approved a change in the par value of the Company's Common Stock to \$0.001 per share. As of June 30, 2011 and as of the date of this filing, the Company has 16,575,209 shares of Common Stock issued and outstanding. All par value amounts and additional paid in capital amounts prior to the change have been reclassified in accordance with the staff accounting bulletin rules.

2009 Long Term Incentive Compensation Plan

The Company's Board of Directors and shareholders approved the LTIP on September 25, 2009 and July 20, 2010 respectively. The LTIP contains one million five hundred thousand shares (1,500,000) that may be issued to provide financial incentives to employees, members of the Board, and advisers and consultants of the Company. As of June 30, 2011 and as of the date of this filing, no options have been issued under the LTIP.

NOTE E – PROMISSORY NOTES

Secured Promissory Note to Seatac

As previously reported, the Company acquired 100% of the issued and outstanding shares of Spectrum on June 11, 2010 in exchange for the issuance of an aggregate of 500,000 shares of AMHN's Common Stock and Spectrum became a wholly owned subsidiary of the Company. From the closing date of the Spectrum transaction through November 2010, Seatac had advanced approximately \$487,532 to the Company specifically to address payables (the "Advances"). In order for Seatac to secure a first position for repayment of the Advances, the Company issued the Spectrum Note. The Spectrum Note, together with accrued interest at the annual rate of four percent (4%), was due in one lump sum payment on demand (the "Maturity Date"). As security for the Company's obligations under the Spectrum Note, the Company pledged all of the capital stock of Spectrum pursuant to the terms of a Stock Pledge and Escrow Agreement dated December 16, 2010. Repayment of the Spectrum Note was guaranteed by Spectrum and secured by a blanket lien encumbering the assets of Spectrum. On December 31, 2010, the Company amended the Spectrum Note to increase the principal amount to \$543,531 to include additional advances made by Seatac from September through November 2010 in the aggregate of \$56,000, which amount was inadvertently not included in the initial principal amount disclosed. The foregoing description of the Spectrum Note, the Stock Pledge and Escrow Agreement, and related agreements is qualified, in entirety, by reference to each agreement, copies of which are attached as exhibits to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on December 22, 2010, which exhibits are incorporated herein by reference.

In February 2011, Seatac notified the Company that it intended to make demand for payment under the Spectrum Note; however, the Company was unable to pay the balance. On February 15, 2011, the Spectrum Note was satisfied pursuant to the terms more fully described in NOTE G – DISCONTINUED OPERATIONS.

Convertible Promissory Notes

During 2009, an individual provided consulting services to the Company in the amount of \$210,000 (the "Debt"). The Debt was to be paid through the issuance of restricted shares of the Company's Common Stock and shares of the Company's Common Stock issued pursuant to a registration statement on Form S-8 to be filed by the Company ("Form S-8"). The Company subsequently determined that it would not file the Form S-8 and instead issued the individual a demand promissory note for \$210,000 dated November 9, 2010 (the "November 2010 Note"). The November 2010 Note was subsequently assigned to unaffiliated entities ("Noteholders"). On April 18, 2011, the Company and the Noteholders agreed that in exchange for the forbearance of the Noteholders not to make demand for repayment of the November 2010 Note for a minimum of sixty (60) days, the Company would (i) cancel the November 2010 Note and (ii) issue two convertible promissory notes to the Noteholders in the principal amount of \$105,000 each bearing interest at the rate of six percent (6%) per annum (the "Convertible Notes"). The maturity date of the Convertible Notes is on demand any time after sixty (60) days from the date of issuance (the "Maturity Date"). At the option of the Noteholders, the Convertible Notes may be converted into shares of the Company's Common Stock at any time after the Maturity Date at a fixed conversion price of \$0.0105 per share. The Convertible Notes also contain anti-dilution provisions. The Convertible Notes remained unpaid at June 30, 2011 and as of the date of this filing.

America's Minority Health Network, Inc.

America's Minority Health Network, Inc. (Continued)

default, on July 30, 2010, Seatac informed the Company that it intended to exercise its remedies pursuant to which it could accept collateral in satisfaction of the Company's obligations. More particularly, Seatac stated that it intended to accept the following collateral in full satisfaction of the \$981,438 due under the April 2010 Note: (i) all rights, title and interest of AMHN in the 1,000 shares of common stock of America's Minority Health Network, (ii) all rights, title and interest of AMHN in the mark "America's Minority Health Network, Inc." and the goodwill associated with such mark, and (iii) all books and records of America's Minority Health Network held by AMHN (collectively, the "Collateral").

Given the Company's unsuccessful attempts to obtain additional financing or agree to alternative arrangements with Seatac, it agreed and consented to Seatac's exercise of its remedies under the April 2010 Note and the foreclosure upon the Collateral. As part of the agreement and consent, the Company and its Subsidiaries acknowledged that the Company and its Subsidiaries were in default in payment of principal, interest, and late fees under the April 2010 Note and related loan documents in the aggregate of \$981,438, and that the debt was secured by a first priority security interest in all of the assets of the Company and its subsidiaries. Accordingly, on July 30, 2010, the Company and Seatac sent joint instruction to the escrow agent, pursuant to which the escrow agent was instructed to transfer the stock certificate representing all of the outstanding shares of America's Minority Health Network being held in escrow to Seatac. The Company also entered into a trademark assignment with Seatac whereby the Company transferred all rights, title and interest in the mark "America's Minority Health Network, Inc." and the goodwill associated with such mark. The Company's settlement with Seatac did not include the surrender of Spectrum or the satisfaction of a trade payable to Seatac in the amount of \$480,465.

Overview

The Company was incorporated in Utah in 1907 under the name Croff Mining Company ("Croff"). The Company changed its name to Croff Oil Company in 1952 and in 1996 changed its name to Croff Enterprises, Inc. In the twenty (20) years prior to 2008, Croff's operations consisted entirely of oil and natural gas production. Due to a spin-off of its operations in December 2007, Croff had no business operations or revenue source and had reduced its operations to a minimal level, although it continued to file reports required under the Securities Exchange Act of 1934. As a result of the spin-off, Croff was a "shell company" under the rules of the Commission. After completion of subsequent transactions as described below, the Company changed its name to AMHN, Inc. on September 14, 2009 and on

September 25, 2009 approved a redomicile of the Company from Utah to Nevada. In February 2011, the Company relocated its corporate offices to 10611 N. Hayden Rd., Suite D106, Scottsdale, Arizona 85260.

Agreement and Plan of Reorganization with America's Minority Health Network, Inc.

On July 6, 2009, Croff entered into an Agreement and Plan of Reorganization (the "July 2009 Acquisition Agreement") with AMHN Acquisition Corp., a newly formed Delaware corporation and wholly owned subsidiary of Croff ("Merger Sub"), America's Minority Health Network, Inc., a Delaware corporation ("America's Minority Health Network") and the major shareholders of the America's Minority Health Network (the "Major Shareholders"). The terms of the July 2009 Acquisition Agreement, which closed on July 27, 2009, provided for (i) the transfer of 100% of the issued and outstanding shares of common stock of America's Minority Health Network in exchange for the issuance to the shareholders of American's Minority Health Network of an aggregate of 13,693,689 shares of common stock of Croff (the "Croff Common Stock"); (ii) the resignations of Croff's officers and directors prior to the consummation of the Agreement and the election and appointment of officers and directors as directed by America's Minority Health Network; and (iii) America's Minority Health Network to become a wholly owned subsidiary of Croff. A full description of the terms of the July 2009 Acquisition Agreement (the "Transaction") is set forth the Company's Current Report on Form 8-K filed with the Commission on July 10, 2009. In accordance with the provisions of this triangulated merger, Merger Sub merged with and into America's Minority Health Network as of the Effective Date, as that term is defined therein. Upon consummation of the July 2009 Acquisition Agreement and all transactions contemplated therein, the separate existence of Merger Sub ceased, Croff became the surviving parent corporation, and America's Minority Health Network became its wholly owned subsidiary. As a result of the Transaction, (i) Croff ceased being a shell company, (ii) its sole business became that of America's Minority Health Network, and (iii) Croff experienced a change in control in which the former shareholders of America's Minority Health Network acquired control of the Company. For accounting purposes, the Transaction was treated as a reverse merger.

Secured Note to Seatac Digital Resources, Inc., Subsequent Default under Note, and Transfer of America's Minority Health Network, Inc.

On April 1, 2010, AMHN, Inc. (the "Company") issued a 4% Secured Promissory Note (the "Note") in the principal base amount of \$800,000 (the "Principal Base Amount") to Seatac Digital Resources, Inc. ("Seatac") pursuant to the terms of that certain Note Purchase Agreement (the "Note Purchase Agreement") of even date therewith. As consideration for the Note, Seatac surrendered certain promissory notes totaling \$800,000 previously issued by the Company to Seatac between June 1, 2009 and March 31, 2010 and (collectively known as the "Prior Notes"). The Principal Base Amount of the Note, plus any and all additional advances made to the Company thereafter (the "Aggregated Principal Amount"), together with accrued interest at the annual rate of four percent (4%), was due in one lump sum payment on June 30, 2010 (the "Maturity Date"). The Note provided that the Note would automatically renew on the Maturity Date for additional ninety (90) day periods (the "Extended Maturity Date") unless ten (10) days prior to the Extended Maturity Date the Holder provided written notice to the Company of its intent not to renew. If the Company committed any Event of Default (as defined in the Note Purchase Agreement), then the unpaid principal amount of, and accrued interest on the Note could be accelerated by Seatac and become due and payable, whereupon the interest rate would be increased to a rate of ten percent (10%) per annum, subject to the limitations of applicable law.

As security for the Company's obligations under the Note Purchase Agreement and the Note, the Company pledged all of the capital stock of America's Minority Health Network pursuant to the terms of a Stock Pledge and Escrow Agreement. Repayment of the Note was also guaranteed by America's Minority Health Network and was additionally secured by a blanket lien encumbering the assets of the Company and America's Minority Health Network. On July 1, 2010, Seatac made demand for the aggregated amount of \$925,885, including principal of \$900,000 and interest through June 30, 2010. On July 11, 2010, Seatac added a one-time late charge equivalent to six percent (6%) of the unpaid amount,

or \$55,553, bringing the amount payable and past due under the April 2010 Note to \$981,438. Thereafter, payment of principal, interest and late charges under the April 2010 Note became past due, and as a result of the default, Seatac informed the Company that it intended to exercise its remedies and would accept the following collateral in full satisfaction of the \$981,438 due under the April 2010 Note: (i) all rights, title and interest of AMHN in the 1,000 shares of common stock of America's Minority Health Network, (ii) all rights, title and interest of AMHN in the mark "America's Minority Health Network, Inc." and the goodwill associated with such mark, and (iii) all books and records of America's Minority Health Network held by AMHN (collectively, the "Collateral").

The Company was unsuccessful in its attempts to obtain additional financing or reach an alternative arrangement with Seatac. As a result, we agreed and consented to Seatac's exercise of its remedies under the April 2010 Note and the foreclosure upon the Collateral. As part of the agreement and consent, the Company and America's Minority Health Network acknowledged that each were in default in payment of principal, interest, and late fees under the April 2010 Note and related loan documents in the aggregate of \$981,438 and that the debt was secured by a first priority security interest in all of the assets of the Company and all of its subsidiaries. Accordingly, on July 30, 2010, the Company and Seatac sent joint instructions to the escrow agent, pursuant to which the escrow agent was instructed to transfer the stock certificate representing all of the outstanding shares of America's Minority Health Network being held in escrow to Seatac. The Company also entered into a trademark assignment with Seatac whereby the Company transferred all rights, title and interest in the mark "America's Minority Health Network, Inc." and the goodwill associated with such mark. The Company's settlement with Seatac included the surrender of America's Minority Health Network; however, did not include the satisfaction of a trade payable to Seatac in the amount of \$455,061.

In conjunction with the settlement, Robert Cambridge and Charles Richardson resigned their positions as officers and directors of America's Minority Health Network.

Name Change, Redomicile, Change in Par Value, and Long Term Incentive Compensation Plan

On September 14, 2009, the Company changed its name to AMHN, Inc. On September 23, 2009, the Company's Board of Directors approved the redomicile of the Company from Utah to Nevada and approved the AMHN, Inc. 2009 Long Term Incentive Compensation Plan ("LTIP"). On March 28, 2010, the Company's Board of Directors approved a single revision to the Plan to increase the number of shares available for issuance to an aggregate of 1,500,000 shares. The Company subsequently approved a change in the par value of the Company's Common and Preferred Stock to \$0.001 per share. On July 20, 2010, the Company's shareholders owning an aggregate of 8,900,898 shares (or 55%) of the Company's outstanding shares approved the actions.

Agreement and Plan of Reorganization with Spectrum Health Network, Inc.

On June 1, 2010, AMHN entered into an Agreement and Plan of Reorganization (the "Spectrum Acquisition Agreement") with Spectrum Acquisition Corp., a newly formed Delaware corporation and wholly owned subsidiary of AMHN ("Merger Sub"), Spectrum Health Network, Inc., a Delaware corporation ("Spectrum") and the sole shareholder of Spectrum (the "Sole Shareholder"). Spectrum is a digital signage waiting room network built for the multispecialty group practice and independent physician associations ("IPAs"). The terms of the Spectrum Acquisition Agreement provided for (i) the transfer of 100% of the issued and outstanding shares of common stock of Spectrum to AMHN in exchange for the issuance to the Sole Shareholder of Spectrum of an aggregate of 500,000 shares of common stock of AMHN (the "AMHN Common Stock") at a conversion ratio where one share of Spectrum was converted into 500 shares of AMHN; (ii) AMHN's assumption of all the assets and liabilities of Spectrum; (iii) the officers and directors of Spectrum to retain their respective positions in the Merger Sub; and (iv) Spectrum to become a wholly owned subsidiary of AMHN. On June 11, 2010, the Closing Date of the Transaction pursuant to the terms and conditions of the Acquisition Agreement, AMHN acquired 100% of the issued and outstanding shares of Spectrum in exchange for the issuance of an aggregate of 500,000 shares of AMHN Common Stock. In accordance

with the provisions of this

triangulated merger, Merger Sub was merged with and into Spectrum as of the Effective Date of the Acquisition Agreement, the separate existence of Merger Sub ceased, and Spectrum became a wholly owned subsidiary of AMHN. In conjunction with the Acquisition Agreement, AMHN assumed the assets and liabilities of Spectrum totaling approximately \$247,000 and \$480,000, respectively. The excess of the purchase price over the net liabilities assumed was recorded as goodwill on the consolidated balance sheet.

Secured Note to Seatac, Subsequent Default under Note, and Transfer of Spectrum Health Network, Inc.

Since the closing date of the Spectrum transaction through November 2010, Seatac had advanced approximately \$487,532 to the Company specifically to address payables (the "Advances"). In order for Seatac to secure a first position for repayment of the Advances, the Company issued the Spectrum Note. The Spectrum Note, together with accrued interest at the annual rate of four percent (4%), was due in one lump sum payment on demand (the "Maturity Date"). As security for the Company's obligations under the Spectrum Note, the Company pledged all of the capital stock of Spectrum pursuant to the terms of a Stock Pledge and Escrow Agreement dated December 16, 2010. Repayment of the Spectrum Note was guaranteed by Spectrum and secured by a blanket lien encumbering the assets of Spectrum. On December 31, 2010, the Company amended the Spectrum Note to increase the principal amount to \$543,531 to include additional advances made by Seatac from September through November 2010 in the aggregate of \$56,000, which amount was inadvertently not included in the initial principal amount disclosed. The foregoing description of the Spectrum Note, the Stock Pledge and Escrow Agreement, and related agreements is qualified, in entirety, by reference to each agreement, copies of which are attached as exhibits to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on December 22, 2010, which exhibits are incorporated herein by reference.

In February 2011, Seatac notified the Company that it intended to make demand for payment under the Spectrum Note; however, the Company was unable to pay the balance. In an effort to satisfy the Spectrum Note in full, Seatac and the Company: (i) acknowledged that the Company and Spectrum were unable to pay the aggregated principal and interest of \$547,155 due to Seatac under the Spectrum Note which was secured by a first priority security interest in all of the assets of the Company and Spectrum; (ii) sent joint instruction to the escrow agent, pursuant to which the escrow agent transferred the stock certificate representing all of the outstanding shares of Spectrum being held in escrow to Seatac; (iii) entered into a trademark assignment to transfer all rights, title and interest in the mark "Spectrum Health Network, Inc." and the goodwill associated with that mark; and (iv) entered into an Exclusive Licensing, Distribution and Advertising Sales Agreement wherein Seatac and Spectrum licensed the Company to sell subscriptions to and advertising spots on the Spectrum digital-media network. See NOTE G – DISCONTINUED OPERATIONS in the accompanying condensed financial statements for more details.

Change in Control and Officers and Directors

On December 17, 2010, the Company experienced a change in control when shareholders owning an aggregate of 8,900,898 shares of the Company's Common Stock (or 53.7% of the Company's 16,575,209 outstanding shares) sold those shares to an entity not previously affiliated with the Company or its shareholders.

Exclusive Licensing, Distribution and Advertising Sales Agreement

On February 15, 2011, in conjunction with the settlement of the Spectrum Note, Spectrum and Seatac entered into an Exclusive Licensing, Distribution and Advertising Sales Agreement with the Company (the "Agreement"). ("Back Office") pursuant to which Back Office agrees to provide accounting and corporate compliance services to the Company for a monthly fee of \$7,000. During the six months ended June 30, 2011, the Company recorded consulting expense totaling \$42,000. The one-year agreement has an effective date as of January 1, 2011. Convertible Notes

During 2009, an individual provided consulting services to the Company in the amount of \$210,000 (the "Debt"). The Debt was to be paid through the issuance of restricted shares of the Company's Common Stock and shares of the Company's Common Stock issued pursuant to a registration statement on Form S-8 to be filed by the Company ("Form S-8"). The Company subsequently determined that it would not file the Form S-8 and instead issued the individual a demand promissory note for \$210,000 dated November 9, 2010 (the "November 2010 Note"). The November 2010 Note was subsequently assigned to unaffiliated entities ("Noteholders"). On April 18, 2011, the Company and the Noteholders agreed that in exchange for the forbearance of the Noteholders not to make demand for repayment of the November 2010 Note for a minimum of sixty (60) days, the Company would (i) cancel the November 2010 Note and (ii) issue two convertible promissory notes to the Noteholders in the principal amount of \$105,000 each bearing interest at the rate of six percent (6%) per annum (the "Convertible Notes"). The maturity date of the Convertible Notes is on demand any time after sixty (60) days from the date of issuance (the "Maturity Date"). At the option of the Noteholders, the Convertible Notes may be converted into shares of the Company's Common Stock at any time after the Maturity Date at a fixed conversion price of \$0.0105 per share. The Convertible Notes also contain anti-dilution provisions. The Convertible Notes remained unpaid at June 30, 2011.

In preparation for the Merger, the Company will (i) effectuate a reverse split of its outstanding shares of Common Stock wherein each of the Company's shareholders will receive one (1) share of Common Stock for each one hundred (100) shares of Common Stock currently owned by such shareholder (the "Reverse Split") (ii) increase its authorized shares of Common Stock to 250,000,000 shares and change the Company's name to TherapeuticsMD, Inc. and (iii) amend the LTIP to increase the authorized shares for issuance thereunder to 25,000,000. These corporate actions were approved by the Company and its majority shareholder on July 18, 2011. The Company intends to mail an Information Statement to its shareholders of record as of July 28, 2011 on or about August 12, 2011 discussing the approval of these corporate actions.

At the Effective Time, each outstanding membership unit of VitaMed ("Unit"), each outstanding option issued pursuant to the VitaMed 2008 Stock Option Plan ("VitaMed Option") and each outstanding warrant issued by VitaMed ("VitaMed Warrant") will be exchanged on a pro-rata basis for shares of the Company's Common Stock or rights to purchase shares of the Company's Common Stock, which in the aggregate will total 70,000,000 shares, resulting in a conversion ratio calculated by the sum of all outstanding Units, VitaMed Options and VitaMed Warrants divided by 70,000,000 (the "Conversion Ratio"). After giving effect to the issuance of shares of the Company's Common Stock in exchange for outstanding Units, the number of shares of the Company's Common Stock approximated to be issued and outstanding immediately following the Closing will be approximately 58,934,800 of which the owners of VitaMed will own approximately 99%.

All shares issued in exchange for Units and to be issued pursuant to rights to acquire Units of VitaMed, will be subject to a lock-up agreement for a period of eighteen (18) months from the Closing.

At the Closing, the Company's existing sole director shall nominate and appoint such persons as designated by VitaMed to serve as the Company's directors.

The Company and the Company's majority shareholder, owning approximately 53.70% of the Company's outstanding shares, approved the Agreement and the corporate actions required thereby.

Results of Operations

The following discussion of our financial condition and results of operations should be read in conjunction with our financial statements, included herewith. This discussion should not be construed to imply that the results discussed herein will necessarily continue into the future, or that any conclusion reached herein will necessarily be indicative of actual operating results in the future. Such discussion represents only the best present assessment of our management.

CONTINUING OPERATIONS

Results for the three month periods ended June 30, 2011 and 2010

Revenues and Network Operating Costs

AMHN had no revenues or corresponding network operating costs from continuing operations during either of the three month periods ended June 30, 2011 or 2010.

General and Administration

AMHN's general and administrative expenses consist of accounting and administrative costs, professional fees and other general corporate expenses. General and administrative expenses for the three month period ended June 30, 2011 were \$58,602 compared to \$66,696 for the three month period ended June 30, 2010. The decrease was largely the result of terminated consulting fee arrangements associated with investor and public relations offset by increases in legal and audit costs.

Other Expenses

AMHN's interest expense for the three month period ended June 30, 2011 was \$3,470 compared to \$8,499 for the same period in 2010. The decrease in interest expense was primarily the result of the elimination of certain interest expense related to the July 30, 2010 payoff of the Secured Promissory Note dated April 1, 2010 to Seatac Digital Resources, Inc. through the transfer of America's Minority Network, Inc. (as described above) partially offset by interest accrued on the March 2011 Note due to the Company's major shareholder.

Results for the six month periods ended June 30, 2011 and 2010

Revenues and Network Operating Costs

AMHN had no revenues or corresponding network operating costs from continuing operations during either of the three month periods ended June 30, 2011 or 2010.

General and Administration

AMHN's general and administrative expenses consist of accounting and administrative costs, professional fees and other general corporate expenses. General and administrative expenses for the six month period ended June 30, 2011 were \$100,339 compared to \$196,710 for the six month period ended June 30, 2010. The decrease was largely the result of terminated consulting fee arrangements associated with investor and public relations.

Other Expenses

AMHN's interest expense for the six month period ended June 30, 2011 was \$7,365 compared to \$8,499 for the same period in 2010. The decrease in interest expense was primarily the result of the elimination of certain interest expense related to the July 30, 2010 payoff of the Secured Promissory Note dated April 1, 2010 to Seatac Digital Resources, Inc. through the transfer of America's Minority Network, Inc. (as described above) partially offset by interest accrued on the March 2011 Note due to the Company's major shareholder.

DISCONTINUED OPERATIONS

The gains and losses from the disposition of certain income-producing assets and associated liabilities, operating results, and cash flows are reflected as discontinued operations in the consolidated financial statements for all periods presented. Although net earnings are not affected, the Company has reclassified results that were previously included in continuing operations as discontinued operations for qualifying dispositions.

Liquidity and Capital Resources

The Company began its current operations in 2009 and has not as yet attained a level of operations which allows it to meet its current overhead. We do not know if or when we will attain profitable operations and there is no assurance that a profitable operating level can ever be achieved. We will be dependent upon obtaining additional financing in order to adequately fund working capital needs. This factor raises substantial doubt about our ability to continue as a going concern and the accompanying consolidated financial statements do not include any adjustments related to the recoverability or classification of asset carrying amounts or the amounts and classification of liabilities that may result should we be unable to continue as a going concern.

At June 30, 2011, AMHN's cash balance was \$3,456. Outstanding liabilities as of June 30, 2011 totaled \$356,631 including \$102,772 in a note payable and accrued interest due to a related party. The Company's working capital deficit as of June 30, 2011 was \$351,178.

The Company will need to raise additional capital to expand operations to the point at which the Company can achieve profitability. The financing that may be raised may not be on terms acceptable by the Company. If adequate funds cannot be raised outside of the Company, the Company's current shareholders may need to contribute funds to sustain operations. As discussed in Recent Events, the Company has entered into an Agreement and Plan of Merger with VitaMed which is expected to close no later than September 7, 2011.

Off-Balance Sheet Arrangements

Item 4. Controls and Procedures

Disclosure Controls and Procedures

Disclosure controls and procedures are designed to ensure that information required to be disclosed in the reports filed or submitted under the Securities Exchange Act of 1934 (the "Exchange Act") is recorded, processed, summarized and reported, within the time period specified in the SEC's rules and forms and is accumulated and communicated to Jeffrey D. Howes, the Company's President, as appropriate, in order to allow timely decisions in connection with required disclosure.

Evaluation of Disclosure Controls and Procedures

Mr. Howes, currently serving as the Company's sole officer, evaluated the effectiveness of the design and operation of our Company's disclosure controls and procedures (as such term is defined in Rules 13a-15 and 15d-15 under the Exchange Act) as of the end of the period covered by this quarterly report. Based on such evaluation, he concluded that the Company's disclosure controls and procedures are not effective to ensure that information required to be disclosed by the Company in reports that it files or submits under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods specified in SEC's rules and forms. During the most recently completed six-month period ended June 30, 2011, there has been no significant change in the Company's internal control over financial reporting that has affected, or is reasonably likely to affect, the Company's internal control over financial reporting.

Changes in Internal Controls

During the six months ended June 30, 2011, there were no significant changes in internal controls of the Company, or other factors that could significantly affect these controls subsequent to the date of their evaluation, including any corrective actions with regard to significant deficiencies and material weaknesses.
