Due to the death of the engagement quality reviewing partner of Darilek Butler (the Company's independent auditor) that had been assigned to the Company's account, the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2014 could not be completed in time without unreasonable effort and expense to the Company.

Yes S NO

Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes S NO

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Based on information that is available at this time, the Company's net income from operations for the six months ended June 30, 2014 is expected to be in the range of approximately \$2.6 million to \$2.8 million, compared to net income from operations of approximately \$2.0 million for the six months ended June 30, 2013. This change is largely the result of an increase in revenues of approximately \$0.4 million, lower general and administrative costs of approximately \$0.2 million, and a decrease in depletion expense of approximately \$0.9 million. Further, during the six

months ended June 30, 2013 the Company recorded a gain on settlement of debt of approximately \$0.9 million while no such gain will be recorded during the six months ended June 30, 2014. The Company cautions that the estimation of net income from operations is preliminary and subject to change, possibly materially, following the completion and review of the Company's financial statements.
