The selling stockholders named in this prospectus supplement may offer to sell from time to time in the future up to an aggregate of 35,939,368 shares of our Class A common stock, par value \$0.01 per share. As of the date of this prospectus supplement, the selling stockholders collectively hold 538,690 of these shares of our Class A common stock. The remaining shares of our Class A common stock may be issued to the selling stockholders upon their election to exchange an equivalent number of Class B Units of our operating company pursuant to the terms and subject to the conditions set forth in the operating agreement of our operating company. These Class B Units were issued to the selling stockholders (i) in connection with the reorganization of our operating company and the concurrent initial public offering of our Class A common stock on October 30, 2007, (ii) as equity incentive awards or bonus amounts under the Pzena Investment Management, LLC 2006 Equity Incentive Plan, as amended, or the Pzena Investment Management, LLC Amended and Restated Bonus Plan, as amended, respectively, or (iii) in connection with donations by certain of our executive officers. Pursuant to the provisions of our operating company's operating agreement, certain holders of Class B Units are permitted to exchange up to 15% of certain of their vested Class B Units for an equivalent number of shares of our Class A common stock, subject to certain exceptions and other limitations, also, since 2011, the non-employee members of our operating company may exchange all of their vested Class B units, in accordance with the timing restrictions set forth in the operating agreement. To the extent that any of the selling stockholders elect to exchange any of these Class B Units for shares of our Class A common stock, they may resell the equivalent number of shares of Class A common stock issued to them in exchange therefor pursuant to this prospectus supplement and the accompanying Prospectus, in addition to any of the shares of our Class A common stock collectively held by them as of the date of this prospectus supplement.

The selling stockholders named below consist of certain of our current executive officers and their estate planning vehicles and donees. The selling stockholders may sell all, some or none of their Class A common stock in this offering. See "Plan of Distribution" in the accompanying Prospectus.

The table below describes each selling stockholder's beneficial ownership of our Class A common stock and Class B common stock (i) as of the date of this prospectus supplement and (ii) assuming each selling stockholder has (a) exchanged all Class B Units currently beneficially owned by it for the equivalent number of shares of our Class A common stock and (b) resold all such shares of our Class A common stock pursuant to this prospectus supplement and the accompanying prospectus.

Each share of our Class A common stock is entitled to one vote per share on all matters submitted to a vote of our stockholders. Each share of our Class B common stock, par value \$0.00001 per share, is entitled to five votes per share on all matters submitted to a vote of our stockholders for so long as the Class B stockholders collectively hold 20% of the total number of shares of our common stock outstanding. Upon the issuance by our operating company of a Class B Unit, we are required to issue the holder thereof one share of our Class B common stock. Upon the exchange of a Class B Unit for a share of our Class A common stock, the share of our Class B common stock originally issued in connection with the Class B Unit is automatically redeemed and canceled.

Unless otherwise noted, each person or group identified (1) possesses sole voting and investment power with respect to the shares. In calculating the number of shares beneficially owned by each selling stockholder prior to and after this offering, we have based our calculations on 16,301,791 shares of Class A common stock and 51,115,975 shares of Class B common stock, in each case outstanding as of December 15, 2016.

(2) Assumes the sale of all shares of Class A common stock offered by the selling stockholder pursuant to this prospectus.

As of the date of this prospectus, each of the selling stockholders holds a number of Class B Units that is equivalent to the number of shares of Class B common stock listed in Column B above. Since these Class B Units are exchangeable for an equivalent number of shares of Class A common stock which may be resold pursuant to this (4) prospectus, the number of shares of Class A common stock listed in this Column E includes the number of shares of Class A common stock issuable to each selling stockholder upon its election to exchange this number of Class B Units.

The number of Class B Units discussed above held by the selling stockholders includes Class B Units contributed to Pzena Investment Management, LP ("PIM LP") which may be redeemed by such selling stockholders upon such selling stockholder's election to exchange for Class A common stock as described above, however it excludes the Class B Units owned by certain selling stockholders which were not registered under the original prospectus, dated April 30, 2014.

(5) Includes 4,100 shares of our Class A common stock held by the selling stockholder's spouse. Mr. Pzena disclaims beneficial ownership of such interests.

Pzena, Bachman, Goetz, Lipsey and Peterson became limited partners of PIM LP and contributed to PIM LP all of their direct holdings of (i) Class B units of the operating company and (ii) Class B shares of the Company in order to receive a corresponding number of limited (6) partnership interests in PIM LP. Pursuant to the LPA, whenever a Class B unit is issued to a limited partner of PIM LP, such limited partner will be deemed to immediately and automatically contribute such unit and related Class B share to PIM LP, and PIM LP will concurrently issue to such limited partner a corresponding limited partnership interest. Pursuant to the LPA, each limited partnership interest in PIM LP will be cancelled upon redemption by a limited partner of PIM LP for Class B units and related Class B shares subject to the terms of the LPA. The Company is the general partner of PIM LP.

Includes the number of shares of our Class B common stock listed below that are directly held by certain trusts established for estate planning purposes by the selling stockholders named below, as well as Class B common stock held by Mr. Pzena's spouse. Each of the named executive officers listed below disclaims beneficial ownership of the number of shares of Class B common stock and the corresponding Class B units (including the shares of Class A common stock underlying the Class B units) held by the applicable trusts, and in the case of Mr. Pzena, additionally those held by his spouse.
