Item 1.01 Entry into a Material Definitive Agreement

Securities Purchase Agreement

On June 17, 2013, Mobivity Holdings Corp. (the "Company") entered into a Securities Purchase Agreement and a Registration Rights Agreement with certain accredited investors in connection with a proposed private placement of up to 37,500,000 shares of its common stock at a price of \$0.20 per share, for aggregate gross proceeds of up to \$7.5 million. The Securities Purchase Agreement includes customary representations, warranties, and covenants by the investors and the Company, and an indemnity from the Company. Pursuant to the terms of the Registration Rights Agreement, the Company agreed to cause a resale registration statement covering the shares to be filed by August 16, 2013. The Registration Rights Agreement also provides that the Company must make certain payments as liquidated damages to the investors if it fails to timely file the registration statement and cause it to become effective. The transaction is further described in the press release issued by the Company on June 20, 2013, a copy of which is filed herewith as Exhibit 99.1.

An initial closing for \$5,795,000 of the common stock financing was completed on June 17, 2013. The Company expects to conduct additional closings for up to an additional \$1,705,000 within the next several days of the filing of this report.

The foregoing description is only a summary and is qualified in its entirety by reference to the aforementioned transaction documents contained in Exhibits 10.1, 10.2, and 99.1, each of which is incorporated herein by reference.

Convertible Secured Promissory Note Conversion Agreement

In connection with the private placement of the Company's common stock pursuant to the Securities Purchase Agreement described above, the Company also entered into a Convertible Secured Promissory Note Conversion Agreement (the "Note Conversion Agreement") on June 17, 2013, with certain holders of its outstanding 10% Senior Secured Convertible Bridge Notes due October 15, 2013 (the "Notes"). Pursuant to the Note Conversion Agreement, the Company agreed to issue to the holders of the Notes shares of its common stock at the conversion price of \$0.20 per share for the cancellation of the outstanding principal amounts and accrued interest under the Notes. Certain holders elected to receive, and the Company agreed to make, cash payments on the accrued interest on their Notes in lieu of shares of common stock. Each Note holder also received a warrant to purchase that number of shares of the Company's common stock calculated by dividing the outstanding principal amount plus accrued and unpaid interest of such Note by the conversion price. The warrants are exercisable for a period of five years at an exercise price of \$0.20 per share (the "Warrants"). The transaction is also described in the press release issued by the Company on June 20, 2013, a copy of which is filed herewith as Exhibit 99.1.

By executing the Note Conversion Agreement, the holders representing a majority of the outstanding principal amount of the Notes also amended and restated the Registration Rights Agreement dated May 18, 2012 by and among the Company and all of the holders of the Notes (the "Prior Rights Agreement"). The Prior Rights Agreement was thereby amended and restated, pursuant to Section 7(a) of the Prior Rights Agreement, in the form of the Registration Rights Agreement entered into by the Company and the investors in the Securities Purchase Agreement described above, which is filed herewith as Exhibit 10.2.

The Company closed on the conversion of \$5,218,208 of aggregate principal and accrued but unpaid interest, representing approximately 96% of the Company's issued and outstanding Notes, on June 17, 2013. The Company expects to convert the remaining \$217,218 of outstanding principal and accrued interest in additional closings within the next several days of the filing of this report.

The foregoing description is only a summary and is qualified in its entirety by reference to the aforementioned transaction documents contained in Exhibits 4.1, 10.2, 10.3 and 99.1, each of which is incorporated herein by reference.

In addition, the Company issued an aggregate of 25,614,028 shares of its common stock to the investors in the Note Conversion Agreement in exchange for the cancellation of Notes in the aggregate principal amount of \$4,767,502 and aggregate accrued interest of \$355,303. The Company also issued Warrants to purchase an aggregate of 25,614,028 shares of the Company's common stock to the investors in the Note Conversion Agreement. The shares and the Warrants were issued pursuant to the exemption from registration provided by Section 4(a)(2) of the Securities Act of 1933, as amended, and Rule 506 promulgated thereunder.
