PROXY STATEMENT

For Annual Meeting of Stockholders

We are furnishing this proxy statement in connection with our board of directors' (our Board) solicitation of proxies for use at our 2016 annual meeting of stockholders (our annual meeting) to be held at 10:00 a.m., Mountain Time, at 5251 DTC Parkway, Second Floor Conference Room, Greenwood Village, Colorado 80111, Tel. No. (303) 628-5600, on May 27, 2016, or at any adjournment or postponement of the annual meeting. At the annual meeting, we will ask you to consider and vote on the proposals described in the accompanying Notice of Annual Meeting of Stockholders. The proposals are described in more detail in this proxy statement. We are soliciting proxies from holders of our Series A common stock, par value \$0.01 per share, and Series B common stock, par value \$0.01 per share.

ANNUAL MEETING; PROXIES

Notice and Access of Proxy Materials

We have elected, in accordance with the Securities and Exchange Commission's (SEC) "Notice and Access" rule, to deliver a Notice of Internet Availability of Proxy Materials (the Notice) to our stockholders and to post our proxy statement and our annual report to our stockholders (collectively, the proxy materials) electronically. The Notice is first being mailed to our stockholders on or about April 14, 2016. The proxy materials are first being made available to our stockholders on or about the same date.

The Notice instructs you how to access and review the proxy materials and how to submit your proxy via the Internet or by telephone or smartphone. The Notice also instructs you how to request and receive a paper copy of the proxy materials, including a proxy card or voting instruction form, at no charge. We will not mail a paper copy of the proxy materials to you unless specifically requested to do so.

Electronic Delivery

Registered stockholders may elect to receive future notices and proxy materials by e-mail. To sign up for electronic delivery, go to www.computershare.com/investor. You may also sign up for electronic delivery when you vote by Internet at www.envisionreports.com/ASCMA, by following the prompts. Once you sign up, you will not receive a printed copy of the notices and proxy materials, unless you request them. You may suspend electronic delivery of the notices and proxy materials at any time by contacting our transfer agent, Computershare, at 800-730-4001 (outside the United States 781-575-2879). Stockholders who hold shares through a bank, brokerage firm or other nominee may request electronic access by contacting their nominee.

Time, Place and Date

The annual meeting of the stockholders is to be held at 10:00 a.m., Mountain Time, on May 27, 2016, at 5251 DTC Parkway, Second Floor Conference Room, Greenwood Village, Colorado 80111, Tel. No. (303) 628-5600.

Purpose

At the annual meeting, you will be asked to consider and vote on each of the following:

- the re-election of one of our directors, Philip J. Holthouse, to serve as a Class II member of our Board for a three year term; and
- the auditor ratification proposal, to ratify the selection of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2016.

You may also be asked to consider and vote on such other business as may properly come before the annual meeting. However, we are not currently aware of any such additional business.

Quorum

In order to carry on the business of the annual meeting, at least a majority of the aggregate voting power represented by the outstanding shares of our Series A common stock and Series B common stock, as of the record date, must be present at the annual meeting, either in person or by proxy. For purposes of determining a quorum, your shares will be included as represented at the meeting even if you indicate on your proxy that you abstain from voting. If a broker, who is a record holder of shares, indicates on a form of proxy that the broker does not have discretionary authority to vote those shares on either or both of the proposals, or if those shares are voted in circumstances in which proxy authority is defective or has been withheld, those shares (which we refer to as broker non-votes) nevertheless will be treated as present for purposes of determining the presence of a quorum.

Who May Vote; Record Date

Holders of our Series A common stock and Series B common stock, as recorded in our stock register as of 5:00 p.m., New York City time, on April 8, 2016 (which is the record date for the annual meeting), may vote at the annual meeting or at any adjournment or postponement thereof.

Votes Required

The following stockholder approvals are required with respect to the proposals described above:

- The director election proposal requires the affirmative vote of a plurality of the votes cast for the director election proposal by the holders of shares of our common stock present, in person or by proxy, and entitled to vote at the annual meeting, voting together as a single class. This means that Mr. Holthouse will be elected if he receives more affirmative votes than any other persons.

Approval of the auditor ratification proposal requires the affirmative vote of a majority of the voting power of the shares of our common stock present, in person or by proxy, and entitled to vote at the annual meeting, voting together as a single class.

Votes You Have

At the annual meeting, holders of our Series A common stock will have one vote per share for each share of Series A common stock that our records show they owned on the record date, and holders of our Series B common stock will have ten votes per share for each share of Series B common stock that our records show they owned on the record date. Holders of all series of our common stock will vote together as a single class.

Shares Outstanding

As of the record date, there were 12,351,476 shares of our Series A common stock and 382,359 shares of our Series B common stock outstanding.

Number of Holders

As of the record date, there were 761 and 50 record holders of our Series A common stock and our Series B common stock, respectively. Such amounts do not include the number of stockholders whose shares are held of record by banks, brokers or other nominees, but include each such institution as one holder.

Voting Procedures for Record Holders

Holders of record of our common stock as of the record date may vote in person at the annual meeting. Alternatively, they may give a proxy by completing, signing, dating and returning the proxy card, or by voting by telephone, smartphone or over the Internet. Unless subsequently revoked, shares of our common stock represented by a proxy submitted as described below and received at or before the annual meeting will be voted in accordance with the instructions on the proxy.

YOUR VOTE IS IMPORTANT. It is recommended that you vote by proxy even if you plan to attend the annual meeting. You may change your vote at the annual meeting. Specific voting instructions are set forth in this proxy statement and on both the Notice and proxy card.

If a proxy is properly executed and submitted by a record holder without indicating any voting instructions, the shares represented by the proxy will be voted FOR the election of Mr. Holthouse as a director and will be voted FOR the approval of the auditor ratification proposal.

If you submit a proxy card on which you indicate that you abstain from voting, it will have no effect on the director election proposal but will have the same effect as a vote AGAINST the auditor ratification proposal.

If you fail to respond with a vote, your shares will not be counted as present and entitled to vote for purposes of determining a quorum, and your failure to vote will have no effect on determining whether either of the proposals are approved (assuming a quorum is present).

Voting Procedures for Shares Held in Street Name

General. If you hold your shares in the name of a broker, bank or other nominee, you should follow the instructions provided by your broker, bank or other nominee when voting your shares of our common stock or when granting or revoking a proxy. The rules and regulations of the New York Stock Exchange and The Nasdaq Stock Market prohibit brokers, banks and other nominees from voting shares on behalf of their clients with respect to numerous matters, including, in our case, the director election proposal. Accordingly, to ensure your shares held in street name are voted on such matter, we encourage you to provide specific voting instructions to your broker, bank or other nominee promptly.

Effect of Broker Non-Votes. Broker non-votes are counted as shares of our common stock present and entitled to vote for purposes of determining a quorum but will have no effect on any of the proposals. You should follow the directions your broker, bank or other nominee provides to you regarding how to vote your shares of common stock or how to change your vote or revoke your proxy.

Revoking a Proxy

Before the start of the annual meeting, you may change your vote, by voting in person at the annual meeting or by delivering a signed proxy revocation or a new signed proxy with a later date to Ascent Capital Group, Inc., c/o Computershare Trust Company, N.A., 250 Royall Street, Canton, MA 02021. Any proxy revocation or new proxy

must be received before the start of the annual meeting. In addition, you may change your vote through the Internet or by telephone or smartphone (if you originally voted by the same method) not later than 11:59 p.m., New York City time, on May 26, 2016.

Your attendance at the annual meeting will not, by itself, revoke a prior vote or proxy from you. Please be sure to request a ballot at the annual meeting if you have not voted or wish to change your vote.

If your shares are held in an account by a broker, bank or other nominee, you should contact your nominee to change your vote or revoke your proxy.

Solicitation of Proxies

We are soliciting proxies by means of these proxy materials on behalf of our board of directors. In addition to this mailing, our employees may solicit proxies personally or by telephone. We will pay the cost of soliciting these proxies. We will also reimburse brokers and other nominees for their expenses in sending the Notice and, if requested, paper proxy materials to you and getting your voting instructions.

Recommendation of Our Board of Directors

Our Board has carefully considered and approved the director election proposal and the auditor ratification proposal, and recommends that you vote FOR the election of Mr. Holthouse to a new three-year term and that you vote FOR the auditor ratification proposal.

Other Matters to Be Voted on at the Annual Meeting

Our Board is not currently aware of any business to be acted on at the annual meeting other than that which is described in the Notice of Annual Meeting of Stockholders and this proxy statement. If, however, other matters are properly brought to a vote at the annual meeting, the persons designated as proxies will have discretion to vote or to act on these matters according to their best judgment, unless you indicate otherwise in your proxy. In the event there is a proposal to adjourn or postpone the annual meeting, the persons designated as proxies will have discretion to vote on that proposal.

Mr. Deevy has chosen to retire from our board of directors, effective immediately prior to the annual meeting, and not to seek re-election at this annual meeting. Upon Mr. Deevy's retirement, our board of directors will consist of six members. Mr. Holthouse is nominated for election to our board to continue to serve as a Class II director, and we have been informed that Mr. Holthouse is willing to continue to serve as a director of our company. The term of the Class II director who is elected at the annual meeting will expire at the annual meeting of our stockholders in the year 2019. Vote and Recommendation

The director election requires the affirmative vote of a plurality of the votes cast for the director election proposal by the holders of shares of our common stock present, in person or by proxy, and entitled to vote at the annual meeting, voting together as a single class. This means that Mr. Holthouse will be elected if he receives more affirmative votes than any other persons.

Our Board unanimously recommends a vote FOR the election of the nominees to our Board.

PROPOSAL 2 - THE AUDITOR RATIFICATION PROPOSAL

We are asking our stockholders to ratify the selection of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2016.

Even if the selection of KPMG LLP is ratified, the audit committee of our Board, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if our audit committee determines that such a change would be in the best interests of our company and our stockholders. In the event our stockholders fail to ratify the selection of KPMG LLP, our audit committee will consider it as a direction to select other auditors for the year ending December 31, 2016.

A representative of KPMG LLP is expected to be present at the annual meeting, will have the opportunity to make a statement if he or she so desires and is expected to be available to respond to appropriate questions.

Audit Fees and All Other Fees

The following table presents fees for professional audit services rendered by KPMG LLP for the audit of our consolidated financial statements for 2015 and 2014:

	2015	2014
Audit fees	\$1,111,000	\$985,000
Audit related fees (1)	186,000	104,000
Audit and audit related fees	\$1,297,000	\$1,089,000
Tax fees (2)	19,000	53,000
Total fees	\$1,316,000	\$1,142,000

(1) Audit related fees consist primarily of due diligence assistance.

(2) Tax related services consist primarily of tax compliance and advice.

Our audit committee has considered whether the provision of services by KPMG LLP to our company other than auditing is compatible with KPMG LLP maintaining its independence and believes that the provision of such other services is compatible with KPMG LLP maintaining its independence.

Policy on Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

Our audit committee adopted a policy, dated November 6, 2008, regarding the pre-approval of all audit and permissible non-audit services provided by our independent auditor. Pursuant to this policy, our audit committee has approved the engagement of our independent auditor to provide the following services (all of which are collectively referred to as pre-approved services):

- audit services as specified in the policy, including (i) financial audits of our company and our subsidiaries, (ii) services associated with our periodic reports, registration statements and other documents filed or issued in connection with a securities offering (including comfort letters and consents), (iii) attestations of our management's reports on internal controls and (iv) consultations with management as to accounting or disclosure treatment of transactions;

- audit-related services as specified in the policy, including (i) due diligence services, (ii) financial audits of employee benefit plans, (iii) consultations with management as to accounting or disclosure treatment of transactions not otherwise considered audit services, (iv) attestation services not required by statute or regulation, (v) certain audits incremental to the audit of our consolidated financial statements, (vi) closing balance sheet audits related to

dispositions and (vii) general assistance with implementation of SEC rules or listing standards; and

- tax services as specified in the policy, including federal, state, local and international tax planning, compliance and review services, and tax due diligence.

Notwithstanding the foregoing general pre-approval, any individual project involving the provision of pre-approved services that is likely to result in fees in excess of \$100,000 requires the specific prior approval of our audit committee. Any engagement of our independent auditors for services other than the pre-approved services requires the specific approval of our

audit committee. Our audit committee has delegated the authority for the foregoing approvals to the chairman of the audit committee, subject to his subsequent disclosure to the entire audit committee of the granting of any such approval. Philip J. Holthouse currently serves as the chairman of our audit committee.

Our pre-approval policy prohibits the engagement of our independent auditor to provide any services that are subject to the prohibition imposed by Section 201 of the Sarbanes-Oxley Act.

All services provided by our independent auditor during 2015 were approved in accordance with the terms of the policy.

Vote and Recommendation

Approval of the auditor ratification proposal requires the affirmative vote of a majority of the voting power of the shares of our common stock present, in person or by proxy, and entitled to vote at the annual meeting, voting together as a single class.

Our Board unanimously recommends a vote FOR the auditor ratification proposal.

There is no family relationship between any of our executive officers or directors, by blood, marriage or adoption.

During the past ten years, none of our directors or executive officers has had any involvement in any legal proceedings that would be material to an evaluation of his ability or integrity.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten-percent stockholders are required by SEC regulations to furnish us with copies of all Section 16 forms they file.

Based solely on a review of the copies of the Forms 3, 4 and 5 and amendments to those forms furnished to us during our most recent fiscal year, or written representations that no Forms 5 were required, we believe that, during the year ended December 31, 2015, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten-percent beneficial owners were all met; however, one Form 4 reporting one transaction occurring during the year ended December 31, 2015 was filed late by Richard G. Walker and two Form 4s, each reporting one transaction occurring during the year ended December 31, 2015, were filed late by William R. Fitzgerald.

Code of Ethics

We have adopted a code of ethics that applies to all of our employees, directors and officers, which constitutes our “code of ethics” within the meaning of Section 406 of the Sarbanes-Oxley Act. Our code of ethics is available on our website at <http://ir.ascentcapitalgroupinc.com/corporate-governance.cfm>.

Director Independence

It is our policy that a majority of the members of our Board be independent of our management. For a director to be deemed independent, our Board must affirmatively determine that the director has no disqualifying direct or indirect material relationship with our company. To assist our Board in determining which of our directors qualify as independent for purposes of The Nasdaq Stock Market rules as well as applicable rules and regulations adopted by the SEC, the nominating and corporate governance committee of our Board follows the Corporate Governance Rules of The Nasdaq Stock Market on the criteria for director independence.

Our Board has determined that each of Philip J. Holthouse, Brian Deevy, Rana Kashyap, Michael J. Pohl, Charles Y. Tanabe and Carl E. Vogel qualifies as an independent director of our company.

Board Composition

As described above under “Proposal 1—The Director Election Proposal”, our Board is comprised of directors with a broad range of backgrounds and skill sets, including media, telecommunications, technology, subscription-based business, finance, transactional and advisory work, auditing and tax. For more information on our Board’s position with respect to the importance of diverse viewpoints on our Board, see “—Committees of our Board of Directors-Nominating and Corporate Governance Committee” below.

Board Leadership Structure

Our bylaws currently provide that the Chairman of our Board shall be the Chief Executive Officer of our company, unless our Board determines otherwise. William R. Fitzgerald currently serves as the Chairman of our Board and Chief Executive Officer (principal executive officer) and is responsible for identifying and implementing strategic initiatives as well as executive leadership. Our Board believes that Mr. Fitzgerald is best situated to serve as Chairman of our Board because he is the director most familiar with our company’s history and business and is also the person most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy.

In evaluating our current Board leadership structure, our Board noted that our company is a holding company and that substantially all of our operating activities are conducted through our principal operating subsidiary, Monitronics. Jeffery R. Gardner serves as the President and Chief Executive Officer of Monitronics, and is responsible for the day to day operations of Monitronics. Our Board believes that the allocation of responsibilities between Mr. Fitzgerald and Mr. Gardner represents an appropriate leadership structure because, among other reasons, it enables Mr. Fitzgerald to foster clear accountability and effective decision making at the board level and with regard to holding company activities, while Mr. Gardner focuses on the daily management of our operating company.

The key members of all committees of our Board are independent directors. Each member of the compensation committee, nominating and corporate governance committee and audit committee is independent. In addition, an independent director, Carl E. Vogel, is the chairman of the executive committee of our Board. Through these committees, we have established independent processes for the effective oversight of critical issues entrusted to independent directors, such as the integrity of our financial statements, CEO and senior management compensation, board evaluation and selection of directors. For more information on the function of the committees of our Board, see

“—Committees of our Board of Directors” below.

For the above reasons, our Board does not believe that a separation of the Chairman of the Board and Chief Executive Officer positions will provide any meaningful additional oversight. Moreover, our Board believes its current leadership structure positions our company to achieve the optimal result for its stockholders. Because Mr. Fitzgerald bears primary responsibility for the strategic management and leadership of our company, our Board believes that Mr. Fitzgerald is best suited to chair board meetings and ensure that key business issues and stockholders’ interests are brought to the attention of our Board.

Board Role in Risk Oversight

Our Board has an active role, as a whole and at the committee level, in overseeing the management of our company's risks. Our Board regularly reviews information regarding our credit, liquidity, strategic, operational, financial and reporting, succession and compensation, legal and compliance functions and status, as well as the risks associated with each. The compensation committee is responsible for overseeing the management of risks relating to our incentive compensation plans and arrangements. The audit committee oversees management of financial risks. The nominating and corporate governance committee manages risks associated with the independence of our Board and, together with the audit committee, potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, our entire Board is regularly informed through committee reports and management presentations about such risks.

Committees of our Board of Directors

Executive Committee

Our Board has established an executive committee consisting of Carl E. Vogel and William R. Fitzgerald, with Mr. Vogel serving as chairman. The principal purpose of the executive committee is to assist our Board in the performance of its duties and responsibilities between regularly scheduled meetings of our Board and at any time when our Board is not in session or otherwise unable to act, by exercising the power and authority of our Board to manage the business and affairs of our company with respect to (i) such matters as shall be delegated to the executive committee by resolution of our Board and (ii) any other lawful matters to the extent the executive committee, in its discretion, determines that it is necessary or advisable to attend to such matters prior to the next regularly scheduled meeting of our Board. As such, the executive committee generally has and may exercise all the powers and authority of our Board in the management of the business and affairs of our company, including without limitation the power and authority to authorize the issuance of shares of our capital stock. However, the executive committee has no power or authority in reference to the following matters:

- approving, adopting or recommending to the stockholders of our company any action or matter expressly required by the Delaware General Corporation Law to be submitted to stockholders for approval;
- adopting, amending or repealing any bylaws of our company;
- fixing the size of our Board or filling any vacancies on our Board or on any committee of our Board;
- or
- the matters or powers expressly conferred upon the audit committee, the compensation committee, and the nominating and corporate governance committee.

Compensation Committee

Our Board has also established a compensation committee, whose chairman is Michael J. Pohl and whose other members are Philip J. Holthouse and Brian Deevy. The compensation committee reviews and makes recommendations to our Board regarding all forms of compensation provided to our executive officers and directors. In addition, the compensation committee reviews and makes recommendations on bonus and stock compensation arrangements for all of our employees and has sole responsibility for the administration of our incentive plans.

The compensation committee reviews and approves corporate goals and objectives relevant to the compensation of our Chief Executive Officer and our other executive officers. The compensation committee also reviews and approves

the compensation of our Chief Executive Officer and certain other officers of our company. For a description of our processes and policies for consideration and determination of executive and director compensation, including the role of our Chief Executive Officer and outside consultants in determining or recommending amounts and/or forms of compensation, see “Executive Compensation—Compensation Discussion and Analysis” below. The compensation committee has the authority to retain a compensation consultant to assist in the evaluation of executive compensation.

Our Board has adopted a written charter for the compensation committee, which is available on our website at <http://ir.ascentcapitalgroupinc.com/corporate-governance.cfm>.

Compensation Committee Report

The compensation committee has reviewed and discussed with the company's management the "Compensation Discussion and Analysis" included under "Executive Compensation" below. Based on such review and discussions, the compensation committee recommended to our company's Board that the "Compensation Discussion and Analysis" be included in this proxy statement.

In 2015, the compensation committee of our Board consisted of Michael J. Pohl, Philip J. Holthouse and Brian Deevy. No member of the compensation committee during 2015 is, was or has been an officer or employee of our company or any of our subsidiaries, or has engaged in any related party transaction in which our company or any of our subsidiaries was a participant.

Nominating and Corporate Governance Committee

Our Board has established a nominating and corporate governance committee, whose chairman is Charles Y. Tanabe and whose other members are Philip J. Holthouse, Michael J. Pohl, and Carl E. Vogel. See "—Director Independence" above.

The nominating and corporate governance committee:

- develops qualification criteria for selecting candidates to serve as directors of our company;
- identifies individuals qualified to become directors of our company and makes recommendations to our Board with respect thereto;
- reviews and approves "related person transactions" (as set forth in our corporate governance guidelines); and
- reviews, and makes recommendations with respect to changes to, our corporate governance guidelines.

The nominating and corporate governance committee will consider candidates for director recommended by any stockholder provided that such nominations are properly submitted. Eligible stockholders wishing to recommend a candidate for nomination as a director should send the recommendation in writing to the Nominating and Corporate Governance Committee, Ascent Capital Group, Inc., 5251 DTC Parkway, Suite 1000, Greenwood Village, Colorado 80111. Stockholder recommendations must be made in accordance with our bylaws, as discussed under "Stockholder Proposals" below, and must contain the following information:

the proposing stockholder's name and address and documentation indicating the number of shares of our common stock beneficially owned by such person and the holder or holders of record of those shares, together with a statement that the proposing stockholder is recommending a candidate for nomination as a director;

the candidate's name, age, business and residence addresses, principal occupation or employment, business experience, educational background and any other information relevant in light of the factors considered by the nominating and corporate governance committee in making a determination of a candidate's qualifications, as described below;

- a statement detailing any relationship, arrangement or understanding that might affect the independence of the candidate as a member of our Board;

- any other information that would be required under SEC rules in a proxy statement soliciting proxies for the election of such candidate as a director;

- a representation as to whether the proposing stockholder intends to deliver any proxy materials or otherwise solicit proxies in support of the director nominee;

a representation that the proposing stockholder intends to appear in person or by proxy at the annual stockholders meeting at which the person named in such notice is to stand for election; and

a signed consent of the candidate to serve as a director, if nominated and elected.

In connection with its evaluation, the nominating and corporate governance committee may request additional information from the proposing stockholder and the candidate. The nominating and corporate governance committee has sole discretion to decide which individuals to recommend for nomination as directors.

To be nominated to serve as a director, a nominee need not meet any specific, minimum criteria; however, the nominating and corporate governance committee believes that nominees for director should possess the highest personal and professional ethics, integrity, values and judgment and should be committed to the long-term interests of our stockholders. When evaluating a potential director nominee, including one recommended by a stockholder, the nominating and corporate governance committee will take into account a number of factors, including, but not limited to, the following:

independence from management;

his or her unique background, including education, professional experience and relevant skill sets;

judgment, skill, integrity and reputation;

industry experience;

existing commitments to other businesses as a director, executive or owner;

personal conflicts of interest, if any; and

the size and composition of our existing Board, including whether the potential director nominee would positively impact the composition of our Board by bringing a new perspective or viewpoint to our Board.

The nominating and corporate governance committee does not have a formal policy with respect to diversity; however, our Board and the nominating and corporate governance committee believe that it is essential that our Board members represent diverse viewpoints.

When seeking candidates for director, the nominating and corporate governance committee may solicit suggestions from incumbent directors, management, stockholders and others. After conducting an initial evaluation of a prospective nominee, the nominating and corporate governance committee will interview that candidate if it believes the candidate might be suitable to be a director. The nominating and corporate governance committee may also ask the candidate to meet with management. If the nominating and corporate governance committee believes a candidate would be a valuable addition to our Board, it may recommend to our full Board that candidate's nomination and election.

Prior to nominating an incumbent director for re-election at an annual meeting of stockholders, the nominating and corporate governance committee will consider the director's past attendance at, and participation in, meetings of our Board and its committees and the director's formal and informal contributions to the various activities conducted by our Board and our Board committees of which such individual is a member.

The nominating and corporate governance committee believes that Mr. Holthouse continues to be qualified to serve as a director of our company and supports his nomination for re-election. The nomination of Mr. Holthouse has been approved by our entire Board.

Our Board has adopted a written charter for the nominating and corporate governance committee and corporate governance guidelines, which are available on our website at <http://ir.ascentcapitalgroupinc.com/corporate-governance.cfm>.

Audit Committee

Our Board has established an audit committee, whose chairman is Philip J. Holthouse and whose other members are Brian Deevy, Michael J. Pohl and Carl E. Vogel. See “—Director Independence” above.

The audit committee reviews and monitors the corporate financial reporting and the internal and external audits of our company. The committee's functions include, among other things:

- appointing or replacing our independent auditors;
- reviewing and approving in advance the scope and the fees of our annual audit and reviewing the results of our audits with our independent auditors;
- reviewing and approving in advance the scope and the fees of non-audit services of our independent auditors;
- reviewing compliance with and the adequacy of our existing major accounting and financial reporting policies;
- reviewing our management's procedures and policies relating to the adequacy of our internal accounting controls and compliance with applicable laws relating to accounting practices;
- reviewing compliance with applicable SEC and stock exchange rules regarding audit committees; and
- preparing a report for our annual proxy statement.

Our Board has adopted a written charter for the audit committee, which is available on our website at <http://ir.ascentcapitalgroupinc.com/corporate-governance.cfm>.

Audit Committee Report

Each member of the audit committee is an independent director as determined by our Board, based on the listing standards of The Nasdaq Stock Market. Each member of the audit committee also satisfies the SEC's independence requirements for members of audit committees. Each of Mr. Holthouse, Mr. Deevy and Mr. Vogel is an "audit committee financial expert" under applicable SEC rules and regulations.

The audit committee reviews our financial reporting process on behalf of our Board. Management has primary responsibility for establishing and maintaining adequate internal controls, for preparing financial statements and for the public reporting process. Our independent auditor, KPMG LLP, is responsible for expressing opinions on the conformity of our audited consolidated financial statements with U.S. generally accepted accounting principles. Our independent auditor also expresses its opinion as to the effectiveness of our internal control over financial reporting.

The audit committee has reviewed and discussed with management and KPMG LLP our most recent audited consolidated financial statements, as well as management's assessment of the effectiveness of our internal control over financial reporting and KPMG LLP's evaluation of the effectiveness of our internal control over financial reporting. The audit committee has also discussed with KPMG LLP the matters required to be discussed by the Public Company Accounting Oversight Board Auditing Standard No. 16, Communications with Audit Committees, including that firm's judgment about the quality of our accounting principles, as applied in its financial reporting.

KPMG LLP has provided the audit committee with the written disclosures and the letter required by the Public Company Accounting Oversight Board Ethics and Independence Rule 3526, as modified or supplemented, and the audit committee has discussed with KPMG LLP that firm's independence from the company and its subsidiaries.

Based on the reviews, discussions and other considerations referred to above, the audit committee recommended to our Board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2015, which was filed on February 29, 2016 with the SEC.

Risk Assessment in Compensation Programs

Following the completion of a risk assessment of our compensation programs applicable to all employees, we have concluded that the design and operation of our compensation programs do not provide our employees with incentive to engage in business activities or other actions that would threaten the value of our company or the investment of our stockholders. We have also concluded that any risks associated with our compensation programs are not reasonably likely to have a material adverse effect on our company.

EXECUTIVE COMPENSATION

This section sets forth information relating to, and an analysis and discussion of, compensation paid by our company to:

• William R. Fitzgerald;

• Jeffery R. Gardner;

• Michael R. Meyers;

• William E. Niles; and

• Richard G. Walker.

Mr. Fitzgerald is our principal executive officer; Mr. Meyers is our principal financial officer; and Messrs. Gardner and Niles are executive officers of our company. Mr. Walker was an executive vice president of our company during 2015 until his departure at the end of the year. We refer to Messrs. Fitzgerald, Gardner, Meyers, Niles and Walker in this proxy statement collectively as our named executive officers.

Compensation Discussion and Analysis

Overview

The compensation committee of our Board has responsibility for overseeing the compensation of our named executive officers and ensuring that their compensation packages are consistent with the company's compensation objectives. In furtherance of this purpose, our compensation committee considers and approves all components of the named executive officers' compensation packages, including periodic corporate goals and objectives upon which compensation decisions are made. The compensation committee also administers our equity incentive plans and has the authority to make and modify grants under, and to approve or disapprove participation in, such plans (in each case, other than with respect to awards granted to nonemployee directors).

Objectives

The compensation program for our named executive officers was designed to meet the following objectives that align with and support our strategic business goals:

• attracting and retaining executive managers with the industry knowledge, skills, experience and talent to help our company attain its strategic objectives and build long-term company value;

• emphasizing variable performance-based compensation components, which include equity-based compensation, by linking individual compensation with corporate operating metrics as well as individual professional achievements; and

• aligning the interests of management of our company with the interests of our stockholders.

Principles

The following principles are used to guide the design of our executive compensation program and to ensure that the program is consistent with the objectives described above:

Competitive Positioning. We believe that our executive compensation program must provide compensation to our named executive officers that is both reasonable in relation to, and competitive with, the compensation paid to similarly situated employees of companies in our similar industries and companies with which we compete for talent, taking into account many factors, including cost-of-living considerations. See “-Setting Executive Compensation” below.

“Pay for Performance” Philosophy. We believe our compensation program should align the interests of our named executive officers with the interests of our company and our stockholders by strengthening the link between pay and company

and individual performance. Accordingly, our compensation committee believes variable compensation, including plan-based awards, should represent a significant portion of the total compensation mix for our named executive officers.

At our 2014 annual stockholders meeting, our stockholders representing 89.5% of our aggregate voting power present and entitled to vote on our say-on-pay proposal approved, on an advisory basis, our executive compensation, as disclosed in our proxy statement for our 2014 annual meeting of stockholders. The compensation committee did not implement any material changes to our executive compensation program as a result of that vote.

Role of Chief Executive Officer in Compensation Decisions

As a general matter, our Chief Executive Officer provides recommendations to the compensation committee with respect to all elements of compensation proposed to be paid to the other named executive officers in conjunction with his evaluation of their performance. Mr. Fitzgerald participated in the compensation committee's discussions with respect to the amendment of Messrs. Meyers and Niles' respective employment agreements, the terms of Mr. Gardner's employment agreement, as well as the related performance-based restricted stock units awarded to our named executive officers. For additional information regarding our named executive officers' compensation packages, see "—Equity Incentive Compensation" and "—Employment Agreements" below.

Setting Executive Compensation

Consistent with the principles outlined above, the compensation committee considers compensation data relating to other companies in reviewing and approving the compensation packages of our named executive officers. Historically, the compensation committee had focused on a select group of peer companies that operated in various markets within the technology, media, communications and entertainment industries. However, in connection with our company's transition out of the media and entertainment business, the compensation committee hired Compensia, Inc., a compensation consultant (Compensia), in May 2011 to assist the compensation committee in identifying a new peer group of companies, gathering market data on competitive market practices with respect to cash and equity-based compensation and developing an updated compensation framework, including with respect to equity awards (such as award types, vesting parameters and individual allocations).

Along with Compensia, our compensation committee developed our peer group list taking into account our company's focus on the alarm monitoring and security business (a technology business supported by subscription-based revenue), our range of financial performance metrics and our aggregate market capitalization. Compensia advised the compensation committee that our peer group of companies should be comprised of those in the technology space and those with a subscription/service-based business model, which together most closely correlate to our current business and operations. Accordingly, the companies in our peer group are set forth below:

Bally Technologies, Inc.	Fair Isaac Corporation
Cardtronics Inc.	Interval Leisure Group, Inc.
Charter Communications, Inc.	J2 Global, Inc.
Consolidated Communications Holdings, Inc.	National Cinemedia, Inc.
CSG Systems International, Inc.	Netflix, Inc.
Cumulus Media, Inc.	Nexstar Broadcasting Group, Inc.
Digital Globe, Inc.	Outerwall Inc.
DISH Network Corporation	Scientific Games Corporation
EarthLink Holdings Corp.	The ADT Corporation

The compensation committee did not apply specific benchmarking parameters that formed the basis for any of the named executive officers' employment agreements. Rather, the compensation committee incorporated the competitive market data received from Compensia, including as to the compensation paid by the peer groups described above, into the compensation committee's total mix of information (including its members' general business and industry knowledge and experience and its evaluation of each named executive officer's job performance) in establishing what the compensation committee believed to be reasonable and competitive variable elements of each named executive officer's compensation package.

Elements of 2015 Executive Compensation

For 2015, the principal components of compensation for our named executive officers were:

- base salary;
- bonuses in the case of Messrs. Meyers and Niles;
- a cash bonus and initial restricted share award in the case of Mr. Gardner;
- equity incentive compensation;
- a severance payment to Mr. Walker; and
- limited perquisites and personal benefits.

A summary of each element of our compensation program is set forth below. We believe that each element complements the others and that together they serve to achieve our compensation objectives.

Base Salary

We provide competitive base salaries to attract and retain high-performing executive talent. We believe that a competitive base salary is an important component of compensation, as it provides a degree of financial stability for executives. The base salary level of each named executive officer is generally determined based on the responsibilities performed by such officer, his or her experience, overall effectiveness and demonstrated leadership ability, the performance expectations set for such officer, and competitive market factors. Messrs. Fitzgerald, Meyers and Niles did not receive a base salary increase with respect to 2015. Messrs. Gardner and Walker received the base salaries provided for in their respective employment agreements.

Bonuses: Performance-Based and Other. Our compensation committee adopted a performance-based bonus program for 2015 in which each of the named executive officers (other than Mr. Gardner as discussed below) was eligible to participate. While Mr. Walker had been eligible to participate in the program for 2015, he did not receive a bonus due to his departure from our company. The program was intended to comply with Section 162(m) of the Code. In order for any named executive officer to be eligible to receive any bonus under the program, our company had to achieve either a consolidated Adjusted EBITDA (as defined in our Annual Report on Form 10-K for the year ended December 31, 2014 (the 2014 Form 10-K)) or revenue (excluding revenue from LiveWatch) for the year ended December 31, 2015 of no less than 102% of our consolidated Adjusted EBITDA or revenue for the year ended December 31, 2014 (as reported in the 2014 Form 10-K), subject to such adjustments (to the extent permissible under Section 162(m) of the Code) as the compensation committee may determine to be necessary or appropriate to provide year-over-year comparability (including, for example, in the event of any acquisitions, dispositions, changes in accounting policies or other extraordinary events). Each named executive officer's target and maximum bonus amount for 2015 which was determined by the committee taking into account each named executive officer's applicable employment agreement was as follows: Mr. Fitzgerald \$1,238,200; Mr. Meyers \$246,000; and Mr. Niles \$322,500. As this threshold performance metric was not met for 2015, the compensation committee then determined, in its sole discretion, to approve discretionary bonuses for Messrs. Meyers and Niles after taking into account each grantee's personal performance over the year based on a set of key performance indicators (KPIs) adopted for each named executive officer with respect to 2015. The KPIs considered for Messrs. Fitzgerald, Meyers and Niles were as follows:

Name	KPIs
William R. Fitzgerald	<ul style="list-style-type: none"> • Provision of leadership in support of the company's corporate governance and financial oversight and reporting responsibilities • Support of our company and Monitronics' leadership teams in their efforts to achieve their financial, operating, management development and capital objectives, and focus on driving shareholder value • Provision of leadership, guidance and support to both our company and Monitronics in efforts to pursue acquisition and investment opportunities • Leadership in investor relations messaging, strategy and execution • Pursuit of objectives and strategies consistent with improving the company's near-term and long-term financial performance, which serves to enhance shareholder value.
	<ul style="list-style-type: none"> • Meet or exceed financial and operating performance objectives for Monitronics for 2015 • Continued expertise in financial markets and financing alternatives for our company and Monitronics and ensure that our company maintains sufficient growth capital to support its long range plan
	<ul style="list-style-type: none"> • Improvement upon the processes by which our company evaluates and tracks its financial performance and metrics
	<ul style="list-style-type: none"> • Continued compliance with SEC reporting • Pursuit of objectives and strategies consistent with improving the company's near-term and long-term financial performance, which serves to enhance shareholder value • Complete integration of LiveWatch into accounting and planning functions and minimize disruption to the business.
	<ul style="list-style-type: none"> • Provision of sound legal counsel to our Chief Executive Officer, the Board and its committees on all legal matters relating to our company • Management of our company's litigation portfolio, legal compliance with SEC reporting, enterprise level risk insurance policies and real estate portfolio • Continued awareness of evolving legal issues relating to corporate governance and SEC compliance • Collaboration with our Chief Executive Officer on corporate strategy and the development of opportunities to enhance shareholder value •
William E. Niles	

Participation in corporate development process through assisting with the identification, evaluation and execution of transactions

After evaluating each named executive officer's performance over the year and taking into account the aggregate amount of each named executive officer's other compensation outside of the program, the compensation committee determined the appropriate blend of compensation components for each named executive officer and exercised its discretionary authority to determine the amount payable to each named executive officer who participated in the program for 2015. The compensation committee also exercised its discretionary authority to pay the bonus amount payable to each such named executive officer in a mix of cash and a number of shares of Series A common stock that was determined based on the closing price of the Series A common stock on March 2, 2016 of \$12.14. The bonus for each named executive officer was paid as follows:

Name	Target/ Maximum Bonus	Percentage of Target Bonus Payable	Total Discretionary Bonus	Cash Portion of Total Bonus	Stock Portion of Total Bonus
William R. Fitzgerald	\$1,238,200	—	% \$—	\$—	\$—
Jeffery R. Gardner (1)	\$—	—	% \$162,500	\$162,500	\$—
Michael R. Meyers	\$246,000	—	% \$175,000	\$53,600	\$121,400
William E. Niles	\$322,500	—	% \$200,000	\$200,000	\$—
Richard G. Walker (2)	—	—	% —	—	—

(1) Mr. Gardner was entitled to a guaranteed, pro-rated bonus based on 100% of his annual base salary for the period during which he was employed by our company in 2015 pursuant to his employment agreement.

(2) Mr. Walker did not receive any bonus payment for 2015.

For more information on these awards, see “—Summary Compensation Table” and “—Grant of Plan-Based Awards” below. Equity Incentive Compensation. Consistent with our compensation philosophy, we seek to align the interests of our named executive officers with those of our stockholders by awarding equity-based incentive compensation, ensuring that our executives have a continuing stake in the long-term success of our company and our subsidiaries. Accordingly, the

compensation committee believes that an executive's overall mix of compensation should be weighted more heavily toward equity-based incentives.

The Ascent Capital Group, Inc. 2015 Omnibus Incentive Plan (the 2015 incentive plan) provides, for the grant of a variety of incentive awards, including non-qualified stock options, stock appreciation rights (which we refer to as SARs), restricted shares, restricted stock units, cash awards and performance awards and are administered by our compensation committee (other than with respect to awards made to our nonemployee directors under the 2015 incentive plan, which are administered by the full Board). Our executives have historically been granted stock options and awards of restricted stock in preference to other awards because of our company's belief that options and restricted shares better promote retention of key employees through the continuing, long-term nature of an equity investment. It is the policy of our compensation committee that stock options be awarded with an exercise price equal to fair market value on the date of grant, measured by reference to the closing sale price on the grant date. On August 25, 2015, our compensation committee approved a \$2,000,000 grant of restricted shares relating to our Series A common stock to Mr. Gardner pursuant to his employment agreement with our company. This grant of restricted shares was effective on September 10, 2015, the commencement date of Mr. Gardner's employment with our company, and will vest in full on September 9, 2017.

In 2015, our compensation committee began granting awards of performance-based restricted stock units (performance RSUs) under the 2015 incentive plan that may be earned based on our achievement of key performance indicators selected by the committee. If the performance RSUs are not earned after the first performance period prescribed in the applicable award agreement, they will instead be available to be earned in one or more subsequent years subject to the applicable performance criteria selected by the compensation committee. To the extent they are earned, the performance RSUs will be subject to a back-loaded time-vesting condition over a three-year period and may be settled in cash, shares of our Series A common stock or a combination of the foregoing. These awards are meant to encourage executives to remain with our company over the long-term and to better align their interests with those of our stockholders.

In June 2015, our compensation committee approved awards of 30,000 performance RSUs for Mr. Meyers and 57,485 performance RSUs for Mr. Niles, which were in each case the maximum number of performance RSUs that could be earned. Messrs. Meyers and Niles received these performance RSUs in consideration for entering into the amendment to his respective employment agreement. See "—Employment Agreements." The entire awards would be earned if either (i) revenue for the nine months ended January 31, 2016 was at least 104% of revenue reported by our company for the same period or (ii) our pre-subscriber acquisition cost adjusted EBITDA (Pre-SAC Adjusted EBITDA) for the same nine month period was at least 102.5% of adjusted EBITDA for the same prior period. For purposes of these awards, Pre-SAC Adjusted EBITDA is defined as Monitronics' total adjusted EBITDA excluding LiveWatch's subscriber acquisition costs and the related revenue, and Monitronics adjusted EBITDA is defined as net income (loss) before interest expense, interest income, income taxes, depreciation, amortization (including the amortization of subscriber accounts, dealer network and other intangible assets), restructuring charges, stock-based compensation, and other non-cash or non-recurring charges. On March 30, 2016, our compensation committee determined that the threshold revenue goal had been met and that Messrs. Meyers and Niles had earned 100% of his respective award. Pursuant to the applicable award agreements, Mr. Meyers's performance RSUs will vest in 20%, 30% and 50% tranches on a quarterly basis during the one-year periods beginning on January 1, 2016, 2017 and 2018, respectively, and Mr. Niles's performance RSUs will vest in 20%, 30% and 50% tranches on a quarterly basis during the one-year periods beginning on March 1, 2017, 2018 and 2019, respectively. Mr. Meyers and Mr. Niles's performance RSU awards may be settled in shares of our Series A common stock.

Perquisites and Personal Benefits. For the year ended December 31, 2015, the limited perquisites and personal benefits provided to our named executive officers consisted generally of term life insurance premiums, 401(k) matching contributions and a reimbursement from our company relating to health insurance premiums paid by each such individual. We offer our named executive officers other benefits that are also available on the same basis to all of our salaried employees, such as medical and disability insurance premiums.

Severance Benefits. Effective December 31, 2015, Mr. Walker's employment with our company was terminated without cause, and we entered into a severance agreement with Mr. Walker that provides for a \$362,500 severance payment and partial vesting of his performance-based restricted stock unit award. The compensation committee approved a grant of 30,000 performance-based restricted stock units to Mr. Walker in March 2015, 20% of which would have vested if the revenue or Pre-SAC Adjusted EBITDA goals established by our compensation committee in October 2015 were met. However, pursuant to his severance agreement with our company and in accordance with his award agreement, Mr. Walker vested in 7,500 performance RSUs on December 31, 2015 and forfeited the remainder of the grant.

Changes for 2016

As described above under “—Equity Incentive Compensation,” our compensation committee has determined to grant performance RSUs to our executives under the 2015 incentive plan. On February 16, 2016, our compensation committee approved a grant of 20,000 performance RSUs for Mr. Meyers, which may be earned if Monitronics’ credit facility revolver and certain term loans are successfully refinanced. If earned, these performance RSUs will vest on the same schedule as his 2015 performance RSU award. In addition, in accordance with the terms of his employment agreement, Mr. Gardner was granted an award of performance RSUs with an aggregate value of \$1.5 million relating to shares of our Series A common stock. One-third of the annual performance RSU award, or \$500,000, may be earned based on satisfaction, as determined by our compensation committee, of certain quantitative performance criteria for a 36-month performance period, and if earned, such performance RSUs will vest immediately. Two-thirds of the annual performance RSU award, or \$1 million, may be earned based on satisfaction, as determined by our compensation committee, of certain quantitative performance criteria for a 12-month performance period, and if earned, such earned performance RSUs will vest on a quarterly basis during the two year period beginning on January 1, 2017. If earned, Mr. Gardner’s 2016 performance RSUs may be settled in cash, shares of our Series A common stock or a combination of the foregoing on the applicable vesting date.

(1)

The aggregate grant date fair value of stock awards, restricted share awards and performance-based restricted stock unit awards has been computed in accordance with FASB ASC Topic 718, but (pursuant to SEC regulations) without reduction for estimated forfeitures. For a description of the assumptions applied in these calculations, see Note 15 to our consolidated financial statements for the year ended December 31, 2015 (which are included in our Annual Report on Form 10-K as filed with the SEC on February 29, 2016). With respect to Messrs. Meyers and Niles' performance RSU awards, the amounts included in the Stock Awards column reflect the grant date fair value of the maximum number of performance RSUs that may be earned. Mr. Walker received an award of 30,000 performance RSUs that was divided into three tranches, the first of which consisted of a maximum of 6,000 performance RSUs that could have been earned with respect to performance during the seven months ended March 31, 2016. Vesting of each tranche of Mr. Walker's award was to be subject to the achievement of a separate performance indicator established with respect to each tranche. Accordingly, the amount included in the Stock Awards column with respect to Mr. Walker's award is based on the grant date fair value of the 6,000 performance RSUs comprising the first tranche of Mr. Walker's award. Upon his departure from our company, Mr. Walker vested in 7,500 performance RSUs and forfeited the remainder of the grant.

Employment Agreements

Named Executive Officers

Each of Messrs. Fitzgerald, Gardner, Meyers, Niles and Walker entered into an employment agreement with our company, which agreement, in each case, sets forth the respective terms and conditions of the applicable named executive officer's employment. In July 2015, we entered into amendments to the employment agreements with Messrs. Meyers and Niles. Mr. Walker was party to an employment agreement with our company prior to his termination effective December 31, 2015.

The material terms of the existing employment agreements of Messrs. Fitzgerald, Gardner, Meyers and Niles in effect during 2015 and certain material terms of Mr. Walker's employment agreement are set forth below.

Term. The term of the employment agreement of Mr. Fitzgerald is five years, commencing effective as of January 1, 2013 and ending on December 31, 2017. The term of Mr. Gardner's employment agreement is five years, commencing effective as of September 10, 2015 and ending on September 9, 2020. The term of Mr. Niles' employment agreement is nine years, commencing effective March 1, 2011 and ending on March 1, 2020. The term of Mr. Meyers' employment agreement is approximately seven and a half years, commencing effective as of June 15, 2011 and ending on January 30, 2019. The term of Mr. Walker's employment agreement was three years, commencing effective as of April 20,

2015.

Base Salary. Pursuant to their respective employment agreements, each of our named executive officers receives (or in Mr. Walker's case, received) a base salary that is (or was) subject to an annual review for increase by the compensation committee. The 2015 base salaries for each of our named executive officers are set forth in the “-Summary Compensation Table” above.

28

Bonus. Each of our named executive officers is eligible to receive a bonus in a certain range based on percentages of the applicable named executive officer's base salary (75% to 150% in the case of Mr. Fitzgerald, 75% to 175% in the case of Mr. Gardner, 50% to 75% in the case of Mr. Niles and 60% to 75% in the case of Mr. Meyers). Pursuant to the terms of his former employment agreement, Mr. Walker was eligible to receive a bonus in the range of 60% to 75%. Each such officer's entitlement to receive such bonus, and the actual amount thereof, is determined by the compensation committee in its sole discretion based on the applicable named executive officer's achievement of certain performance criteria as the compensation committee may establish in its sole discretion. For 2015, Mr. Gardner received a guaranteed, pro-rated bonus and Messrs. Meyers and Niles had received discretionary bonuses as described above.

Equity Incentive Awards. Mr. Fitzgerald's employment agreement memorialized stock option and restricted stock grants previously made under the Ascent Capital Group, Inc. 2008 Incentive Plan (the 2008 incentive plan). Mr. Gardner's employment agreement provided for an initial \$2 million grant of restricted shares of Series A common stock that will vest in full on September 9, 2017 under the 2015 incentive plan in connection with his entry into his employment agreement. In addition, under his employment agreement, Mr. Gardner will be eligible to receive an annual \$1.5 million grant of performance RSUs under the 2015 incentive plan. One-third of Mr. Gardner's annual performance RSU award, or \$500,000, may be earned based on satisfaction, as determined by the compensation committee of our Board, of certain quantitative performance criteria for a 36-month performance period, and if earned, such performance RSUs will vest immediately. Two-thirds of Mr. Gardner's annual performance RSU award, or \$1 million, may be earned based on satisfaction, as determined by the compensation committee of our Board, of certain quantitative performance criteria for a 12-month performance period, and if earned, such earned performance RSUs will vest on a quarterly basis during the two year period beginning on January 1 of the year following the expiration of the respective performance period.

Mr. Niles' original employment agreement also provided for equity grants made in prior years. In consideration for Mr. Niles' entry into his amended employment agreement, the compensation committee of our Board granted Mr. Niles an award of 57,485 performance RSUs with respect to shares of our Series A common stock under the 2015 incentive plan. The entire award could be earned based on satisfaction, as determined by the compensation committee, of certain key performance indicators for the 2015 performance period. As described above, Mr. Niles' performance RSUs were earned after the 2015 performance period and, as a result, will vest in 20%, 30% and 50% tranches on a quarterly basis during the one-year periods beginning on March 1, 2017, 2018 and 2019, respectively. If the key performance indicators for the 2015 performance period had not been satisfied, Mr. Niles' performance RSUs would instead have been available to be earned in one or more subsequent years subject to applicable performance criteria established by the compensation committee.

Mr. Meyers' original employment agreement also provided for equity grants made in prior years in connection with his entrance into his original employment agreement in 2011. As part of the consideration for Mr. Meyers' services to our company during the term of his amended employment agreement, the compensation committee granted Mr. Meyers an award of 30,000 performance RSUs with respect to shares of our company's Series A common stock under the 2015 incentive plan. The entire award could be earned based on satisfaction, as determined by the compensation committee, of certain key performance indicators for the 2015 performance period. As described above, Mr. Meyers' performance RSUs were earned after the 2015 performance period and, as a result, will vest in 20%, 30% and 50% tranches on a quarterly basis during the one-year periods beginning on January 1, 2016, 2017 and 2018, respectively. If the key performance indicators for the 2015 performance period had not satisfied, Mr. Meyers' performance RSUs would instead have been available to be earned in one or more subsequent years subject to applicable performance criteria established by the compensation committee.

Mr. Walker's employment agreement provided for an award of 30,000 performance RSUs with respect to shares of our company's Series A common stock under the 2015 incentive plan. Mr. Walker's performance RSUs were divided into three tranches, and vesting for each tranche was subject to the achievement of key performance indicators to be selected by our compensation committee for each year in the three-year performance period. The first such tranche

consisted of 20% of Mr. Walker's performance RSU award, or 6,000 performance RSUs. Mr. Walker's employment with our company was terminated prior to the completion of any performance periods, and in connection with his termination, Mr. Walker vested in 7,500 performance RSUs and forfeited the remainder.

See “—Compensation Discussion and Analysis—Elements of 2015 Executive Compensation—Equity Incentive Compensation,” “—Compensation Discussion and Analysis—Elements of 2015 Executive Compensation—Severance Benefits,” “—Grants of Plan-based Awards” and “—Outstanding Equity Awards at Fiscal Year-End.”

Termination. The terms and conditions of compensation payable upon termination of the employment of each named executive officer (including pursuant to the terms of the severance agreement entered into by Mr. Walker with our company) are summarized in “—Potential Payments Upon Termination or Change-in-Control” below.

Gross-Up. Under Mr. Fitzgerald's employment agreement, if any payment or distribution in the nature of compensation (as defined in Section 280G(b)(2) of the Code) to or for the benefit of Mr. Fitzgerald would be subject to excise tax imposed by Section 4999 of the Code, Mr. Fitzgerald will be entitled to receive a gross-up payment equivalent on an after-tax basis to the amount of such excise tax.

See "—Compensation Discussion and Analysis—Elements of 2015 Executive Compensation—Bonuses: Performance-Based and Other."

(3) The 2015 performance RSU awards granted to our named executive officers (other than Mr. Fitzgerald) did not provide for a threshold amount.

(4)

Represents the target and maximum number of performance RSUs that could be earned under the program, as determined by the compensation committee. In March 2016, our compensation committee determined that Messrs. Meyers and Niles had earned 100% of their respective performance RSU awards based on our company's performance in 2015. See "—Compensation Discussion and Analysis—Elements of 2015 Executive Compensation—Equity Incentive Compensation."

Reflects the date on which our compensation committee established the terms of the 2015 performance-based (5) bonus program, as described under "—Compensation Discussion and Analysis—Elements of 2015 Executive Compensation—Bonuses: Performance—Based and Other."

Represents the date on which our compensation committee approved the grant of restricted shares to the named (6) executive officer pursuant to his employment agreement. The grant was effective upon his employment with our company on September 10, 2015 and cliff vests on September 9, 2017. See "—Compensation Discussion and Analysis—Elements of 2015 Executive Compensation—Equity Incentive Compensation."

Reflects the date on which our compensation committee established the terms of Messrs. Meyers and Niles' 2015 (7) performance RSU awards, as described under "—Compensation Discussion and Analysis—Elements of 2015 Executive Compensation—Equity Incentive Compensation."

Represents the portion of Mr. Meyers' 2015 bonus that was paid in shares of our Series A common stock. See (8) "—Compensation Discussion and Analysis—Elements of 2015 Executive Compensation—Equity Incentive Compensation" and "—Summary Compensation Table."

Reflects the date on which Mr. Walker's grant of performance RSUs became effective, which is the date that our stockholders approved the 2015 incentive plan. Our compensation committee had approved the grant on March 24, 2015, subject to stockholder approval of the 2015 incentive plan, and had approved the revenue and Pre-SAC (9) Adjusted EBITDA goals for this award in October 2015. Represents the first tranche of Mr. Walker's award of 30,000 performance RSUs, which would have vested if the performance indicator for that tranche had been achieved. Upon Mr. Walker's departure from our company in December 2015, our compensation committee determined to vest Mr. Walker in 7,500 of the performance RSUs granted, with the remainder being forfeited.

Potential Payments Upon Termination or Change-in-Control

Each of the employment agreements of our named executive officers, as in effect on December 31, 2015, and each of our incentive plans provides for rights upon certain termination events, with adjustments to be made to the amounts payable to certain named executive officers if the termination occurs concurrently with or following a change of control of our company. As of December 31, 2015, all of our named executive officers had employment agreements with our company. In addition, in connection with his departure from our company, we entered into a severance agreement with Mr. Walker which is described in “—Compensation Discussion and Analysis—Elements of 2015 Executive Compensation—Severance Benefits.”

Change of Control

Under the employment agreements of Messes. Fitzgerald Gardner, Meyers and Niles, a change of control of our company would be deemed to have occurred if any of the following occurs:

any person or group (other than Mr. Malone and certain affiliates, each of whom we refer to as an Ascent Permitted (i) Holder) acquires, together with stock already held by such person or group, more than 50% of the total fair market value or more than 50% of the total voting power of the stock of our company;

- any person or group (other than an Ascent Permitted Holder) acquires, in a single transaction or in multiple
- (ii) transactions during a 12-month period, assets of our company having a gross fair market value of 40% or more of the total gross fair market value of all of our company's assets immediately prior to such acquisition or acquisitions;
 - (iii) any person or group (other than an Ascent Permitted Holder) acquires, in a single transaction or in multiple transactions during a 12-month period, 30% or more of the total voting power of the stock of our company; or
- a majority of our company's board of directors is replaced during any 12-month period by directors whose
- (iv) appointment or election is not endorsed by a majority of our board of directors before the date of appointment or election.

Any such change of control results in an increase in each such executive's severance, as described under "—Termination Without Cause" below.

If Mr. Meyers' or Mr. Niles' employment with our company or any of our subsidiaries is terminated without cause or by the executive for good reason within 12 months after a change in control, his performance RSUs will vest in full on the date of such termination.

Termination for Cause

If our company terminated any of our named executive officers for "Cause," we would have no further liability or obligations under the applicable agreement to such named executive officer other than accrued and unpaid base salary and vacation time, all approved and unpaid bonus amounts and all incurred and unpaid expenses. "Cause" is generally defined to include: breaches of material obligations under the applicable employment agreement; continued failure to perform the applicable named executive officer's duties; material violations of company policies or applicable laws and regulations; fraud, dishonesty or misrepresentation; gross negligence in the performance of duties; conviction of a felony or crime of moral turpitude; and other misconduct that is materially injurious to our financial condition or business reputation.

Termination Without Cause

If our company terminated the employment of Mr. Fitzgerald without Cause, our company would become obligated to pay Mr. Fitzgerald all accrued and unpaid base salary and vacation time, all approved and unpaid bonus amounts and all incurred and unpaid expenses, as well as a severance payment equal to:

- if termination occurs prior to a change of control, as defined in his employment agreement, the product of 2 times
- (i) the sum of (A) Mr. Fitzgerald's base salary plus (B) his minimum target bonus (equal to 75% of Mr. Fitzgerald's base salary); or
- (ii) if termination occurs concurrently with or following a change of control, the product of 2.5 times the sum of (A) Mr. Fitzgerald's base salary plus (B) his minimum target bonus (equal to 75% of Mr. Fitzgerald's base salary).

If our company terminated the employment of Messrs. Gardner, Meyers or Niles without Cause, our company would become obligated to pay the applicable named executive officer all accrued and unpaid base salary and vacation time, all approved and unpaid bonus amounts and all incurred and unpaid expenses, as well as a severance payment equal to:

- (i) in the case of Mr. Gardner, if a termination occurs prior to a change of control, as defined in his employment agreement, an amount equal to two times his annual base salary. If a termination occurs concurrently with or

following a change of control, an amount equal to four times his annual base salary;

- in the case of Mr. Meyers and a termination occurring prior to a change of control, an amount equal to the sum of
- (ii) (A) his annual base salary plus (B) his minimum target bonus of 60% of his base salary. If a termination occurs concurrently with or following a change of control, an amount equal to two times the sum of (x) his annual base salary plus (y) his minimum target bonus of 60% of his base salary; and
 - (iii) in the case of Mr. Niles and a termination occurring prior to a change of control, an amount equal to the sum of (A) annual base salary plus (B) his minimum target bonus of 50% of his base salary. If a termination occurs

concurrently with or following a change of control, an amount equal to two times the sum of (x) his annual base salary plus (y) his minimum target bonus of 50% of his base salary.

In addition, the multi-year award of Mr. Niles provides for certain acceleration events (other than upon a change of control, death or disability). Mr. Niles' multi-year award of 23,212 Series A restricted shares will fully vest in the event he is terminated without Cause. In addition, if Mr. Fitzgerald had been terminated without Cause following the satisfaction of certain performance conditions (which our Board determined was satisfied in December 2013), his 2012 award of 119,540 Series A restricted shares and 2013 award of 12,791 Series A restricted shares would have vested as to a portion such award equal to (i) the total number of shares subject to the award multiplied by the quotient of (ii) the number of calendar quarters having passed since the date of grant (including the quarter of termination) divided by twenty.

In addition, if Mr. Niles is terminated without Cause, his performance RSUs would vest on a pro rata basis based on the number of calendar quarters that have elapsed between April 1, 2016 and the date of his termination divided by 16. Similarly, if Mr. Meyers is terminated without Cause, his performance RSUs would also vest on a pro rata basis based on the number of calendar quarters that have elapsed between January 1, 2016 and the date of his termination divided by 12.

Termination with Good Reason

Subject to certain notice provisions and our rights with respect to a cure period or a renegotiation period, as applicable, each of Messrs. Fitzgerald, Gardner, Meyers and Niles may terminate his employment for "Good Reason" and receive the same rights and payments as if such named executive officer's employment was terminated without Cause. In addition, Messrs. Meyers and Niles would also receive the same pro rata vesting of their performance RSUs that they would receive if their employment was terminated without Cause. "Good Reason" is defined in each employment agreement to include:

in the case of Mr. Fitzgerald, a material reduction in base salary, a material reduction in Mr. Fitzgerald's (i) responsibilities with our company, a material change in the office or location at which Mr. Fitzgerald is required to perform services and a material breach by our company of any provision of his employment agreement;

in the case of Mr. Meyers, a material reduction in base salary, the company requiring the applicable named executive officer to devote a majority of such officer's time to the performance of duties that are materially (ii) inconsistent with such officer's position at the company, the relocation of the applicable named executive officer's principal place of employment by more than 75 miles, and a material breach by our company of any provision of the applicable named executive officer's employment agreement; and

in the case of Messrs. Gardner and Niles, a reduction in base salary, the relocation of his principal place of (iii) employment by more than 35 miles, a material breach by our company of any provision of his employment agreement and, in Mr. Gardner's case, a material reduction in Mr. Gardner's responsibilities with Monitronics.

Death or Disability

In the event any of our named executive officers dies or becomes disabled during such named executive officer's term of employment, we become obligated to pay such named executive officer (or his legal representative, as applicable) all accrued and unpaid base salary and vacation time, all approved and unpaid bonus amounts and all incurred and unpaid expenses. In addition:

(i)

Mr. Fitzgerald is entitled to a lump sum amount equal to his annual base salary in effect on the date of termination multiplied by 2, provided that in the event Mr. Fitzgerald is eligible to participate in, and is covered by, the company's basic life insurance group benefit plan at the time of Mr. Fitzgerald's termination due to death, the company's obligation to pay such amount will be reduced by the amount paid pursuant to such basic life insurance group benefit plan; and

- (ii) Mr. Niles is entitled to a lump sum amount equal to his monthly base salary in effect on the date of termination for the lesser of six months or the remainder of the term of his employment agreement.

In addition, Messrs. Meyers and Niles would be entitled to full vesting of their performance RSUs.

Non-Renewal

Each of the employment agreements of Messrs. Fitzgerald, Gardner, Meyers and Niles provides that, if (i) we do not offer him a new employment agreement beyond the term of his existing employment agreement or (ii) we do offer him such a new employment agreement but it is generally not as favorable, in all material respects, as his existing employment agreement, then such named executive officer will be deemed terminated without Cause and entitled to the severance benefits described under “-Termination Without Cause” above. In addition, Mr. Fitzgerald’s agreement provides that if the company elects to renew Mr. Fitzgerald’s employment agreement and Mr. Fitzgerald does not accept such offer for renewal within the time period specified under the employment agreement, Mr. Fitzgerald will be treated as having been terminated without Cause, except that if such termination occurs prior to a “change in control,” the company will instead pay to Mr. Fitzgerald an amount equal to any unpaid bonus to which he has become entitled for the calendar year prior to the year in which such termination occurs, plus the product of (i) the sum of Mr. Fitzgerald’s then base salary plus the minimum target bonus then in effect, multiplied by (ii) 1 (as opposed to 2, as described above).

2015 Incentive Plan

Pursuant to the terms of the 2015 incentive plan, under certain conditions, including the occurrence of certain approved transactions, a board change or a control purchase (all as defined in the 2015 incentive plan), options and SARs will become immediately exercisable, the restrictions on restricted shares will lapse and restricted stock units will become fully vested, unless individual agreements state otherwise. At the time an award was granted, the compensation committee determined, and the relevant agreement provided for, any vesting or early termination, upon a holder’s termination of employment with our company, of any unvested options, SARs, restricted stock units or restricted shares, and the period following any such termination during which any vested options, SARs and stock units must be exercised. Unless otherwise provided in the relevant agreement, (1) no option or SAR may be exercised after its scheduled expiration date, (2) if the holder’s service terminates by reason of death or disability (as defined in the 2015 incentive plan), his or her options or SARs shall remain exercisable for a period of at least one year following such termination (but not later than the scheduled expiration date) and (3) any termination of the holder’s service for “cause” (as defined in the 2015 incentive plan) will result in the immediate termination of all options, SARs and restricted stock units and the forfeiture of all rights to any restricted shares retained distributions, unpaid dividend equivalents and related cash amounts held by such terminated holder. If a holder’s service terminates due to death or disability, options and SARs will become immediately exercisable, the restrictions on restricted shares will lapse and stock units will become fully vested, unless individual agreements state otherwise.

Benefits Payable Upon Termination or Change in Control

The following table sets forth benefits that would have been payable to each named executive officer if the employment of such named executive officer had been terminated on December 31, 2015, and assumes that all salary, vacation, bonus and expense reimbursement amounts accrued and payable on or before December 31, 2015 had been paid in full as of such date.

For more information, see “—Outstanding Equity Awards at Fiscal Year-End” above. As of December 31, 2015, all options are out of the money.

(4) Based on 1,163 of the unvested restricted shares subject to Mr. Niles' multi-year award on December 31, 2015.

As of December 31, 2015, our company and Mr. Walker had agreed on severance terms, which included a cash (5) payment of \$362,500 and the vesting of 7,500 performance RSUs, all of which were settled in the first quarter of 2016.

Compensation of Directors

Our directors who are also employees of our company receive no additional compensation for their services as directors. Each of our non-employee directors receives compensation for services as a director and, as applicable, for services as a member of any Board committee, as described below. All of our directors are reimbursed for travel expenses relating to their attendance at our Board or committee meetings.

Compensation Policy. On November 6, 2014, our Board approved the compensation package for our non-employee directors for their services to be rendered in 2015. For 2015, each of our non-employee directors was awarded an annual cash retainer fee of \$60,000, payable quarterly in arrears. In addition, for their services to be rendered to our Board in 2015 each non-employee director received an award of Series A restricted stock with a grant date value of \$100,000, vesting quarterly over a two-year period. For service on each of our compensation and nominating and corporate governance committee, each member received an award of Series A restricted stock with a grant date value of \$5,000 per committee, other than the chairman of each such committee, who instead received an award of Series A restricted stock with a grant date value of \$15,000 per committee chaired, with each such Series A restricted award vesting over a two-year period. For service on our audit committee, each member received an award of Series A restricted stock with a grant date fair value of \$7,500, other than the chairman of the audit committee who instead received an award of Series A restricted stock with a grant date value of \$20,000, with each such Series A restricted award vesting over a two-year period. Any non-employee director serving in the role of chairman of our executive committee received an award of Series A restricted stock with a grant date value of \$15,000. All such Series A restricted stock awards were granted in November 2014 under our 2008 director plan (as defined below).

On December 4, 2015, our Board approved the compensation package for our non-employee directors for their services to be rendered in 2016, which was identical to the compensation package for our non-employee directors for their services to be rendered in 2015. All Series A restricted stock awards under the compensation package for 2016 were granted in December 2015 under the 2015 incentive plan (as described below).

Equity Incentive Plans. Prior to our Board's approval of the 2015 incentive plan, equity awards to our directors were granted under the Ascent Capital Group, Inc. 2008 Non-Employee Director Incentive Plan (the 2008 director plan), which was administered by our Board. Equity awards granted under the 2015 incentive plan are administered by our entire Board. Our Board had full power and authority to grant eligible persons the awards described below and to determine the terms and conditions under which any awards are made. The 2015 incentive plan is designed to provide additional compensation to certain employees, nonemployee directors and independent contractors for services rendered, to encourage their investment in our capital stock, thereby increasing their proprietary interest in our business. Our Board could grant non-qualified stock options, SARs, restricted shares, stock units, cash awards, performance awards or any combination of the foregoing under the 2015 incentive plan (which we refer to, collectively, as director awards). The maximum number of shares of our common stock with respect to which awards may be granted under the 2015 incentive plan was determined based on the number of shares that remained available under the 2008 incentive plan and the 2008 director plan (collectively, the 2008 plans), resulting in an aggregate of 599,862 shares (plus any shares of our common stock subject to currently outstanding awards that become available again under the 2008 plans) available under the 2015 incentive plan, subject to anti-dilution and other adjustment provisions of the 2015 incentive plan. Shares of our common stock issued pursuant to director awards were made available from either authorized but unissued shares or shares that had been issued but reacquired by us (including shares purchased in the open market).
