**Item 1.01. Entry in to a Material Definitive Agreement**

On September 30, 2014, JMP Group, Inc. (the “Company”) closed a \$370.5 million collateralized loan obligation (“CLO”) transaction. The senior notes offered in this transaction (the “Secured Notes”) will be issued by JMP Credit Advisors CLO III Ltd., a newly formed special purpose Cayman vehicle (the “Issuer”), and co-issued in part by JMP Credit Advisors CLO III LLC, a newly formed special purpose Delaware vehicle (the “Co-Issuer”), and will be backed primarily by a diversified portfolio of broadly syndicated leveraged loans. The Secured Notes are subject to a two-year non-call period. The CLO has a four-year reinvestment period, through October 17, 2018, that allows for the use of the proceeds from any principal repayments on, or any sales of, collateral assets towards the purchase of qualifying replacement assets, subject to certain conditions and limitations.

The capital structure of the CLO is as follows:

<i>(\$ in millions)</i>				
<b>Preliminary</b>				
<b>Class</b>	<b>Par Amount</b>	<b>Moody's / Fitch Rating</b>	<b>Maturity Date</b>	<b>Coupon</b>
A	228.00	Aaa /AAA	10/17/2025	L+1.53%
B	41.70	Aa2/NR	10/17/2025	L+2.05%
C	22.50	A2/NR	10/17/2025	L+2.90%
D	21.60	Baa3/NR	10/17/2025	L+5.10%
E	18.30	Ba2/NR	10/17/2025	L+7.35%
Subordinated Notes	38.40	NR/NR		
<b>Total</b>	<b>\$ 370.50</b>			

The notes were sold in transactions exempt from registration under the Securities Act of 1933, as amended, and have not been, and will not be, registered under the Securities Act of 1933, as amended, or any state “blue sky” laws and may not be offered or sold in the United States absent registration with the Securities and Exchange Commission or an applicable exemption from registration. The Secured Notes were issued pursuant to an indenture, dated as of September 30, 2014.

The Company, through a wholly-owned subsidiary, purchased 13.5% of the subordinated notes of the Issuer (the “Subordinated Notes”) pursuant to a subscription agreement, at a face amount of \$5.2 million. The Company has an obligation to maintain its holding of the Subordinated Notes throughout the life of the CLO. The Subordinated Notes do not bear interest and are not rated. The stated maturity dates of the Secured Notes and Subordinated Notes are set

forth in the table above. The Secured Notes will be the secured obligations of the Issuer and (in part) of the Co-Issuer, and an indenture governing the Secured Notes and the Subordinated Notes includes customary covenants and events of default.

The Company (through JMP Credit Advisors LLC) will serve as portfolio manager to the Issuer under a portfolio management agreement, which contains customary representations, warranties and covenants. Under the portfolio management agreement, the Company will perform certain investment management functions, including supervising and directing the investment and reinvestment of the Issuer's assets, as well as performing certain administrative and advisory functions.

U.S. Bank National Association serves as collateral administrator to the Issuer under a collateral administration agreement. The Company (through JMP Credit Advisors LLC) made customary representations, warranties and covenants in the collateral administration agreement.

The Company intends to consolidate the loan investment portfolio until its maturity and expects to account for the transaction on its balance sheet as non-recourse debt.
