Amended and Restated Employment Agreement with Ronald D. Croatti

On April 21, 2016, UniFirst Corporation (the “Company”) entered into an Amended and Restated Employment Agreement (the “Amended Employment Agreement”) with Ronald D. Croatti, the Company’s Chairman, Chief Executive Officer and President, which extends the term of Mr. Croatti’s existing Employment Agreement, dated as of April 5, 2010, that expired on April 5, 2016. The Amended Employment Agreement provides for the employment of Mr. Croatti for a term of four years, subject to earlier termination as set forth in the Employment Agreement.

Pursuant to the Amended Employment Agreement, Mr. Croatti’s base salary is his base salary currently in effect and will be reviewed on an annual basis consistent with the Company’s usual practices for senior executives. In addition, Mr. Croatti is entitled to participate in the Company’s executive cash bonus plan in the same manner as other senior executives of the Company and the Company’s CEO Cash Incentive Bonus Plan. Mr. Croatti is also entitled to receive a grant of 140,000 shares of restricted common stock pursuant to a Restricted Stock Award Agreement, which is described below. In the event that the Company terminates Mr. Croatti’s employment without cause during the term of the Amended Employment Agreement, Mr. Croatti will be entitled to receive one-half of his annual base salary then in effect. Mr. Croatti has agreed under the Amended Employment Agreement not to compete with the Company or to solicit the Company’s employees or customers for a period of 24 months following his termination.

The foregoing summary is qualified in its entirety by reference to the Amended Employment Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.

Restricted Stock Award Agreement with Ronald D. Croatti

On April 21, 2016, the Company entered into a Restricted Stock Award Agreement (the “Award Agreement”) with Mr. Croatti pursuant to which the Company granted 140,000 shares (the “Performance Restricted Shares”) of restricted common stock to Mr. Croatti. The number of Performance Restricted Shares to be earned will depend on whether and the extent to which the Company achieves certain consolidated revenues and adjusted operating margins as set forth in the Performance Criteria Restricted Stock Award Agreement during certain performance periods set forth in such agreement, including performance periods relating to the second half of fiscal year 2016 and fiscal years 2017 and 2018 (collectively, the “Performance Criteria”). The threshold, target and maximum numbers of Performance Restricted Shares eligible to be earned under the Award Agreement are 100,000, 120,000 and 140,000, respectively. The Performance Restricted Shares earned upon achievement of the Performance Criteria will vest in two equal amounts on the third and fourth anniversaries of the grant date provided that Mr. Croatti continues to be employed by the Company on each such date. Mr. Croatti may transfer all or a portion of the Performance Restricted Shares to any

holder of Class B Common Stock of the Company in exchange for an identical number of shares of Class B Common Stock (the “Transferred Class B Shares”). Upon any such transfer, the restrictions and conditions to which the Performance Restricted Shares are subject under the Performance Criteria Restricted Stock Award Agreement will lapse and such restrictions and conditions will attach to the Transferred Class B Shares. In the event that Mr. Croatti’s employment is terminated without cause or by reason of death or disability prior to the vesting of the Performance Restricted Shares, all of the Performance Restricted Shares that have been or will be earned upon achievement of the Performance Criteria through the end of the fiscal year during which such termination occurred will become fully vested.

The foregoing summary of the Award Agreement is qualified in its entirety by reference to the Award Agreement, a copy of which is filed as Exhibit 10.2 to this Current Report on Form 8-K and incorporated by reference herein.

During the performance periods that the Performance Restricted Shares could be earned, the Company will assess on an ongoing basis the probability that such shares will be earned. To the extent the Company determines that it is probable that the shares will be earned, the Company will record non-cash stock-based compensation expense related to such shares.

Assuming that Mr. Croatti will earn the target number of Performance Restricted Shares, or 120,000 shares, during the performance periods, then over the four-year term of the employment agreement, the stock compensation expense related to the Performance Restricted Shares would total approximately \$13.3 million. The after-tax effect, assuming the Company's current tax rates, would be approximately \$8.1 million. The non-cash stock-based compensation expense would be recognized by fiscal year as follows, assuming the target level of achievement is deemed probable over the course of the performance periods (in thousands):

2016	\$1,346
2017	3,890
2018	3,890
2019	3,120
2020	1,090
	\$13,336

The impact of any charge taken in the remainder of fiscal 2016 was not reflected in the Company's fiscal 2016 earnings per share guidance previously issued on March 30, 2016.
