Item 1.01. Entry into a Material Definitive Agreement.

On April 27, 2017, Giga-tronics Incorporated (the “Company”) entered into a loan agreement with Partners For Growth V, L.P. (“PFG”). Under the terms of the agreement, PFG made a term loan to Giga-tronics in the principal amount of \$1,500,000, with funding occurring on April 28, 2017. The loan has a two-year term, with interest only payments for the term of the loan. To stay in compliance with the loan terms, the Company must meet certain financial covenants associated with minimum quarterly revenues and monthly minimum shareholders’ equity. The lender can accelerate the maturity of the loan in case of a default. As of the quarter ended June 24, 2017, the Company was not in compliance with the revenue and shareholders’ equity covenants.

On August 2, 2017, the Company and PFG entered into a short-term (through the end of August) forbearance arrangement with respect to such noncompliance. No assurance can be given that the Company will be able to comply with the terms of the forbearance agreement or that PFG will agree to a further extension of forbearance at the end of the initial forbearance period. Upon the expiration of the forbearance period, the obligation shall become immediately due and payable in full unless waived by PFG in its sole discretion. The Company will most likely be required to raise additional capital to rectify the noncompliance. No assurance can be given that the Company will be able to raise sufficient capital on timely a basis.
