Notes to Consolidated Financial Statements

(unaudited)

1. Basis of Presentation

The unaudited, interim condensed consolidated financial statements of SPAR Group, Inc., a Delaware corporation ("SGRP"), and its subsidiaries (together with SGRP, collectively, the "Company" or the "SPAR Group"), accompanying this Quarterly Report on Form 10-Q for the third quarter ended September 30, 2018 (this "Quarterly Report"), have been prepared in accordance with accounting principles generally accepted in the United States for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by accounting principles generally accepted in the United States for complete financial statements. The consolidated balance sheet as of December 31, 2017, has been prepared from the Company's audited consolidated balance sheet as of such date. In the opinion of management, all normal and recurring adjustments considered necessary for a fair presentation have been included in these interim financial statements. However, these interim financial statements should be read in conjunction with the annual consolidated financial statements and notes thereto for the Company as contained in the SGRP's Annual Report on Form 10-K for the year ended December 31, 2017, as filed with the Securities and Exchange Commission (the "SEC") on April 2, 2018 (the "2017 Annual Report"), SGRP's Proxy Statement for its 2018 Annual Meeting of Stockholders as filed with the SEC on April 18, 2018 (the "2018 Proxy Statement"). Particular attention should be given to Items 1 and 1A of the 2017 Annual Report respecting the Company's Business and Risk Factors, respectively, and the following parts of SGRP's 2018 Proxy Statement: (i) *SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT*, (ii) *CORPORATE GOVERNANCE*, (iii) *EXECUTIVE COMPENSATION, DIRECTORS AND OTHER INFORMATION* and (iv) *EXECUTIVE COMPENSATION, EQUITY AWARDS AND OPTIONS.* The Company's results of operations for the interim period are not necessarily indicative of its operating results for the entire year. Except for the changes below, the Company has consistently applied the accounting policies to all periods presented in these condensed consolidated financial statements. The Company adopted ASU 2014-09 with a date of the initial application of January 1, 2018. As a result, the Company changed its accounting policy for revenue recognition as detailed below.

In May 2014, the FASB issued Accounting Standards Update No. 2014-09 (Topic 606) "Revenue from Contracts with Customers." Topic 606 supersedes the revenue recognition requirements in Topic 605 “Revenue Recognition” (Topic 605) and requires entities to recognize revenue when control of the promised goods or services is transferred to customers at an amount that reflects the consideration to which the entity expects to be entitled to in exchange for those goods or services. The Company adopted Topic 606 as of January 1, 2018 using the modified retrospective transition method with the impact upon adoption not significant.

The Company records revenue from contracts with it customers through the execution of Master Service Agreements (MSAs) that are effectuated through individual Statements of Work (SOW) (collectively, "Contracts"). The MSAs generally define the financial, service, and communication obligations between the client and SPAR while the SOWs state the project objective, scope of work, time frame, rate and driver in which SPAR will be paid. Only when the MSA and SOW are combined, can all five revenue standard criteria be met. The Company integrates a series of tasks promised within these Contracts into a bundle of services that represent the combined performance obligation of Merchandising Services. Such Merchandising Services are performed over the duration of the SOW. Most Merchandising Services are performed on a daily, weekly or monthly basis. Revenue from Merchandising Services are recognized as the services are performed based on a rate per driver basis (per hour, store visit or unit stocked) with services delivered as they are consumed.

All of the Company's Contracts with customers have a duration of one year or less, with over 90% being completed in less than 30-days, and revenue is recognized as services are performed. Given the nature of the Company's business, how the Contracts are structured and how the Company is compensated the Company has elected the right-to-invoice practical expedient allowed under the revenue standard.

Notes to Consolidated Financial Statements

(unaudited) (continued)

On December 22, 2017, the U.S. Tax Cuts and Jobs Act (the "Tax Act") was enacted into law. The Company is continuing to evaluate the Tax Act and its requirements, as well as its application to the business and its impact on the effective tax rate.

The Company is applying the guidance to address the accounting for income taxes under accounting standards in situations when a registrant does not have the necessary information available, prepared, or analyzed (including computations) in reasonable detail to complete the accounting for certain income tax effects of the Tax Act. Accounting standards provide a reasonable "measurement period" not to exceed twelve months from the date of enactment to complete the accounting of these provisional estimates. As disclosed in the Company's Annual report on Form 10-K for the fiscal year ended December 31, 2017, two material provisional estimates that impacted the Company were the U.S. statutory rate reduction and the one-time transition tax. These amounts are considered provisional because they use reasonable estimates of which tax returns have not been filed and because estimated amounts may be impacted by future regulatory and accounting guidance if and when issued.

For the first nine months of 2018, there were no significant changes to the Company's provisional estimates of the income tax effects reflected in 2017 for the changes in tax law and tax rate from the enactment of the Tax Act. The impact of tax law changes on the Company's financial statements could differ from its reasonable estimates due to further analysis of the new law, regulatory guidance, technical corrections, legislation, or guidance under U.S. generally accepted accounting principles. If significant changes occur, the Company will provide updated information in connection with future regulatory filings or the Company will adjust these provisional amounts as further information becomes available and as we refine our calculations.

For the first nine months of 2018, the Company's effective tax rate was favorably impacted by the reduction in the U.S. statutory tax rate due to the enactment of the Tax Act. This favorable impact was partially offset by certain base broadening provisions of the Tax Act. In the first nine months of 2018, the Company's effective tax rate was 23.8%, as compared to 35.8% in the first nine months of 2017.

Accounting standards require that all tax positions be analyzed using a two-step approach. The first step requires an entity to determine if a tax position is more-likely- than-not to be sustained upon examination. In the second step, the tax benefit is measured as the largest amount of benefit, determined on a cumulative probability basis, that is more-likely-than-not to be realized upon ultimate settlement. In the first nine months of 2018, the Company reduced its liability by $9,000. As of September 30, 2018, the Company had accrued approximately $158,000 for unrecognized

tax benefits. In accordance with applicable accounting standards, the Company’s deferred tax asset as of September 30, 2018 reflects a reduction for $40,000 of these unrecognized tax benefits.

2. Business and Organization

The Company is a supplier of merchandising and other marketing services throughout the United States and internationally. The Company provides merchandising and other marketing services to manufacturers, distributors and retailers worldwide, primarily in mass merchandiser, office supply, grocery, drug, dollar, independent, convenience, home improvement and electronics stores, as well as providing furniture and other product assembly services, audit services, in-store events, technology services and marketing research.

Merchandising services primarily consist of regularly scheduled, special project and other product services provided at the store level, and the Company may be engaged by either the retailer or the manufacturer. Those services may include restocking and adding new products, removing spoiled or outdated products, resetting categories in accordance with client or store schematics, confirming and replacing shelf tags, setting new sale or promotional product displays and advertising, replenishing kiosks, providing in-store event staffing and providing assembly services in stores, homes and offices. Other merchandising services include whole store or departmental product sets or resets, including new store openings, new product launches and in-store demonstrations, audit services, special seasonal or promotional merchandising, focused product support and product recalls. The Company also provides technology services and marketing research services.

SPAR Group, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

(unaudited) (continued)

As of September 30, 2018, the Company operates in 10 countries and divides its operations into two reportable segments: its Domestic Division, which has provided services in the United States of America since certain of its predecessors were formed in 1979, and its International Division, which began operations in May 2001 and provides similar merchandising, marketing, audit, assembly and in-store event staffing services in Australia, Brazil, Canada, China, India, Japan, Mexico, South Africa, and Turkey.

3. Settlement and Other Charges

During the nine month period ended September 30, 2018, the Company recorded approximately $2.0 million of one-time charges relating to the following:

On June 7, 2018, SGRP entered into mediation with the plaintiff's counsel in the SBS Clothier Litigation in order to settle any potential future liability for any possible judgment in that case. After extensive discussions, SGRP reached a settlement and entered into a memorandum of settlement agreement, which is subject to court approval and not likely to become final until several months into 2019 if and when the settlement is approved by the court. If approved, SGRP will pay a maximum settlement amount of $1.3 million, payable in four equal annual installments that commence 30 days after the settlement becomes final. The Company believes that it will be approved by the Court and therefore has recorded this charge to its financial statements in the respective reporting period. See Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies* -- *Legal Matters*, below.

Since November 2017, SMF has been in negotiations with SBS and SAS for reimbursement and security agreements to document, confirm and secure advances and repayment obligations for Affinity Insurance security deposits, which advances by SMF to SAS and SBS total approximately $675,000. Although SBS and SAS had verbally accepted those agreements in principal, the negotiations have ended with their refusal to allow fully perfected first priority security interests in the Cash Collateral and SAS's policies with and equity interests in Affinity and their demands for post-termination payments and offsets potentially larger than the Cash Collateral.

Given the unwillingness of SBS and SAS to document, confirm and secure those advances and repayment obligations and the resulting material risk of non-payment by them to the Company, the Company has recorded a reserve for the

full $675,000 in such receivables during the nine month period ended September 30, 2018. See Note 6 – *Related-Party Transactions – Affinity Insurance*, below.

5. Credit Facilities and Other Debt

PNC Credit Facility:

On January 16, 2018, the Company repaid and replaced its credit facility with a new secured revolving credit facility in the United States and Canada (as amended the "PNC Credit Facility") with PNC Bank, National Association ("PNC").

In order to obtain, document and govern the new PNC Credit Facility: SGRP and certain of its direct and indirect subsidiaries in the United States and Canada, namely SPAR Marketing Force ("SMF"), Inc., SPAR Assembly & Installation, Inc., and SPAR Canada Company (each, a "PNC Borrower" and collectively, the "PNC Borrowers"), and SPAR Canada, Inc., SPAR Acquisition, Inc., SPAR Group International, Inc., and SPAR Trademarks, Inc. (together with SGRP, each a "PNC Guarantor" and collectively, the "PNC Guarantors), entered into a Loan Agreement with PNC dated as of January 16, 2018 (the "PNC Loan Agreement"); the PNC Borrowers issued their $9 million Committed Line Of Credit Note to PNC dated January 16, 2018 (the "Original PNC Note"), which evidences the PNC Borrowers' loans and other obligations to PNC; the PNC Guarantors entered into a Guaranty and Suretyship Agreement with PNC dated as of January 16, 2018 (the "PNC Guaranty"), which guaranties the PNC Borrowers' loans and other obligations to PNC; and the PNC Borrowers and PNC Guarantors (each, a "PNC Loan Party" and collectively, the "PNC Loan Parties") entered into a Security Agreement with PNC dated as of January 16, 2018 (the "PNC Security Agreement"), which secures the obligations of the PNC Loan Parties to PNC with pledges of substantially all of the assets of the PNC Loan Parties (other than SGRP's foreign subsidiaries, certain designated domestic subsidiaries, and their respective equity and assets).

On January 16, 2018, the Company drew down an initial advance under the PNC Credit Facility of approximately $7.6 million, which was used to repay the existing credit facility.

An amendment to the PNC Credit Facility dated as of July 3, 2018, among other things, increased the maximum principal amount of the Revolving Loans to $9.5 million.

The PNC Note currently requires the PNC Borrowers to pay interest on the loans thereunder equal to (A) the Daily LIBOR Rate (as defined therein) per annum, plus (B) two hundred fifty basis points (2.50%). On September 30, 2018, the aggregate interest rate under that formula was 4.756% per annum, and the outstanding loan balance was $8.2 million.

Revolving loans of up to $9.5 million are available to the Company under the PNC Credit Facility based upon the borrowing base formula defined in the PNC Loan Agreement (principally 85% of "eligible" accounts receivable less certain reserves) rendering a maximum borrowing amount of $9.1 million as of September 30, 2018.

The PNC Credit Facility contains certain financial and other restrictive covenants and also limits certain expenditures by the PNC Loan Parties, including, maintaining a minimum Tangible Net Worth of $13.4 million and limits on capital expenditures and other investments.

On September 30, 2018, the PNC Loan Parties were not in compliance with the minimum Tangible Net Worth covenant, however PNC Bank issued a waiver for the reporting period. However, there can be no assurances that the Company will not be in violation of certain covenants in the future and should the Company be in violation; there can be no assurances that PNC will issue waivers for any future violations.

Subsequent to September 30, 2018, the Company is currently experiencing an unusually tight cash flow position and PNC has expressed a concern that even though the Company’s current discounted collateral value is in excess of $11.3 million they are not willing to extend the maximum borrowing capacity above the current $9.5 million limit. PNC has agreed to evaluate on a case by case basis funding its field specialist payments and Company payroll and related taxes until these short-term concerns are resolved by year end. In the meantime, the Company will be looking to secure a more traditional Asset Based Lending facility to take advantage of its excess collateral and thereby providing support for future growth expectations. Based on these current conditions the Company has reclassified its PNC credit facility as short-term debt for the period ended September 30, 2018. The Company believes it has adequate working capital and the ability to obtain alternate financing in order to work through these short term concerns.

***Fifth Third Credit* Facility:**

On January 9, 2018, the Company completed its acquisition of a 51% interest in its new subsidiaries, Resource Plus, Inc., and related companies (collectively, "Resource Plus"). See Note 11 to the Company's Condensed Consolidated Financial Statements – *Purchase of Interests in Subsidiaries – Resource Plus Acquisition*, below. When acquired, Resource Plus was a party to a revolving line of credit facility it secured on May 23, 2016, (the "Fifth Third Credit Facility") from Fifth Third Bank for $3.5 million, which was scheduled to expire on May 23, 2018. Effective April 11, 2018, the term of the Fifth Third Credit Facility was extended and is currently scheduled to become due on April 23, 2020. As there are no provisions (other than defaults) requiring the paydown of the loan until April 23, 2020, the

amounts are classified as long-term debt.

SPAR Group, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

(unaudited) (continued)

Revolving loans of up to $3.5 million are available to Resource Plus under the Fifth Third Credit Facility based upon the borrowing base formula defined in the agreement (principally 80% of "eligible" accounts receivable less certain reserves). As of September 30, 2018, the outstanding balance was $682,000. The Fifth Third Credit Facility is secured by substantially all assets of Resource Plus.

The Fifth Third Credit Facility currently requires Resource Plus to pay interest on the loans thereunder equal to (A) the Daily LIBOR Rate (as defined in the agreement) per annum, plus (B) two hundred fifty basis points (2.50%). On September 30, 2018, the aggregate interest rate under that formula was 4.725% per annum.

***Other Debt*:**

Effective with the closing of the Resource Plus acquisition, the Company entered into promissory notes with the sellers totaling $2.7 million. The notes are payable in annual installments at various amounts due on December 31st of each year starting with December 31, 2018 and continuing through December 31, 2023. As such these notes are classified as both short term and long term for the appropriate amounts.

The variable interest rate is TIIE (Interbank Interest Rate) +4%, which resulted in an annual interest rate of 12.11% as of September 30, 2018. Management believes that based upon the continuation of the Company's existing credit facilities, projected results of operations, vendor payment requirements and other financing available to the Company (including amounts due to affiliates), sources of cash availability while extremely tight through the balance of the year, should be manageable and sufficient to support ongoing operations into next year as the Company pursues a more traditional Asset Based Lending facility. However, delays in collection of receivables due from any of the Company's major clients, or a

significant reduction in business from such clients, and possible litigation expenses could have a material adverse effect on the Company's cash resources and its ongoing ability to fund operations. 6. Related-Party Transactions

SGRP's policy respecting approval of transactions with related persons, promoters and control persons is contained in the SPAR Group Code of Ethical Conduct for its Directors, Executives, Officers, Employees, Consultants and other Representatives Amended and Restated (as of) March 15, 2018 (the "Ethics Code"). The Ethics Code is intended to promote and reward honest, ethical, respectful and professional conduct by each director, executive, officer, employee, consultant and other representative of any of SGRP and its subsidiaries (together with SGRP, the "Company") and each other Covered Person (as defined in the Ethics Code) in his or her position with the Company anywhere in the world, including (among other things) serving each customer, dealing with each vendor and treating each other with integrity and respect, and behaving honestly, ethically and professionally with each customer, each vendor, each other and the Company. Article II of the Ethics Code specifically prohibits various forms of self-dealing (including dealing with relatives) and collusion and Article V of the Ethics Code generally prohibits each "Covered Person" (including SGRP's officers and directors) from using or disclosing the Confidential Information of the Company or any of its customers or vendors, seeking or accepting anything of value from any competitor, customer, vendor, or other person relating to doing business with the Company, or engaging in any business activity that conflicts with his or her duties to the Company, and directs each "Covered Person" to avoid any activity or interest that is inconsistent with the best interests of the SPAR Group, in each case except for any "Approved Activity" (as such terms are defined in the Ethics Code). Examples of violations include (among other things) having any ownership interest in, acting as a director or officer of or otherwise personally benefiting from business with any competitor, customer or vendor of the Company other than pursuant to any Approved Activity. Approved Activities include (among other things) any contract with an affiliated person (each an "Approved Affiliate Contract") or anything else disclosed to and approved by SGRP's Board of Directors (the "Board"), its Governance Committee or its Audit Committee, as the case may be, as well as the ownership, board, executive and other positions held in and services and other contributions to affiliates of SGRP and its subsidiaries by certain directors, officers or employees of SGRP, any of its subsidiaries or any of their respective family members. The Company's senior management is generally responsible for monitoring compliance with the Ethics Code and establishing and maintaining compliance systems, including those related to the oversight and approval of conflicting relationships and transactions, subject to the review and oversight of SGRP's Governance Committee as provided in clause IV.11 of the Governance Committee's Charter, and SGRP's Audit Committee as provided in clause I.2(l) of the Audit Committee's Charter. The Governance Committee and Audit Committee each consist solely of independent outside directors (see *Domestic Related Party Services, International Related Party Services, Related Party Transaction Summary, Related Party Transaction Summary, Affinity Insurance, and Other Related Party Transactions and Arrangements*, below).

SGRP's Audit Committee has the specific duty and responsibility to review and approve the overall fairness and terms of all material related-party transactions. The Audit Committee receives affiliate contracts and amendments thereto for

its review and approval (to the extent approval is given), and these contracts are periodically (often annually) again reviewed, in accordance with the Audit Committee Charter, the Ethics Code, the rules of the Nasdaq Stock Market, Inc. ("Nasdaq"), and other applicable law to ensure that the overall economic and other terms will be (or continue to be) no less favorable to the Company than would be the case in an arms-length contract with an unrelated provider of similar services (i.e., its overall fairness to the Company, including pricing, payments to related parties, and the ability to provide services at comparable performance levels). The Audit Committee periodically reviews all related party relationships and transactions described below.

In addition, in order to (among other things) assist the Board and the Audit Committee in connection with an overall review of the Company's related party transactions and certain worker classification-related litigation matters, in April 2017 the Board formed a special subcommittee of the Audit Committee (the "Special Subcommittee") to (among other things) review the structure, documentation, fairness, conflicts, fidelity, appropriateness, and practices respecting each of the relationships and transactions discussed in this Note.

The Special Subcommittee engaged Morrison Valuation & Forensic Services, LLC ("Morrison"), to perform a third-party financial evaluation of certain domestic related party relationships and transactions (principally with SAS and SBS of the Company, which included the review of certain financial records of the Company (but not those of its affiliates)) and discussions with management of the Company. Their task included (among other things) the identification and mapping of and apparent purposes for and benefits from cash flows between the Company and its affiliates. Morrison identified a number of transactions between the parties, while not material, were inefficient, time consuming and of limited business value to the parties. They included expense reimbursement for indirect charges for supply purchases, corporate vendor service cost and use of corporate credit cards in the payment of vendor services. These inefficiencies have largely resolved themselves since the relationship with SAS and SBS has ended and others have been and will continue to be addressed by the Company. The Special Subcommittee also engaged Holland & Knight to provide ongoing legal advice on related party issues, and Paul Hastings to provide ongoing legal advice on independent contractor classification issues (including the SBS Clothier Case). See Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies – Legal Matters*, below.

The Special Committee also has been involved in the review of the Proposed Amendments to SGRP's By-Laws and the By-Laws Action and 225 Action (see Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies* -- *Legal Matters*, below).

The Company is currently unable to predict the remaining duration and final results of this review by the Special Subcommittee.

Domestic Related Party Services:

SPAR Business Services, Inc. ("SBS"), SPAR Administrative Services, Inc. ("SAS"), and SPAR InfoTech, Inc. (" Infotech "), have provided services from time to time to the Company and are related parties and affiliates of SGRP, but are not under the control or part of the consolidated Company. SBS is an affiliate because it is owned by Robert G. Brown and William H. Bartels. SAS is an affiliate because it is owned by William H. Bartels and certain relatives of Robert G. Brown or entities controlled by them (each of whom are considered affiliates of the Company for related party purposes). Infotech is an affiliate because it is owned by Robert G. Brown and certain relatives of Robert G. Brown or entities controlled by them (each of whom are considered affiliates of the Company for related party purposes). Mr. Brown and Mr. Bartels are the Majority Stockholders (see below) and founders of SGRP, Mr. Brown was Chairman and an officer and director of SGRP through May 3, 3018 (when he retired), and Mr. Bartels was and continues to be Vice Chairman and a director and officer of SGRP. Mr. Brown and Mr. Bartels also have been and are stockholders, directors and executive officers of various other affiliates of SGRP.

Through July 27, 2018, the Company executed the services it provides to its domestic clients primarily through field merchandising, auditing, assembly and other field personnel (each a "Field Specialist"), substantially all of whom had been independent contractors provided by SBS, and administers those services through local, regional, district and other personnel (each a "Field Administrator"), substantially all of whom had been provided by SAS. The Company paid $15.4 million and $19.6 million during the nine months ended September 30, 2018 and 2017, respectively, to SBS for its provision as needed of approximately 3,900 of SBS's available Field Specialists in the U.S.A. (which amounted to approximately 36% and 75% of the Company's total domestic Field Specialist expense for the nine months ended September 30, 2018 and 2017, respectively). The Company paid $2.7 million and $3.2 million for the nine months ended September 30, 2018 and 2017, respectively, to SAS for its provision of its 54 and 60 full-time regional and district administrators (which amounted to approximately 68% and 90% of the Company's total domestic field administrative service cost for the nine months ended September 30, 2018 and 2017). In addition to these field service and administration expenses, SAS also incurred other administrative expenses related to benefit and employment tax expenses of SAS and payroll processing, legal and other administrative expenses and SBS incurred expenses for processing vendor payments, legal defense and other administrative expenses (but those expenses were only reimbursed by SGRP to the extent approved by the Company as described below). The total cost recorded by the Company for the expenses of SBS and SAS in providing their services to the Company, including the "Cost Plus Fee" arrangement (as defined and discussed below) and other expenses paid directly by the Company on behalf of and invoiced to SBS and SAS, was $18.2 million and $22.8 million, for the nine months ended September 30, 2018 and 2017, respectively.

The terms of the Amended and Restated Field Service Agreement with SBS dated as of January 1, 2004, as amended in 2011, and the Amended and Restated Field Management Agreement with SAS dated as of January 1, 2004 (each a "Prior Agreement"), defined reimbursable expenses and established a "Cost Plus Fee" arrangement where the Company paid SBS and SAS for their costs of providing those services plus a fixed percentage of such reimbursable expenses (the "Cost Plus Fee"). The parties have had negotiations respecting replacement agreements since the Prior Agreements expired on November 30, 2014. As further described below, a new Field Administration Agreement was entered into with SAS in 2016.

The Company and SBS had agreed to an arrangement for a revised Cost Plus Fee equal to 2.96% of the Field Specialists costs and certain other approved reimbursable expenses incurred by SBS in performing services for the Company, subject to certain offsetting credits. This arrangement went into effect on and had applied since December 1, 2014. The Company had offered a new agreement to SBS confirming that reimbursable expenses were subject to review and approval by the Company, but SBS had rejected that proposal.

Due to (among other things) the Clothier Determination and the ongoing proceedings against SBS, which could have had a material adverse effect on SBS's ability to provide future services needed by the Company, and the Company's location of an independent third party company who would provide comparable services on substantially better terms, on May 23, 2018, the Company gave a termination notice to SBS specifying on or before August 15, 2018, as the end of the Service Term. The actual termination of services occurred on July 27, 2018, and the Company has engaged that independent third party company to replace those services formerly provided by SBS.

Even though the Company had paid SBS for all services provided through that date, SBS notified the Company that there may not be sufficient funds in their bank accounts to honor all payments they had made to their Field Specialists. Based on this notice, the Company withheld approximately $125,000 of final mark-up compensation due SBS and had been making payments, on a daily basis, into the SBS bank account designated for Field Specialist payments to insure all SBS Field Specialists that had provided services to the Company are properly compensated for those services. The $125,000 has been completely exhausted and the Company was required to fund an additional $11,000 to cover these duplicate Field Specialist payments. The Company believes that there may be checks for Field Service payments for as much as an additional $120,000 that the Company believes may not be honored by SBS. The Company has made plans to ensure that all of the current Field Specialists are properly paid and is exploring its legal options for recovery of all duplicate payments it is making on SBS’s behalf.

SPAR Group, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

(unaudited) (continued)

The Company has reached a non-exclusive agreement with an independent third-party vendor to provide substantially all of the domestic Field Specialist services used by the Company. The Company transitioned to such new vendor during July 2018, and such transition was virtually unnoticeable to the Company's clients.

No SBS compensation to any officer, director or other related party had been reimbursed or approved to date by the Company, and no such compensation reimbursements were made or approved under SBS's Prior Agreement. This is not a restriction on SBS since SBS is not controlled by the Company and may pay any compensation to any person that SBS desires out of its own funds. However, SBS had in the past invoiced the Company for certain such compensation payments, but the Company had rejected those invoices as non-reimbursable expenses. Since SBS is a "Subchapter S" corporation, all income from SBS is allocated to its stockholders (see above).

The appropriateness of SBS's treatment of its Field Specialists as independent contractors had been periodically subject to legal challenge (both currently and historically) by various states and others, SBS's expenses of defending those challenges and other proceedings had historically been reimbursed by the Company under SBS's Prior Agreement, and SBS's expenses of defending those challenges and other proceedings were reimbursed by the Company for the nine months ended September 30, 2018 and 2017 (in the amounts of $105,000 and $218,000, respectively), after determination (on a case by case basis) that those defense expenses were costs of providing services to the Company.

On May 15, 2017, the Company advised SBS that, since there was no currently effective comprehensive written services agreement with SBS, the Company would continue to review and decide each request by SBS for reimbursement of its legal defense expenses (including appeals) on a case-by-case basis in its discretion, including the relative costs and benefits to the Company. SBS has disputed the right of the Company and SGRP's Audit Committee to review and decide the appropriateness of the reimbursement of any of those related party defense and other expense reimbursements.

On June 13, 2018, the Company gave SBS notice that it would no longer reimburse any such expenses as a result of SGRP's separate settlement of the Clothier Case.

As provided in SBS's Prior Agreement, the Company is not obligated or liable, and the Company has not otherwise agreed and does not currently intend, to reimburse SBS for any judgment or similar amount (including any damages, settlement, or related tax, penalty, or interest) in any legal challenge or other proceeding against or involving SBS, and the Company does not believe it has ever done so (other than in insignificant nuisance amounts).

There can be no assurance that SBS will be able to satisfy any such judgment or similar amount resulting from any adverse legal determination. In addition, SBS may claim that the Company is somehow liable for any such judgment or similar amount imposed against SBS and pursue that claim with litigation, there can be no assurance that someone else will not claim that the Company is liable (under applicable law, through reimbursement or indemnification, or otherwise) for any such judgment or similar amount imposed against SBS, and there can be no assurance that the Company will be able to successfully defend any claim. Any imposition of liability on the Company for any such amount could have a material adverse effect on the Company or its performance or condition (including its assets, business, clients, capital, cash flow, credit, expenses, financial condition, income, liabilities, liquidity, locations, marketing, operations, prospects, sales, strategies, taxation or other achievement, results or condition), whether actual or as planned, intended, anticipated, estimated or otherwise expected. See Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies* -- *Legal Matters*, below.

Current material and potentially material legal proceedings impacting the Company are described in Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies – Legal Matters*, below. These descriptions are based on an independent review by the Company and do not reflect the views of SBS, its management or its counsel. SBS continues to claim that the Company is somehow liable to reimburse SBS for its expenses in those proceedings.

SPAR Group, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

(unaudited) (continued)

On June 14, 2016, SAS and SMF entered into a new Field Administration Agreement (the "SAS Agreement"). In order to provide continuity with SAS's Prior Agreement, the SAS Agreement is effective and governs the relationship of the parties as of December 1, 2014, and amends, restates and completely replaces SAS's Prior Agreement. The SAS Agreement more clearly defines reimbursable and excluded expenses and the budget and approval procedures and continues the indemnifications and releases provided by SAS's Prior Agreement (which indemnifications and releases were and are comparable to those applicable to SGRP's directors and executive officers under its By-Laws and applicable law). Specifically, the SAS Agreement reduced the Cost Plus Fee from 4% to 2% effective as of June 1, 2016.

On May 7, 2018, the Company gave a termination notice to SAS specifying July 31, 2018, as the end of the Service Term under (and as defined in) SAS Agreement. The Company has reached a non-exclusive agreement with an independent third party vendor to provide substantially all of the domestic Field Administrators used by the Company. The Company transitioned to such new vendor during July 2018, and it was virtually unnoticeable to the Company’s clients.

SGRP's Audit Committee has approved the SAS Agreement pursuant to its specific duty and responsibility to review and approve the overall fairness of all material related-party transactions, as more fully provided above in this note.

No SAS compensation to any officer, director or other related party (other than to Mr. Peter W. Brown, a related party as noted below, pursuant to previously approved budgets) had been reimbursed or approved to date by the Company, and no such compensation reimbursements were made or approved under SAS's Prior Agreement. This is not a restriction on SAS since SAS is not controlled by the Company and may pay any compensation to any person that SAS desires out of its own funds. Since SAS is a "Subchapter S" corporation, all income from SAS is allocated to its stockholders (see above).

Although neither SBS nor SAS has provided any services to the Company after their terminations described above, effective on or before July 31, 2018, they have apparently continued to operate and claim that the Company owes them for all of their post-termination expenses in perpetuity. For August and September, SBS has invoiced the Company for approximately $105,000, and SAS has invoiced the Company for approximately $42,000. All such invoices have been rejected by the Company. The Company has determined that it is not obligated to reimburse any such post-termination expense (other than for potentially reimbursing mutually approved reasonable short term ordinary course transition expenses in previously allowed categories needed by SAS to wind down its business, if

any), and that such a payment would be an impermissible gift to a related party under applicable law, which determinations have been supported by SGRP's Audit Committee. The SBS invoices included legal expenses for its continuing defense in the Clothier Case even though SGRP on June 13, 2018, gave SBS notice that it would no longer reimburse any such expenses as a result of SGRP's separate settlement of the Clothier Case. The Company expects that SBS and SAS will use every available means to attempt to collect reimbursement in perpetuity from the Company for all of their post-termination expense, including repeated litigation in the event that the SGRP prevails in the By-Laws Action or 225 Action (see Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies -- Legal Matters*, below).

Peter W. Brown was appointed as a Director on the SGRP Board as of May 3, 2018, replacing Mr. Robert G. Brown upon his retirement from the Board and Company at that date. He is not considered independent because Peter Brown an affiliate and related party in respect of SGRP and was proposed by Mr. Robert G. Brown to represent the Brown family interests. He worked for and is a stockholder of SAS (see above) and certain of its affiliates, he is the nephew of Mr. Robert G. Brown (a current significant stockholder of SGRP and SGRP's former Chairman and director), he is a director of SPAR Brasil Serviços de Merchandising e Tecnologia S.A., a Brazilian corporation ("SPAR BSMT") and owns Earth Investments LLC, ("EILLC"), which owns 10% interest in the SGRP's Brazilian subsidiary. Peter W. Brown was an official observer at the meetings of SGRP's Board from 2014 through December 2016. Peter W. Brown also is, and since 2013 has been, a director of Affinity Insurance, Ltd (see Affinity Insurance, below).

National Merchandising Services, LLC ("NMS"), is a consolidated domestic subsidiary of the Company and is owned jointly by SGRP through its indirect ownership of 51% of the NMS membership interests and by National Merchandising of America, Inc. ("NMA"), through its ownership of the other 49% of the NMS membership interests. Mr. Edward Burdekin is the Chief Executive Officer and President and a director of NMS and also is an executive officer and director of NMA. Ms. Andrea Burdekin, Mr. Burdekin's wife, is the sole stockholder and a director of NMA and a director of NMS. NMA is an affiliate of the Company but is not under the control of or consolidated with the Company.

Resource Plus, Inc. ("RPI"), is a consolidated domestic subsidiary of the Company and is owned jointly by SGRP through its indirect ownership of 51% of the RPI membership interests and by Mr. Richard Justus through his ownership of the other 49% of the RPI membership interests. (See Note 11 to the Company's Condensed Consolidated Financial Statements – *Purchase of Interest in Subsidiaries*, below).

International Related Party Services:

SGRP Meridian (Pty), Ltd. ("Meridian") is a consolidated international subsidiary of the Company and is owned 51% by SGRP and 49% by the following individuals: Mr. Brian Mason, Mr. Garry Bristow, and Mr. Adrian Wingfield. Mr. Mason is President and a director and Mr. Bristow is an officer and director of Meridian. Mr. Mason is also an officer and director and 50% shareholder of Merhold Property Trust ("MPT"). Mr. Mason and Mr. Bristow are both officers and directors and both own 50% of Merhold Cape Property Trust ("MCPT"). Mr. Mason, Mr. Bristow and Mr. Wingfield are all officers and own 46.7%, 20% and 33.3%, respectively of Merhold Holding Trust ("MHT") which provides similar services like MPT. MPT owns the building where Meridian is headquartered and also owns 20 vehicles all of which are subleased to Meridian. MCPT provides a fleet of 172 vehicles to Meridian under a 4 year lease program. These leases are provided to Meridian at local market rates included in the summary table below.

SPAR Todopromo is a consolidated international subsidiary of the Company and is owned 51% by SGRP and 49% by the following individuals: Mr. Juan F. Medina Domenzain, Juan Medina Staines, Julia Cesar Hernandez Vanegas, and Jorge Medina Staines. Mr. Juan F. Medina Domenzain is an officer and director of SPAR Todopromo and is also majority shareholder (90%) of CONAPAD ("CON") which supplied administrative and operational consulting support to SPAR Todopromo in 2016.

In August 2016, Mr. Juan F. Medina Domenzain ("JFMD"), partner in SPAR Todopromo, purchased the warehouse that was being leased by SPAR Todopromo. The lease expires on December 31, 2020.

The Company’s subsidiary in Brazil, SPAR BSMT, has contracted with Ms. Karla Dagues Martins, a Brazilian citizen and resident sister to Mr. Jonathan Dagues Martins, President and a part owner of SPAR BSMT, to handle the labor litigation cases for SPAR BSMT and its subsidiaries. These legal services are being provided to them at local market rates by Ms. Martins' company, Karla Martins Sociedade de Advogados ("KMSA"). Accordingly, Mr. Jonathan Dagues Martins and Ms. Karla Dagues Martins are each an affiliate and a related party in respect of the Company.

Summary of Related Party Transactions:

The Company believes it is the largest and most important customer of SBS, SAS, MPT, MCPT, MHT, CON, JFMD and KMSA (and from time to time may be their only customer), and accordingly the Company generally has been able to negotiate better terms, receives more personal and responsive service and is more likely to receive credits and other financial accommodations from SBS, SAS, MPT, MCPT, MHT, CON, JFMD and KMSA than the Company could reasonably expect to receive from an unrelated service provider who has significant other customers and business. SBS, SAS and other material affiliate contracts and arrangements are annually reviewed and considered for approval by SGRP's Audit Committee, subject to the ongoing negotiations with SBS as described above.

The loans have no payment terms and are due on demand and as such have been classified as current liabilities in the Company's condensed consolidated financial statements.

Affinity Insurance:

In addition to the above, through August 1, 2018, SAS purchased insurance coverage from Affinity Insurance, Ltd. ("Affinity") for worker compensation, casualty and property insurance risk for itself, for SBS on behalf of its Field Specialists that require such insurance coverage (all who do not provide their own), and for the Company. SAS owns a minority (less than 1%) of the common stock in Affinity. Based on informal arrangements between the parties, the Affinity insurance premiums for such coverage were ultimately charged (through SAS) for their fair share of the costs of that insurance to SMF, SAS (which then charges the Company) and SBS. Since August 1, 2018, the new independent vendor providing the Company's Field Administrators also is a member of and provided such insurance through Affinity for itself and on behalf of the Field Specialists that require such insurance coverage (if they do not provide their own), and the Company is obtaining its own such insurance through Affinity (in which it is also now a member).

In addition to those required periodic premiums, Affinity also requires payment of cash collateral deposits ("Cash Collateral"), and Cash Collateral amounts are initially determined and from time to time re-determined (upward or

downward) by Affinity. From 2013 through August 1, 2018, SAS deposited Cash Collateral with Affinity that now totals approximately $965,000; approximately $379,000 of that Cash Collateral was allocable to SBS and approximately $296,000 of that Cash Collateral was allocable to SMF and the balance of approximately $290,000 was allocated to other affiliates of the Company. The Cash Collateral deposits allocable to SBS have been paid by SAS on behalf of SBS, SAS received advances to make such payments from SBS, and SBS in turn received advances to make such payments from SMF. $675,000 of the Cash Collateral deposits allocable to SAS have been paid with advances to make such payments from SMF. The Cash Collateral deposits allocable to SMF have been paid by SAS on behalf of SMF, and SAS received advances to make such payments from SMF. At the time those advances by the Company to SAS and SBS were not specifically disclosed by Mr. Robert G. Brown (then SGRP executive Chairman) or Mr. William H. Bartels (SGRP Vice Chairman then and now) to or approved by the Audit Committee or Board (as a related party transaction or otherwise), and at the time Mr. Brown and Mr. Bartels were the sole owners and executives of SAS and SBS. In addition to funding such Cash Collateral, the Company believes that it has provided (after 1999) all of the funds for all premium payments to and equity investments in Affinity and that the Company may be owed related amounts by SAS, SBS and their affiliates.

SPAR Group, Inc. and Subsidiaries

(unaudited) (continued)

Affinity from time to time may (in the case of a downward adjustment in such periodic premiums or the Cash Collateral) make refunds, rebates or other returns of such periodic premiums and Cash Collateral deposits to SAS for the benefit of itself, SBS and SMF (as returned, "Affinity Returns"). The Company believes that SAS is obligated to return to SMF any and all Affinity Returns allocable to SMF in repayment of the corresponding advances from SMF and allocable to SAS in repayment of the corresponding advances from SMF. The Company also believes that SAS is obligated to return to SBS, and SBS is obligated to return to SMF, any and all Affinity Returns allocable to SBS in repayment of the corresponding advances. The Company believes that SBS and SAS will have limited operations after August 1, 2018, that the litigation and likely resulting financial difficulties facing SBS are significant, and that without adequate security, those circumstances puts such repayments to the Company at a material risk.

Since November 2017, SMF has been in negotiations with SBS and SAS (respectively represented by Robert G. Brown and William H. Bartels, who together own over 59% of SGRP's common stock) for reimbursement and security agreements to document, confirm and secure those advances and repayment obligations, which advances total approximately $675,000. Although SBS and SAS had orally accepted those agreements in principal, the negotiations have recently broken down over their refusal to allow fully perfected first priority security interests in the Cash Collateral and SAS's policies with and equity interests in Affinity and their demands for post-termination payments and offsets potentially larger than the Cash Collateral.

Given the unwillingness of SBS and SAS (respectively represented by Robert G. Brown and William H. Bartels, who together own over 59% of SGRP’s common stock) to document, confirm and secure those advances and repayment obligations and the resulting material risk of non-payment by them to the Company, the Company has recorded a reserve for the full $675,000 in such receivables in the nine months ended September 30, 2018, and the Company is exploring its legal options for recovering the Affinity Returns from SAS and SBS. See Note 3 to the Company's Condensed Consolidated Financial Statements – *Settlement and Other Charges*, above.

Other Related Party Transactions and Arrangements:

In July 1999, SMF, SBS and SIT entered into a perpetual software ownership agreement providing that each party independently owned an undivided share of and had the right to unilaterally license and exploit their "Business Manager" internet job scheduling software (which had been jointly developed by such parties), and all related improvements, revisions, developments and documentation from time to time voluntarily made or procured by any of them at its own expense. Business Manager and its other proprietary software and applications are used by the

Company for (among other things) the scheduling, tracking, coordination and reporting of its merchandising and marketing services and are accessible via the internet or other applicable telecommunication network by the authorized representatives of the Company and its clients through their respective computers and mobile devices. In addition, SPAR Trademarks, Inc. ("STM"), a wholly owned subsidiary of SGRP, SBS and SIT entered into separate perpetual trademark licensing agreements whereby STM has granted non-exclusive royalty-free licenses to SIT and SBS (and through them to their commonly controlled subsidiaries and affiliates by sublicenses, including SAS) for their continued use of the name "SPAR" and certain other trademarks and related rights of STM. SBS and SAS provide services to the Company, as described above, SIT assisted in the Brazilian acquisition at a cost to the Company of $49,000, as described below, and SIT no longer provides services to and does not compete with the Company.

Through arrangements with the Company, SBS (owned by Mr. Bartels and Mr. Brown), SAS (owned by Mr. Bartels and family members of Mr. Brown), and other companies owned by Mr. Brown participate in various benefit plans, insurance policies and similar group purchases by the Company, for which the Company charges them their allocable shares of the costs of those group items and the actual costs of all items paid specifically for them. All such transactions between the Company and the above affiliates are paid and/or collected by the Company in the normal course of business.

7. Preferred Stock

SGRP's certificate of incorporation authorizes it to issue 3,000,000 shares of preferred stock with a par value of $0.01 per share (the "SGRP Preferred Stock"), which may have such preferences and priorities over the SGRP Common Stock and other rights, powers and privileges as the Company's Board of Directors may establish in its discretion from time to time. The Company has created and authorized the issuance of a maximum of 3,000,000 shares of Series A Preferred Stock pursuant to SGRP's Certificate of Designation of Series "A" Preferred Stock (the "SGRP Series A Preferred Stock"), which have dividend and liquidation preferences, have a cumulative dividend of 10% per year, are redeemable at the Company's option and are convertible at the holder's option (and without further consideration) on a one-to-one basis into SGRP Common Stock. The Company issued 554,402 of SGRP shares to affiliated retirement plans, which were all converted into common shares in 2011 (including dividends earned thereon), leaving 2,445,598 shares of remaining authorized preferred stock. At September 30, 2018, no shares of SGRP Series A Preferred Stock were issued and outstanding.

8. Stock-Based Compensation and Other Plans

In connection with the 2018 Annual Meeting, the Board, based (in part) on the recommendation of its Compensation Committee, approved the modification of the proposed SPAR Group, Inc. 2018 Stock Compensation Plan (the "2018 Plan") to remove all adjustments for prior plans, continuing awards and share recycling, which the Board determined was within its authority and not materially adverse to the interest of SGRP's existing stockholders. The SPAR Group, Inc. 2018 Stock Compensation Plan (including the above changes) was approved by the stockholders on May 2, 2018.

The 2018 Plan and information regarding options, stock appreciation rights, restricted stock and restricted stock units granted thereunder are summarized below. The 2018 Plan is substantially similar to the 2008 Plan except for its one-year initial term and resetting the maximum award shares available to 600,000 under the 2018 Plan. The 2008 Plan terminated upon the adoption of the 2018 Plan, and thereafter no further Awards may be made under the 2008 Plan. There were approximately 345,750 SGRP shares remaining for grant Awards that were cancelled at that date.

The 2018 Plan has an initial term that ends on May 31, 2019, and no Award may be granted thereafter under this Plan, unless an extension or elimination of such initial term Plan is approved by stockholders of SGRP if and as required pursuant to the 2018 Plan. In any event, no Award may be granted under the 2018 Plan on or after the tenth (10th) anniversary of the Effective Date of the 2018 Plan unless an extension of the term of the 2018 Plan is approved by stockholders of SGRP if and as required pursuant to the 2018 Plan and Applicable Law. Awards granted prior to the end of the term of the 2018 Plan shall continue to be governed by the 2018 Plan (which 2018 Plan shall continue in full force and effect for that purpose).

The 2018 Plan resets and limits the maximum number of shares of Common Stock that may be issued pursuant to Awards made under the plan to 600,000 shares (the "2018 Plan Maximum").

The 2018 Plan will permit the granting of Awards consisting of options to purchase shares of Common Stock ("Options"), stock appreciation rights ("SARs"), restricted stock ("Restricted Stock"), and restricted stock units ("RSUs"). The 2018 Plan permits the granting of both Options that qualify under Section 422 of the United States Internal Revenue Code of 1986 as amended (the "Code") for treatment as incentive stock options ("Incentive Stock Options" or "ISOs") and Options that do not qualify under the Code as Incentive Stock Options ("Nonqualified Stock Options" or "NQSOs"). ISOs may only be granted to employees of SGRP or its subsidiaries.

The shares of Common Stock that may be issued pursuant to the Options, SARs, Restricted Stock and RSUs under the 2018 Plan are all subject to the 2018 Plan Maximum.

SGRP has granted restricted stock and stock option awards to its eligible directors, officers and employees and certain employees of its affiliates respecting shares of Common Stock issued by SGRP ("SGRP Shares") pursuant to SGRP's 2008 Stock Compensation Plan (as amended, the "2008 Plan"), which was approved by SGRP's stockholders in May of 2008 and 2009. The 2008 Plan provides for the granting of restricted SGRP shares, stock options to purchase SGRP shares (either incentive or nonqualified), and restricted stock units, stock appreciation rights and other awards based on SGRP shares ("Awards") to SGRP Directors and the Company's specified executives, employees and consultants (which are employees of certain of its affiliates), although to date SGRP has not issued any permissible form of Award other than stock option, restricted share awards, and performance stock units. At the May 3, 2018 Annual meeting of stockholders, the 2008 Plan was terminated. At that time, the 2018 Plan was approved by SGRP’s stockholders.

Stockholder By-Laws Litigation

On September 4, 2018, SPAR Group, Inc. ("SGRP" or the "Registrant") filed in the Court of Chancery of the State of Delaware (the "Court") a claim, C.A. No. 2018-0650 (the "By-Laws Action"), in a Verified By-Laws Complaint Seeking Declaratory Judgment and Injunctive Relief (the "Original By-Laws Complaint") against Robert G. Brown, a substantial stockholder of SGRP and former Executive Chairman and director of SGRP, and William H. Bartels, a substantial stockholder of SGRP and current Vice Chairman and director and officer of SGRP (together with Robert G. Brown, the "Majority Stockholders" or "Defendants"). On September 21, 2018, SGRP supplemented and amended its Original By-Laws Complaint in the By-Laws Action in a Verified Amended By-Laws Complaint filed with the Court (the "Amended By-Laws Complaint").

The By-Laws Action was commenced in response to the Written Consents from the Majority Stockholders received by SGRP on August 6, 2018, and September 18, 2018 (collectively, the "By-Laws Consent"), in which the Majority Stockholders attempted to change SGRP's By-Laws in order to (among other things) weaken the independence of the Board through new supermajority requirements and stockholder only approvals and eliminate the Board's independent majority requirement (the "Proposed Amendments"), all in order to further benefit themselves. The Proposed Amendments were prepared by the Majority Stockholders and their own counsel and were not submitted to, discussed with, or considered or approved, and have not been supported or endorsed, by the Board or its Governance Committee.

SGRP has requested in the Original By-Laws Complaint that the Delaware Chancery Court provide SGRP with: (1) declaratory relief in the form of an order confirming that the bylaw amendments proposed by the Majority Stockholders (as set forth in the By-Laws Consent and each of the Majority Stockholders' amendments to their respective Schedule 13Ds, each filed with the Securities and Exchange Commission on August 6, 2018) (the "Proposed Amendments") are invalid under Delaware law and (2) preliminary injunctive relief enjoining the Majority Stockholders from attempting during the pendency of the By-Laws Action to (a) enact the Proposed Amendments, (b) remove or attempt to remove any independent director of SGRP, (c) further weaken the independence of SGRP's Board of Directors (the "Board") or (d) circumvent or interfere with the duties of the Audit Committee of the Board.

SGRP is pursuing the By-Laws Action against the Majority Stockholders because the Board's Governance Committee believes that the Proposed Amendments will negatively impact all stockholders (particularly minority stockholders), among other things:

weaken the independence of the Board through new supermajority requirements (because two of SGRP's non-independent directors can block the Board's actions and thus potentially reduce the representation of SGRP's minority stockholders);

eliminate the Board's independent majority requirement (also potentially reducing the representation of SGRP's minority stockholders);

eliminate the Board's ability to change the size of the Board and require that any proposed change in the Board's size be approved by the holders of a majority of the outstanding common stock of SGRP (the "Common Stock") (i.e., the Majority Stockholders), and thus also potentially reducing the representation of SGRP's minority stockholders;

20

SPAR Group, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

(unaudited) (continued)

subject various functions of the Board respecting vacancies on the Board to the prior approval of the holders of a majority of the Common Stock (i.e., the Majority Stockholders), and thus also potentially reducing the representation of SGRP's minority stockholders; and

permit submissions of stockholder proposals to be timely if received by SGRP no later than 60 days (changed from approximately six months) prior to SGRP's annual meeting of stockholders.

As outlined in Original By-Laws Complaint as amended and supplemented by the Amended By-Laws Complaint (collectively, the "By-Laws Complaint") SGRP is also pursuing the By-Laws Action against the Majority Stockholders because SGRP believes that the Proposed Amendments are part of a conspiracy to attempt to entrench the Majority Stockholders' control over SGRP and the Board, all so that they can improperly divert SGRP resources to the Majority Stockholders for their personal benefit through (among other things) (a) invalid reimbursement demands under terminated contracts, (b) efforts to shift the costs of defending the Majority Stockholders' labor practices in managing their own companies onto SGRP through invalid reimbursement and indemnification claims, (c) an exorbitant "retirement" package sought in different forms by Brown, (d) permanent evasion of the return of $675,000 of Cash Collateral advanced by SGRP for insurance, and (e) reimbursement of unauthorized expenses related to SGRP's acquisition of its Brazilian affiliate now claimed to total approximately $190,000 (see *Related Party Litigation*, below).

As noted in the By-Laws Complaint, the changes in SGRP's By-Laws sought to be made by the Defendants in their Proposed Amendments also would effectively block the declared determination and intention of the Board to increase the Board size to nine and add two new independent directors to maintain majority independence for the Board, as a result of earlier Director Consent (see *Board Seating Litigation*, below) by the Majority Stockholders seeking to remove Lorrence Kellar as an independent director from the Board and its Committees and add Jeffery Mayer as a non-independent director to the Board (as reported in SGRP's Current Report on Form 8-K as filed by SGRP with the SEC on July 6, 2018). As a result of the Majority Stockholders' proposed actions, the Board would lack a majority of independent directors and may face compliance issues with Nasdaq. In fact, Nasdaq has already contacted SGRP to confirm that Jeffery Mayer had not yet been seated and that SGRP's Board continued and would continue to have a majority of independent directors.

In addition to seeking invalidation of the Proposed Amendments in the By-Laws Complaint, SGRP also is seeking injunctive relief from the Court to block further actions and attempts by the Majority Stockholders to (among other things):

(a) make changes to the July 5, 2018, By-Laws (i.e., those in effect prior to the Proposed Amendments) or any Committee Charter (which are part of the By-Laws under its terms),

(b) remove any independent director(s),

(c) weaken or attempt to weaken the independence of SGRP's Board or any of its Committees,

(d) circumvent or interfere with the duties of SGRP's Audit Committee regarding related-party matters or SGRP's Board and Governance Committee regarding director selections, qualifications or nominations, board size, vacancies, Committee assignments and independent director majorities,

(e) approve or implement any related party transactions or related party payments not approved by a majority of the independent directors sitting on the Audit Committee,

(f) require or limit the use of particular vendors or personnel or setting standards having such an effect, or

(g) interfere with the business or operations of SGRP and its subsidiaries or the Board's management of the Company.

Preliminary discovery has begun in By-Laws Action and the 225 Action (see *Board Seating Litigation*, below) and the joint trial for both actions is scheduled to begin on December 11, although SGRP is currently seeking to postpone those actions until early 2019 in order to (among other things) permit adequate time for discovery.

The foregoing description of the By-Laws Action and Proposed Amendments is qualified in its entirety by reference to the By-Laws Consent of Stockholders dated August 6, 2018 (without its exhibits), and the Original By-Laws Complaint (without its exhibits), each incorporated herein by reference from SGRP's Current Report on Form 8-K as filed by SGRP with the SEC on September 10, 2018, and the Amended By-Laws Complaint (without its exhibits and font size reduced), incorporated herein by reference from SGRP's Current Report on Form 8-K as filed by SGRP with the SEC on September 28, 2018.

Board Seating Litigation

On June 29, 2018, and July 5, 2018, SGRP received Written Consents (collectively, the "Director Consent") in lieu of a meeting of stockholders from Robert G. Brown and William H. Bartels, the holders of a combined 59% of the issued and outstanding shares of Common Stock (together, the "Majority Stockholders"). The Director Consent adopted resolutions which unilaterally approved the selection, appointment and election of Mr. Jeffrey Mayer as a director of SGRP, effective immediately after all of the notices, filings and other conditions under applicable law have been satisfied, which must occur at least (and likely will occur approximately) twenty calendar days following SGRP's delivery of this Information Statement to its stockholders (the "Effective Time").

Mr. Mayer was not nominated or appointed by the Board or its Governance Committee. Mr. Mayer had no support in the Governance Committee, and he was never reported out by it to the Board for consideration. Of all of the Board members, only Mr. Bartels (and Robert G. Brown before his retirement as a director in May 2018) argued for his consideration.

The Majority Stockholders (i.e., Mr. Brown and Mr. Bartels) had asked the Governance Committee to consider Mr. Mayer as a potential Board candidate in order to add unspecified legal expertise to the Board. The Governance Committee did so, and after extensive deliberation, the Governance Committee determined that Mr. Mayer had limited legal experience in unrelated areas that is far from recent, does not satisfy any of the SGRP nomination standards for a director, is not the right candidate to serve on the SGRP Board, and, if unilaterally appointed to the Board by the unilateral action of Majority Stockholders, will not be considered an independent director.

The Governance Committee reported to the Board and the Majority Stockholders that Mr. Mayer would not be nominated or recommended to the Board by the Governance Committee, but the Governance Committee would consider other suitable candidates with relevant legal expertise. The Majority Stockholders insisted on Mr. Mayer and thereafter filed the 13D Amendments and executed the Consent to unilaterally appoint Mr. Mayer to the Board.

Mr. Mayer will not be named a member of any of the committees of the Board because he will not be an independent director (as required by all of SGRP's Committee Charters).

In addition, as noted in the By-Laws Complaint (see *Stockholder By-Laws Litigation*, above), the changes in SGRP's By-Laws sought to be made by the Defendants in their Proposed Amendments stopped the process for seating Mr. Jeffery Mayer as a director. When the Majority Stockholders took action by less than unanimous consent (as was the case with Mr. Mayer), Delaware law requires notice to all stockholders and the SEC requires such notice to be in the form of an information statement containing extensive governance information substantially the same as for a proxy statement (collectively, the "Consent Notice Rules"). SGRP filed such a preliminary information statement (the "Preliminary Information Statement") on July 31, 2018, respecting the Mayer By-Laws Consents with included the required corporate governance disclosures. On advice of counsel, the Governance Committee determined that the Proposed Amendments disputed by SGRP would have made material changes in SGRP's corporate governance and rendered inaccurate the required corporate governance disclosures in the Preliminary Information Statement, and consequently, the Preliminary Information Statement filed could not become definitive nor could it be mailed to all stockholders.

On September 20, 2018, SGRP received a Summons pursuant to 8 Del. C. §225(a) from Robert G Brown ("RGB"), one of the Majority Stockholders, as plaintiff commencing a case (C.A. No. 2018-00687-TMR) (the "225 Action") in the Court of Chancery of the State of Delaware (the "Court") against Christiaan Olivier, Chief Executive Officer, President and a Director of SGRP, and all four of the members of the Governance Committee, namely Lorrence Kellar, Chairman, and Jack W. Partridge, Arthur B. Drogue and R. Eric McCarthey (collectively, the "225 Defendants"). The 225 Action seeks to forcibly and immediately remove Mr. Kellar from and add Mr. Mayer to the Board without resolution of the Proposed Amendments and without compliance with the Consent Notice Rules, which if successful would result in a violation of SEC rules. SGRP's Audit Committee has determined that the 225 Defendants were acting in good faith to comply with the Consent Notice Rules and protect the interests of SGRP and all stockholders and should be indemnified and defended respecting the 225 Action against them by RGB, and SGRP will vigorously contest that action.

Preliminary discovery has begun in By-Laws Action (see *Stockholder By-Laws Litigation*, above) and the 225 Action and the joint trial for both actions is scheduled to begin on December 11, although SGRP is currently seeking to postpone those actions until early 2019 in order to (among other things) permit adequate time for discovery.

Related Party Litigation

On September 18, 2018, SGRP received a Summons from SPAR Infotech, Inc. ("Infotech"), an affiliate of SGRP owned principally by Robert G Brown (one of the Majority Stockholders, a defendant in the By-Laws Action, and the plaintiff in the 225 Action) as plaintiff commencing a case (Index No.: 64452/2018) against SGRP (the "Infotech Action") in the Supreme Court of the State of the State of New York, Westchester County (the "NY Court"). The Infotech Action seeks payment from SGRP of $190,000 for alleged lost tax benefits and other expenses it claims to have incurred in connection with SGRP's acquisition of its Brazilian subsidiary and previously denied by both management and SGRP's Audit Committee, who had jurisdiction because Infotech is a related party.

In 2016, SGRP acquired SPAR Brasil Servicos de Merchandising e Tecnologia S.A. ("SPAR BSMT"), its Brazilian subsidiary, with the assistance of Robert G Brown (who retired as Chairman and an officer and director on May 3, 2018) and his nephew, Peter W. Brown (who became a director on May 3, 2018). Mr. Brown used his private company, SPAR Infotech, Inc. ("Infotech"), and undisclosed Irish companies to structure the acquisition for Infotech.

Mr. Brown also ran his alleged expenses associated with the transaction through Infotech, including large salary allocations for unauthorized personnel and claims for his "lost" "tax breaks." One of those unauthorized personnel had (in her severance agreement with SGRP) agreed to never directly or indirectly perform any services for SGRP or any services that could be directly or indirectly billed to SGRP, which restriction was fully disclosed to and known by Mr. Brown and therefore Infotech. Mr. Brown submitted his unauthorized and unsubstantiated "expenses" to SGRP, and SGRP's Audit Committee allowed approximately $50,000 of them and disallowed approximately $150,000 of them. Mr. Brown has repeatedly sought payment of the disallowed expenses, and on August 4, 2018, counsel for Infotech (also counsel for SBS and Brown) sent SGRP a draft complaint for a proposed action by Infotech against SGRP in Westchester County, NY, seeking to obtain the disallowed expenses.

On September 18, 2018, Infotech commenced the Infotech Action seeking to obtain those previously disallowed unauthorized expenses now totaling approximately $190,000 to circumvent the adverse determination and objection of SGRP's Audit Committee (whole approval is required by applicable law for such a related party payment).

SGRP will vigorously contest that action.

SBS Field Specialist Litigation

The Company's merchandising, audit, assembly and other services for its domestic clients are performed by field merchandising, auditing, assembly and other field personnel (each a "Field Specialist"). The Company's affiliate, SBS, during 2017 provided approximately 10,700 Field Specialists (all of whom were engaged as independent contractors by SBS), representing 77% (or $25.9 million) of the total cost the Field Specialists utilized by the Company domestically, and continued to provide such services through July 27, 2018 (when the termination of its services took effect). SBS is not a subsidiary or in any way under the control of SGRP, SBS is not in the Company's financial statements, and SGRP does not participate in or control the defense by SBS of any litigation against it. The Company terminated its relationship with SBS and received no services from SBS after July 27, 2018. For affiliation, termination, contractual details and payment amounts, see Note 6 to the Company's Condensed Consolidated Financial Statements – *Related Party Transactions – Domestic Related Party Services*, above.

The appropriateness of SBS's treatment of its Field Specialists as independent contractors has been periodically subject to legal challenge (both currently and historically) by various states and others. SBS's expenses of defending those challenges and other proceedings have historically been reimbursed by the Company under SBS's Prior Agreement, and SBS's expenses of defending those challenges and other proceedings were reimbursed by the Company in the three month periods ending June 30, 2018 and 2017 (in the amounts of $44,000 and $93,000, respectively), and the six month periods ending June 30, 2018 and 2017 (in the amounts of $104,000 and $179,000, respectively), after determination (on a case by case basis) that those defense expenses were costs of providing services to the Company.

(unaudited) (continued)

On May 15, 2017, the Company advised SBS that, since there was no currently effective comprehensive written services agreement with SBS, the Company would continue to review and decide each request by SBS for reimbursement of its legal defense expenses (including appeals) on a case-by-case basis in its discretion, including the relative costs and benefits to the Company. See Note 6 to the Company's Condensed Consolidated Financial Statements – *Related Party Transactions – Domestic Related Party Services*, above. SBS has disputed the right of the Company and SGRP's Audit Committee to review and decide the appropriateness of the reimbursement of any of those related party defense and other expense reimbursements. As provided in SBS's Prior Agreement, the Company is not obligated or liable, and the Company has not otherwise agreed and does not currently intend, to reimburse SBS for any judgment or similar amount (including any damages, settlement, or related tax, penalty, or interest) in any legal challenge or other proceeding against or involving SBS, and the Company does not believe it has ever done so (other than in insignificant nuisance amounts).

There can be no assurance that SBS will be able to satisfy any such judgment or similar amount resulting from any adverse legal determination. In addition, SBS may claim that the Company is somehow liable for any such judgment or similar amount imposed against SBS and pursue that claim with litigation, there can be no assurance that someone else will not claim that the Company is liable (under applicable law, through reimbursement or indemnification, or otherwise) for any such judgment or similar amount imposed against SBS, and there can be no assurance that the Company will be able to successfully defend any claim.. Any imposition of liability on the Company for any such amount could have a material adverse effect on the Company or its performance or condition (including its assets, business, clients, capital, cash flow, credit, expenses, financial condition, income, liabilities, liquidity, locations, marketing, operations, prospects, sales, strategies, taxation or other achievement, results or condition), whether actual or as planned, intended, anticipated, estimated or otherwise expected. See Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies* -- *Legal Matters*, above.

As the Company had utilized the services of SBS to support its in-store merchandising needs in California and SBS' independent contractor classifications had been invalidated in the Clothier Determination (see below), management of the Company determined, with the support of SGRP's Audit Committee and Board of Directors, and began in May of 2018 to shift to an all employee servicing model for its Field Specialists to support the performance of its services in California for clients in this critical market and nationally for certain domestic clients that are requiring the Company to use employees as its Field Specialists. As previously noted, management currently estimates that the potential incremental annual cost of this change in California from independent contractors to Company employees could be substantial.

Due to (among other things) the Clothier Determination and the ongoing proceedings against SBS, which could have had a material adverse effect on SBS's ability to provide future services needed by the Company, and the Company's location of an independent third party company who would provide comparable services on substantially better terms, the Company terminate the services of SBS effective July 27, 2018, and the Company has engaged that independent third party company to replace those services formerly provided by SBS.

Current material and potentially material proceedings against SBS and, in one instance, the Company are described below. SBS continues to claim that the Company is somehow liable to reimburse SBS for its expenses in those proceedings. These descriptions are based on an independent review by the Company and do not reflect the views of SBS, its management or its counsel.

SBS Clothier Litigation

Melissa Clothier was engaged by SBS (then known as SPAR Marketing Services, Inc.) and provided services pursuant to the terms of an "Independent Merchandiser Agreement" with SBS (prepared solely by SBS) acknowledging her engagement as an independent contractor. On June 30, 2014, Ms. Clothier filed suit against SBS and the Company styled Case No. RG12 639317, in the Superior Court in Alameda County, California (the "Clothier Case"), in which Ms. Clothier asserted claims on behalf of herself and a putative class of similarly situated merchandisers in California who are or were classified as independent contractors at any time between July 16, 2008, and June 30, 2014. Ms. Clothier alleged that she and other class members were misclassified as independent contractors and that, as a result of this misclassification, the defendants improperly underpaid them in violation of various California minimum wage and overtime laws. The Company was originally a defendant in the Clothier Case but was subsequently dismissed from the action without prejudice.

The court ordered that the case be heard in two phases. Phase one was limited to the determination of whether members of the class were misclassified as independent contractors. After hearing evidence, receiving post-trial briefings and considering the issues, the Court issued its Statement of Decision on September 9, 2016, finding that the class members had been misclassified as independent contractors rather than employees (the "Clothier Determination"). The plaintiffs and SBS have now moved into phase two to determine damages (if any), which has included discovery as to the measure of damages in this case.

Facing significant potential damages in the Clothier Case, SGRP chose, and on June 7, 2018, entered into mediation with the plaintiffs and plaintiff's counsel in the Clothier Case to try to settle any potential future liability for any possible judgment against SGRP in that case. SBS and its stockholders refused to participate in that mediation unless SGRP bore the full cost of any settlement and Brown was given a leading role in the mediation. SGRP disagreed, insisting on the Majority Stockholders' and SBS's economic participation. After extensive discussions, SGRP reached a settlement and entered into a memorandum of settlement agreement, which is subject to court approval and not likely to become final until several months into 2019 if and when the settlement is approved by the court. If approved, SGRP will pay a maximum settlement amount of $1.3 million, payable in four equal annual installments that commence 30 days after the settlement becomes final, and the Company will be released by plaintiff and the settlement class from all other liability under the Clothier Case. The Company has recorded the $1.3 million charge during the second quarter of 2018 as part of the settlement.

The plaintiffs and SBS are still proceeding with the damages phase of the Clothier Case, which trial is currently scheduled for December of 2018.

Since SGRP has no further involvement in the Clothier Case, SGRP stopped paying (as of June 7, 2018) for SBS's legal expenses (defense and appeal) in the Clothier Case and notified SBS. Defendants continue to demand that those expenses be reimbursed by SGRP.

SBS Rodgers Litigation

Maceo Rodgers was engaged by and provided services to SBS pursuant to the terms of his "Master Agreements" with SBS acknowledging his engagement as an independent contractor. On February 21, 2014, Rodgers filed suit against

SBS, Robert G. Brown and William H. Bartels, styled Civil Action No. 3:14-CV-00055, in the U.S. District Court for the Southern District of Texas (Galveston Division). Plaintiff asserted claims on behalf of himself and an alleged class of similarly situated individuals who provided services to SBS as independent contractors at any time on or after July 15, 2012, claiming they all were misclassified as independent contractors and that, as a result of this misclassification, the Defendants improperly underpaid them in violation of the Fair Labor Standards Act's overtime and minimum wage provisions. Although the Court conditionally certified the class on December 8, 2015, only 61 individuals joined the action as opt-in plaintiffs, and all but 11 of them have potentially disqualifying arbitration provisions, residences outside the class's geographic area, or late opt-in filings, and were challenged by the Defendants in various motions, including a motion to decertify the class. The Court, however, did not rule on these motions and instead stayed the case on September 19, 2017 to allow the parties to mediate. On October 24, 2017, the Court granted the parties' joint motion to extend the stay order until January 31, 2018. A formal mediation was undertaken in this action. However, the mediation was unsuccessful. SBS is now waiting for the Court to rule on (1) Plaintiff's motion for nationwide judicial notice and to certify a nationwide collective action, and (2) SBS's motion to decertify the collective class. It is anticipated that this matter will likely proceed to trial later this year or early next year.

SGRP Hogan Litigation

Paradise Hogan was engaged by and provided services to SBS as an independent contractor pursuant to the terms of an "Independent Contractor Master Agreement" with SBS (prepared solely by SBS) acknowledging his engagement as an independent contractor. On January 6, 2017, Hogan filed suit against SBS and SGRP (and part of the Company), styled Civil Action No. 1:17-cv-10024-LTS, in the U.S. District Court for District of Massachusetts. Hogan initially asserted claims on behalf of himself and an alleged nationwide class of similarly situated individuals who provided services to SBS and SGRP as independent contractors. Hogan alleged that he and other alleged class members were misclassified as independent contractors, and as a result of this purported misclassification, Hogan asserted claims on behalf of himself and the alleged Massachusetts class members under the Massachusetts Wage Act and Minimum Wage Law for failure to pay overtime and minimum wages, as well as state law claims for breach of contract, unjust enrichment, quantum meruit, and breach of the covenant of good faith and fair dealing. In addition, Hogan asserted claims on behalf of himself and the nationwide class for violation of the Fair Labor Standards Act's overtime and minimum wage provisions. On March 28, 2017, the Company moved to refer Hogan's claim to arbitration pursuant to his agreement, to dismiss or stay Hogan's case pending arbitration, and to dismiss Hogan's case for failure to state a specific claim upon which relief could be granted.

On November 13, 2017, the Court convened a status conference call with the parties to discuss the impact on the case of the Supreme Court's pending decision in Epic Systems Corp. v. Lewis, in which the Supreme Court heard arguments in October 2017 and ultimately will decide whether arbitration clauses that include a waiver of a worker's right to bring or participate in a class action violate the National Labor Relations Act. On March 12, 2018, the Court denied both defendants' Motion to Dismiss for failure to state a claim, denied the Motion to Compel Arbitration as to SGRP, denied the Motion to Stay as to SGRP, and allowed the Motion to Stay as to SBS pending the outcome of the Supreme Court's decision in Epic Systems), which (depending on the Supreme Court's ruling) could result in all SBS disputes being sent to arbitration. On April 24, 2018, SGRP filed a notice of appeal with the First Circuit of the District Court's decision. The Parties have agreed to stay the District Court litigation pending the First Circuit's decision on SGRP's appeal. Briefing on SGRP's appeal closed on August 8, 2018 and the appeal hearing was heard by the First Circuit on September 11, 2018. SGRP is currently awaiting the First Circuit's decision on its appeal. If SGRP's appeal is unsuccessful, SGRP will vigorously defend itself against all claims.

10. Segment Information

The Company reports net revenues from operating income by reportable segment. Reportable segments are components of the Company for which separate financial information is available that is evaluated on a regular basis by the chief operating decision maker in deciding how to allocate resources and in assessing performance.

The Company provides similar merchandising, business technology and marketing services throughout the world, operating within two reportable segments, its Domestic Division and its International Division. The Company uses those divisions to improve its administration and operational and strategic focuses, and it tracks and reports certain financial information separately for each of those divisions. The Company measures the performance of its Domestic and International Divisions and subsidiaries using the same metrics. The primary measurement utilized by management is operating profits, historically the key indicator of long-term growth and profitability, as the Company is focused on reinvesting the operating profits of each of its international subsidiaries back into its local markets in an effort to improve market share and continued expansion efforts.

The accounting policies of each of the reportable segments are the same as those described in the Summary of Significant Accounting Policies. Management evaluates performance as follows (in thousands):

11. Purchase of Interests in Subsidiaries

Resource Plus Acquisition

On January 9, 2018, the Company completed its acquisition of a 51% interest (the "Acquisition") in Resource Plus, Inc. ("RPI"), a supplier of professional fixture installation and product merchandising services; and a 51% interest in both of its sister companies, Mobex of North Florida, Inc. ("Mobex"), a proprietary retail fixture mobilization system manufacturer, and Leasex, LLC ("Leasex"), a company formed to lease Mobex's proprietary equipment. RPI owns a 70% interest in BDA Resource, LLC, a Florida limited liability company ("BDA"), and RPI, Leasex, Mobex and BDA may be referred to individually and collectively as "Resource Plus".

SGRP's subsidiary, SPAR Marketing Force, Inc. ("SMF"), purchased those equity interests in Resource Plus from Joseph L. Paulk and Richard Justus pursuant to separate Stock Purchase Agreements each dated as of October 13, 2017 (each a "SPA"), which were subject to due diligence and completion of definitive documents. The base purchase prices under the SPAs for those Resource Plus equity interests were $3,000,000 for Mr. Paulk and $150,000 for Mr. Justus, subject to adjustment and potential bonuses as provided in their respective SPAs. At the closing on January 9, 2018, Mr. Paulk received the base purchase price in $400,000 cash and a Promissory Note for $2,600,000; and Mr. Justus received the base purchase price in $50,000 cash and a Promissory Note for $100,000. Those notes were issued by SMF, guaranteed by SGRP pursuant to separate Guaranties, and secured by SMF pursuant to separate Securities Pledge and Escrow Agreements to the sellers of the respective acquired equity interests, with each of those documents dated and effective as of January 1, 2018. Mr. Paulk's note is repayable in installments of $300,000, plus applicable interest, per year on December 31 of each year (commencing in 2018), with the balance due on December 31, 2023; and Mr. Justus's note on December 31 of each such year (commencing in 2018) is repayable in installments of $33,333 per year, plus applicable interest, on December 31 of each year, with the balance of $33,334 due on December 31, 2020.

In connection with that closing, Mr. Paulk retired, while Mr. Justus continued as President of Resource Plus and received an Executive Officer Employment Terms and Severance Agreement with RPI ("ETSA"), with a base salary of $200,000 per year (plus an incentive bonus), and a term of office and severance protection through January 1, 2020, subject to annual extensions in the discretion of the parties.

This acquisition was accounted for using the purchase method of accounting with the purchase price allocated to the assets purchased and liabilities assumed based upon their estimated fair values at the date of acquisition.

12. Summary of Significant Accounting Policies

New Accounting Pronouncements

In March 2018, the FASB issued ASU 2018-05, *Income Taxes*, to clarify the accounting implications of Staff Accounting Bulletin No. 118 ("SAB 118"). SAB 118 provides a measurement period that should not extend beyond one year from December 22, 2017, the date of the enactment of the Tax Cuts and Jobs Act, to complete the accounting under Accounting Standards Codification ("ASC") 740, *Income Taxes*. As of September 30, 2018, we have not adjusted the provisional estimate recorded at December 31, 2017. We expect to complete our analysis within the

measurement period in accordance with SAB 118.

In February 2018, the FASB issued ASU 2018-02, *Reclassification of Certain Tax Effects from Accumulated Other Comprehensive Income*, which amends existing guidance for reporting comprehensive income to reflect changes resulting from the Tax Cuts and Jobs Act of 2017. The amendment provides the option to reclassify stranded tax effects within accumulated other comprehensive income (AOCI) to retained earnings in each period in which the effect of the change in the U.S. federal corporate income tax rate in the Act is recorded. New disclosures will be required upon adoption, including the accounting policy for releasing income tax effects from AOCI, whether reclassification of stranded income tax effects is elected, and information about other income tax effect reclassifications. Although the amendment will become effective for us on January 1, 2019, early adoption is permitted, although we do not plan to early adopt. We are currently evaluating the impact of adopting this standard on our consolidated financial statements and disclosures.

In February 2018, the FASB issued ASU No. 2018-02, Income Statement-Reporting Comprehensive Income (Topic 220): Reclassification of Certain Tax Effects from Accumulated Other Comprehensive Income (“AOCI”). The accounting standard allows for the optional reclassification of stranded tax effects within accumulated other comprehensive income to retained earnings that arise due to the enactment of the Tax Cuts and Jobs Act of 2017 (the “Tax Act”). The amount of the reclassification would reflect the effect of the change in the U.S. federal corporate income tax rate on the gross deferred tax amounts and related valuation allowances, if any, at the date of enactment of the Tax Act and other income tax effects of the Tax Act on items remaining in accumulated other comprehensive income. The standard will be effective for annual periods beginning after December 15, 2018, including interim periods within that reporting period with early adoption permitted. The Company is currently evaluating the impact of its pending adoption of the new standard on its consolidated financial statements.

On January 1, 2018, the Company prospectively adopted ASU 2017-01, *Business Combinations: Clarifying the Definition of a Business*, to clarify the definition of a business to assist entities when evaluating whether transactions should be accounted for as acquisitions (or disposals) of assets or businesses. The impact of the adoption did not have an impact on its results of operations, financial position or cash flows.

SPAR Group, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

(unaudited) (continued)

In January 2017, the FASB issued Accounting Standard Update 2017-04 (ASU 2017-04), Intangibles-Goodwill and Other (Topic 350) Simplifying the Test for Goodwill Impairment. With ASU 2017-04, an entity will no longer determine goodwill impairment by calculating the implied fair value of goodwill by assigning the fair value of a reporting unit to all of its assets and liabilities as if that reporting unit had been acquired in a business combination. Instead, if the carrying amount of a reporting unit exceeds its fair value an impairment loss shall be recognized in an amount equal to that excess, limited to the total amount of goodwill allocated to the reporting unit. ASU 2017-04 is effective for annual or any interim goodwill impairment tests in fiscal years beginning after December 15, 2019. The Company is currently evaluating the impact the adoption of ASU 2017-04 will have on our consolidated financial statements.

In June 2016, the FASB issued ASU 2016-13 amending how entities will measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The guidance requires the application of a current expected credit loss model which is a new impairment model based on expected losses. Under this model, an entity recognizes an allowance for expected credit losses based on historical experience, current conditions and forecasted information rather than the current methodology of delaying recognition of credit losses until it is probable a loss has been incurred. This ASU is effective for interim and annual reporting periods beginning after December 15, 2019 with early adoption permitted for annual reporting periods beginning after December 15, 2018. The Company is currently evaluating the impact of the new guidance on our consolidated financial statements and related disclosures.

In February 2016, the FASB issued ASU No. 2016-02, "Leases (Topic 842)". Under Topic 842, an entity will be required to recognize right-of-use assets and lease liabilities on its balance sheet and disclose key information about leasing arrangements. Topic 842 offers specific accounting guidance for a lessee, a lessor and sale and leaseback transactions. Lessees and lessors are required to disclose qualitative and quantitative information about leasing arrangements to enable a user of the financial statements to assess the amount, timing and uncertainty of cash flows arising from leases. For public companies, Topic 842 is effective for annual reporting periods beginning after December 15, 2018, including interim periods within that reporting period, and requires a modified retrospective adoption, with early adoption permitted. In July 2018, the FASB issued ASU 2018-10, "Codification Improvements to Topic 842, Leases". This ASU makes various targeted amendments to the leasing standard and we are evaluating this ASU in connection with adoption of the standard. In July 2018, the FASB issued ASU 2018-11, "Leases (Topic 842): Targeted Improvements." This standard allows entities to initially apply the new leases standard at the adoption date and recognize a cumulative-effect adjustment to the opening balance of retained earnings in the period of adoption. The Company will adopt the standard on January 1, 2019 and is still evaluating the adoption method that will be used. The standard also provides for certain practical expedients. The Company continues to evaluate and is in the process of documenting the impact of the pending adoption of the new standard on its consolidated financial position and/or, disclosures and/or internal controls process. The Company believes the adoption of Topic 842 will result in the

Company recording right-of-use assets and liabilities on the consolidated balance sheets for leases currently classified as operating leases, along with enhanced disclosures of lease activity.

This Quarterly Report on Form 10-Q (this "Quarterly Report") contains "forward-looking statements" within the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, made by, or respecting, SPAR Group, Inc. ("SGRP") and its subsidiaries (together with SGRP, the "SPAR Group" or the "Company"), and this Quarterly Report has been filed by SGRP with the Securities and Exchange Commission (the "SEC"). There also are "forward-looking statements" contained in SGRP's Annual Report on Form 10-K for its fiscal year ended December 31, 2017 (as filed, the "Annual Report"), as filed with the SEC on April 2, 2018, in SGRP's definitive Proxy Statement respecting its Annual Meeting of Stockholders held on May 2, 2018 (the "Proxy Statement"), which SGRP filed with the SEC on April 18, 2018, and SGRP's Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and other reports and statements as and when filed with the SEC (including this Quarterly Report, the Annual Report and the Proxy Statement, each a "SEC Report"). "Forward-looking statements" are defined in Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and other applicable federal and state securities laws, rules and regulations, as amended (together with the Securities Act and Exchange Act, the "Securities Laws").

All statements (other than those that are purely historical) are forward-looking statements. Words such as "may," "will," "expect," "intend", "believe", "estimate", "anticipate," "continue," "plan," "project," or the negative of these terms or other similar expressions also identify forward-looking statements. Forward-looking statements made by the Company in this Quarterly Report or the Annual Report may include (without limitation) statements regarding: risks, uncertainties, cautions, circumstances and other factors ("Risks"); and plans, intentions, expectations, guidance or other information respecting the pursuit or achievement of the Company's five corporate objectives (growth, customer value, employee development, greater productivity & efficiency, and increased earnings per share), building upon the Company's strong foundation, leveraging compatible global opportunities, growing the Company's client base and contracts, continuing to strengthen its balance sheet, growing revenues and improving profitability through organic growth, new business development and strategic acquisitions, and continuing to control costs. The Company's forward-looking statements also include (without limitation) those made in the Annual Report in "Business", "Risk Factors", "Legal Proceedings", "Management's Discussion and Analysis of Financial Condition and Results of Operations", "Directors, Executive Officers and Corporate Governance", "Executive Compensation", "Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters", and "Certain Relationships and Related Transactions, and Director Independence".

You should carefully review and consider the Company's forward-looking statements (including all risk factors and other cautions and uncertainties) and other information made, contained or noted in or incorporated by reference into this Quarterly Report, the Annual Report, the Proxy Statement and the other applicable SEC Reports, but you should not place undue reliance on any of them. The results, actions, levels of activity, performance, achievements or condition of the Company (including its affiliates, assets, business, clients, capital, cash flow, credit, expenses, financial condition, income, liabilities, liquidity, locations, marketing, operations, performance, prospects, sales, strategies, taxation or other achievement, results, risks, trends or condition) and other events and circumstances planned, intended, anticipated, estimated or otherwise expected by the Company (collectively, "Expectations"), and our forward-looking statements (including all Risks) and other information reflect the Company's current views about future events and circumstances. Although the Company believes those Expectations and views are reasonable, the results, actions, levels of activity, performance, achievements or condition of the Company or other events and circumstances may differ materially from our Expectations and views, and they cannot be assured or guaranteed by the Company, since they are subject to Risks and other assumptions, changes in circumstances and unpredictable events (many of which are beyond the Company's control). In addition, new Risks arise from time to time, and it is impossible for the Company to predict these matters or how they may arise or affect the Company. Accordingly, the Company cannot assure you that its Expectations will be achieved in whole or in part, that it has identified all potential Risks, or that it can successfully avoid or mitigate such Risks in whole or in part, any of which could be significant and materially adverse to the Company and the value of your investment in the Company's Common Stock.

SPAR Group, Inc. and Subsidiaries

These forward-looking statements reflect the Company's Expectations, views, Risks and assumptions only as of the date of this Quarterly Report, and the Company does not intend, assume any obligation, or promise to publicly update or revise any forward-looking statements (including any Risks or Expectations) or other information (in whole or in part), whether as a result of new information, new or worsening Risks or uncertainties, changed circumstances, future events, recognition, or otherwise.

The decrease in cost of revenues as a percentage of net revenues of 3.6 percentage points was due primarily to a favorable mix of project work compared to the same period last year partially offset by increased labor price pressures. For the three months ended September 30, 2018 and 2017, approximately 48.0% and 68.0%, respectively, of the Company's domestic cost of revenues resulted from in-store merchandiser specialist, on-site assembly technician and field administration services, purchased from certain of the Company's affiliates, SBS, and SAS, respectively. Stockholder By-Laws Litigation

On September 4, 2018, SPAR Group, Inc. ("SGRP" or the "Registrant") filed in the Court of Chancery of the State of Delaware (the "Court") a claim, C.A. No. 2018-0650 (the "By-Laws Action"), in a Verified By-Laws Complaint Seeking Declaratory Judgment and Injunctive Relief (the "Original By-Laws Complaint") against Robert G. Brown, a substantial stockholder of SGRP and former Executive Chairman and director of SGRP, and William H. Bartels, a substantial stockholder of SGRP and current Vice Chairman and director and officer of SGRP (together with Robert G. Brown, the "Majority Stockholders" or "Defendants"). On September 21, 2018, SGRP supplemented and amended its Original By-Laws Complaint in the By-Laws Action in a Verified Amended By-Laws Complaint filed with the Court (the "Amended By-Laws Complaint").

The By-Laws Action was commenced in response to the Written Consents from the Majority Stockholders received by SGRP on August 6, 2018, and September 18, 2018 (collectively, the "By-Laws Consent"), in which the Majority Stockholders attempted to change SGRP's By-Laws in order to (among other things) weaken the independence of the Board through new supermajority requirements and stockholder only approvals and eliminate the Board's independent majority requirement (the "Proposed Amendments"), all in order to further benefit themselves. The Proposed Amendments were prepared by the Majority Stockholders and their own counsel and were not submitted to, discussed with, or considered or approved, and have not been supported or endorsed, by the Board or its Governance Committee.

SGRP has requested in the Original By-Laws Complaint that the Delaware Chancery Court provide SGRP with: (1) declaratory relief in the form of an order confirming that the bylaw amendments proposed by the Majority Stockholders (as set forth in the By-Laws Consent and each of the Majority Stockholders' amendments to their respective Schedule 13Ds, each filed with the Securities and Exchange Commission on August 6, 2018) (the "Proposed Amendments") are invalid under Delaware law and (2) preliminary injunctive relief enjoining the Majority Stockholders from attempting during the pendency of the By-Laws Action to (a) enact the Proposed Amendments, (b) remove or attempt to remove any independent director of SGRP, (c) further weaken the independence of SGRP's Board of Directors (the "Board") or (d) circumvent or interfere with the duties of the Audit Committee of the Board.

SPAR Group, Inc. and Subsidiaries

SGRP is pursuing the By-Laws Action against the Majority Stockholders because the Board's Governance Committee believes that the Proposed Amendments will negatively impact all stockholders (particularly minority stockholders), among other things:

weaken the independence of the Board through new supermajority requirements (because two of SGRP's non-independent directors can block the Board's actions and thus potentially reduce the representation of SGRP's minority stockholders);

eliminate the Board's independent majority requirement (also potentially reducing the representation of SGRP's minority stockholders);

eliminate the Board's ability to change the size of the Board and require that any proposed change in the Board's size be approved by the holders of a majority of the outstanding common stock of SGRP (the "Common Stock") (i.e., the Majority Stockholders), and thus also potentially reducing the representation of SGRP's minority stockholders;

subject various functions of the Board respecting vacancies on the Board to the prior approval of the holders of a majority of the Common Stock (i.e., the Majority Stockholders), and thus also potentially reducing the representation of SGRP's minority stockholders; and

permit submissions of stockholder proposals to be timely if received by SGRP no later than 60 days (changed from approximately six months) prior to SGRP's annual meeting of stockholders.

As outlined in Original By-Laws Complaint as amended and supplemented by the Amended By-Laws Complaint (collectively, the "By-Laws Complaint") SGRP is also pursuing the By-Laws Action against the Majority Stockholders because SGRP believes that the Proposed Amendments are part of a conspiracy to attempt to entrench the Majority Stockholders' control over SGRP and the Board, all so that they can improperly divert SGRP resources to the Majority Stockholders for their personal benefit through (among other things) (a) invalid reimbursement demands under terminated contracts, (b) efforts to shift the costs of defending the Majority Stockholders' labor practices in managing their own companies onto SGRP through invalid reimbursement and indemnification claims, (c) an exorbitant "retirement" package sought in different forms by Brown, (d) permanent evasion of the return of $675,000 of Cash Collateral advanced by SGRP for insurance, and (e) reimbursement of unauthorized expenses related to SGRP's acquisition of its Brazilian affiliate now claimed to total approximately $190,000 (see *Related Party Litigation*, below).

As noted in the By-Laws Complaint, the changes in SGRP's By-Laws sought to be made by the Defendants in their Proposed Amendments also would effectively block the declared determination and intention of the Board to increase the Board size to nine and add two new independent directors to maintain majority independence for the Board, as a result of earlier Director Consent (see *Board Seating Litigation*, below) by the Majority Stockholders seeking to remove Lorrence Kellar as an independent director from the Board and its Committees and add Jeffery Mayer as a non-independent director to the Board (as reported in SGRP's Current Report on Form 8-K as filed by SGRP with the SEC on July 6, 2018). As a result of the Majority Stockholders' proposed actions, the Board would lack a majority of independent directors and may face compliance issues with Nasdaq. In fact, Nasdaq has already contacted SGRP to confirm that Jeffery Mayer had not yet been seated and that SGRP's Board continued and would continue to have a majority of independent directors.

SPAR Group, Inc. and Subsidiaries

In addition to seeking invalidation of the Proposed Amendments in the By-Laws Complaint, SGRP also is seeking injunctive relief from the Court to block further actions and attempts by the Majority Stockholders to (among other things):

(h) make changes to the July 5, 2018, By-Laws (i.e., those in effect prior to the Proposed Amendments) or any Committee Charter (which are part of the By-Laws under its terms),

(i) remove any independent director(s),

(j) weaken or attempt to weaken the independence of SGRP's Board or any of its Committees,

(k) circumvent or interfere with the duties of SGRP's Audit Committee regarding related-party matters or SGRP's Board and Governance Committee regarding director selections, qualifications or nominations, board size, vacancies, Committee assignments and independent director majorities,

(l) approve or implement any related party transactions or related party payments not approved by a majority of the independent directors sitting on the Audit Committee,

(m) require or limit the use of particular vendors or personnel or setting standards having such an effect, or

(n) interfere with the business or operations of SGRP and its subsidiaries or the Board's management of the Company.

Preliminary discovery has begun in By-Laws Action and the 225 Action (see *Board Seating Litigation*, below) and the joint trial for both actions is scheduled to begin on December 11, although SGRP is currently seeking to postpone those actions until early 2019 in order to (among other things) permit adequate time for discovery.

The foregoing description of the By-Laws Action and Proposed Amendments is qualified in its entirety by reference to the By-Laws Consent of Stockholders dated August 6, 2018 (without its exhibits), and the Original By-Laws Complaint (without its exhibits), each incorporated herein by reference from SGRP's Current Report on Form 8-K as filed by SGRP with the SEC on September 10, 2018, and the Amended By-Laws Complaint (without its exhibits and font size reduced), incorporated herein by reference from SGRP's Current Report on Form 8-K as filed by SGRP with the SEC on September 28, 2018.

Board Seating Litigation

On June 29, 2018, and July 5, 2018, SGRP received Written Consents (collectively, the "Director Consent") in lieu of a meeting of stockholders from Robert G. Brown and William H. Bartels, the holders of a combined 59% of the issued and outstanding shares of Common Stock (together, the "Majority Stockholders"). The Director Consent adopted resolutions which unilaterally approved the selection, appointment and election of Mr. Jeffrey Mayer as a director of SGRP, effective immediately after all of the notices, filings and other conditions under applicable law have been satisfied, which must occur at least (and likely will occur approximately) twenty calendar days following SGRP's delivery of this Information Statement to its stockholders (the "Effective Time").

Mr. Mayer was not nominated or appointed by the Board or its Governance Committee. Mr. Mayer had no support in the Governance Committee, and he was never reported out by it to the Board for consideration. Of all of the Board members, only Mr. Bartels (and Robert G. Brown before his retirement as a director in May 2018) argued for his consideration.

The Majority Stockholders (i.e., Mr. Brown and Mr. Bartels) had asked the Governance Committee to consider Mr. Mayer as a potential Board candidate in order to add unspecified legal expertise to the Board. The Governance Committee did so, and after extensive deliberation, the Governance Committee determined that Mr. Mayer had limited legal experience in unrelated areas that is far from recent, does not satisfy any of the SGRP nomination standards for a director, is not the right candidate to serve on the SGRP Board, and, if unilaterally appointed to the Board by the unilateral action of Majority Stockholders, will not be considered an independent director.

The Governance Committee reported to the Board and the Majority Stockholders that Mr. Mayer would not be nominated or recommended to the Board by the Governance Committee, but the Governance Committee would consider other suitable candidates with relevant legal expertise. The Majority Stockholders insisted on Mr. Mayer and thereafter filed the 13D Amendments and executed the Consent to unilaterally appoint Mr. Mayer to the Board.

SPAR Group, Inc. and Subsidiaries

Mr. Mayer will not be named a member of any of the committees of the Board because he will not be an independent director (as required by all of SGRP's Committee Charters).

In addition, as noted in the By-Laws Complaint (see *Stockholder By-Laws Litigation*, above), the changes in SGRP's By-Laws sought to be made by the Defendants in their Proposed Amendments stopped the process for seating Mr. Jeffery Mayer as a director. When the Majority Stockholders took action by less than unanimous consent (as was the case with Mr. Mayer), Delaware law requires notice to all stockholders and the SEC requires such notice to be in the form of an information statement containing extensive governance information substantially the same as for a proxy statement (collectively, the "Consent Notice Rules"). SGRP filed such a preliminary information statement (the "Preliminary Information Statement") on July 31, 2018, respecting the Mayer By-Laws Consents with included the required corporate governance disclosures. On advice of counsel, the Governance Committee determined that the Proposed Amendments disputed by SGRP would have made material changes in SGRP's corporate governance and rendered inaccurate the required corporate governance disclosures in the Preliminary Information Statement, and consequently, the Preliminary Information Statement filed could not become definitive nor could it be mailed to all stockholders.

On September 20, 2018, SGRP received a Summons pursuant to 8 Del. C. §225(a) from Robert G Brown ("RGB"), one of the Majority Stockholders, as plaintiff commencing a case (C.A. No. 2018-00687-TMR) (the "225 Action") in the Court of Chancery of the State of Delaware (the "Court") against Christiaan Olivier, Chief Executive Officer, President and a Director of SGRP, and all four of the members of the Governance Committee, namely Lorrence Kellar, Chairman, and Jack W. Partridge, Arthur B. Drogue and R. Eric McCarthey (collectively, the "225 Defendants"). The 225 Action seeks to forcibly and immediately remove Mr. Kellar from and add Mr. Mayer to the Board without resolution of the Proposed Amendments and without compliance with the Consent Notice Rules, which if successful would result in a violation of SEC rules. SGRP's Audit Committee has determined that the 225 Defendants were acting in good faith to comply with the Consent Notice Rules and protect the interests of SGRP and all stockholders and should be indemnified and defended respecting the 225 Action against them by RGB, and SGRP will vigorously contest that action.

Preliminary discovery has begun in By-Laws Action (see *Stockholder By-Laws Litigation*, above) and the 225 Action and the joint trial for both actions is scheduled to begin on December 11, although SGRP is currently seeking to postpone those actions until early 2019 in order to (among other things) permit adequate time for discovery.

Related Party Litigation

On September 18, 2018, SGRP received a Summons from SPAR Infotech, Inc. ("Infotech"), an affiliate of SGRP owned principally by Robert G Brown (one of the Majority Stockholders, a defendant in the By-Laws Action, and the plaintiff in the 225 Action) as plaintiff commencing a case (Index No.: 64452/2018) against SGRP (the "Infotech Action") in the Supreme Court of the State of the State of New York, Westchester County (the "NY Court"). The Infotech Action seeks payment from SGRP of $190,000 for alleged lost tax benefits and other expenses it claims to have incurred in connection with SGRP's acquisition of its Brazilian subsidiary and previously denied by both management and SGRP's Audit Committee, who had jurisdiction because Infotech is a related party.

In 2016, SGRP acquired SPAR Brasil Servicos de Merchandising e Tecnologia S.A. ("SPAR BSMT"), its Brazilian subsidiary, with the assistance of Robert G Brown (who retired as Chairman and an officer and director on May 3, 2018) and his nephew, Peter W. Brown (who became a director on May 3, 2018). Mr. Brown used his private company, SPAR Infotech, Inc. ("Infotech"), and undisclosed Irish companies to structure the acquisition for Infotech.

Mr. Brown also ran his alleged expenses associated with the transaction through Infotech, including large salary allocations for unauthorized personnel and claims for his "lost" "tax breaks." One of those unauthorized personnel had (in her severance agreement with SGRP) agreed to never directly or indirectly perform any services for SGRP or any services that could be directly or indirectly billed to SGRP, which restriction was fully disclosed to and known by Mr. Brown and therefore Infotech. Mr. Brown submitted his unauthorized and unsubstantiated "expenses" to SGRP, and SGRP's Audit Committee allowed approximately $50,000 of them and disallowed approximately $150,000 of them. Mr. Brown has repeatedly sought payment of the disallowed expenses, and on August 4, 2018, counsel for Infotech (also counsel for SBS and Brown) sent SGRP a draft complaint for a proposed action by Infotech against SGRP in Westchester County, NY, seeking to obtain the disallowed expenses.

SPAR Group, Inc. and Subsidiaries

On September 18, 2018, Infotech commenced the Infotech Action seeking to obtain those previously disallowed unauthorized expenses now totaling approximately $190,000 to circumvent the adverse determination and objection of SGRP's Audit Committee (whole approval is required by applicable law for such a related party payment).

SGRP will vigorously contest that action.

SBS Field Specialist Litigation

The Company's merchandising, audit, assembly and other services for its domestic clients are performed by field merchandising, auditing, assembly and other field personnel (each a "Field Specialist"). The Company's affiliate, SBS, during 2017 provided approximately 10,700 Field Specialists (all of whom were engaged as independent contractors by SBS), representing 77% (or $25.9 million) of the total cost the Field Specialists utilized by the Company domestically, and continued to provide such services through July 27, 2018 (when the termination of its services took effect). SBS is not a subsidiary or in any way under the control of SGRP, SBS is not in the Company's financial statements, and SGRP does not participate in or control the defense by SBS of any litigation against it. The Company terminated its relationship with SBS and received no services from SBS after July 27, 2018. For affiliation, termination, contractual details and payment amounts, see Note 6 to the Company's Condensed Consolidated Financial Statements – *Related Party Transactions – Domestic Related Party Services*, above.

The appropriateness of SBS's treatment of its Field Specialists as independent contractors has been periodically subject to legal challenge (both currently and historically) by various states and others. SBS's expenses of defending those challenges and other proceedings have historically been reimbursed by the Company under SBS's Prior Agreement, and SBS's expenses of defending those challenges and other proceedings were reimbursed by the Company in the three month periods ending June 30, 2018 and 2017 (in the amounts of $44,000 and $93,000, respectively), and the six month periods ending June 30, 2018 and 2017 (in the amounts of $104,000 and $179,000, respectively), after determination (on a case by case basis) that those defense expenses were costs of providing services to the Company.

On May 15, 2017, the Company advised SBS that, since there was no currently effective comprehensive written services agreement with SBS, the Company would continue to review and decide each request by SBS for reimbursement of its legal defense expenses (including appeals) on a case-by-case basis in its discretion, including the relative costs and benefits to the Company. See Note 6 to the Company's Condensed Consolidated Financial Statements – *Related Party Transactions – Domestic Related Party Services*, above. SBS has disputed the right of the Company and SGRP's Audit Committee to review and decide the appropriateness of the reimbursement of any of

those related party defense and other expense reimbursements. As provided in SBS's Prior Agreement, the Company is not obligated or liable, and the Company has not otherwise agreed and does not currently intend, to reimburse SBS for any judgment or similar amount (including any damages, settlement, or related tax, penalty, or interest) in any legal challenge or other proceeding against or involving SBS, and the Company does not believe it has ever done so (other than in insignificant nuisance amounts).

There can be no assurance that SBS will be able to satisfy any such judgment or similar amount resulting from any adverse legal determination. In addition, SBS may claim that the Company is somehow liable for any such judgment or similar amount imposed against SBS and pursue that claim with litigation, there can be no assurance that someone else will not claim that the Company is liable (under applicable law, through reimbursement or indemnification, or otherwise) for any such judgment or similar amount imposed against SBS, and there can be no assurance that the Company will be able to successfully defend any claim. Any imposition of liability on the Company for any such amount could have a material adverse effect on the Company or its performance or condition (including its assets, business, clients, capital, cash flow, credit, expenses, financial condition, income, liabilities, liquidity, locations, marketing, operations, prospects, sales, strategies, taxation or other achievement, results or condition), whether actual or as planned, intended, anticipated, estimated or otherwise expected. See Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies* -- *Legal Matters*, above.

As the Company had utilized the services of SBS to support its in-store merchandising needs in California and SBS' independent contractor classifications had been invalidated in the Clothier Determination (see below), management of the Company determined, with the support of SGRP's Audit Committee and Board of Directors, and began in May of 2018 to shift to an all employee servicing model for its Field Specialists to support the performance of its services in California for clients in this critical market and nationally for certain domestic clients that are requiring the Company to use employees as its Field Specialists. As previously noted, management currently estimates that the potential incremental annual cost of this change in California from independent contractors to Company employees could be substantial.

SPAR Group, Inc. and Subsidiaries

Due to (among other things) the Clothier Determination and the ongoing proceedings against SBS, which could have had a material adverse effect on SBS's ability to provide future services needed by the Company, and the Company's location of an independent third party company who would provide comparable services on substantially better terms, the Company terminate the services of SBS effective July 27, 2018, and the Company has engaged that independent third party company to replace those services formerly provided by SBS.

Current material and potentially material proceedings against SBS and, in one instance, the Company are described below. SBS continues to claim that the Company is somehow liable to reimburse SBS for its expenses in those proceedings. These descriptions are based on an independent review by the Company and do not reflect the views of SBS, its management or its counsel.

SBS Clothier Litigation

Melissa Clothier was engaged by SBS (then known as SPAR Marketing Services, Inc.) and provided services pursuant to the terms of an "Independent Merchandiser Agreement" with SBS (prepared solely by SBS) acknowledging her engagement as an independent contractor. On June 30, 2014, Ms. Clothier filed suit against SBS and the Company styled Case No. RG12 639317, in the Superior Court in Alameda County, California (the "Clothier Case"), in which Ms. Clothier asserted claims on behalf of herself and a putative class of similarly situated merchandisers in California who are or were classified as independent contractors at any time between July 16, 2008, and June 30, 2014. Ms. Clothier alleged that she and other class members were misclassified as independent contractors and that, as a result of this misclassification, the defendants improperly underpaid them in violation of various California minimum wage and overtime laws. The Company was originally a defendant in the Clothier Case but was subsequently dismissed from the action without prejudice.

The court ordered that the case be heard in two phases. Phase one was limited to the determination of whether members of the class were misclassified as independent contractors. After hearing evidence, receiving post-trial briefings and considering the issues, the Court issued its Statement of Decision on September 9, 2016, finding that the class members had been misclassified as independent contractors rather than employees (the "Clothier Determination"). The plaintiffs and SBS have now moved into phase two to determine damages (if any), which has included discovery as to the measure of damages in this case.

Facing significant potential damages in the Clothier Case, SGRP chose, and on June 7, 2018, entered into mediation with the plaintiffs and plaintiff's counsel in the Clothier Case to try to settle any potential future liability for any possible judgment against SGRP in that case. SBS and its stockholders refused to participate in that mediation unless

SGRP bore the full cost of any settlement and Brown was given a leading role in the mediation. SGRP disagreed, insisting on the Majority Stockholders' and SBS's economic participation. After extensive discussions, SGRP reached a settlement and entered into a memorandum of settlement agreement, which is subject to court approval and not likely to become final until several months into 2019 if and when the settlement is approved by the court. If approved, SGRP will pay a maximum settlement amount of $1.3 million, payable in four equal annual installments that commence 30 days after the settlement becomes final, and the Company will be released by plaintiff and the settlement class from all other liability under the Clothier Case. The Company has recorded the $1.3 million charge during the second quarter of 2018 as part of the settlement.

The plaintiffs and SBS are still proceeding with the damages phase of the Clothier Case, which trial is currently scheduled for December of 2018.

Since SGRP has no further involvement in the Clothier Case, SGRP stopped paying (as of June 7, 2018) for SBS's legal expenses (defense and appeal) in the Clothier Case and notified SBS. Defendants continue to demand that those expenses be reimbursed by SGRP.

SBS Rodgers Litigation

Maceo Rodgers was engaged by and provided services to SBS pursuant to the terms of his "Master Agreements" with SBS acknowledging his engagement as an independent contractor. On February 21, 2014, Rodgers filed suit against SBS, Robert G. Brown and William H. Bartels, styled Civil Action No. 3:14-CV-00055, in the U.S. District Court for the Southern District of Texas (Galveston Division). Plaintiff asserted claims on behalf of himself and an alleged class of similarly situated individuals who provided services to SBS as independent contractors at any time on or after July 15, 2012, claiming they all were misclassified as independent contractors and that, as a result of this misclassification, the Defendants improperly underpaid them in violation of the Fair Labor Standards Act's overtime and minimum wage provisions. Although the Court conditionally certified the class on December 8, 2015, only 61 individuals joined the action as opt-in plaintiffs, and all but 11 of them have potentially disqualifying arbitration provisions, residences outside the class's geographic area, or late opt-in filings, and were challenged by the Defendants in various motions, including a motion to decertify the class. The Court, however, did not rule on these motions and instead stayed the case on September 19, 2017 to allow the parties to mediate. On October 24, 2017, the Court granted the parties' joint motion to extend the stay order until January 31, 2018. A formal mediation was undertaken in this action. However, the mediation was unsuccessful. SBS is now waiting for the Court to rule on (1) Plaintiff’s motion for nationwide judicial notice and to certify a nationwide collective action, and (2) SBS’s motion to decertify the collective class. It is anticipated that this matter will likely proceed to trial later this year or early next year.

SGRP Hogan Litigation

Paradise Hogan was engaged by and provided services to SBS as an independent contractor pursuant to the terms of an "Independent Contractor Master Agreement" with SBS (prepared solely by SBS) acknowledging his engagement as an independent contractor. On January 6, 2017, Hogan filed suit against SBS and SGRP (and part of the Company), styled Civil Action No. 1:17-cv-10024-LTS, in the U.S. District Court for District of Massachusetts. Hogan initially asserted claims on behalf of himself and an alleged nationwide class of similarly situated individuals who provided services to SBS and SGRP as independent contractors. Hogan alleged that he and other alleged class members were misclassified as independent contractors, and as a result of this purported misclassification, Hogan asserted claims on behalf of himself and the alleged Massachusetts class members under the Massachusetts Wage Act and Minimum Wage Law for failure to pay overtime and minimum wages, as well as state law claims for breach of contract, unjust enrichment, quantum meruit, and breach of the covenant of good faith and fair dealing. In addition, Hogan asserted claims on behalf of himself and the nationwide class for violation of the Fair Labor Standards Act's overtime and minimum wage provisions. On March 28, 2017, the Company moved to refer Hogan's claim to arbitration pursuant to his agreement, to dismiss or stay Hogan's case pending arbitration, and to dismiss Hogan's case for failure to state a specific claim upon which relief could be granted.

On November 13, 2017, the Court convened a status conference call with the parties to discuss the impact on the case of the Supreme Court's pending decision in Epic Systems Corp. v. Lewis, in which the Supreme Court heard arguments in October 2017 and ultimately will decide whether arbitration clauses that include a waiver of a worker's right to bring or participate in a class action violate the National Labor Relations Act. On March 12, 2018, the Court denied both defendants' Motion to Dismiss for failure to state a claim, denied the Motion to Compel Arbitration as to SGRP, denied the Motion to Stay as to SGRP, and allowed the Motion to Stay as to SBS pending the outcome of the Supreme Court's decision in Epic Systems), which (depending on the Supreme Court's ruling) could result in all SBS disputes being sent to arbitration. On April 24, 2018, SGRP filed a notice of appeal with the First Circuit of the District Court's decision. The Parties have agreed to stay the District Court litigation pending the First Circuit's decision on SGRP's appeal. Briefing on SGRP's appeal closed on August 8, 2018 and the appeal hearing was heard by the First Circuit on September 11, 2018. SGRP is currently awaiting the First Circuit's decision on its appeal. If SGRP's appeal is unsuccessful, SGRP will vigorously defend itself against all claims.

Updated Risk Factors:

The Following Risk Factors update, amend and replace the corresponding Risk Factors in the 2017 Annual Report:

Dependence Upon and Cost of Services Provided by Affiliates and Use of Independent Contractors

The success of the Company's domestic business is dependent upon the successful execution and administration of its domestic field services by field merchandising, auditing, assembly and other field personnel (each a "Field Specialist") who are located, scheduled, deployed and administered domestically by local, regional, district and other personnel (each a "Field Administrator").

SPAR Business Services, Inc. ("SBS"), SPAR Administrative Services, Inc. ("SAS"), and SPAR InfoTech, Inc. ("Infotech "), have provided services from time to time to the Company and are related parties and affiliates of SGRP, but are not under the control or part of the consolidated Company. SBS is an affiliate because it is owned by Robert G. Brown and William H. Bartels. SAS is an affiliate because it is owned by William H. Bartels and certain relatives of Robert G. Brown or entities controlled by them (each of whom are considered affiliates of the Company for related party purposes). Infotech is an affiliate because it is owned by Robert G. Brown and certain relatives of Robert G. Brown or entities controlled by them (each of whom are considered affiliates of the Company for related party purposes). Mr. Brown and Mr. Bartels are the Majority Stockholders (see below) and founders of SGRP, Mr. Brown was Chairman and an officer and director of SGRP through May 3, 3018 (when he retired), and Mr. Bartels was and continues to be Vice Chairman and a director and officer of SGRP. Mr. Brown and Mr. Bartels also have been and are stockholders, directors and executive officers of various other affiliates of SGRP.

The Company's affiliate, SPAR Business Services, Inc. ("SBS"), during 2017 provided approximately 10,700 Field Specialists (all of whom were engaged as independent contractors by SBS), representing 77% (or $25.9 million) of the total cost the Field Specialists utilized by the Company domestically, and continued to provide such services through July 27, 2018 (when the termination of its services took effect). The Company's affiliate, SPAR Administrative Services, Inc. ("SAS"), during 2017 provided approximately 57 Field Administrators (all of whom were employed by SAS) representing 91% (or $4.2 million) of the total cost of the Field Administrators utilized by the Company domestically, and continued to provide such services through July 31, 2018 (when the termination of its services took effect). The Company received no services from SBS or SAS after the termination of their respective services took effect. For termination and contractual details and payment amounts, see Note 6 to the Company's Condensed Consolidated Financial Statements – *Related Party Transactions – Domestic Related Party Services*, above.

SBS and SAS, as well as certain service providers to the Company's foreign joint venture subsidiaries, are affiliates of the Company and in providing services are engaged in related party transactions with the Company, but none of those service providers is a subsidiary of or controlled by the Company and none of them are included in the Company's consolidated financial statements. For termination and contractual details and payment amounts, see Note 6 to the Company's Condensed Consolidated Financial Statements – *Related Party Transactions – Domestic Related Party Services, International Related Party Services* and *Summary of Related Party Transactions*, above.

The Company believes that its business model of executing its services domestically (other than in California) through independent contractors provided by others is inherently less costly than doing so with employees, both under applicable tax and employment laws and otherwise.

The appropriateness of SBS's treatment of its Field Specialists as independent contractors had been periodically subject to legal challenge (both currently and historically) by various states and others. SBS's expenses of defending those challenges and other proceedings had historically been reimbursed by the Company under SBS's Prior Agreement, and SBS's expenses of defending those challenges and other proceedings were reimbursed by the Company in 2018 and 2017 (in the amounts of $105,000 and $265,000, respectively), after determination (on a case by case basis) that those defense expenses were costs of providing services to the Company.

SPAR Group, Inc. and Subsidiaries

On May 15, 2017, the Company advised SBS that, since there was no currently effective comprehensive written services agreement with SBS, the Company would continue to review and decide each request by SBS for reimbursement of its legal defense expenses (including appeals) on a case-by-case basis in its discretion, including the relative costs and benefits to the Company. See Note 6 to the Company's Condensed Consolidated Financial Statements – *Related Party Transactions – Domestic Related Party Services*, above. SBS has disputed the right of the Company and SGRP's Audit Committee to review and decide the appropriateness of the reimbursement of any of those related party defense and other expense reimbursements. On June 13, 2018, the Company gave SBS notice that it would no longer reimburse any such expenses as a result of SGRP's separate settlement of the Clothier Case.

As provided in SBS's Prior Agreement, the Company is not obligated or liable, and the Company has not otherwise agreed and does not currently intend, to reimburse SBS for any judgment or similar amount (including any damages, settlement, or related tax, penalty, or interest) in any legal challenge or other proceeding against or involving SBS, and the Company does not believe it has ever done so (other than in insignificant nuisance amounts).

There can be no assurance that SBS will be able to satisfy any such judgment or similar amount resulting from any adverse legal determination. In addition, SBS may claim that the Company is somehow liable for any such judgment or similar amount imposed against SBS and pursue that claim with litigation, there can be no assurance that someone else will not claim that the Company is liable (under applicable law, through reimbursement or indemnification, or otherwise) for any such judgment or similar amount imposed against SBS, and there can be no assurance that the Company will be able to successfully defend any claim. Any imposition of liability on the Company for any such amount could have a material adverse effect on the Company or its performance or condition (including its assets, business, clients, capital, cash flow, credit, expenses, financial condition, income, liabilities, liquidity, locations, marketing, operations, prospects, sales, strategies, taxation or other achievement, results or condition), whether actual or as planned, intended, anticipated, estimated or otherwise expected. See Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies* -- *Legal Matters*, above.

As the Company had utilized the services of SBS to support its in-store merchandising needs in California and SBSs' independent contractor classifications had been invalidated in the Clothier Determination (see Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies* -- *Legal Matters*, above), management of the Company determined, with the support of SGRP's Audit Committee and Board of Directors, and began in May of 2018 to shift to an all employee servicing model for its Field Specialists to support the performance of its services in California for clients in this critical market and nationally for certain domestic clients that are requiring the Company to use employees as its Field Specialists. As previously noted, management currently estimates that the potential incremental annual cost of this change in California from independent contractors to Company employees could be substantial.

Due to (among other things) the Clothier Determination and the ongoing proceedings against SBS, which could have had a material adverse effect on SBS's ability to provide future services needed by the Company, and the Company's location of an independent third party company (the "Independent Field Vendor") who would provide comparable services on substantially better terms, the Company terminated the services of SBS effective July 27, 2018, and the Company has engaged that Independent Field Vendor to replace those field services previously provided by SBS (other than in California). The Company also has engaged another independent third party company on substantially better terms to replace those administrative services formerly provided by SAS, effective August 1, 2018.

Current material and potentially material proceedings against SBS and, in one instance, the Company are described in Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies -- Legal Matters*, above. SBS continues to claim that the Company is somehow liable to reimburse SBS for its expenses in those proceedings.

SPAR Group, Inc. and Subsidiaries

The Independent Field Vendor also utilizes independent contractors to the extent permitted by applicable law, and it is likely that the appropriateness of its treatment of its Field Specialists as independent contractors will be periodically subject to legal review challenge by various states and others. The Company in its discretion may review and decide each request by the Independent Field Vendor for reimbursement of its legal defense expenses on a case-by-case basis, including the relative costs and benefits to the Company of doing so, but the Independent Field Vendor has agreed that the Company has no obligation to do so. No reimbursement requests for legal defense expenses have been made by the Independent Field Vendor or approved for it by the Company in its discretion to date.

In addition, the Company has been reevaluating its business model of using independent contractor's as Field Specialists (whether or not provided by others) in light of changing client requirements and legal and regulatory environments. The Company has shifted to an all employee model for its Field Specialists for the performance of its services in California, also is evaluating whether this all employee model for its Field Specialists should be used in certain other states, and intends to begin testing an employee based model nationally for certain domestic clients that are requiring the Company to always use employees as its Field Specialists in services for such clients. The Company expects that using employees as its Field Specialists in additional states will cost substantially more than using independent contractors for the same services.

Any prolonged continuation of or material increase in the legal defense costs of the Independent Field Vendor that the Company agrees in its discretion to reimburse, any claim by SBS, SAS, the Independent Field Vendor, any related party or any third party that the Company is somehow liable for any legal expense defending any claim or satisfying any judgment against the Independent Field Vendor, SBS, SAS or other service provider, any judicial determination that the Company is somehow liable for any judgment against the Independent Field Vendor, SBS, SAS or other service provider (in whole or in part), any decrease in the Independent Field Vendor's performance (quality or otherwise), any inability by the Independent Field Vendor to execute the services for the Company or to continue with its present business model, or any increase in the Company's use of employees (rather than independent contractors) as its domestic Field Specialists, in each case in whole or in part, could have a material adverse effect on the Company or its performance or condition (including its affiliates, assets, business, clients, capital, cash flow, credit, expenses, financial condition, income, liabilities, liquidity, locations, marketing, operations, prospects, sales, strategies, taxation or other achievement, results or condition), whether actual or as planned, intended, anticipated, estimated or otherwise expected.

The services provided by the Independent Field Vendor to the Company in the United States are material and there are no assurances that the Company could (if necessary under the circumstances) replace the Field Specialists currently provided by the Independent Field Vendor in sufficient time to perform its client obligations or at such favorable rates in the event the Independent Field Vendor no longer performed those services.

Potential Conflicts Respecting Services Previously Provided by Affiliates

As noted above, the Company's affiliate (see below), SBS, previously provided substantially all of the Field Specialists utilized by the Company domestically services through July 27, 2018 (when the termination of its services took effect), and the Company's affiliate (see below), SAS, previously provided substantially all of the Field Administrators utilized by the Company domestically through July 31, 2018 (when the termination of its services took effect). The Company received no services from SBS or SAS after the termination of their respective services took effect. For termination and contractual details and payment amounts, see Note 6 to the Company's Condensed Consolidated Financial Statements – *Related Party Transactions – Domestic Related Party Services*, above.

Although neither SBS nor SAS has provided any services to the Company after their terminations described in Note 6 to the Company's Condensed Consolidated Financial Statements – *Related Party Transactions – Domestic Related Party Services*, above, which terminations were effective on or before July 31, 2018, SBS and SAS have apparently continued to operate and claim that the Company owes them for all of their post-termination expenses in perpetuity. For August and September, SBS has invoiced the Company for approximately $120,000, and SAS has invoiced the Company for approximately $45,000. All such invoices have been rejected by the Company. The Company has determined that it is not obligated to reimburse any such post-termination expense (other than for potentially reimbursing mutually approved reasonable short term ordinary course transition expenses in previously allowed categories needed by SAS to wind down its business, if any), and that such a payment would be an impermissible gift to a related party under applicable law, which determinations have been supported by SGRP's Audit Committee. The SBS invoices included legal expenses for its continuing defense in the Clothier Case even though SGRP on June 13, 2018, gave SBS notice that it would no longer reimburse any such expenses as a result of SGRP's separate settlement of the Clothier Case. See Note 6 to the Company's Condensed Consolidated Financial Statements – *Related Party Transactions – Domestic Related Party Services*, and Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies -- Legal Matters*, above.

SPAR Group, Inc. and Subsidiaries

The Company expects that SBS and SAS will use every available means to attempt to collect reimbursement in perpetuity from the Company for all of their post-termination expense, including repeated litigation in the event that the SGRP prevails in the By-Laws Action or 225 Action, See Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies -- Legal Matters*, above.

Infotech is currently suing SGRP in New York seeking reimbursement for approximately $190,000 respecting alleged lost tax benefits and other expenses it claims to have incurred in connection with SGRP's acquisition of its Brazilian subsidiary and previously denied by both management and SGRP's Audit Committee, who had jurisdiction because Infotech is a related party. See Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies -- Legal Matters -- Related Party Litigation*, above.

'To a lesser extent, similar conflicts and events could arise with respect to the Company's contracts with affiliates in South Africa, Mexico and Brazil. The Company is evaluating whether and the extent (if any) to which continue with them. See *Risk Factors -Dependence Upon and Cost of Services Provided by Affiliates and Use of Independent Contractors*, *Risk Factors - Risks Related to the Company's Significant Stockholders: Potential Voting Control and Conflicts*, below, and Note 6 to the Company's Condensed Consolidated Financial Statements – *Related Party Transactions – Domestic Related Party Services*, above, and Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies -- Legal Matters*, above. Any litigation with any affiliate, or any cancellation, other nonperformance or material pricing increase under the Company's arrangements with any affiliate, could have a material adverse effect on the Company or its performance or condition (including its affiliates, assets, business, clients, capital, cash flow, credit, expenses, financial condition, income, liabilities, liquidity, locations, marketing, operations, performance, prospects, sales, strategies, taxation or other achievement, results, risks, trends or condition), whether actual or as planned, intended, anticipated, estimated or otherwise expected.

Risks Related to the Company's Significant Stockholders and Potential Voting Control and Conflicts

The Company's co-founders, Mr. Robert G. Brown and Mr. William H. Bartels were the founders and are significant stockholders of SGRP, Mr. Brown was Chairman and an officer and director of SGRP through May 3, 3018 (when he retired), and Mr. Bartels was and continues to be Vice Chairman and a director and officer of SGRP. Mr. Brown beneficially owns approximately 33.6% (or 6.9 million shares of the SGRP Common Stock); and Mr. Bartels beneficially owns approximately 25.6% (or 5.3 million shares) of the SGRP Common Stock; which amounts were calculated using their individual beneficial ownerships and the total outstanding ownership (20.6 million shares) of the SGRP Common Stock on a non-diluted basis at December 31, 2017. This means that together Mr. Brown and Mr. Bartels (the "Majority Stockholders") beneficially own a total of approximately 59.2% (or 12.2 million shares) of the SGRP Common Stock and have, when they act together, and under certain circumstances Mr. Brown acting alone may have, the ability to control the election or removal of directors, the approval or disapproval of acquisitions,

mergers, and all other matters that must or could be approved by the Company's stockholders.

On June 1, 2018, the Majority Stockholders each filed an amended Schedule 13D with the SEC, in which they each acknowledged that they "may be deemed to comprise a 'group' within the meaning of [the Securities Exchange Act of 1934]" and "may act in concert … with respect to certain matters," including (without limitation) to remove and appoint directors by written consent. On June 29, 2018, and July 5, 2018, SGRP received Written Consents from the Majority Stockholders endeavoring to unilaterally approve the selection, appointment and election of Mr. Jeffrey Mayer as a director of SGRP and remove Lorrence Kellar as an independent director, which is being contested. See Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies -- Legal Matters -- Board Seating Litigation*, above.

On August 6, 2018, the Majority Stockholders each filed an another amended Schedule 13D with the SEC, in which they each acknowledged that they "may be deemed to comprise a 'group' within the meaning of [the Securities Exchange Act of 1934]" and "may act in concert … with respect to certain matters," including (without limitation) to adopt through a written consent proposed amendments to SGRP's By-Laws. On August 6, 2018, and September 18, 2018, SGRP received Written Consents from the Majority Stockholders endeavoring to unilaterally change SGRP's By-Laws in order to (among other things) weaken the independence of the Board through new supermajority requirements and stockholder only approvals and eliminate the Board's independent majority requirement, all in order to further benefit themselves, which are being contested by SGRP. See Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies -- Legal Matters -- Stockholder By-Laws Litigation*, above.

In any event, Mr. Brown and Mr. Bartels continue to have significant influence and leverage over the Company's business and operations and the outcome of the Company's corporate operations, acquisitions and other actions, including those involving stockholder approvals. The interests of the Majority Stockholders (such as eliminating Board independence, exerting more control through the related party payments and new retirement benefits for Mr. Brown repeatedly sought by them) may be materially different from time to time from, and potentially in conflict with, the interests of other stockholders, and ownership concentration could cause, delay or prevent a change in the Company's control or otherwise discourage the Company's potential acquisition by another person, any of which could cause the market price of the SGRP Common Stock to decline and that decline could be significant.

The Company has devoted, and must continue do devote, significant management time and legal and financial resources to respond to and deal with the frequent and repeated claims, responses and actions by the Majority Stockholders (individually and on behalf of SBS, SAS and Infotech), which appear to be increasing in frequency and intensity, and which if continuing without resolution (see Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies -- Legal Matters -- Stockholder By-Laws Litigation*, above) could have a material adverse effect on the Company or its performance or condition (including its affiliates, assets, business, clients, capital, cash flow, credit, expenses, financial condition, income, liabilities, liquidity, locations, marketing, operations, prospects, sales, strategies, taxation or other achievement, results or condition), whether actual or as planned, intended, anticipated, estimated or otherwise expected.

Risks of a Nasdaq Delisting and Penny Stock Trading

On August 6, 2018, and September 18, 2018, SGRP received the Written Consents from the Majority Stockholders in which the Majority Stockholders attempted to change SGRP's By-Laws in order to (among other things) weaken the independence of the Board through new supermajority requirements and stockholder only approvals and eliminate the Board's independent majority requirement, all in order to further benefit themselves (the "Proposed Amendments").

SGRP is contesting the Proposed Amendments pursuant to the By-Laws Complaint. See Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies -- Legal Matters -- Stockholder By-Laws Litigation*, above.

On June 29, 2018, and July 5, 2018, SGRP received Written Consents (the "Director Consent") in lieu of a meeting of stockholders from Robert G. Brown and William H. Bartels, the holders of a combined 59% of the issued and outstanding shares of Common Stock (together, the "Majority Stockholders"). The Director Consent adopted resolutions which unilaterally approved the selection, appointment and election of Mr. Jeffrey Mayer and the Removal of Lorrence Kellar as an independent director, which is being delayed during the pending 225 Action in Delaware. See Note 9 to the Company's Condensed Consolidated Financial Statements – *Commitments and Contingencies -- Legal Matters – Board Seating Litigation*, above.

As noted in the By-Laws Complaint, the changes in SGRP's By-Laws sought to be made by the Majority Stockholders in their Proposed Amendments also would effectively block the declared determination and intention of the Board to increase the Board size to nine and add two new independent directors to maintain majority independence for the Board, as a result of earlier Director Consent by the Majority Stockholders seeking to remove Lorrence Kellar as an independent director from the Board and its Committees and add Jeffery Mayer as a non-independent director to the Board (as reported in SGRP's Current Report on Form 8-K as filed by SGRP with the SEC on July 6, 2018). As a result of the Majority Stockholders' proposed actions, the Board would lack a majority of independent directors and may face compliance issues with Nasdaq. In fact, Nasdaq has already contacted SGRP to confirm that Jeffery Mayer had not yet been seated and that SGRP's Board continued and would continue to have a majority of independent directors.

SPAR Group, Inc. and Subsidiaries

If SGRP loses the 225 Action and Mr. Kellar is removed from and Mr. Mayer is added to the Board. SGRP's Board will no longer comply with the majority independent director requirement for continued listing set forth in Rule 5605(b)(1) of the Nasdaq Listing Rules, which requires that independent directors be a majority of the SGRP Board of Directors (known as the "Independent Majority Rule") and will likely receive a Deficiency Letter from Nasdaq indicating that failure. Although independent directors will not be a majority of the SGRP Board under those circumstances, the only members of SGRP's Audit, Compensation, Governance and Special Committees will continue to be independent directors. Upon receipt of that Deficiency Letter, SGRP will have a six month grace period to regain compliance with the Independent Majority Rule (which SGRP may do by adding an independent director to or removing a non-independent director from SGRP's Board), and if SGRP does not regain compliance with the Independent Majority Rule prior to the expiration of that grace period, SGRP's securities are subject to delisting from Nasdaq (which may be appealed).

SGRP Common Stock has recently traded and could in the future again trade for less than $1.00 per share, which is below Nasdaq's minimum trading price for continued listing on the Nasdaq stock market. The Company received a notice from Nasdaq on May 25, 2017, advising the Company that it failed to maintain a minimum closing bid price of $1.00 per share for its shares of Common Stock for the prior 30 consecutive business days as required by Nasdaq Listing Rule 5550(a)(2) (known as the "Bid Price Rule"), and that it had a 180 day grace period in which to regain compliance with the Bid Price Rule by maintaining a closing bid price of $1.00 per share for SGRP Common Stock for a minimum of ten consecutive business days. On July 13, 2017, the Company received notice from Nasdaq that it had regained compliance with the Bid Price Rule and the matter was closed.

There can be no assurance that the Company will be able to comply in the future with Nasdaq's Independent Majority Rule (requiring that independent directors be a majority of the SGRP Board of Directors and the only members of its Audit, Compensation and Governance Committees), Nasdaq's Bid Price Rule (requiring a minimum bid price of $1.00/share), independent director rules or other Nasdaq continued listing requirements. If the Company fails to satisfy the applicable continued listing requirement and continues to be in non-compliance after notice and the applicable grace period ends (which is six months in the case of the Bid Price Rule or Independent Majority Rule), Nasdaq may commence delisting procedures against the Company (during which the Company will have additional time of up to six months to appeal and correct its non-compliance). If the SGRP Common Stock shares were ultimately delisted by Nasdaq, the market liquidity of the SGRP Common Stock could be adversely affected and its market price could decrease, even though such shares may continue to be traded "over the counter", due to (among other things) the potential for increased spreads between bids and asks, lower trading volumes and reporting delays in over-the-counter trades and the negative implications and perceptions that could arise from such a delisting.

In addition to the foregoing, if the SGRP Common Stock is delisted from Nasdaq and is traded on the over-the-counter market, the application of the "penny stock" rules could adversely affect the market price of the SGRP Common Stock and increase the transaction costs to sell those shares. The SEC has adopted regulations which generally define a "penny stock" as any equity security not listed on a national securities exchange or quoted on

Nasdaq that has a market price of less than $5.00 per share, subject to certain exceptions. If the SGRP Common Stock is delisted from Nasdaq and is traded on the over-the-counter market at a price of less than $5.00 per share, the SGRP Common Stock would be considered a penny stock. Unless otherwise exempted, the SEC's penny stock rules require a broker-dealer, before a transaction in a penny stock, to deliver a standardized risk disclosure document that provides information about penny stock and the risks in the penny stock market, the current bid and offer quotations for the penny stock, the compensation of the broker-dealer and the salesperson in the transaction, and monthly account statements showing the market value of each penny stock held in the customer's account. Further, prior to a transaction in a penny stock occurs, the penny stock rules require the broker-dealer to provide a written determination that the penny stock is a suitable investment for the purchaser and receive the purchaser's agreement to the transaction. If applicable in the future, the penny stock rules may restrict the ability of brokers-dealers to sell the SGRP Common Stock and may affect the ability of investors to sell their shares, until the SGRP Common Stock is no longer a penny stock.
