On February 11, 2019, Ingersoll-Rand plc (the “Company”) issued a press release announcing the Offer described in Item 8.01 below. A copy of the press release is furnished as Exhibit 99.1 to this report and incorporated herein by reference. In connection with this announcement, the Company scheduled a conference call for investors as described in the news release. A copy of the presentation for the conference call is furnished as Exhibit 99.2 to this report and incorporated herein by reference.

The information contained herein, including the attached press release and investor presentation, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.

Item 8.01 Other Events.

On February 6, 2019, the Company entered into a final, binding and irrevocable offer letter (the “Offer Letter”) with Silver II GP Holdings S.C.A., an affiliate of BC Partners Advisors L.P. and The Carlyle Group (“Seller”) pursuant to which the Company made a binding offer (the “Offer”) to acquire the Seller’s precision flow systems management business (the “Business”) including the Milton Roy, LMI, Dosatron, Haskel and other brands for approximately \$1.45 billion (the “Acquisition”).

In connection with the Offer, the Seller has agreed to initiate as promptly as practicable the employee information and consultation process with its relevant works councils (the “Consultation Process”) and to provide certain notifications to impacted employees (the “Employee Information Process”), in each case, in accordance with French law. The Seller may accept the Offer by executing and delivering to the Company a countersignature to the proposed securities purchase agreement (the “securities purchase agreement”) after the Consultation Process and the Employee Information Process have concluded.

The Offer is valid until 11:59 P.M., Eastern time, on the earlier of (i) August 5, 2019 and (ii) the second business day following the completion of both the Consultation Process and Employee Information Process.

The Offer was made on the terms and subject to the conditions of the proposed securities purchase agreement, which was attached to the Offer Letter and executed by the Company in connection with making the Offer. If the Offer is accepted, the completion of the Acquisition would be subject to customary closing conditions and would be expected to close mid-year 2019 subject to regulatory approvals.

Under the terms of the proposed securities purchase agreement, the Seller would sell to the Company the Business for \$1.45 billion in cash, subject to working capital and certain other adjustments. The proposed securities purchase agreement would contain various customary representations, warranties and covenants.
