Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On September 26, 2016, Houston American Energy Corp. (the “Company”) received notification (the “Deficiency Letter”) from the NYSE MKT LLC that it continues to be in non-compliance with certain NYSE MKT continued listing standards relating to stockholders’ equity and stock price. Specifically, the Company is not in compliance with Section 1003(a)(iii) of the NYSE MKT Company Guide (requiring stockholders’ equity of \$6.0 million or more if it has reported losses from continuing operations and/or net losses in its five most recent fiscal years) and Section 1003(f)(v) (regarding the sale of a listed company’s stock at a low price per share for a substantial period of time).

As previously reported in a Current Report on Form 8-K filed on March 22, 2016, the NYSE MKT had previously notified the Company that its continued listing was predicated on effecting a reverse stock split of its common stock or otherwise demonstrating sustained price improvement by no later than September 19, 2016. The Deficiency Letter reflects the determination by NYSE Regulation that the Company failed to demonstrate sustained price improvement, through a reverse split or otherwise, by the September 19, 2016 deadline. Pursuant to the Deficiency Letter, NYSE Regulation has granted to the Company an extension to the cure period with respect to its stock price through January 3, 2017. If the Company is not in compliance with the continued listing standards by January 3, 2017, or if it does not make progress consistent with the plan in the interim, the NYSE Regulation staff may initiate delisting proceedings as appropriate.

The Company issued a press release on September 27, 2016, announcing that it had received the Deficiency Letter. A copy of the press release is attached to this Current Report on Form 8-K as Exhibit 99.1.
