PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS

These proxy materials are provided in connection with the solicitation of proxies by the Board of Directors of Bloomin' Brands, Inc., a Delaware corporation ("Bloomin' Brands," "BBI," "the Company," "we," "us," or "our"), for the Annual Meeting of Stockholders to be held at 8:00 a.m. (EDT) on Wednesday, April 29, 2015, at the Renaissance Tampa International Plaza Hotel located at 4200 Jim Walter Blvd., Tampa, Florida 33607, and at any adjournments or postponements of the annual meeting. These proxy materials were first sent on or about March 20, 2015 to stockholders entitled to vote at the annual meeting.

PURPOSE OF MEETING

The specific proposals to be considered and acted upon at the annual meeting are:

1. To elect three members of Bloomin' Brands, Inc.'s Board of Directors;
2. To ratify the appointment of PricewaterhouseCoopers LLP as Bloomin' Brands, Inc.'s independent registered certified public accounting firm for the fiscal year ending December 27, 2015; and
3. To obtain non-binding advisory approval of the compensation of Bloomin' Brands, Inc.'s named executive officers.

Each proposal is described in more detail in this proxy statement.

VOTING

Voting Rights

Only stockholders of record of Bloomin' Brands common stock on March 2, 2015, the record date, will be entitled to vote at the annual meeting. Each holder of record will be entitled to one vote on each matter for each share of common stock held on the record date. On the record date, there were 126,425,962 shares of common stock outstanding.

A majority of the outstanding shares of common stock must be present or represented by proxy at the annual meeting in order to have a quorum for the annual meeting. Abstentions and "broker non-votes" will be treated as shares present for the purpose of determining the presence of a quorum for the transaction of business at the annual meeting. A "broker non-vote" occurs when a bank, broker or other nominee holding shares for a beneficial owner submits a proxy for the annual meeting without voting on a particular proposal, because the bank, broker or other nominee has not received instructions from the beneficial owner and does not have discretionary voting power with respect to that proposal. A bank, broker or other nominee may exercise its discretionary voting power with respect to the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered certified public accounting firm for the fiscal year ending December 27, 2015 (Proposal 2), but does not have discretion to vote with respect to the election of directors (Proposal 1) or the non-binding advisory approval of the compensation of Bloomin' Brands' executive officers (Proposal 3).

The affirmative vote of the holders of a plurality of votes properly cast on the proposal at the annual meeting is required for the election of directors. Stockholders may not cumulate votes in the election of directors. Proposals 2

and 3 require the approval of the holders of a majority of votes properly cast on the proposal. Abstentions and broker non-votes have

1

Table of Contents

no effect on the determination of whether a director nominee or any proposal has received a plurality or majority of the votes cast.

If the persons present or represented by proxy at the annual meeting constitute the holders of less than a majority of the outstanding shares of common stock as of the record date, the annual meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Recommendations of the Board of Directors

The Bloomin' Brands Board of Directors recommends that you vote:

FOR each of the nominees of the Board of Directors (Proposal 1);

- FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered certified public accounting firm for the fiscal year ending December 27, 2015 (Proposal 2); and

FOR the non-binding advisory approval of the compensation of our named executive officers (Proposal 3).

Voting via the Internet, by Telephone or by Mail

Registered Holders

If you are a "registered holder" (meaning your shares are registered in your name with our transfer agent, Computershare Trust Company, N.A.), then you may vote either in person at the annual meeting or by proxy. If you decide to vote by proxy, you may vote via the Internet, by telephone or by mail and your shares will be voted at the annual meeting in the manner you direct. For those stockholders who receive a paper proxy card, instructions for voting via the Internet or by telephone are set forth on the proxy card or such stockholders can complete, sign, date and return the mailed proxy card in the prepaid and addressed envelope that was enclosed with the proxy materials. For those stockholders who receive a Notice of Internet Availability of Proxy Materials, the Notice of Internet Availability of Proxy Materials provides information on how to access your proxy card, which contains instructions on how to vote via the Internet or by telephone or receive a paper proxy card to vote by mail. Telephone and Internet voting facilities for registered stockholders of record will close at 11:59 p.m. (EDT) on April 28, 2015.

If you return a signed proxy card on which no directions are specified, your shares will be voted FOR each of the nominees for election to the Board of Directors (Proposal 1), FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered certified public accounting firm for the fiscal year ending December 27, 2015 (Proposal 2) and FOR the non-binding advisory approval of the compensation of our named executive officers (Proposal 3), and in the discretion of the proxy holders as to any other matters that may properly come before the annual meeting or any postponement or adjournment of the annual meeting.

Beneficial Holders

If, like most stockholders, you are a beneficial owner of shares held in "street name" (meaning a broker, trustee, bank, or other nominee holds shares on your behalf), you may vote in person at the annual meeting only if you obtain a legal proxy from the nominee that holds your shares and present it to the inspector of elections with your ballot at the annual meeting. Alternatively, you may provide voting instructions to the nominee that holds your shares by completing, signing and returning the voting instruction form that the nominee provides to you, or by using telephone or Internet voting arrangements described on the voting instruction form, the Notice of Internet Availability of Proxy

Materials or other materials that the nominee provides to you.

2

Table of Contents

If you do not provide voting instructions to your nominee, the nominee will not vote your shares on the election of directors (Proposal 1) or the non-binding advisory approval of the compensation of our named executive officers (Proposal 3). However, your nominee will be able to exercise its discretionary voting power with respect to the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered certified public accounting firm for the fiscal year ending December 27, 2015 (Proposal 2) and would be able to register your shares as being present at the annual meeting for purposes of determining a quorum.

Electronic Delivery

Stockholders who have elected to receive our 2015 proxy statement and 2014 annual report to stockholders electronically will be receiving an email on or about March 20, 2015 with information on how to access stockholder information and instructions for voting.

If you received your Notice of Internet Availability of Proxy Materials or all of your annual meeting materials by mail, we encourage you to sign up to receive your stockholder communications electronically. Email delivery benefits the environment and saves us money by reducing printing and mailing costs. With electronic delivery, you will be notified by email as soon as the Annual Report on Form 10-K and proxy statement are available on the Internet, and you can submit your stockholder votes online. Your electronic delivery enrollment will be effective until you cancel it. If you are a registered holder, visit www-us.computershare.com/Investor to create a login and to enroll. If you hold your Bloomin' Brands stock through a bank, broker or other nominee, please refer to the information provided by that entity for instructions on how to elect to view future proxy statements and annual reports over the Internet and how to change your elections.

Changing or Revoking Your Proxy

You may revoke or change a previously delivered proxy at any time before the annual meeting by delivering another proxy with a later date, by voting again via the Internet or by telephone, or by delivering written notice of revocation of your proxy to our Corporate Secretary at our principal executive offices before the beginning of the annual meeting. You may also revoke your proxy by attending the annual meeting and voting in person, although attendance at the annual meeting will not, in and of itself, revoke a valid proxy that was previously delivered. If you hold shares in "street name," you must contact the nominee that holds the shares on your behalf to revoke any prior voting instructions. You also may revoke any prior voting instructions by voting in person at the annual meeting if you obtain a legal proxy as described above.

Admission to the Meeting

You will need a valid government-issued picture identification and either an admission ticket or proof of ownership of our common stock as of March 2, 2015 to enter the annual meeting. If you are a registered owner, your Notice of Internet Availability of Proxy Materials will be your admission ticket. If you received the proxy statement and annual report by mail, you will find an admission ticket attached to the proxy card sent to you. If you plan to attend the annual meeting, please so indicate when you vote and bring the ticket with you for admission to the annual meeting. If your shares are held in the name of a bank, broker or other nominee, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from a bank or broker is an example of proof of ownership.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Overview of Our Board Structure

In June 2007, Bloomin' Brands acquired our wholly-owned subsidiary, OSI Restaurant Partners, LLC ("OSI"). Bloomin' Brands was formed by an investor group comprised of funds advised by Bain Capital, LLC ("Bain Capital") and others, who we collectively refer to as our "Sponsors," and our "Founders," who include Chris T. Sullivan, Robert D. Basham and J. Timothy Gannon. In 2012, we and certain of our stockholders, including our Sponsors and Founders, sold shares of common stock in our initial public offering (the "IPO") and our common stock was listed on the NASDAQ Global Select Market.

From the time of our IPO until the completion of a secondary public offering of shares by the Sponsors on March 10, 2014 (the "March 2014 Secondary Offering"), the Sponsors continued to own a controlling interest in us and we availed ourselves of the "controlled company" exception within the meaning of the rules of the NASDAQ Stock Market ("NASDAQ"). Subsequent to the March 2014 Secondary Offering, we were no longer a "controlled company" within the meaning of the NASDAQ rules. As a result, and following a phase-in period, NASDAQ rules now require that our Board of Directors consist of a majority of directors who meet NASDAQ's independence requirements ("Independent Directors") and the Audit, Compensation, and Nominating and Corporate Governance Committees must be composed entirely of Independent Directors. See "Independent Directors" for additional information regarding these independence requirements and our satisfaction of these requirements.

Pursuant to the stockholders agreement ("Stockholders Agreement") that we entered into with Bain Capital (OSI) IX, L.P., Bain Capital (OSI) IX Coinvestment, L.P., BCIP TCV, LLC, Bain Capital Integral Investors 2006, LLC, and BCIP Associates - G (collectively, the "Bain Funds"), the Bain Funds had a contractual right to nominate a varying number of directors to the Board of Directors based on the amount of outstanding common stock owned by the Bain Funds. On March 4, 2015, the Bain Funds sold all of their common stock and no longer have a right to nominate any directors. See "Arrangements With Our Sponsors and Founders" within "Certain Relationships and Related Party Transactions" for additional information regarding the Stockholders Agreement.

Nominees for Election at this Annual Meeting

The Board of Directors currently consists of nine directors and is divided into three classes of three directors each. The directors in each class are elected for terms of three years so that the term of office of one class of directors expires at each annual meeting. At the annual meeting, stockholders will consider the election of three directors for terms ending in 2018.

The current terms of office of the Class III directors, Andrew B. Balson, David R. Fitzjohn and John J. Mahoney, will expire on the day of this annual meeting (as soon as they or their successors are elected). Messrs. Balson, Fitzjohn and Mahoney have been nominated for election by the Board of Directors upon recommendation by the Nominating and Corporate Governance Committee. Proxies may not be voted for a greater number of persons than the number of nominees named. The proxy holders intend to vote all proxies received by them for the nominees unless otherwise instructed. In the event any nominee is unable or declines to serve as a director at the time of the meeting, the proxies will be voted for a nominee, if any, who may be designated by the Board of Directors to fill the vacancy. As of the date of this proxy statement, the Board of Directors is not aware that any nominee is unable or will decline to serve as a director.

The following provides information regarding the business experience and qualifications of each of the Class III nominees:

Andrew B. Balson, 48, has served as a director since June 2007 and is a former Managing Director of Bain Capital. Mr. Balson retired from Bain Capital in 2014, but continues to serve on several of its portfolio company

In addition, he has held numerous executive management positions at Burger King Worldwide, Inc., as well as at retailers Grand Metropolitan and Laura Ashley, and from April 2006 to April 2014 served as a non-executive director of Rosinter Restaurant Holdings, a Russian public company operating casual dining restaurants. The Board of Directors believes that Mr. Fitzjohn's qualifications to serve as a Board member include his many years of executive management experience, industry expertise, and experience with international markets.

John J. Mahoney, 63, has served as a director since May 2012. He retired as Vice Chairman of Staples, Inc., in July 2012, a position he held since January 2006. Mr. Mahoney also served as Chief Financial Officer of Staples from September 1996, when he first joined Staples, to February 2012. Before joining Staples, Mr. Mahoney was a partner with the accounting firm of Ernst & Young LLP where he worked for 20 years, including service in the firm's National Office Accounting and Auditing group. Mr. Mahoney also serves on the board of directors of Michael's Stores, Inc., where he is a member of the audit committee and nominating and corporate governance committee, Burlington Stores, Inc., where he is the Chairman of the nominating and corporate governance committee and a member of the audit committee and compensation committee, and Chico's FAS, Inc., where he is the Chairman of the compensation and benefits committee and a member of the audit committee. The Board of Directors believes that Mr. Mahoney's qualifications to serve as a Board member include his experience as a financial executive and certified public accountant, with expertise in the retail industry, including accounting, controls, financial reporting, tax, finance, risk management, and financial management.

Recommendation of the Board of Directors

We have three standing committees: the Audit Committee; the Compensation Committee; and the Nominating and Corporate Governance Committee. Each of these committees has a written charter approved by the Board of Directors. A copy of each charter can be found by clicking on "Corporate Governance" in the Investors section of our website, www.bloominbrands.com.

Nominees for the Board of Directors

Our Corporate Governance Guidelines provide that nominees for director shall be selected on the basis of their business experience, qualifications, attributes and skills, such as relevant industry knowledge; specific experience with technology, accounting, finance, leadership, strategic planning, and international markets; independence; judgment; integrity; the ability to commit sufficient time and attention to the activities of the Board of Directors; diversity of occupational and personal backgrounds on the Board of Directors; the absence of potential conflicts with Bloomin' Brands' interests; and such other criteria as may be established by the Board of Directors from time to time. These criteria are considered in the context of an assessment of the operation and goals of the Board as a whole. In addition, the Board considers, in light of our business, each director nominee's experience, qualifications, attributes and skills that are identified in the biographical information contained under "Proposal 1—Election of Directors."

In recommending candidates for election to the Board of Directors, the Nominating and Corporate Governance Committee considers nominees recommended by directors, officers, employees, and others, using the same criteria to evaluate all candidates. Messrs. Fitzjohn and Mahoney were recommended for consideration by the Nominating and Corporate Governance Committee for nomination for election to the Board of Directors by Elizabeth Smith, our Chief Executive Officer. The Nominating and Corporate Governance Committee reviews each candidate's qualifications, including whether a candidate possesses any of the specific qualities and skills desirable in certain members of the Board of Directors. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate. Upon selection of a qualified candidate, the Nominating and Corporate Governance Committee would recommend the candidate for consideration by the full Board of Directors. The Nominating and Corporate Governance Committee may engage consultants or third-party search firms to assist in identifying and evaluating potential nominees.

The Nominating and Corporate Governance Committee will also consider nominees for election to the Board of Directors from stockholders. To recommend a prospective nominee for the Nominating and Corporate Governance Committee's consideration, submit the candidate's name and qualifications to our Corporate Secretary in writing to the following address: Bloomin' Brands, Inc., Attention: Nominating and Corporate Governance Committee, 2202 North West Shore Boulevard, Suite 500, Tampa, Florida 33607.

Board Leadership Structure

The Board of Directors does not have a formal policy on whether the roles of Chief Executive Officer and Chairman of the Board of Directors should be separate. Ms. Smith currently serves as both Chief Executive Officer and Chairman of the Board of Directors. The Board of Directors has considered its leadership structure and believes at this time that the Company and its stockholders are best served by having one person serve in both positions. Combining the roles fosters accountability, effective decision-making and alignment between interests of the Board of Directors and management. Ms. Smith's executive responsibilities provide insight that assists our Board of Directors in addressing both internal and external issues affecting the Company. The Board of Directors expects to periodically review its leadership structure to ensure that it continues to meet our needs.

Board's Role in Risk Oversight

It is management's responsibility to manage risk and bring material risks to the attention of the Board of Directors. The Board of Directors administers its risk oversight role by reviewing strategic, financial and execution risks and exposures associated with the annual plan and multi-year plans; major litigation and other matters that may present material risk to our operations, plans, prospects or reputation; acquisitions and divestitures; and senior management succession planning. This oversight role is performed directly and through the committee structure and the committees' regular reports to the Board of Directors. The Audit Committee reviews risks associated with financial and accounting matters, including financial reporting, accounting, disclosure, internal controls over financial reporting, ethics and compliance programs, compliance with orders and data security. The Compensation Committee reviews risks related to executive compensation and the design of compensation programs, plans and arrangements.

Code of Business Conduct and Ethics

We have adopted a written Code of Business Conduct and Ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, and persons performing similar functions. PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

General

We are required to provide our stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with section 14A of the Securities Exchange Act. This vote is referred to as a “say-on-pay” vote.

The Compensation Discussion and Analysis beginning on page 18 and the compensation tables and narrative discussion beginning on page 30 of this proxy statement describe our executive compensation program and the compensation of our named executive officers for 2014. The Board of Directors is asking stockholders to cast a non-binding, advisory vote indicating their approval of that compensation by voting FOR the following resolution:

“RESOLVED, that the stockholders of Bloomin’ Brands APPROVE, on an advisory basis, the compensation paid to its named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.”

As described in detail in the Compensation Discussion and Analysis, we have a total compensation approach focused on performance-based incentive compensation that seeks to:

- attract and retain qualified executives in today’s highly competitive market
- motivate and reward executives whose knowledge, skills and performance are critical to the success of the business
- provide a competitive compensation package that aligns management and stockholder interests by tying a significant portion of an executive’s cash compensation and long-term compensation to the achievement of annual performance goals
- ensure internal equity among the executive officers by recognizing the contributions each executive makes to the success of Bloomin’ Brands
- drive a pay for performance culture

The Compensation Committee regularly reviews our executive compensation program to ensure that compensation is closely tied to aspects of our performance that our executive officers can impact and that are likely to have an impact on stockholder value. We believe that our financial performance, the completion of refinancing transactions and the successful implementation of many significant initiatives during 2014, to which our executive team was instrumental, demonstrate the effectiveness of our compensation program.

The vote on this “say-on-pay” proposal is advisory, which means that the vote will not be binding on Bloomin’ Brands, the Board of Directors or the Compensation Committee. The Compensation Committee will review and consider the results of the vote on this proposal in connection with its regular evaluations of our executive compensation program. As the Board of Directors has currently determined to hold this vote each year, the next “say-on-pay” vote will be held at the 2016 annual meeting of stockholders.

Recommendation of the Board of Directors

The Board of Directors recommends that the stockholders vote FOR the advisory approval of the compensation of Bloomin' Brands' executive officers.

These objectives and our methods of achieving these objectives are summarized below:

Company Highlights. We had solid results for 2014 relative to a challenging market and successfully implemented many significant initiatives to strengthen our brands and completed refinancing transactions. Our highlights for 2014 include the following:

An increase in total revenues of 7.6% to \$4.4 billion in 2014 as compared to 2013, driven primarily by restaurants in Brazil that were acquired November 1, 2013 and an increase in sales from 100 restaurants not included in our comparable restaurant sales base;

•

An increase in system-wide sales of 2.4% in 2014 as compared to 2013. In addition, we grew blended domestic comparable restaurant sales by 2.0% in 2014;

Income from operations of \$192.0 million in 2014 compared to \$225.4 million in 2013, which was primarily due to: (i) impairments and restaurant closing costs related to our International and Domestic Restaurant Closure Initiatives, (ii) asset impairments related to Roy's and corporate aircraft, (iii) lower average unit volumes at

Table of Contents

our South Korea restaurants, (iv) higher General and administrative costs, and (v) higher Depreciation and amortization as a percentage of revenue. These decreases were partially offset by an increase in operating margins at the restaurant level;

Productivity and cost management initiatives provided savings of \$65.4 million in 2014; and

During fiscal year 2014, we paid down \$102.3 million of our debt.

Pay for Performance. A key principle of our compensation philosophy is pay for performance. Our executive compensation programs are aligned with our business initiatives and have been designed to pay commensurate with the level of performance generated.

The 2014 cash incentive payout under our short-term incentive plan (“STIP”) for our named executive officers was based on Company performance and, if applicable, restaurant concept performance, compared to pre-established financial goals, which included metrics such as adjusted net income, adjusted EBIT and revenue growth. The named executive officers earned performance-based cash incentives as follows:

Named Executive Officer	STIP Performance Payout
Ms. Smith	\$895,673
Mr. Deno	\$331,500
Mr. Herlihy	\$83,679
Mr. Judge	\$211,140
Mr. Smith	\$430,100

The named executive officers received long-term incentive (“LTI”) awards of stock options and performance-based share units (“PSU”). The stock options vest 25% per year over four years from the grant date and have value if the share price appreciates after the date of the award. The performance-based share units vest 25% per year over four years from the grant date, the units earned vary to the extent the performance metrics are achieved for each performance period, and are distributed upon the Board of Directors certifying that the performance metrics were attained. The Company’s cumulative adjusted net income for 2013 and 2014 was the performance metric for the second tranche of the 2013 PSU award. The Company’s adjusted earnings per share (“EPS”) was the performance metric for the first tranche of the 2014 PSU award. The named executive officers earned performance-based share units as follows:

Named Executive Officer	LTI Performance Attainment (2013 PSU Award)	LTI Performance Attainment (2014 PSU Award)
Ms. Smith	N/A	63%
Mr. Deno	59%	63%
Mr. Herlihy	N/A	N/A
Mr. Judge	N/A	63%
Mr. Smith	59%	63%

Compensation Setting Process

Compensation Committee. Our Compensation Committee oversees our executive compensation program and, in some cases, together with the full Board of Directors, approves the type and amount of compensation paid to our Chief Executive Officer and other executive officers, approves agreements with our executive officers and provides oversight to our equity compensation plan. The Compensation Committee meets periodically throughout the year to monitor our compensation arrangements and objectives. Salary and target bonus amounts, as well as equity awards for other executives, reflect input from the compensation consultant and recommendations from management to the Compensation Committee. The Compensation Committee reviews the compensation and performance of the Chief Executive Officer and recommends her compensation to the full Board of Directors for approval. Our executive officers possess employment agreements or offers of employment that establish, among other things, the executive's base salary and target bonus, measured as a percentage of base salary, as well as benefits upon a termination of employment and/or a change in control of the Company. Generally, our Board of Directors has been responsible for approving, upon the recommendation or approval of the Compensation Committee, equity awards to our executive officers in order to qualify these awards as exempt awards under Rule 16b-3 under the Exchange Act.

The Compensation Committee begins its annual process for deciding how to compensate our executive officers by considering the competitive market data provided by its independent compensation consultant and human resources management. The Compensation Committee evaluates the appropriateness of the Chief Executive Officer and the other named executive officer's total compensation as positioned against the 50th percentile of the market based on factors that include Company and business unit revenues and performance, job scope and individual performance. If the Compensation Committee deems that the compensation associated with the Chief Executive Officer or a named executive officer's position is not aligned to the market, then the Compensation Committee may choose to modify one or more of the compensation components.

Table of Contents

The Compensation Committee will also consider the annual non-binding stockholder vote on executive compensation in setting executive compensation each year. At our 2014 annual meeting, this proposal received a vote of over 96% of the votes cast in favor of approving our executive compensation for 2013. Accordingly, the Compensation Committee did not propose any changes to our 2014 compensation program.

Role of Independent Compensation Consultants. In 2013, the Compensation Committee selected and engaged Frederic W. Cook (“Cook & Co.”) as its independent compensation consultant, and Cook & Co. was appointed as the independent compensation consultant again in 2014. The compensation consultant’s responsibilities include, but are not limited to, providing market data, updating the Compensation Committee on trends and developments in executive compensation, reviewing the design of the executive compensation program periodically and providing advice to the Compensation Committee and its Chair, as requested. The Compensation Committee has the sole authority to hire and terminate Cook & Co. and may seek advice from them without the involvement of management. Cook & Co. attends Compensation Committee meetings and, on occasion, obtains information and input from management to ensure that its recommendations are consistent with Bloomin’ Brands’ strategy and culture.

After review and consultation with Cook & Co., the Compensation Committee determined that Cook & Co. is independent and that there is no conflict of interest resulting from retaining Cook & Co. currently or during the year ended December 28, 2014.

Role of CEO in Compensation Decisions. The Compensation Committee also considers the recommendations of our Chief Executive Officer with respect to salary adjustments, annual cash incentive bonus targets and awards and equity incentive awards for our other executive officers. Generally, our Board of Directors has been responsible for approving, upon the recommendation or approval of the Compensation Committee, equity awards to our executive officers in order to qualify these awards as exempt awards under Rule 16b-3 under the Exchange Act.

Our Executive Compensation Program

Competitive Positioning. Our executive compensation program is designed to target the following market ranges for each component of compensation; however, an individual’s compensation may be below or above the targeted competitive positioning based on individual performance or other business factors.

COMPENSATION COMPONENT	TARGETED RANGE
Base Salary	Market Median
Short-Term Incentives	Between the Median and 75th Percentile
Target Total Cash	Between the Median and 75th Percentile
Long-Term Incentives	Between the Median and 75th Percentile
Target Total Direct Compensation	Between the Median and 75th Percentile

Peer Group and Competitive Market Information. The Compensation Committee utilizes a peer group to evaluate executive officer compensation levels and to benchmark our executive compensation design and governance features. The Compensation Committee reviews the peer group on an annual basis to ensure the companies are of comparable size (based on revenue, market capitalization and other relevant metrics), maintain strong consumer brands, have multiple consumer brands in their portfolios, have an entrepreneurial culture, are globally positioned and compete with us for executive talent.

The peer group used for 2014 compensation benchmarking consisted of the following companies:

PEER GROUP COMPANIES

Bob Evans Farms, Inc.	Hyatt Hotels Corporation	Royal Caribbean Cruises Ltd.
Brinker International, Inc.	Jack in the Box Inc.	Ruby Tuesday, Inc.
Burger King Worldwide, Inc.	L Brands, Inc.	Starbucks Corporation
Chipotle Mexican Grill, Inc.	Las Vegas Sands Corp.	Starwood Hotels & Resorts Worldwide, Inc.
Cracker Barrel Old Country Store, Inc.	MGM Resorts International	Texas Roadhouse, Inc.
Darden Restaurants, Inc.	Panera Bread Company	The Cheesecake Factory Incorporated
DineEquity, Inc.	PetSmart, Inc.	The Wendy's Company
Foot Locker, Inc.	Ross Stores, Inc.	YUM! Brands, Inc.

To determine competitive market compensation for 2014, the peer group data and national executive compensation survey data compiled by Cook & Co. were combined to establish market consensus information against which the Compensation Committee assessed base salary, target short-term incentives, target total cash payout, long-term incentive value and target total direct compensation. The Compensation Committee also periodically reviews other benchmarking data as presented by the independent compensation consultant and human resources management. This data covers a variety of areas such as equity vesting practices, the prevalence of performance metrics among peer companies, types of equity vehicles used by peer companies, equity burn rates and any other market data the Compensation Committee needs to consider when evaluating our executive compensation program.

Compensation Components

Mix of Total Compensation. Our executive compensation programs consist of three primary components:

- base salary
- performance-based cash incentives
- long-term equity incentive awards, generally in the form of stock options and performance-based share units

In addition, our executive compensation programs provide secondary benefits, such as:

- retention-based cash incentives
- other benefits and perquisites
- change in control and termination benefits

In allocating compensation among the various compensation components, we provide equitable and competitive levels of fixed compensation (base salary and benefits) while emphasizing performance-based compensation. A significant percentage of cash compensation and total compensation for our named executive officers is allocated to performance-based compensation. Performance-based cash incentives are targeted so that a meaningful percentage of annual cash compensation is dependent on the overall performance of Bloomin' Brands and/or, if applicable, restaurant concept performance along with individual performance. Long-term equity incentives comprise the largest share of total direct compensation and provide a significant link to the stockholder experience. We do not target a specific percentage for

Table of Contents

each element of compensation relative to total compensation. Our mix of compensation results from targeting a percentage that will allow us to be competitive in the market.

The charts below show the target compensation mix for the Chief Executive Officer and the average compensation mix of the other named executive officers.

Base Salaries. Base salaries generally reflect demonstrated experience, skills and competencies as well as competitive market value. Base salary levels of our executive officers may be increased by the Compensation Committee as part of the annual performance review process, upon an executive officer's promotion, change in job responsibilities or to address internal or external equity, as recommended by management.

As a result of the comparative market data analysis performed in February 2014, the Compensation Committee made a market-based adjustment to Ms. Smith's base salary to better align her base salary to the competitive market set and her experience, responsibilities and performance.

Base salaries of the named executive officers and changes, if any, are listed in the table below:

NAMED EXECUTIVE OFFICER	2014 BASE SALARY	CHANGE FROM 2013
Elizabeth A. Smith	\$1,000,000	\$25,000
David J. Deno	650,000	—
Donagh M. Herlihy	540,000	N/A
Stephen K. Judge	540,000	—
Jeffrey S. Smith	575,000	—

Performance-Based Cash Incentives and Other Cash Incentives. Cash incentives are awarded to all of our executive officers under performance-based cash incentive plans. The design of the short-term incentive plans ("STIP"), which follows a structure that is generally consistent from year to year, reflects the Compensation Committee's belief that a significant portion of annual compensation for each executive officer should be based on the financial performance of the Company. These awards are payable based on the achievement of annual financial objectives measured against our internal operating plan and individual performance measured on the achievement of goals established at the beginning of the year. For corporate executives, the payouts are based on the Company's achievement of its annual financial objectives and individual performance. The payouts for executives with restaurant concept specific operating responsibilities are based on a combination of the Company and the restaurant concepts' achievement of their annual financial objectives and individual performance. Annual performance-based cash incentive targets, measured as a

Table of Contents

percentage of base salary, are established in each executive officer's employment agreement. Payouts can range from 0% to 200% of established percentage of salary, with a payout at 50% if threshold performance is achieved, 100% if target performance is achieved and 200% if maximum performance is achieved. The Compensation Committee has discretion to decrease, but not to increase, the annual payout.

2014 STIP Targets

The following table presents the 2014 STIP target for each named executive officer, as a percentage of his or her base salary and the change, if any, from 2013.

NAMED EXECUTIVE OFFICER	2014 ANNUAL PERFORMANCE-BASED CASH INCENTIVE TARGET, AS A PERCENTAGE OF BASE SALARY		CHANGE FROM 2013
Elizabeth A. Smith	150%	50%	
David J. Deno	85%	—	
Donagh M. Herlihy (1)	85%	N/A	
Stephen K. Judge	85%	—	
Jeffrey S. Smith	85%	—	

(1) Mr. Herlihy was hired as our Executive Vice President and Digital and Chief Information Officer effective September 2, 2014.

2014 STIP Measures

For 2014, the STIP for three of our corporate named executive officers (the "2014 Corporate STIP"), Ms. Smith and Messrs. Deno and Herlihy, was based on two equally weighted measures: Bloomin' Brands' Adjusted net income (net income adjusted for certain items) and total revenue growth (measured as the percentage increase in total revenue over the prior fiscal year ("Total Revenue Growth")). See Non-GAAP Financial Measures - Other Non-GAAP Financial Measures under Item 7 of our Annual Report on Form 10-K for the year ended December 28, 2014 for a description of our adjustments to net income. The STIP for Messrs. Judge and Smith was based 50% on the 2014 Corporate STIP, as described above, and 50% on the result of their respective restaurant concepts, as described below.

At the restaurant concept level, the two equally weighted measures used are Adjusted EBIT (earnings before interest and taxes as adjusted to exclude the impact of restaurant closings, gains and losses on disposed assets and certain other gains and losses ("Adjusted EBIT")) and Total Revenue Growth for the restaurant concept. Adjusted Net Income, Adjusted EBIT and Total Revenue Growth performance levels were established by the Compensation Committee at the beginning of the year based on consideration of the Company's and/or the restaurant concept's business plan, as well as industry and general economic conditions and trends, among other considerations. The performance levels were based on annual financial objectives and were expected to present a challenge, especially with persisting economic conditions; however, achievement of these goals was not viewed as requiring or encouraging excessive risk-taking by our executives. The cash incentives were payable on a non-linear sliding scale with respect to each component (ranging from 0% to 200%) based on the following targeted amounts:

Named Executive Officer	STIP Weighting	
	BBI	Concept
Ms. Smith	100%	—

2014 Financial Performance

For the 2014 Corporate STIP, Total Revenue Growth, adjusted for certain items, of 8.4% was slightly above the threshold measure primarily due to an increase in domestic comparable restaurant sales, which was partially offset by lower comparable restaurant sales in South Korea.

Adjusted Net Income of \$140.8 million was slightly above threshold primarily due to lower average unit volumes in South Korea, higher kitchen and service labor costs due to lunch expansion across certain concepts, partially offset by productivity initiatives and higher U.S. average unit volumes, primarily from Outback Steakhouse.

Total Revenue at Bonefish Grill, adjusted for certain items, grew 11.6%, which was slightly above threshold due to the addition of 17 new restaurants. Bonefish Grill fell short of their Adjusted EBIT threshold of \$22.0 million, primarily due to lower traffic and higher costs related to the new menu rollout.

Revenue growth, adjusted for certain items, of 3.1% for Outback Steakhouse was above target due to higher average restaurant unit volumes. Outback Steakhouse was able to drive the increase in revenue to achieve \$204.0 million in Adjusted EBIT, which was slightly above target.

2014 Individual Performance

In addition to the financial performance measures listed above, each executive officer was assigned an individual performance rating for the year, as recommended by the Chief Executive Officer, and the Compensation Committee had the discretion to decrease, but not increase, the payout amount for performance that did not meet expectations. Individual performance and subsequent compensation decisions are based on the performance of the business for which the individual is responsible, the individual's skill set relative to peers, the critical nature of the individual's role, the difficulty of replacement, their expected future contributions and their role relative to that of other executive officers.

In determining incentive award payouts for 2014, the Compensation Committee and Board considered the following individual accomplishments by the NEOs.

Table of Contents

During 2014, Ms. Smith was instrumental in leading our innovation and expansion efforts. Ms. Smith's attention to building the right leadership team, and focus on areas that provide immediate value, as well as those areas that are important for building future growth capability, strengthened the foundation of our Company in 2014.

Mr. Deno's leadership was critical to our solid performance in a challenging year for the industry. Mr. Deno has remained focused on generating cash flow through more efficient working capital management and continued controls over capital spending.

Mr. Herlihy's leadership led to an immediate impact in our information technology department. He accelerated technology initiatives and introduced a new digital structure to our Company to create better unity amongst the technology and marketing functions, building a stronger global brand.

Mr. Judge's performance at our Bonefish Grill brand included the opening of 17 restaurants and increasing sales for the year.

Mr. Smith continued to lead the Outback Steakhouse brand to outperform the market as the brand's solid performance was evidenced by growth in revenue and volume. He delivered strong results driven by innovation, increased comparable restaurant sales by 3.1% and continued focus on generating productivity gains through excellent execution.

2014 STIP Payouts

The 2014 Corporate and concept financial performances combined with the respective individual performance resulted in below target results for all named executive officers. The total payouts to our named executive officers under the 2014 STIP ranged from \$83,679 to \$895,673 at 41% to 88% of their bonus targets. The Company outperformed the Knapp-Track traffic indicator; however, based on our financial objectives and individual expectations set to drive exceptional performance, the achieved metrics resulted in compensation below the targeted amounts.

Performance-based cash incentives earned by the named executive officers are reflected in the "—Summary Compensation Table" under the heading "Non-Equity Incentive Plan Compensation." Threshold, target and maximum payments for the named executive officers under the 2014 STIP are reflected in "—Grants of Plan-Based Awards for Fiscal 2014."

Other Bonus Arrangements. In February 2015, the Compensation Committee and the Board of Directors granted Mr. Smith a recognition bonus due to our consistent outperformance of our casual dining competition, based on the Knapp-Track traffic indicator. The recognition bonus amount paid to Mr. Smith was \$86,020. This amount is included in the "—Summary Compensation Table" under the heading "Bonus."

Long-Term Equity Incentive Awards. Long-term equity incentive ("LTI") awards are designed to align a significant portion of total compensation with our long-term goal of increasing the value of the Company. These equity awards are designed to reward longer-term performance, facilitate equity ownership, deter outside recruitment of our key personnel and further align the interests of our executive officers with those of our stockholders. Equity awards have generally been limited to our executive officers and other key employees who are in a position to contribute substantially to our growth and success. Under our Insider Trading Policy, our directors and executive officers are prohibited from engaging in short sales or investing in other kinds of hedging transactions or financial instruments that are designed to hedge or offset any decrease in the market value of our securities.

Table of Contents

2014 LTI Awards

In February 2014, the Board of Directors approved, based on the recommendation of the Compensation Committee, grants consisting of 50% in stock options and 50% in PSUs under the 2012 Equity Plan to our current executive officers. To align our executive officers with stockholders' interest, we awarded stock options to compensate based on stock price appreciation. The stock options have an exercise price of \$25.32 which vest in equal amounts over a four-year period and are exercisable over a ten-year term, contingent upon continued employment. PSUs have been granted since 2013. In 2014, we updated the metric from cumulative Adjusted net income to Adjusted EPS to reward executives for successfully balancing profit maximization and the efficient use of capital, as well as ensuring quality of profit. In addition, we wanted to disassociate the STIP and the LTIP metrics by removing Adjusted net income as a performance metric from the LTIP.

The PSUs vest over a four-year period, contingent upon continued employment, and the number of units earned vary to the extent the performance targets are achieved for each period. The portion of the PSUs that can vest in the first year (25%) is earned based on achievement of our one-year Adjusted EPS, with targets set by the Board of Directors based on our 2014 fiscal plan at the time of grant. In subsequent years, the number of PSUs earned (up to 25% of the annual grant, with 0% to 200% of such amount vesting based on achievement of the performance metric) is based on the Adjusted EPS achieved relative to our fiscal plan expectations for such years and will be set by the Compensation Committee (or full Board of Directors) at the beginning of each year. The annual targets ensure we are reaching milestones and making continuous progress towards our long-term goals. Adjusted EPS is defined as Adjusted net income divided by diluted weighted-average shares. Diluted weighted-average shares include weighted-average shares outstanding plus the dilutive effect of common stock equivalents, including restricted stock, RSUs, PSUs and stock options, of share-based compensation.

The second tranche of the 2013 PSU award and the first tranche of the 2014 PSU award vested and were settled in shares based on the following scale:

PERFORMANCE MEASURE	PERFORMANCE MEASURES AND TARGETS				PERCENTAGE OF PSUs EARNED IN 2015
	THRESHOLD (50% of shares are earned)	TARGET (100% of shares are earned)	MAXIMUM (200% of shares are earned)	ACTUAL RESULTS	
2013-2014 BBI Cumulative Adjusted Net Income (2013 grant)	\$280M	\$296M	\$316M	\$283M	59%
2014 BBI Adjusted EPS (2014 grant)	\$1.07	\$1.19	\$1.35	\$1.10	63%

For amounts between the threshold, target and maximum amounts set forth above, the participant will earn a number of shares based on a non-linear sliding scale between such percentages. No shares are earned for achievement of performance measures below the threshold. The following table sets forth (a) the aggregate target PSUs awarded in 2013 and 2014, (b) the number of shares that could be earned based on 2014 results and continued employment through the vesting date and (c) the number of shares actually earned of the tranche eligible for vesting in 2015 (25% of the total award) that were earned, based on the Compensation Committee's recommendation and the Board of Directors' approval of the performance achievement for 2014.

Off-Cycle 2014 LTI Awards

Mr. Herlihy was granted 50,000 restricted stock units and the option to purchase 250,000 shares of our common stock under the 2012 Equity Plan in connection with his hiring in September 2014. The restricted stock units will vest in equal amounts over a four-year period on each anniversary of the grant date, contingent upon his continued employment. The option grant has an exercise price of \$18.12 per share and the shares subject to the option grant will vest in equal amounts over a four-year period on each anniversary of the grant date, contingent upon his continued employment. The number of awards was determined by analyzing market data to offer a competitive LTI package, and a portion of the awards were to offset the loss of awards from his previous employer that would have vested within a short period of time of his start date with us.

Mr. Judge was granted 25,000 restricted stock units under the 2012 Equity Plan in recognition of his continued transformation of the Bonefish Grill restaurant concept, while maintaining long-term objectives and building a more robust, strategic plan. In addition, this award solidified our commitment to Mr. Judge and his vision for the restaurant concept. The restricted stock units will vest in equal amounts over a four-year period on each anniversary of the grant date, contingent upon his continued employment.

All of these awards, if unvested, will forfeit upon termination or retirement.

See “—Grants of Plan-Based Awards for Fiscal 2014” for additional information regarding 2014 equity awards to the named executive officers.

Changes made in 2014

In December 2014, we adopted a Compensation Recovery Policy pursuant to which executive officers and other key employees will be required to return incentive compensation paid to them if the financial results upon which the awards were based are materially restated due to dishonesty, fraud, misrepresentation or intentional misconduct of a Company policy or law (a “Material Financial Restatement”).

Under the Compensation Recovery Policy, we can require reimbursement of all or a portion of any bonus, incentive payment, equity-based compensation (including performance shares, restricted stock or restricted stock units and stock options), or other compensation to the extent that it is paid, earned or vests less than three years prior to the date we publicly disclose the need for the applicable Material Financial Restatement.

We believe our Compensation Recovery Policy is sufficiently broad to reduce the potential risk that an executive officer or key employee would intentionally misstate results in order to benefit under an incentive program and provides the opportunity for recoupment in the event that an executive officer or key employee took actions that, in hindsight, should not have been rewarded.

In addition, to underscore the importance of linking executive and stockholder interests, the Board of Directors adopted Stock Ownership Guidelines Policy for directors, executive officers and our executive leadership team who are eligible to receive long-term incentive awards. The target level of ownership of Bloomin’ Brands, Inc. common stock is established as a multiple of base salary or annual retainer.

Position	Target Ownership
Non-Employee Directors	5x Annual Retainer
CEO	5x Base Salary
Executive Officers	3x Base Salary
Executive Leadership Team	1x Base Salary

Each employee subject to the Stock Ownership Guidelines is expected to achieve the ownership target within five years from the date on which the employee became subject to the guidelines. Shares that count toward the target ownership amount include Common Stock directly or indirectly owned, estimated after-tax value of time-vested

Table of Contents

restricted stock or restricted stock units and estimated after-tax, in-the-money value of vested stock options (based on the Black-Scholes value). Unvested stock options and unearned performance-based share units do not count toward the target ownership amount.

Other Benefits and Perquisites. The named executive officers are each entitled to receive certain perquisites and benefits under the terms of their employment agreements and offers of employment. We believe these benefits are reasonable and consistent with our overall compensation program and better enable us to attract and retain qualified employees for key positions. Such benefits include life insurance, medical insurance, annual physical examinations, vacation and personal use of corporate aircraft for our Chief Executive Officer. The Compensation Committee periodically reviews the levels of perquisites and other benefits provided to the named executive officers. In March 2015, we eliminated the car allowance for all executive officers. The equivalent amount was added to their base salaries. The only named executive officer that was affected was Mr. Smith, and \$5,000 was added to his base salary for 2015 to reflect this policy change.

We offer a deferred compensation plan for our highly compensated employees who are not eligible to participate in the OSI Restaurant Partners, LLC Salaried Employees 401(k) Plan and Trust. The deferred compensation plan allows highly compensated employees to contribute from 5% to 90% of their base salary and from 5% to 100% of their cash bonus on a pre-tax basis to an investment account consisting of various investment fund options. The plan permits us to make a discretionary contribution to the plan on behalf of an eligible employee periodically; however, we have not made any discretionary contribution to date. In the event of the employee's termination of employment other than by reason of disability or death, the employee is entitled to receive the full balance in the account in a single lump sum unless the employee has completed either five years of participation or ten years of service as of the date of termination of employment, in which case, the account will be paid as elected by the employee in equal annual installments over a specified period of two to 15 years. If the employee becomes disabled or dies before any deferred amounts are paid out under the plan, we will pay to the employee (or the employee's beneficiary if applicable) the full balance in the account in a single lump sum. If the employee's employment terminates due to death or disability after he or she begins receiving payments, the remaining installment payments will be paid in installment payments as such payments come due.

The amounts attributable to perquisites and other benefits provided to the named executive officers are reflected in the "—Summary Compensation Table" under the heading "All Other Compensation."

Change in Control and Termination Benefits. Each employment agreement or offer of employment establishes, among other things, the executive's benefits upon a termination of employment and/or a change in control. For a summary of these arrangements, see "—Potential Payments Upon Termination or Change in Control."

In addition, the Board of Directors adopted an Executive Change in Control Plan (the "Change in Control Plan"), which entitles executive officers and other key employees to certain severance payments and benefits in the event of a qualifying termination of employment upon or within the 24 months following certain change in control events. The payments and benefits will be reduced by the amount of any severance or similar payments or benefits under an employment agreement or other arrangement with us and are subject to the employee's compliance with non-competition and other restrictive covenants and the other terms and conditions of the Change in Control Plan. These benefits are described in more detail under "—Potential Payments Upon Termination or Change in Control" below.

Tax and Accounting Implications

In making decisions about executive compensation, the Compensation Committee took into account certain tax and accounting considerations, including Sections 162(m), 409A and 280G of the Internal Revenue Code. Additionally,

we account for stock-based payments in accordance with the requirements of FASB ASC Topic No. 718, "Compensation-Stock Compensation." Transition provisions under Section 162(m) may apply for a period of three to four years following the IPO to certain compensation arrangements that were entered into prior to our stock being publicly traded. We expect that our Compensation Committee may seek to qualify the variable compensation paid to our named executive officers under certain of these arrangements for an exemption from the deductibility limitations

Table of Contents

of Section 162(m) when such limitations are applicable. The compensation for Messrs. Herlihy and Judge, and the recognition bonuses to our other executive officers, do not fall under these transition provisions, so this compensation is subject to the Section 162(m) deductibility limitations. Accordingly, our Compensation Committee has and may in the future, in its judgment, authorize compensation payments that do not comply with the exemptions in Section 162(m) when it believes that such payments are appropriate to attract and retain executive talent or is otherwise in our best interests. In addition, because there are uncertainties as to the application of regulations under Section 162(m), as with most tax matters, it is possible that our deductions may be challenged or disallowed.

Our Compensation Committee considers the accounting implications of significant compensation decisions, especially in connection with decisions that relate to our equity incentive award plans and programs. As accounting standards change, we may revise certain programs to appropriately align accounting expenses of our equity awards with our overall executive compensation philosophy and objectives.

Report of the Compensation Committee

The Compensation Committee has reviewed and discussed with management the foregoing Compensation Discussion and Analysis. Based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

Compensation-Related Risk

As part of its oversight and administration of our compensation programs, the Compensation Committee considered the impact of our compensation policies and programs for our executive officers, to determine whether they present a significant risk to the Company or encourage excessive risk taking by our executive officers. Based on its review, the Compensation Committee concluded that our compensation programs do not encourage excessive risk taking and are not reasonably likely to have a material adverse effect on the Company.

The amount for Mr. Herlihy in 2014 represents 50% of a signing bonus of \$500,000 per the terms of his offer of (1) employment. The remaining 50% will be paid after six months of employment. In addition, Mr. Smith received a recognition bonus for 2014 of \$86,020.

(2) The amounts reported for stock awards represent the aggregate grant date fair value of RSUs and PSUs. For 2013 and 2014, the PSU amounts reported represent the aggregate grant date fair value of the four tranches of the PSUs awarded in such year based on probable attainment of the performance goals as follows: (a) 2014 award: 63%

attainment for the first tranche (25% of such award) and 100% (target performance) for the remaining three tranches (75% of such award) and (b) 2013 award: 100% (target performance) for all four tranches (100% of such award). PSU awards pay out at a range of 0% to a maximum of 200% of their targets based on the following performance measures: 50% for threshold, 100% for target and 200% for maximum. The aggregate grant date fair value of the 2014 PSUs assuming achievement of the maximum performance level of 200% over all four years would be: Ms. Smith \$4,388,007; Mr. Deno, \$1,450,026; Mr. Judge, \$600,033; and Mr. Smith, \$719,037. We recorded compensation expense in 2014 for the aggregate grant date fair value of the first tranche of the 2014 PSUs and the second tranche of the 2013 PSUs (for which the performance goals were set in 2014 and only Messrs. Deno and Smith received awards) based on probable attainment of the performance goals as of the grant date as follows: Ms. Smith \$345,567; Mr. Deno, \$242,971; Mr. Judge, \$47,272; and Mr. Smith, \$133,690. See “-Compensation Discussion and Analysis” under the heading “Long-Term Equity Incentive Awards” for a description of the PSU terms. See also Note 6, “Stock-based and Deferred Compensation Plans,” in our consolidated financial statements in Item 8 of our Annual Report on Form 10-K for additional information regarding these awards.

The amounts for option awards represent the aggregate grant date fair value of stock option awards computed in accordance with FASB ASC Topic No. 718. The stock option awards were valued at fair value on the grant date (3) using the Black-Scholes option pricing model. See Note 6, “Stock-based and Deferred Compensation Plans,” in our consolidated financial statements in Item 8 of our Annual Report on Form 10-K for the year ended December 28, 2014 for the assumptions made to value the stock option awards.

Non-equity incentive plan compensation represents amounts earned under the performance-based cash incentive plans, or STIPs, established for such years. The amounts earned were based on the achievement of specified, (4) pre-determined levels of Company-wide Adjusted Net Income, concept Adjusted EBIT and/or revenue growth over the prior year relative to a percentage of the named executive officers bonus potential. See “—Compensation Discussion and Analysis” under the heading “Performance-Based Cash Incentives” for a description of the plans for 2014.

(5) The table set forth below titled “All Other Compensation” provides additional information regarding these amounts.
