AND PROXY STATEMENT

April 29, 2016

You are cordially invited to attend our 2016 Annual Meeting of Stockholders at 10:00 a.m., Dallas, Texas, local time, on June 13, 2016. The meeting will be held at 2323 Victory Avenue, 5th Floor, Dallas, Texas 75219.

This booklet includes the formal notice of the meeting and our proxy statement. The proxy statement tells you about the matters to be addressed, and the procedures for voting, at the meeting.

YOUR VOTE IS VERY IMPORTANT. Even if you only have a few shares, we want your shares to be represented. If your shares are held in a brokerage account, your broker no longer has discretion to vote on your behalf with respect to electing directors or certain other non-routine matters. Accordingly, you must provide specific voting instructions to your broker in order to vote. Please vote promptly in order to ensure that your shares are represented at the meeting.

The Notice of Internet Availability of Proxy Materials or this proxy statement and the accompanying proxy card, as applicable, Notice of 2016 Annual Meeting of Stockholders and annual report for the year ended December 31, 2015

were first provided to stockholders of record on or about May 4, 2016.

We look forward to seeing you at the meeting.

Very truly yours,

Jeremy B. Ford
Chief Executive Officer

All stockholders who are not sent a notice will be sent a paper copy of our proxy materials by mail. Why am I receiving these proxy materials?

The Board of Directors of Hilltop, or the Board of Directors, has made these materials available to you on the Internet or has delivered printed versions of these materials to you by mail in connection with the Board of Directors’ solicitation of proxies for use at our 2016 Annual Meeting of Stockholders, or the Annual Meeting, which will take place at 10:00 a.m. (Dallas, Texas local time) on Monday, June 13, 2016, at 2323 Victory Avenue, 5th Floor, Dallas, Texas 75219. This Proxy Statement describes matters on which you, as a stockholder, are entitled to vote. This Proxy Statement also gives you information on these matters so that you can make an informed decision with respect to your vote.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of printed proxy materials?

In accordance with rules promulgated by the Securities and Exchange Commission, or the SEC, instead of mailing a printed copy of our proxy materials to all of our stockholders, we have elected to furnish such materials to selected stockholders by providing access to these documents over the Internet. Accordingly, on or about May 4, 2016, we provided a Notice of Internet Availability of Proxy Materials, or the Notice, to selected stockholders of record and beneficial owners. These stockholders have the ability to access the proxy materials on a website referred to in the Notice or to request to receive a printed set of the proxy materials by calling the toll-free number found on the Notice. We encourage you to take advantage of the availability of the proxy materials on the Internet in order to help reduce the environmental impact of the printing and distribution of our proxy materials.

Table of Contents

How can I get electronic access to the proxy materials?

The Notice provides you with instructions regarding how to:

- Ø view our proxy materials for the Annual Meeting on the Internet;
- Ø vote your shares after you have viewed our proxy materials;
- Ø register to attend the meeting in-person;
- Ø request a printed copy of the proxy materials; and
- Ø instruct us to send our future proxy materials to you electronically by email.

Copies of the proxy materials are available for viewing at www.proxyvote.com.

You may have received proxy materials by email. Even if you received a printed copy of our proxy materials, you may choose to receive future proxy materials by email. Choosing to receive your future proxy materials by email will lower our costs of delivery and will reduce the environmental impact of printing and distributing our proxy materials. If you choose to receive our future proxy materials by email, you will receive an email next year with instructions containing a link to view those proxy materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it or for so long as the email address provided by you is valid.

What am I voting on?

At the Annual Meeting, stockholders will be asked to:

- Ø Elect 21 directors to serve on our Board of Directors until the 2017 annual meeting of stockholders or until their successors are duly elected and qualified;

- Ø Conduct an advisory vote to approve executive compensation;
- Ø Ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2016; and
- Ø Transact any other business that may properly come before the Annual Meeting and any adjournments or postponements of the Annual Meeting.

What are the Board of Directors' recommendations?

The Board of Directors recommends that you vote your shares:

- Ø FOR each of our director candidates;
- Ø FOR the approval, on an advisory basis, of the compensation of our named executive officers; and
- Ø FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2016.

Who is entitled to vote?

Holders of record of our common stock at the close of business on April 21, 2016, are entitled to vote at the Annual Meeting. With respect to each matter presented, a stockholder is entitled to cast one vote for each share of common stock owned at the close of business on April 21, 2016.

Table of Contents

How do I vote?

If you are a stockholder of record, there are four ways to vote:

Ø In Person. You may vote in person at the Annual Meeting. Bring your printed proxy card if you received one by mail. Otherwise, we will provide stockholders of record with a ballot at the Annual Meeting. We recommend that you vote by proxy even if you plan to attend the Annual Meeting. You always can change your vote at the Annual Meeting.

Ø Via the Internet. You may vote by proxy via the Internet by visiting www.proxyvote.com. Have your proxy card or Notice in hand when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form.

Ø Via Telephone. If you received or requested printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number found on the proxy card.

Ø Via Mail. If you received or requested printed copies of the proxy materials by mail, you may vote by proxy by marking, signing and dating the proxy card and sending it back in the envelope provided.

If you are the beneficial owner of shares held by a broker or other nominee, you may instruct your broker or nominee to vote your shares by following the instructions that the broker or nominee provides to you. New York Stock Exchange, or NYSE, rules prohibit your broker from voting for the election of directors and to approve executive compensation on your behalf without specific voting instructions from you. Many brokers allow stockholders to provide voting instructions by mail, telephone and the Internet.

How do proxies work?

Our Board of Directors is asking for your proxy. Giving your proxy to the persons named by us means you authorize them to vote your shares at the Annual Meeting in the manner you direct. You may vote for all of our director candidates or withhold your vote as to one or more director candidates, and you may vote for or against, or abstain from voting on, executive compensation and the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2016.

If you are a stockholder of record and (a) you indicate when voting on the Internet or by telephone that you wish to vote as recommended by our Board of Directors or (b) you sign and return the enclosed proxy card but do not specify

how your shares are to be voted, your shares will be voted FOR the election of all of our director candidates, FOR the approval of our executive compensation and FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2016.

If you are the beneficial owner of shares held by a broker or other nominee, also referred to as held in “street name,” and you do not provide such broker or nominee with specific voting instructions, under the rules promulgated by the NYSE, the broker or nominee that holds your shares may generally vote on “routine” matters at its discretion, but cannot vote on “non-routine” matters. If the broker or nominee that holds your shares does not receive instructions from you on how to vote your shares on a “non-routine” matter, that broker or nominee will inform the inspector of election that it does not have the authority to vote on such matters with respect to your shares, which is generally referred to as a “broker non-vote.”

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. If you also hold shares through a broker or other nominee, you also may receive material from them asking how you want those shares voted. To be sure that all of your shares are voted, we encourage you to respond to each request you receive.

Table of Contents

Which matters are considered “routine” or “non-routine”?

The ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2016 is considered to be a “routine” matter. A broker or other nominee may generally vote on routine matters and, therefore, no broker non-votes are expected to exist with respect to this matter. All other matters set forth in this Proxy Statement are matters that we believe will be designated “non-routine” matters. A broker or other nominee cannot vote without instructions on non-routine matters and, therefore, there may be broker non-votes on all matters other than the ratification of the appointment of PricewaterhouseCoopers LLP.

Can I change my vote or revoke my proxy after I have voted?

You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting (or before any earlier deadline specified in the Notice or the proxy card) by (a) voting again via the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the Annual Meeting will be counted), (b) signing and returning a new proxy card or vote instruction form with a later date or (c) attending the Annual Meeting and voting in person. Your attendance at the Annual Meeting, however, will not automatically revoke your proxy unless you vote again at the Annual Meeting or specifically request that your prior proxy be revoked by delivering, prior to the Annual Meeting, a written notice of revocation to the corporate Secretary at the address listed under “Questions” on page 58.

Will my shares be voted if I don’t sign a proxy?

If you hold your shares directly in your own name, they will not be voted unless you provide a proxy or attend the Annual Meeting and vote in person. Under certain conditions, shares that you own that are held by a broker or nominee may be voted even if you do not provide voting instructions to the broker or nominee. As discussed above under “— How do proxies work?”, brokerage firms have the authority under applicable rules to vote on certain “routine” matters, including the ratification of the appointment of auditors.

What constitutes a quorum?

In order to carry on the business of the Annual Meeting, we must have a quorum present. This means that the holders of at least a majority of the outstanding shares eligible to be cast must be represented at the Annual Meeting, either in person or by proxy. Any shares that we hold for our own benefit may not be voted and are not counted in the total number of outstanding shares eligible to be voted. Both abstentions and broker non-votes (described above) are counted as present for purposes of determining the presence of a quorum. On April 21, 2016, we had 98,498,077 shares of common stock outstanding and entitled to vote at the Annual Meeting.

How many votes are needed for approval?

Election of Directors

Election of the director nominees requires the affirmative vote of a plurality of the votes cast on the matter. The director candidates receiving the highest number of affirmative votes will be elected as directors. For purposes of the election of directors, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for purposes of determining a quorum. Stockholders may not cumulate votes in the election of directors.

Advisory Vote to Approve Executive Compensation

The affirmative vote of a majority of the votes cast on the matter is required to approve, on an advisory basis, our executive compensation. The Compensation Committee of the Board of Directors will review the results of this matter and will take the results into account in making future determinations concerning executive compensation. For purposes of the advisory vote on executive compensation, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for purposes of determining a quorum.

Table of Contents

Ratification of Independent Registered Public Accounting Firm

The appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2016 will be ratified if this proposal receives the affirmative vote of a majority of the votes cast on the matter. Brokers have the authority to vote on this proposal in the absence of contrary instructions from a beneficial owner. If this appointment is not ratified by our stockholders, the Audit Committee may reconsider its selection of PricewaterhouseCoopers LLP. With respect to this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for purposes of determining a quorum.

Who conducts the proxy solicitation?

Our Board of Directors is soliciting the proxies, and we will bear all costs of this solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement. Copies of proxy materials will be furnished to banks, brokerage houses and other agents and nominees holding shares in their names that are beneficially owned by others so that they may forward the proxy materials to those beneficial owners. In addition, if asked, we will reimburse these persons for their reasonable expenses in forwarding the proxy materials to the beneficial owners. We have requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all proxy materials to the beneficial owners of the shares that they hold of record. Certain of our officers and employees also may solicit proxies on our behalf by mail, email, phone or fax or in person.

What should I do if I want to attend in person?

You will need an admission ticket to attend the Annual Meeting. Attendance at the Annual Meeting will be limited to stockholders of record at the close of business on April 21, 2016 (or their authorized representatives) having an admission ticket or proof of their share ownership, and guests of the Company. If you plan to attend the Annual Meeting, please indicate that you intend to do so when you are voting by telephone or Internet or follow the instructions on your proxy card, and we will promptly mail an admission ticket to you.

If your shares are held in the name of a bank, broker or other nominee and you plan to attend the Annual Meeting, you can obtain an admission ticket in advance by providing proof of your ownership, such as a bank or brokerage account statement, to the corporate Secretary at the address listed under “Questions” on page 58. If you do not have an admission ticket, you must show proof of your ownership of the Company’s common stock at the registration table at the door.

PROPOSAL ONE — ELECTION OF DIRECTORS

General

At the recommendation of the Nominating and Corporate Governance Committee, our Board of Directors has nominated the director candidates named under “— Nominees for Election as Directors” below.

Our Board of Directors oversees our management on your behalf. The Board of Directors reviews our long-term strategic plans and exercises direct decision-making authority on key issues, such as the approval of business combination transactions, the authorization of dividends, the selection of the Chief Executive Officer, setting the scope of his authority to manage our day-to-day operations and the evaluation of his performance.

Our Board of Directors is not classified; thus, all of our directors are elected annually. The Nominating and Corporate Governance Committee has recommended, and our Board of Directors has nominated, for re-election all 21 persons currently serving as directors whose terms are expiring at the 2016 Annual Meeting of Stockholders.

Director Independence

Our Board of Directors has affirmatively determined that 12 of the 21 nominees for election as directors at the Annual Meeting have no material relationship with us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us) and are independent within the meaning of the director independence requirements of the listing standards of the NYSE. The independent directors are Charlotte Jones Anderson, Rhodes Bobbitt, Tracy A. Bolt, W. Joris Brinkerhoff, J. Taylor Crandall, Charles R. Cummings, J. Markham Green, William T. Hill, Jr., Andrew J. Littlefair, W. Robert Nichols, III, A. Haag Sherman and Robert C. Taylor, Jr. Jess T. Hay, who served on our Board of Directors until his death in April 2015, was affirmatively determined to be independent. The determinations regarding the independence of these individuals were based upon information known by the members of the Board of Directors concerning each other and supplied by each of the directors for the purpose of this determination.

In conducting its annual review of director independence, the Board of Directors considered transactions and relationships between each director or any member of his or her immediate family and the Company. The Board of Directors considered that two directors it determined to be independent —Messrs. Bolt and Taylor— have, or a member of their respective immediate families or an affiliated company in which they are employed or in which they are a principal equity holder has, received loans from the Bank in the ordinary course of business, in each case which our Board of Directors did not view as compensation. In our management's opinion, these loans were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions by the Bank with other unaffiliated persons and do not involve more than normal risk of collectability. In addition, the Board of Directors considered transactions between the Bank and Clean Energy Finance, Inc., a subsidiary of Clean Energy Fuels Corp., a company for which Andrew J. Littlefair serves as a director and president and chief executive officer. Mr. Littlefair also beneficially owned 1.9% of the outstanding shares of common stock of Clean Energy Fuels Corp. at April 4, 2016. From late 2011 through March 31, 2016, the Bank purchased, in a series of transactions, an aggregate of approximately \$16.4 million in original principal amount of promissory notes issued by unaffiliated third parties from Clean Energy Finance, Inc. Although purchased at a premium to the outstanding principal balance on the notes, at the time of purchase, the interest rates on the notes exceeded the market rates charged by the Bank on similar-type loans that it originated. Clean Energy Finance, Inc. performs the servicing on the notes at no cost to the Bank, and the Bank purchased these notes with recourse to Clean Energy Finance, Inc. in the event of default. The aggregate yearly payments of the purchase prices in these transactions constituted less than 2% of the consolidated gross revenues of each of Clean Energy Fuels Corp. and the Company in the applicable year purchased and were made in the ordinary course of business in arms-length transactions. Mr. Littlefair did not have a

direct financial interest in any of the transactions with Clean Energy Finance, Inc.

Meeting Attendance

Our Board of Directors met four times during 2015. No director attended fewer than 75% of the meetings of the Board of Directors and of the board committees on which he or she served during 2015. Our Board of Directors has not adopted a formal policy with regard to director attendance at the annual meetings of stockholders. We, however, encourage members of the Board of Directors to attend annual meetings. Messrs. Gerald J. Ford, Jeremy B. Ford, Alan B. White, James R. Huffines, Hill A. Feinberg and Robert Nichols attended the 2015 annual meeting of stockholders.

Vote Necessary to Elect Directors

Election of the director nominees requires the affirmative vote of a plurality of the votes cast on the matter. The director candidates receiving the highest number of affirmative votes will be elected as directors. For purposes of the election of directors, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for purposes of determining a quorum. Under applicable NYSE rules, a broker or other nominee does not possess the authority to vote for the director nominees in the absence of instructions from the beneficial owner of the relevant shares. Stockholders may not cumulate votes in the election of directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE ELECTION OF EACH OF THE NOMINEES IDENTIFIED ABOVE.

Director Compensation

General

Members of our Board of Directors who also are full-time employees do not receive any compensation for their service on the Board of Directors or any committee of the Board of Directors. The Chairman of the Board of Directors receives an annual retainer of \$200,000, plus a participation fee for attendance at each meeting as described below. All other directors receive the following compensation for their service on the Board of Directors:

- \$40,000 annual retainer; and
- \$2,000 fee for participation in each meeting of the Board of Directors at which attendance in person is requested (one-half of that fee is paid for participation in any meeting at which attendance is requested by telephone).

In addition, members of board committees receive the following additional compensation:

- Audit Committee — \$65,000 annual fee for the chairperson of the committee;
- Nominating and Corporate Governance Committee — \$10,000 annual fee for the chairperson of the committee;
- Compensation Committee — \$10,000 annual fee for the chairperson of the committee;
- Investment Committee — \$25,000 annual fee for the chairperson of the committee;

- Risk Committee — \$10,000 annual fee for the chairperson of the committee;
- Merger and Acquisition Committee — \$10,000 annual fee for the chairperson of the committee; and
- \$1,000 fee for participation in each meeting of a board committee.

Members of our Board of Directors may elect to receive their aggregate Board of Directors and board committee compensation:

- entirely in the form of cash;
- entirely in the form of common stock; or
- one-half in cash and one-half in common stock.

Any elections, or changes in elections, by directors regarding the form of compensation to be received may only occur during a “trading window” and only become effective at the “trading window” immediately following such election or change in election. Cash and shares of common stock are paid and issued, respectively, in arrears on a calendar quarterly basis, with no vesting requirements. Customarily, these payments and issuances occur by the 15th day of the month following the applicable calendar quarter-end. The value of the common stock awarded is based upon the

Table of Contents

average closing price per share of our common stock for the last ten consecutive trading days of the applicable calendar quarter. In lieu of fractional shares of common stock that would otherwise be issuable to directors, we pay cash to the director based upon the value of those fractional shares at the value the shares are awarded to the director. If a director does not serve for the entire calendar quarter, that director is compensated based upon the time of service during the applicable calendar quarter.

Each member of our Board of Directors is reimbursed for out-of-pocket expenses associated with his service on, and attendance at, Board of Directors or board committee meetings. Other than as described above, members of our Board of Directors receive no additional compensation for their service on the Board of Directors or board committees.

Political Action Committee Matching Program

The NLASCO Political Action Committee, or the PAC, is a separate segregated fund that was formed to make political contributions. To encourage participation in the PAC by eligible participants, for each contribution made to the PAC by an eligible individual contributor, NLC makes a matching contribution to any Section 501(c)(3) organization of the contributor's choice, dollar for dollar, up to the maximum amount an eligible individual can contribute to the PAC in a given calendar year. Under this program, no contributor to the PAC receives any financial, tax or other tangible benefit or premium from either the recipient charities or us. This program is completely voluntary.

- (a) Fees earned for services performed in 2015 include annual retainers, meeting fees and chairperson remuneration. Aggregate fees paid to non-employee directors for annual retainers and committee chairmanships were paid quarterly in arrears. Cash was paid in lieu of the issuance of fractional shares. Service for any partial quarter is calculated and paid on the basis of time served during the applicable calendar quarter. Non-employee directors are solely responsible for the payment of taxes payable on remuneration paid by the Company. The number of shares awarded was determined based upon the average closing price per share of our common stock for the last ten consecutive trading days of the calendar quarter during which the stock was earned; however, the dollar value reported in the table for each stock award was determined in accordance with the provisions of the Stock Compensation Topic of the Accounting Standards Codification (“ASC”).

Board Committees

General

The Board of Directors appoints committees to assist it in carrying out its duties. In particular, committees work on key issues in greater detail than would be practical at a meeting of all the members of the Board of Directors. Each committee reviews the results of its deliberations with the full Board of Directors.

The standing committees of the Board of Directors currently consist of the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee, the Risk Committee, the Investment Committee, the Merger and Acquisition Committee, and the Executive Committee. A more detailed description of these committees is set forth below. Our Board of Directors may, from time to time, establish certain other committees to facilitate our management. Current copies of the charters for each of the foregoing committees, as well as our Corporate Governance Guidelines, Code of Ethics and Business Conduct, or the General Code of Ethics and Business Conduct, and Code of Ethics for Chief Executive and Senior Financial Officers, or the Senior Officer Code of Ethics, may be found on our website at ir.hilltop-holdings.com, under the heading “Investor Relations — Corporate Information — Governance

Corporate Governance

General

We are committed to good corporate governance practices and, as such, we have adopted formal corporate governance guidelines to maintain our effectiveness. The guidelines govern, among other things, board member qualifications, responsibilities, education, management succession and executive sessions. A copy of the corporate governance guidelines may be found at our corporate website at ir.hilltop-holdings.com under the heading “Investor Relations — Corporate Information — Governance Documents.” A copy also may be obtained upon request from our corporate Secretary at the address listed under “Questions” on page 58.

Board Leadership Structure

We have separated the offices of Chief Executive Officer and Chairman of the Board as a means of separating management of the Company from our Board of Director’s oversight of management. Separating these roles also enables an orderly leadership transition when necessary. We believe, at this time, that this structure provides desirable oversight of our management and affairs. We have in the past appointed, and will continue to appoint, lead independent directors as circumstances require.

Risk Oversight

Our Board of Directors and the Risk Committee of the Board of Directors oversee an enterprise-wide approach to risk management, intended to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance stockholder value. Our Board of Directors and the Risk Committee are actively involved in establishing and refining our business strategy, including assessing management’s appetite for risk and determining the appropriate level of overall risk for the Company. The Company conducts continual assessments through the Chief Risk Officer who is overseen by the Risk Committee.

While the Board of Directors has the ultimate oversight responsibility for the risk management process, various committees of the Board of Directors outside of the Risk Committee also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and, from time to time, discusses and evaluates matters of risk, risk assessment and risk management with our management team. The Compensation Committee is responsible for overseeing the management of risk associated with our compensation policies and arrangements. The Nominating and Corporate Governance Committee ensures that the internal rule processes by which we are governed are consistent with prevailing governance practices and applicable laws and regulations.

Finally, the Investment Committee ensures that our funds are invested in accordance with policies and limits approved by it. Our Senior Officer Code of Ethics, General Code of Ethics and Business Conduct, committee charters and other governance documents are reviewed by the appropriate committees annually to confirm continued compliance, ensure that the totality of our risk management processes and procedures is appropriately comprehensive and effective and that those processes and procedures reflect established best practices.

Board Performance

Our Board of Directors conducts a survey of its members regarding its performance and reviews the results of the survey with a view to improving efficacy and effectiveness of the Board of Directors. In addition, the full Board of Directors reviews annually the qualifications and effectiveness of the Audit Committee and its members.

Director Qualifications for Service

As described below, the Nominating and Corporate Governance Committee considers a variety of factors when evaluating a potential candidate to fill a vacancy on the Board of Directors or when nomination of an incumbent director for re-election is under consideration. The Nominating and Corporate Governance Committee and the Board of Directors strive to balance a diverse mix of experience, perspective, skill and background with the practical requirement that the Board of Directors will operate collegially, with the common purpose of overseeing our business on behalf of our stockholders. All of our directors possess relevant experience, and each of them approaches the business of the Board of

The individual who serves as the chair at these executive sessions is the Chairman of the Board of Directors. Executive sessions of the independent directors of the Board of Directors also are held at least once per fiscal year, and the independent directors select the independent director to preside over each executive session.

Communications with Directors

Our Board of Directors has established a process to receive communications from stockholders and other interested parties. Stockholders and other interested parties may contact any member or all members of the Board of Directors by mail. To communicate with our Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. The correspondence should be sent to Hilltop Holdings Inc., c/o Secretary, 200 Crescent Court, Suite 1330, Dallas, Texas 75201.

promptly to the addressee(s). In the case of communications to the Board of Directors or any group or committee of directors, the General Counsel's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to whom the communication is addressed. If the amount of correspondence received through the foregoing process becomes excessive, our Board of Directors may consider approving a process for review, organization and screening of the correspondence by the corporate Secretary or other appropriate person.

Code of Business Conduct and Ethics

We have adopted a Senior Officer Code of Ethics applicable to our Chief Executive Officer, Chief Financial Officer and Principal Accounting Officer. We also have adopted a General Code of Ethics and Business Conduct applicable to all officers, directors and employees. We intend to disclose any amendments to, or waivers from, our Senior Officer Code of Ethics and our General Code of Ethics and Business Conduct at the same website address provided above.

Director Nomination Procedures

The Nominating and Corporate Governance Committee believes that, at a minimum, candidates for membership on the Board of Directors should have a demonstrated ability to make a meaningful contribution to the Board of Directors' oversight of our business and affairs and have a record and reputation for honest and ethical conduct. The Nominating and Corporate Governance Committee recommends director nominees to the Board of Directors based on, among other things, its evaluation of a candidate's experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries, understanding of our business environment and a willingness to devote adequate time and effort to board responsibilities. In making its recommendations to the Board of Directors, the Nominating and Corporate Governance Committee also seeks to have the Board of Directors nominate candidates who have diverse backgrounds and areas of expertise so that each member can offer a unique and valuable perspective.

The Nominating and Corporate Governance Committee expects, in the future, to identify potential nominees by asking current directors and executive officers to notify the committee if they become aware of persons who meet the criteria described above. The Nominating and Corporate Governance Committee also, from time to time, may engage firms, at our expense, that specialize in identifying director candidates. As described below, the Nominating and Corporate Governance Committee also will consider candidates recommended by stockholders.

Once a person has been identified by the Nominating and Corporate Governance Committee as a potential candidate, the committee expects to collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating and Corporate Governance Committee determines that the

candidate warrants further consideration, and if the person expresses a willingness to be considered and to serve on the Board of Directors, the Nominating and Corporate Governance Committee expects to request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering, and conduct one or more interviews with the candidate. In certain instances, members of the Nominating and Corporate Governance Committee may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments.

In addition to formally nominating individuals for election as directors in accordance with our Second Amended and Restated Bylaws, as summarized below on page 58 under "Stockholder Proposals for 2017," stockholders may send written recommendations of potential director candidates to the Nominating and Corporate Governance Committee for its consideration. Such recommendations should be submitted to the Nominating and Corporate Governance Committee "c/o Secretary" at Hilltop Holdings Inc., 200 Crescent Court, Suite 1330, Dallas, Texas 75201. Director recommendations submitted by stockholders should include the following information regarding the stockholder making the recommendation and the individual(s) recommended for nomination:

2015 Business and Financial Highlights

2015 represented another strong year for the Company. In 2015, we continued to grow and expand into a diversified financial holding company through the completion of our acquisition of SWS in January 2015. In addition, we had the following accomplishments during 2015:

- We generated \$209 million in income applicable to common stockholders, or \$2.09 per diluted share, during 2015. Return on average equity was 12.32% and return on average assets was 1.70% for 2015.

Table of Contents

- Asset quality improved and remained strong compared to peers with non-performing assets as a percentage of total assets of 0.21% as of December 31, 2015, excluding covered loans and covered other real estate owned.
- Hilltop capital ratios remained strong with a Tier 1 Leverage Ratio at 12.65% and a Total Risk Based Capital Ratio of 18.89% at December 31, 2015.
- Integrated Southwest Securities, FSB into PlainsCapital Bank by May 2015 and made significant progress on the integration of our broker-dealer subsidiaries allowing us to complete the reorganization of the broker-dealers into one unit in January 2016.
- Completed a senior notes offering on favorable terms that provided us with the proceeds to redeem all of our Small Business Lending Fund, or SBLF, preferred stock. The SBLF preferred stock dividend rate would have increased in 2016.

All of this contributed to an increase in our book value per share from \$14.93 at December 31, 2014 to \$17.56 at December 31, 2015. Additional detail regarding our results and achievements can be found in our Annual Report on Form 10-K for the year ended December 31, 2015.

Our 2015 Executive Compensation Program

Overview

The Compensation Committee, or, in this Compensation Discussion and Analysis, the Committee, has the responsibility to establish, implement and monitor adherence with our compensation philosophy. The Committee ensures that the total compensation paid to executive officers is fair, reasonable, competitive, performance-based and aligned with stockholder interests. The Committee administers the Company's executive compensation program in light of our unique structure and acquisition history. As a holding company that conducts its operations through its subsidiaries, we are focused on providing entrepreneurial-based compensation to the chief executives of each of our business units.

Philosophy and Objectives of Our Executive Compensation Program

Our compensation program continues to focus on performance-based pay that reflects our achievements on an annual basis and our ability to deliver long-term value to our stockholders. The Compensation Committee regularly reviews the Company's compensation programs to ensure they are consistent with safe and sound business practices, regulatory requirements, emerging industry trends and stockholder interests.

With this in mind, the following principles help guide our decisions regarding compensation of our NEOs:

- Compensation opportunities should be competitive with market practices. We are committed to providing competitive total annual compensation opportunities in order to attract and retain executives with the experience and skills necessary to lead our Company and motivate them to deliver strong performance to our stockholders.
- A significant portion of compensation should be performance-based. Our executive compensation program emphasizes pay-for-performance. Both our annual and long-term incentives are earned based on a combination of corporate, business unit and individual performance. Our annual incentive compensation also can be reduced based upon improper risk taking and non-compliance with applicable laws and regulations.
- Management's interests should be aligned with those of our stockholders. Our long-term incentive compensation is delivered in the form of RSUs to support our goals for alignment, ownership and retention. Half of the RSUs awarded vest upon achievement of predefined performance goals. The value of previous awards ultimately depends upon our relative total stockholder return and our cumulative earnings per share, or EPS, over a three-year period. Commencing in 2016, the percentage of these awards that vest is based first on cumulative earnings per share over a three-year period and then multiplied by a modifier based on our relative total stockholder return during the same period.
- Compensation should be perceived as fair. We strive to create a compensation program that will be perceived as fair and equitable, both internally and externally.

Table of Contents

- Our compensation program should be balanced and mitigate risk taking. We have a balanced approach to total compensation that includes a mix of base/fixed pay, a proportion of cash and equity and a proportion of short- and long-term incentive compensation that we believe effectively aligns our pay with performance while discouraging inappropriate risk taking.

For the fiscal year 2015, our target pay mix for the Chief Executive Officer, or CEO, of Hilltop and our remaining NEOs was the following:

Governance highlights

The Compensation Committee continued to maintain the following compensation best practices:

- Robust stock ownership guidelines for executive officers and directors
- Clawback policy for incentive compensation
- Anti-hedging and pledging policy
- Limited perquisites
- No excise tax gross-ups in new employment agreements
- One year holding requirement on all vested equity awards
- Annual compensation risk assessment

How We Determine and Assess Executive Compensation Generally

Background

We completed the acquisition of PlainsCapital Corporation on November 30, 2012, and the compensation of our NEOs who were employed by PlainsCapital Corporation is, therefore, in part based upon the compensation they were paid by PlainsCapital Corporation prior to the acquisition. Three of our NEOs, Messrs. White, Huffines and Salmans, were employed by PlainsCapital Corporation or its subsidiaries prior to the acquisition. In connection with the acquisition of PlainsCapital Corporation, we entered into a retention agreement with Mr. White to ensure continuity following the closing that was negotiated based upon the pre-existing rights in his employment agreement with PlainsCapital Corporation. All other existing employment arrangements at PlainsCapital Corporation were amended to terminate on November 30, 2014. Following the expiration of the employment agreements with Messrs. Huffines and Salmans, we entered into new employment agreements with them that are consistent with our current compensation philosophy. For a more detailed discussion of these employment agreements and Mr. White's retention agreement, see

“Executive Compensation — Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table — Employment Contracts and Incentive Plans — Employment Contracts.”

Table of Contents

Role of the Compensation Committee

The Committee is responsible for reviewing and approving all aspects of the compensation programs for our NEOs and making all decisions regarding specific compensation to be paid or awarded to them. The Committee is responsible for, among its other duties, the following:

- Review and approval of corporate incentive goals and objectives relevant to compensation;
- Evaluation of individual performance results in light of these goals and objectives;
- Evaluation of the competitiveness of the total compensation package; and
- Approval of any changes to the total compensation package, including, but not limited to, base salary, annual and long-term incentive award opportunities and payouts and retention programs.

The Committee is responsible for determining all aspects of compensation of the Chief Executive Officers of Hilltop and PlainsCapital, as well as assessing their individual performance.

In setting the compensation of our NEOs, the Committee, in its discretion, considers (i) the transferability of managerial skills, (ii) the relevance of each NEO's experience to other potential employees, and (iii) the readiness of the NEO to assume a different or more significant role, either within our organization or with another organization. When the Committee makes pay-related decisions, the Committee considers our acquisition and growth strategy, our desire to attract, retain and motivate talent, and the importance of compensation in supporting the achievement of our strategic objectives.

Information about the Committee and its composition, responsibilities and operations can be found under the "Board Committees" section.

Role of the Chief Executive Officers in Compensation Decisions

The Chief Executive Officers of Hilltop and PlainsCapital recommend to the Committee any compensation changes affecting the other NEOs. The Chief Executive Officers provide input and recommendations to the Committee with regards to compensation decisions for their direct reports. These recommendations are made within the framework of the compensation programs approved by the Committee and based on market data provided by the Committee's independent consultant. The input includes base salary changes, annual incentive and long-term incentive opportunities and payouts, specific individual performance objectives, and individual performance assessments. The Chief Executive Officers make their recommendations based on their assessment of the individual officer's performance, performance of the officer's respective business or function and employee retention considerations. The Committee reviews and considers the Chief Executive Officers' recommendations when determining any

compensation changes affecting our officers or executives. Each Chief Executive Officer does not play any role with respect to any matter impacting his own compensation.

Role of Stockholder Say-on-Pay Votes

The Company provides its stockholders with the opportunity to cast an annual advisory vote on executive compensation. At the Company's annual meeting of stockholders held in June 2015, over 98% of the votes cast (excluding abstentions and broker non-votes) on the say-on-pay proposal at that meeting were voted in favor of the proposal. Given this significant level of support from the Company's stockholders, the Committee and the Board of Directors believe that the Company is taking a measured, informed and responsible approach to executive compensation that incorporates all of the Company's objectives and policies set forth above, including, but not limited to, a pay for performance culture that retains executives who perform strongly. Accordingly, the Committee will continue to consider the outcome of the Company's say-on-pay votes when making future compensation decisions for the NEOs.

Table of Contents

Role of Compensation Consultant

Pursuant to its charter, the Committee is authorized to retain and terminate any consultant, as well as to approve the consultant's fees and other terms of the engagement. The Committee also has the authority to obtain advice and assistance from internal or external legal, accounting or other advisors. In 2015, the Committee continued its engagement of Meridian Compensation Partners, LLC ("Meridian") as its independent compensation consultant.

Meridian provides research, data analyses, survey information and design expertise in developing compensation programs for executives and incentive programs for eligible employees. In addition, Meridian keeps the Committee apprised of regulatory developments and market trends related to executive compensation practices. Meridian does not determine or recommend the exact amount or form of executive compensation for any of the NEOs. A representative of Meridian generally attends meetings of the Committee, is available to participate in executive sessions and communicates directly with the Committee and the chairman of the Committee.

Pursuant to the Committee's charter, if the Committee elects to use a compensation consultant, the Committee must assess the consultant's independence, taking into account the following factors:

- The provision of other services to the Company by the consultant;
- The amount of fees the consultant received from the Company;
- the policies and procedures the consultant has in place to prevent conflicts of interest;
- any business or personal relationships between the consulting firm and the members of the Committee;
- any ownership of Company stock by the individuals at the firm performing consulting services for the Committee;
- and
- any business or personal relationship of the firm with an executive officer of the Company.

Meridian has provided the Committee with appropriate assurances and confirmation of its independent status pursuant to the charter and other factors. The Committee believes that Meridian has been independent throughout its service for the Committee and there is no conflict of interest between Meridian and the Committee.

Other Factors

The Committee makes executive compensation decisions following a review and discussion of both the financial and operational performance of our businesses and the annual performance reviews of the NEOs and other members of the management team.

Benchmarking Compensation

The Committee regularly assesses the components of the executive compensation program with advice from its independent compensation consultant. In November 2014, Meridian provided an analysis of base salary, annual incentive and long-term incentive practices of comparable companies in the financial industry. Meridian considered individual compensation elements as well as the total compensation package.

In performing this analysis, Meridian used a peer group of financial institutions. In order to reflect the Company's continued growth, and in anticipation of the merger with SWS, the Committee approved a new peer group in July 2014. The peer group included institutions of generally similar asset size and, to the extent possible, organizations with significant other operating segments. The peer group is comprised of 22 banks with assets between \$6.3 billion and \$26.5 billion as of June 30, 2014. Hilltop's post-merger asset size of \$12.6 billion was positioned slightly below the median of the new peer group.

Table of Contents

The peer group used in the report presented for consideration in the determination of 2015 pay consisted of the following financial institutions:

Associated Banc-Corp	Cullen/Frost Bankers, Inc.	First Citizens BancShares, Inc.
First Horizon National Corporation	First Midwest Bancorp, Inc.	FirstMerit Corporation
Hancock Holding Company	IBERIABANK Corporation	International Bancshares Corporation
MB Financial, Inc.	Old National Bancorp	Prosperity Bancshares, Inc.
South State Corporation	TCF Financial Corporation	Texas Capital Bancshares, Inc.
Trustmark Corporation	UMB Financial Corporation	Umpqua Holdings Corporation
Union Bankshares Corporation	Wintrust Financial Corporation	United Bankshares, Inc.
		WesBanco, Inc.

In addition to the peer group, Meridian included data from industry-specific compensation surveys. The information from these competitive data sources and the peer group were used to make 2015 compensation decisions.

Elements of our Executive Compensation Program

The basic elements of our executive compensation program are summarized below. Our compensation policies and programs are considered by the Committee in a total rewards framework, which considers both “pay” — base salary, annual incentive awards and long-term incentive awards — and “benefits” — perquisites and other benefits and other compensation. Our executive compensation program consists primarily of the following components:

Compensation Component	Purpose
Base Salary	Fixed component of pay intended to compensate the individual fairly for the responsibility level of the position held.
Annual Incentive Awards	Variable component of pay intended to motivate and reward the individual's contribution to achieving our short-term/annual objectives.
Long-term Incentive Awards	Variable component of pay intended to retain, motivate and reward the individual's contribution to achieving our long-term objectives and creating stockholder value.
Perquisites and Other Benefits	Fixed component of pay intended to provide an economic benefit to us in attracting and retaining executive talent.

Base Salary

We provide base salaries for each NEO commensurate with the services each provides to us. We believe a portion of total direct compensation should be provided in a form that is fixed and liquid. In reviewing base salaries, the Committee evaluated the salaries of other executive officers of the Company and its peers and any increased level of responsibility, among other items. As a result of that analysis, the Committee determined to increase the annual salaries of Messrs. Ford and Parmenter effective April 1, 2015. With respect to the other NEOs of the Company, the Committee determined to maintain the current salary for 2015, as they were found to be competitive with the Company's peers. The following are the base salaries for our NEOs in 2014 and 2015:

Name	Base Salary		
	2014	2015	\$ Change
Jeremy B. Ford	\$ 550,000	\$ 700,000	\$ 150,000
Darren E. Parmenter	\$ 330,000	\$ 335,000	\$ 5,000
Alan B. White	\$ 1,350,000	\$ 1,350,000(a)	\$ —
James R. Huffines	\$ 690,000	\$ 690,000	\$ —
Todd L. Salmans	\$ 750,000	\$ 750,000	\$ —

(a) Mr. White's base salary is set forth in his retention agreement, which became effective upon the closing of the acquisition of PlainsCapital Corporation.

Table of Contents

In February 2016, the Committee assessed base salaries of the NEOs and decided to maintain the current salary of the Company's NEOs.

Annual Incentive Awards

Our NEOs and other employees are eligible to participate in the Annual Incentive Plan and receive annual cash incentive awards based upon our financial performance and other factors, including individual performance. The Committee believes that this element of compensation is important to focus management efforts on, and provide rewards for, annual financial and strategic results that are aligned with creating value for our stockholders.

Target Annual Incentive Opportunities

Target incentive awards are defined at the start of the year in consideration of market data provided by the Committee's consultant, each executive's total compensation package and the entity's budgetary considerations. In consideration of these factors, the Committee slightly increased 2015 targets for Messrs. Ford, Huffines and Parmenter but maintained target incentive opportunities for the other NEOs.

Name	Annual Incentive Value			
	Threshold (\$)	Target (\$)	% of Annual Base Salary	Maximum (\$)
Jeremy B. Ford	108,000	600,000	86	% 750,000
Darren E. Parmenter	28,200	235,000	70	% 293,750
Alan B. White (a)	1,350,000	1,350,000	100	% 1,350,000
James R. Huffines	99,900	555,000	80	% 693,750
Todd L. Salmans	90,000	750,000	100	% 937,500

(a) Mr. White's annual incentive compensation is determined pursuant to his retention agreement for the achievement of specified performance criteria.

Performance Measures

Each NEO had pre-defined performance objectives based upon measurable performance of both the individual and our Company, other than Mr. White, whose pre-defined performance objectives are based solely upon PlainsCapital's performance. Our 2015 goals were intended to be realistic and reasonable but challenging in order to drive

performance. The Committee and management believe that by using these metrics we are encouraging profitable top line growth and value for stockholders without creating excessive risk. For 2015, the applicable performance goals included:

- Consolidated net income for Hilltop for NEOs employed by Hilltop;
- Consolidated net income of PlainsCapital for employees of PlainsCapital and its subsidiaries;
- Net income results of lines of business for business heads; and
- Pre-determined strategic initiatives and individual objectives.

The weights of these factors are summarized in the following table:

Name	Hilltop Performance	PlainsCapital Performance	Business Unit Performance	Strategic Initiatives
Jeremy B. Ford	70	% —	—	30 %
Darren E. Parmenter	50	% —	20	% 30 %
Alan B. White (a)	—	100	% —	—
James R. Huffines	—	70	% —	30 %
Todd L. Salmans	—	20	% 50	% 30 %

(a) Determined pursuant to Mr. White's retention agreement for the achievement of earnings threshold.

Table of Contents

The individual strategic objectives for the NEOs are developed through an iterative process between the Committee and management. Management develops an initial set of recommendations based upon the business needs. The Committee reviews the proposed goals and revises/amends them at their discretion, ensuring that goals are aligned with the Board of Director's strategic focus. The following goals, among others, were established for the NEOs in 2015:

- Mr. Jeremy B. Ford's strategic initiatives included: execute the Company's 2015 strategic plan, continue to identify strategic acquisition opportunities that complement the Company's business mix, continue to integrate recent acquisitions and increase net earnings.
 - Mr. Parmenter's strategic initiatives included: facilitate acquisition activity including effective integration of accounting departments and consolidation of Hilltop's financials, and provide effective leadership of his responsible business units.
- Mr. Huffines strategic initiatives included: grow core business and achieve quantitative cost savings through integration of mergers and acquisitions.
- Mr. Salmans's strategic initiatives included: execute three-year business strategy for PrimeLending, continue succession planning and talent development for key positions and achieve cost savings from implementation of strategic plan.

Performance Results and Payouts

The Committee, in its sole discretion, determines the final amount of each participant's award based on attainment of the applicable performance goals and assessments of individual and strategic performance. Additionally, a forfeiture of up to 15% of any available Annual Incentive Plan award can occur in the event that any improper risk management or non-compliance with applicable laws or regulations is identified.

Each element of the annual cash incentive award is independent of the other. Accordingly, the executive officer may achieve certain performance goals, while at the same time failing to achieve others. In that case, the executive officer will be entitled to receive the award for the performance goal achieved, but not an award for a performance goal for which threshold performance is not achieved. Potential awards ranged from 50% for threshold performance to a maximum of 150% for stretch performance.

At the end of the fiscal year, the Committee determined a payout based on net income performance. 2015 performance goals and actual net income performance were as follows (dollars in millions):

2015 Performance Goal	Threshold (\$)	Target (\$)	Stretch (\$)	Actual (\$)	Achievement	
Hilltop Adjusted Net Income (a)	65.1	108.4	162.6	145.2	134	%
PlainsCapital Net Income	57.9	96.5	144.7	140.5	146	%

PrimeLending Net Income	11.5	19.2	28.8	32.4	169	%
-------------------------	------	------	------	------	-----	---

(a) Hilltop net income was adjusted to exclude bargain purchase gain and acquisition and integration costs, which were not included in the 2015 strategic plan.

Table of Contents

Based upon evaluation of their respective individual performance in 2015, the Committee awarded each of the NEOs a score of 100% for strategic initiatives. Based on the above financial and individual performance measures and the Committee's discretion, the 2015 annual cash incentive payments were awarded as follows relative to the 2015 target value:

Name	2015 Annual Incentive Payment (\$)	% of 2015 Target Annual Incentive	
Jeremy B. Ford	740,000	123	%
Darren E. Parmenter	290,000	123	%
Alan B. White (a)	1,350,000	100	%
James R. Huffines	555,000	100	%
Todd L. Salmans	1,000,000	133	%

(a) Determined pursuant to Mr. White's retention agreement for the achievement of earnings threshold.

See "Executive Compensation — Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table — Annual Incentive Plan" for more information on possible future payments to the NEOs.

Long-Term Incentive Awards

As described above, we believe that a portion of each NEO's compensation should be tied to the performance of our stock price, aligning the officer's interest with that of our stockholders. In this regard, the Committee determined that the award vehicle mix should be:

Award Vehicle	
Mix	% of Award
Time-Based	50%
Restricted Stock	
Units	
Performance-Based	50%
Restricted Stock	
Units	

Time-based RSUs cliff vest on the third anniversary of grant date. Performance-based RSUs are earned and cliff vest after the three-year performance period from January 1, 2015 through December 31, 2017. Performance awards are earned based on Hilltop's three-year cumulative EPS and based on relative total stockholder return, or TSR, relative to

the KBW Regional Banking Index.

Commencing in 2016, a revision was made to the method of calculating performance for awarding performance-based RSUs. Under the revised form of award, the percentage of performance-based RSUs that vest following a performance period is based on Hilltop's three-year cumulative EPS multiplied by a modifier that is determined based on Hilltop's TSR relative to the KBW Regional Banking Index. The new method of measuring performance puts more weight on EPS and uses TSR as a modifier, instead of weighting each measure equally. The EPS component of performance calculation ranges from 50% at threshold to 150% at the max, and the TSR modifier ranges from 80% at threshold to 120% at max. The total number of shares earned from the performance awards can range from 40% to 180% of the target number of RSUs granted.

All shares of common stock delivered pursuant to the RSUs are subject to a one-year holding period requirement after vest. Further discussion of the 2012 Equity Incentive Plan pursuant to which such RSUs were awarded is found under "Executive Compensation — Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table" below.

Table of Contents

In 2015, long-term incentive awards were made in consideration of each executive's role, competitive market practice, and performance. Grants were made in the form of RSUs on February 24, 2015, to the following NEOs as set forth below:

Name	Time-Based RSUs Awarded	Performance-Based RSUs Awarded (at Target)	Total RSUs Awarded
Jeremy B. Ford	18,004	18,004	36,008
Darren E. Parmenter	4,501	4,501	9,002
Alan B. White	18,004	18,004	36,008
James R. Huffines	10,803	10,802	21,605
Todd L. Salmans	9,002	9,002	18,004

On February 23, 2016, the Committee continued the same mix of long-term incentive awards and approved a grant of RSUs to the NEOs as set forth below:

Name	Time-Based RSUs Awarded	Performance-Based RSUs Awarded (at Target)	Total RSUs Awarded
Jeremy B. Ford	21,971	21,971	43,942
Darren E. Parmenter	5,493	5,493	10,986
Alan B. White	21,971	21,971	43,942
James R. Huffines	13,183	13,182	26,365
Todd L. Salmans	10,986	10,985	21,971

Mr. Jeremy B. Ford recently exercised an award outstanding under the 2003 Equity Incentive Plan. However, with the adoption of the 2012 Equity Incentive Plan, all equity-based awards, including those made to the NEOs, have since been made pursuant to the 2012 Equity Incentive Plan. All equity-based awards made to the NEOs are approved by the Committee and not pursuant to delegated authority.

Perquisites and Other Benefits

We provide a limited number of perquisites and other benefits to our NEOs at Hilltop. The only perquisite currently offered to Messrs. Jeremy B. Ford and Parmenter, the NEOs employed directly by Hilltop is \$150 per month to be

applied to a gym membership to promote wellness. In addition, Mr. Jeremy B. Ford is provided access to company aircraft. With respect to NEOs employed by PlainsCapital and its subsidiaries, those entities provide them with a monthly car allowance and reimbursement for country club membership dues. In addition, Mr. White is provided access to company aircraft and bank-owned life insurance. Otherwise, generally, our NEOs receive only medical benefits, life insurance and long-term disability coverage, as well as supplemental contributions to the Company's 401(k) program, on the same terms and conditions as available to all employees of that entity.

Severance and Other Post-Termination Compensation

On December 4, 2014, we entered into new employment agreements with Messrs. Huffines and Salmans. A description of these new employment agreements and the post-contractual benefits provided thereunder is discussed in further detail under "Executive Compensation — Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table — Employment Contracts and Incentive Plans — Employment Contracts" and "Potential Payments Upon Termination or Change-in-Control" below.

For NEOs employed directly by Hilltop, other than change in control provisions in our 2012 Equity Incentive Plan, we do not currently maintain any severance or change in control programs. However, we have historically paid severance, the amount of which is generally determined both by length of tenure and level of compensation, when termination occurs other than for cause and pursuant to which certain benefits may be provided to the NEOs. Absent the negotiation of specific agreements with the NEOs, severance benefits would be provided on the same basis as provided to other employees of the Company.

Table of Contents

In connection with our acquisition of PlainsCapital in 2012, we entered into a retention agreement with Mr. White which was approved by shareholders of PlainsCapital Corporation in connection with our acquisition of PlainsCapital Corporation. The summary of the severance terms for this retention agreement is set forth below:

Legacy Retention Agreement

Pursuant to Mr. White's retention agreement:

- (1) we agreed to contribute an amount of cash equal to \$6,430,890 as deferred compensation to Mr. White in satisfaction of Mr. White's rights under Section 6 (Termination Upon Change in Control) of his previous employment agreement with PlainsCapital, which such amount accrues interest at the prevailing money market rate and is payable to Mr. White on the 55th day following termination of his employment; and
- (2) upon a termination of his employment by us other than for cause or death or disability, or after non-renewal, cash severance of (i) the sum of Mr. White's annual base salary and the average of the annual bonus amounts paid to him for the three most recently completed fiscal years ending immediately prior to the date of termination, multiplied by (ii) the greater of (A) two, and (B) the number of full and partial years from the date of termination through the end of the applicable employment period under the retention agreement. Such severance is payable over the "severance period," which is the greater of two years from the date of termination and the number of full and partial years from the date of termination through the end of the applicable employment period under the retention agreement.

The foregoing cash amounts in subparagraph (1) represent "modified single trigger" benefits, payable assuming the termination of employment for any reason, and the foregoing cash amounts in subparagraph (2) represent "double trigger" benefits, payable assuming a qualifying termination of employment. With respect to the amounts described in subparagraph (1) that are paid in full satisfaction of Section 6 of Mr. White's previous employment agreement with PlainsCapital, such amounts are payable upon any termination of employment at any time, subject to any delay required by Section 409A of the Internal Revenue Code (the "Code") and the execution of a release of claims. The cash severance amounts described in subparagraph (2) are payable upon a termination of employment other than for cause, death or disability or upon a termination due to non-renewal by Hilltop, subject to any delay required by Section 409A of the Code and the execution of a release of claims.

Huffines and Salmans Employment Agreements

Pursuant to our employment agreements with Messrs. Huffines and Salmans, upon termination of employment by us other than for cause, the applicable executive is entitled to a lump-sum cash payment equal to the sum of (i) his annual base salary rate immediately prior to the effective date of such termination, and (ii) an amount equal to the annual incentive cash bonus paid to him in respect of the calendar year immediately preceding the year of the termination. If his employment is terminated without "cause" within the twelve months immediately following, or the six months

immediately preceding, a “change in control,” he will be entitled to receive a lump-sum cash payment equal to two times the sum of (A) his annual base salary rate immediately prior to the effective date of such termination and (B) an amount equal to the annual incentive cash bonus paid to him in respect of the calendar year immediately preceding the year of the termination. The immediately foregoing cash amount represents a “double trigger” benefit. Finally, if any payment made as a result of a change in control would constitute a “parachute payment” as defined under Section 280G of the Code, then the benefits payable will be reduced to \$1 below the parachute limit.

Further discussion of the agreements with Messrs. White, Huffines and Salmans, including the definitions of “cause” and “disability” under such arrangements, as well as potential payments made pursuant thereto may be found under the headings “Executive Compensation — Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table” and “Executive Compensation — Potential Payments Upon Termination or Change-in-Control” below.

Table of Contents

Incentive Plans

The 2012 Equity Incentive Plan, under which we have granted awards to the NEOs, contains specific termination and change in control provisions. We determined to include a change in control provision in the plan to be competitive with what we believe to be the standards for the treatment of equity upon a change in control for similar companies and so that employees who remain after a change in control would be treated the same with regard to equity as the general stockholders who could sell or otherwise transfer their equity upon a change in control. Under the terms of the 2012 Equity Incentive Plan, if a change in control (as defined below in the discussion of the plan under “Executive Compensation — Potential Payments Upon Termination or Change-in-Control”) were to occur, all awards then outstanding would become vested and/or exercisable and any applicable performance goals with respect thereto would be deemed to be fully achieved. Further discussion of the change in control payments made pursuant to the 2012 Equity Incentive Plan may be found in the “Executive Compensation — Potential Payments Upon Termination or Change-in-Control” section below.

The Annual Incentive Plan, pursuant to which annual incentive bonuses are awarded, does not contain specific change in control provisions. Accordingly, the Committee, in its discretion, may determine what constitutes a change in control and what effects such an event may have any awards made pursuant to such plan.

Risk Considerations in Our Compensation Program

We do not believe that our compensation policies and practices for 2015 give rise to risks that are reasonably likely to have a material adverse effect on our Company. In reaching this conclusion for 2015, we considered the following factors:

- Base salary is fixed and the only compensation components that are variable are the annual incentives and performance-based RSUs awarded to NEOs, which were awarded based upon attainment of pre-determined levels of earnings.
- Annual Incentive Plan payments to the NEOs were determined or approved following the substantial completion of the audit of the Company’s consolidated financial statements by the Company’s independent registered public accounting firm. Thus, the Committee had ample knowledge of the financial condition and results of the Company, as well as reports of other committees of the Board of Directors, upon which to base any decisions.
- We have a balanced program that includes multiple performance goals, rewards short and multi-year performance, pays in cash and equity and provides a meaningful portion of pay in stock, which is tied to our long-term performance.
- The Annual Incentive Plan awards are subject to claw-back and adjustments for improper risk and significant compliance issues.
- Each year the Committee reviews all compensation programs to ensure existing programs are not reasonably likely to have a material adverse effect on the Company.

Other Programs and Policies

Stock Ownership Requirements

In February 2014, the Committee recommended, and the Board of Directors adopted, a stock ownership policy applicable to our executive officers and directors. Within five years of the later of appointment or the date the policy was adopted, executive officers are required to achieve ownership of a defined market value of Company common stock equal to a minimum number of equity or equity-based securities as follows:

- Six times annual base salary for the Chief Executive Officer; and
- Three times annual base salary for the other executive officers.

Table of Contents

Under this policy, directors are expected to own shares with a value greater than five times their annual retainer for serving on the Board of Directors of the Company. Our director compensation program permits directors to elect to receive their director compensation in cash, Company common stock or a combination of cash and Company common stock.

In calculating equity ownership for purposes of this requirement, we will include all shares beneficially owned by an individual, such as shares owned by an individual in the Company's benefit plans (e.g., 401(k)), shares of restricted stock and shares with respect to which an individual has voting or investment power. Shares underlying unexercised stock options and unearned performance shares are excluded when determining ownership for these purposes.

Executive officers are expected to hold 50% of any net shares received through compensatory equity-based grants until the ownership guidelines are achieved. Once such officer achieves the ownership requirement, he or she is no longer restricted by this holding requirement; provided his or her total stock ownership level does not fall below the ownership guidelines.

In addition, all awards of RSUs granted since February 2014 to NEOs are, subject to certain exceptions, required to be held for one year after vesting.

As of April 1, 2016, all NEOs and a substantial number of directors are on track to meet the ownership guidelines. Directors who are restricted from receiving stock pursuant to their current employment arrangement have been exempted from this requirement.

Clawback Policy

Our compensation program also includes a claw-back from any annual cash or long-term incentive award for improper risk and significant compliance issues. Annual Incentive Plan awards are subject to any clawback, recoupment or forfeiture provisions (i) required by law or regulation and applicable to Hilltop or its subsidiaries or (ii) set forth in any policies adopted or maintained by Hilltop or any of its subsidiaries.

Tax Considerations

Section 162(m) of the Code imposes a \$1.0 million limit on the tax-deductibility of compensation paid to our five most highly paid executives, which includes the NEOs. Exceptions are provided for compensation that is

“performance-based” and paid pursuant to a plan meeting certain requirements of Section 162(m) of the Code. The Committee has carefully considered the implications of Section 162(m) of the Code and believes that tax deductibility of compensation is an important consideration. Accordingly, where possible and considered appropriate, the Committee strives to preserve corporate tax deductions. The Committee, however, reserves the flexibility, where appropriate, to approve compensation arrangements that may not be tax deductible to the Company, such as base salary and awards of time-based RSUs. The Committee will continue to review the Company’s executive compensation practices to determine if other elements of executive compensation constitute “qualified performance-based compensation” under Section 162(m) of the Code.

Trading Controls and Hedging, Short Sale and Pledging Policies

Executive officers, including the NEOs, are required to receive the permission of the General Counsel prior to entering into any transactions in our securities, including gifts, grants and those involving derivatives. Generally, trading is permitted only during announced trading periods. Employees who are subject to trading restrictions, including the NEOs, may enter into a trading plan under Rule 10b5-1 under the Exchange Act. These trading plans may be entered into only during an open trading period and must be approved by the General Counsel. We require trading plans to include a waiting period and the trading plans may not be amended during their term. The NEO bears full responsibility if he or she violates our policy by permitting shares to be bought or sold without pre-approval or when trading is restricted.

Executive officers are prohibited from entering into hedging and short sale transactions and are subject to restrictions on pledging our securities.

No participant in our 2012 Equity Incentive Plan may be granted performance-based equity awards in any fiscal year representing more than 500,000 shares of our common stock or stock options or SARs representing in excess of 750,000 shares of our common stock. The maximum number of shares underlying incentive stock options granted under the 2012 Equity Incentive Plan may not exceed 2,000,000.

The 2003 Equity Incentive Plan and the 2012 Equity Incentive Plan are administered by our Compensation Committee, which has the discretion to, among other things, determine the persons to whom awards will be granted, the number of shares of our common stock to be subject to awards and the other terms and conditions of the awards. The Compensation Committee also has authority to establish performance goals for purposes of determining cash bonuses to be paid under the incentive plans. Such performance goals may be applied to our Company as a whole, any of our subsidiaries or affiliates, and/or any of our divisions or strategic business units, and may be used to evaluate performance relative to a market index or a group of other companies. Further, the Compensation Committee has the authority to adjust the performance goals in recognition of unusual or non-recurring events. The 2003 Equity Incentive Plan and the 2012 Equity Incentive Plan each provide that in no event will the Compensation Committee be authorized to re-price stock options, or to lower the base or exercise price of any other award granted under such plan, without obtaining the approval of our stockholders.

Stock options granted under the 2003 Equity Incentive Plan and the 2012 Equity Incentive Plan may be either “incentive stock options” within the meaning of Section 422 of the Internal Revenue Code, or nonqualified stock options. Generally, holders of restricted stock will be entitled to vote and receive dividends on their restricted shares, but our Compensation Committee may determine, in its discretion, whether dividends paid while the shares are subject to restrictions may be reinvested in additional shares of restricted stock. Except as otherwise permitted by our Compensation Committee, awards granted under the 2003 Equity Incentive Plan and the 2012 Equity Incentive Plan will be transferable only by will or through the laws of descent and distribution, and each stock option will be exercisable during the participant’s lifetime only by the participant or, upon the participant’s death, by his or her estate. Director compensation paid in the form of our common stock, whether at our or the director’s election, is issued through the 2012 Equity Incentive Plan.

Annual Incentive Plan

On September 20, 2012, our stockholders approved the Annual Incentive Plan, which provides for a cash bonus to key employees of Hilltop and our subsidiaries who are selected by the Compensation Committee for participation in the plan. The Annual Incentive Plan is intended to permit the payment of amounts that constitute “performance-based compensation” under Section 162(m) of the Internal Revenue Code and is designed to reward executives whose performance during the fiscal year enabled Hilltop to achieve favorable business results and to assist Hilltop in attracting

and retaining executives. A participant may receive a cash bonus under the Annual Incentive Plan based on the attainment, during each performance period, of performance objectives in support of our business strategy that are established by our Compensation Committee. These performance objectives may be based on one or more of the following criteria:

stock price	expense or expense levels
earnings (including earnings before interest, taxes, depreciation and amortization)	economic value added
earnings per share (whether on pre-tax, after-tax, operations or other basis)	cash flow per share (before or after dividends)
operating earnings	free cash flow
total return to shareholders	gross margin
ratio of debt to debt plus equity	risk-based capital
net borrowing	revenues
credit quality or debt ratings	revenue growth
return on assets or operating assets	sales growth
asset quality	return on capital (including return on total capital or return on invested capital)
net interest margin	capital expenditures
loan portfolio growth	cash flow return on investment
efficiency ratio	cost
deposit portfolio growth	cost control
liquidity	gross profit
market share	operating profit
objective customer service measures or indices	economic profit
shareholder value added	profit before tax
embedded value added	net profit
loss ratio	cash generation
expense ratio	unit volume
combined ratio	sales
premiums	net asset value per share
premium growth	asset quality
investment income	cost saving levels
pre- or after-tax income	market-spending efficiency
net income	core non-interest income
cash flow (before or after dividends)	change in working capital

The performance objectives may be applied with respect to Hilltop or any one or more of our subsidiaries, divisions, business units or business segments and may be applied to performance relative to a market index or a group of other companies. The Compensation Committee may adjust the performance goals applicable to any awards to reflect any unusual or non-recurring events.

Participation in the Annual Incentive Plan does not guarantee the payment of an award. All awards payable pursuant to the Annual Incentive Plan are discretionary and subject to approval by our Compensation Committee. After the performance period ends, the Compensation Committee will determine the payment amount of individual awards based on the achievement of the performance objectives. No participant in the Annual Incentive Plan may receive an award that exceeds \$10,000,000 per year. Except as otherwise provided in a participant's employment or other individual agreement, the payment of a cash bonus to a participant for a performance period will be conditioned upon the participant's active employment on the date that the final awards are approved by the Compensation Committee. We may amend or terminate the Annual Incentive Plan at any time.

Non-Qualified Deferred Compensation

The following table shows the non-qualified deferred compensation activity for our NEOs during the fiscal year ended December 31, 2015.

- (a) Represents interest earned on 2012 deferred compensation contributions of \$6,430,890 for Mr. White. All amounts reported as aggregate earnings in the last fiscal year are reported as compensation in the last completed fiscal year in the Summary Compensation Table.

In connection with our acquisition of PlainsCapital Corporation, we entered into a retention agreement with Mr. White. Pursuant to this agreement, we agreed to contribute an amount in cash equal to \$6,430,890 as deferred compensation to Mr. White in satisfaction of his rights under Section 6 (Termination Upon Change of Control) of his previous employment agreement with PlainsCapital. Such amount accrues interest at the prevailing money market rate and is payable to Mr. White on the 55th day following termination of his employment.

Potential Payments Upon Termination or Change-in-Control

The 2012 Equity Incentive Plan, under which we have granted awards to the NEOs, contains specific termination and change in control provisions. We determined to include a change in control provision in the plan to be competitive with what we believe to be the standards for the treatment of equity upon a change in control for similar companies and so that employees who remain after a change in control would be treated the same with regard to equity as the general stockholders who could sell or otherwise transfer their equity upon a change in control. Under the terms of the plan, if a change in control (as defined below in the discussion of the plan) were to occur, all awards then outstanding would become vested and/or exercisable and any applicable performance goals with respect thereto would be deemed to be fully achieved.

Employment Contracts

Mr. White

If Mr. White's retention contract is terminated by us for cause, by him or due to his death or disability (as such terms are defined below), he or his estate, as applicable, is entitled to:

- (i) his annual base salary through the date of termination, to the extent not already paid and not deferred;
- (ii) any annual bonus earned by him for a prior award period, to the extent not already paid and not deferred;
- (iii) any business expenses he incurred that are not yet reimbursed as of the date of termination; and
- (iv) any other amounts or benefits, including all unpaid and/or vested, nonforfeitable amounts owing or accrued to him, required to be paid or provided or which he is eligible to receive under any plan, program, policy or practice or contract or agreement, to the extent not already paid and not deferred, through the date of termination.

In addition, Mr. White or his estate, as applicable, is entitled to a lump-sum cash payment equal to \$6,430,890, which represents the amount Mr. White would have been entitled to receive under his prior employment agreement with

Table of Contents

PlainsCapital if his employment was terminated. Such amounts described in the preceding paragraph are referred to as the “White Accrued Amounts.”

If Mr. White’s employment is terminated by us other than for cause (as such term is defined below) or his death or disability, or if his employment terminates due to non-renewal by us, he is entitled to the White Accrued Amounts, including the lump-sum cash payment equal to \$6,430,890 and interest thereon from November 30, 2012, as well as payments generally equal to the sum of the average of Mr. White’s prior annual bonuses over the preceding three years plus his annual base salary, multiplied by the greater of (i) the number of full and partial years remaining until the end of the term of his retention agreement and (ii) two. Mr. White will retain the right to be grossed-up for any excise tax relating to “excess parachute payments” (as defined in Section 280G of the Internal Revenue Code), which is set forth in his prior employment agreement, provided that the gross-up will only relate to any excise taxes arising in connection with our acquisition of PlainsCapital. These severance amounts are payable subject to Mr. White’s execution of a release of claims.

Messrs. Huffines and Salmans

With respect to Messrs. Huffines and Salmans, if the employment agreement is terminated (1) by the executive officer, (2) by the Company for “cause” (as such term is defined below), or (3) in the event of the executive officer’s death or disability, the executive officer (or his estate, as applicable) will be entitled to receive his base salary through the effective date of such termination, all earned and unpaid and/or vested, nonforfeitable amounts owed to executive officer at such time under the employment agreement or under any compensation or benefit plans and reimbursement for any unreimbursed business expenses incurred prior to the effective date of such termination (collectively, the “Officer Accrued Amounts”).

If the executive officer’s employment is terminated by the Company without “cause” (other than pursuant to a “change in control” (as such term is defined in the applicable employment agreement of such executive officer)), the executive officer will be entitled to receive the Officer Accrued Amounts and, subject to the executive officer’s execution and delivery to the Company of a release of claims, (1) a lump-sum cash payment equal to the sum of (A) the executive officer’s annual base salary rate immediately prior to the effective date of such termination and (B) an amount equal to the annual incentive cash bonus paid to the executive officer in respect of the calendar year immediately preceding the year of the termination, and (2) if the executive officer elects continuation of coverage under the Company’s group health plan pursuant to COBRA, reimbursement for the executive officer’s COBRA premiums for a period of twelve months following the date of such termination, or until the executive officer is otherwise eligible for health coverage under another employer group health plan.

Further, if the executive officer’s employment is terminated without “cause” within the twelve months immediately following, or the six months immediately preceding, a “change in control,” the executive officer, upon execution of a release, will be entitled to receive (1) a lump-sum cash payment equal to two times the sum of (A) the executive officer’s annual base salary rate immediately prior to the effective date of such termination and (B) an amount equal to

the annual incentive cash bonus paid to the executive officer in respect of the calendar year immediately preceding the year of the termination, and (2) if the executive officer elects continuation of coverage under the Company's group health plan pursuant to COBRA, reimbursement for the executive officer's COBRA premiums for a period of twelve months following the date of such termination, or until the executive officer is otherwise eligible for health coverage under another employer group health plan. Notwithstanding the above, any amounts payable to the executive officer upon a change of control shall not constitute a "parachute payment" and shall be reduced accordingly.

For the purposes of Mr. White's retention agreement and the employment agreements of Messrs. Huffines and Salmans, "cause" means: (i) an intentional act of fraud, embezzlement or theft in connection with the executive's duties or in the course of his employment with the Company or its affiliates; (ii) intentional wrongful damage to property of the Company or its affiliates; (iii) intentional wrongful disclosure of trade secrets or confidential information of the Company or its affiliates; (iv) intentional violation of any law, rule or regulation (other than traffic violations or similar offenses) or a final "Cease and Desist Order;" (v) intentional breach of fiduciary duty involving personal profit; or (vi) intentional action or inaction that causes material economic harm to the Company or its affiliates. In addition to items above, the definition of "cause" in Messrs. Huffines and Salmans employment agreements includes (a) a material violation of the Company's written policies, standards or guidelines applicable to the executive officer or (b) the failure

Table of Contents

or refusal of the executive officer to follow the reasonable lawful directives of the Board of Directors or the executive officer's supervisors.

For the purposes of Mr. White's retention agreement, "disability" means he shall have been absent from full-time performance of his duties for 180 consecutive days as a result of incapacity due to physical or mental illness that is determined to be total and permanent by a physician. For the purposes of the employment agreements with Messrs. Huffines and Salmans, "disability" is defined in accordance with our disability policy in effect at the time of the disability.

Set forth below are the amounts that Messrs. Jeremy B. Ford, Parmenter, White, Huffines and Salmans would have received if the specified events had occurred on December 31, 2015:

Incentive Plans

Each of the incentive plans has a complex definition of "change in control". Generally speaking, under the 2003 Equity Incentive Plan, a change in control occurs if: (i) with certain exceptions, any person becomes the owner of 50% or more of the combined voting power of our outstanding stock and other voting securities; (ii) a majority of the directors serving on our Board of Directors are replaced other than by new directors approved by at least two-thirds of the members of our Board of Directors; (iii) we are not the surviving company after a merger or consolidation; or (iv) with certain exceptions, our stockholders approve a plan of complete liquidation or dissolution or an agreement for the sale or disposition of all or substantially all of our assets is consummated. Under the 2012 Equity Incentive Plan, a change in control occurs if: (i) with certain exceptions, any person becomes the owner of 33% or more of the outstanding shares of our common stock or the combined voting power of our outstanding stock and other voting securities; (ii) a majority of the directors serving on our Board of Directors are replaced other than by new directors approved by at least two-thirds of the members of our Board of Directors; (iii) we are not the surviving company after

a merger or consolidation or sale of all or substantially all of our assets; or (iv) with certain exceptions, our stockholders approve a plan of complete liquidation or dissolution.

Both our 2003 Equity Incentive Plan and our 2012 Equity Incentive Plan are “single trigger” plans, meaning that accelerated vesting occurs upon a change in control even if the award holder remains with us after the change in control, regardless of whether awards are assumed or substituted by the surviving company. We believe a “single trigger” change in control provision was appropriate because it allows management to pursue all alternatives for us without undue concern for their own financial security.

In the event of a change in control, all awards then outstanding under the 2003 Equity Incentive Plan will become vested and, if applicable, exercisable, and any performance goals imposed with respect to then-outstanding awards will be deemed to be fully achieved. With respect to awards granted pursuant to the 2012 Equity Incentive Plan, in the event of a change in control: (i) all outstanding stock options and SARs will become fully vested and exercisable; (ii) all restrictions on any restricted stock, RSUs or other stock-based awards that are not subject to performance goals will become fully vested; and (iii) all restrictions on any restricted stock, RSUs, performance units or other stock-based awards that are subject to performance goals will be deemed to be fully achieved.

Table of Contents

In addition to acceleration of benefits upon a change in control event, the non-qualified stock option agreements pursuant to which all option awards are granted provide for acceleration of vesting upon the death of the option holder. No other rights of acceleration are provided for under the terms of the Company's benefit plans. However, in 2015, we revised our form of award for time-based and performance-based RSUs to include a non-solicitation provision that lasts for twelve months following a participant's termination for any reason. In the event of a breach of the non-solicitation provision, the participant's RSUs granted under the form of award will immediately cease vesting and any unvested RSUs or vested RSUs that have not been converted into shares of common stock will be forfeited.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2015, directors Rhodes R. Bobbitt, W. Joris Brinkerhoff, William T. Hill, Jr., Andrew J. Littlefair and A. Haag Sherman served on the Compensation Committee. During fiscal year 2015:

- none of the members of our Compensation Committee is, or has ever been, one of our officers or employees;
- none of the members of our Compensation Committee had any relationships with the Company requiring disclosure under "Certain Relationships and Related Party Transactions";
- none of our executive officers served as a member of the compensation committee of another entity, one of whose executive officers served on our Compensation Committee;
- none of our executive officers served as a director of another entity, one of whose executive officers served on our Compensation Committee; and
- none of our executive officers served as a member of the compensation committee of another entity, one of whose executive officers served as one of our directors.

Each of Mr. White, PlainsCapital's Chief Executive Officer, Mr. Huffines, PlainsCapital's President and Chief Operating Officer, and Mr. Feinberg, Chief Executive Officer of Hilltop Securities, serves as a director of Hilltop. Hilltop's Compensation Committee is comprised of independent directors, reviews and sets the compensation of each of Messrs. White, Huffines and Feinberg and does not believe that these interlocks pose any risks that are likely to have a material adverse effect on us.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires officers, directors and persons who beneficially own more than ten percent of our stock to file initial reports of ownership and reports of changes in ownership with the SEC. Officers, directors and greater than ten percent beneficial owners are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the copies furnished to us and representations from our officers and directors, we believe that all Section 16(a) filing requirements for the year ended December 31, 2015, applicable to our officers, directors and greater than ten percent beneficial owners were timely satisfied, except that (i) one Form 4 relating to a transaction that occurred on March 5, 2015 was filed late by Mr. Huffines and (ii) one Form 4 relating to a transaction that occurred on June 1, 2015 was filed late by Mr. Schaffner.

Based on written representations from our officers and directors, we believe that all Forms 5 for directors, officers and greater than ten percent beneficial owners that have been filed with the SEC are the only Forms 5 required to be filed for the period ended December 31, 2015.

Indebtedness

The Bank has had, and may be expected to have in the future, lending relationships in the ordinary course of business with our directors and executive officers, members of their immediate families and affiliated companies in which they are employed or in which they are principal equity holders. In our management's opinion, our prior or current lending relationships with these persons were made in the ordinary course of business and on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with persons not related to us and do not involve more than normal collection risk or present other unfavorable features.

PROPOSAL TWO — ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

Pursuant to Section 14A(a)(1) of the Exchange Act, we are asking stockholders to cast an advisory vote on the compensation of our named executive officers disclosed in the Management section of this Proxy Statement. At our 2011 annual meeting of stockholders, our stockholders voted in favor of a proposal to hold an advisory vote on executive compensation each year. While this vote is a non-binding advisory vote, we value the opinions of stockholders and will consider the outcome of the vote when making future compensation decisions. We anticipate that the next advisory vote to determine the frequency of future advisory votes on executive compensation will be presented at our annual meeting held in 2017.

We believe that our executive compensation programs effectively aligned the interests of our named executive officers with those of our stockholders by tying compensation to performance.

This annual vote on this matter is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the policies and practices described in this Proxy Statement. The vote is advisory and, therefore, not binding on the Company, the Board of Directors or the Compensation Committee of the Board of Directors.

We are asking our stockholders to indicate their support for this Proposal Two and the compensation paid to our named executive officers as disclosed commencing on page 27 of this Proxy Statement by voting FOR, on an advisory basis, the following resolution:

“NOW, THEREFORE, BE IT RESOLVED, that the stockholders approve, on an advisory basis, the compensation paid to the named executive officers of the Company, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion & Analysis, the compensation tables and the narrative discussion related thereto.”

Vote Necessary to Approve, on an Advisory Basis, Executive Compensation

The affirmative vote of a majority of the votes cast on the matter is required to approve, on an advisory basis, our executive compensation. The Compensation Committee of the Board of Directors will review the results of this matter and will take the results into account in making future determinations concerning executive compensation. For purposes of the advisory vote on executive compensation, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for purposes of determining a quorum.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL THREE — RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

PricewaterhouseCoopers LLP served as our independent registered public accounting firm during 2015 and has been selected to serve in that capacity for 2016, unless the Audit Committee of the Board of Directors subsequently determines that a change is desirable. While stockholder ratification is not required for the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm, the selection is being submitted for ratification at the Annual Meeting, solely with a view toward soliciting our stockholders' opinion. This opinion will be taken into consideration by the Audit Committee in its future deliberations.

A representative of PricewaterhouseCoopers LLP is expected to be at our Annual Meeting to respond to appropriate questions and, if PricewaterhouseCoopers LLP desires, to make a statement.

Vote Necessary to Ratify the Appointment

The appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2016 will be ratified if this proposal receives the affirmative vote of a majority of the votes cast on the matter. With respect to this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for purposes of determining a quorum. Under applicable rules, a broker will have the authority to vote for this proposal in the absence of instructions from the beneficial owner of the relevant shares.

Report of the Audit Committee

The Audit Committee of the Board of Directors of Hilltop Holdings Inc. currently consists of three directors and operates under a written charter adopted by the Board of Directors. Hilltop considers all members to be independent as defined by the applicable NYSE listing standards and SEC regulations. Management is responsible for Hilltop's internal controls and the financial reporting process. PricewaterhouseCoopers LLP, Hilltop's independent registered public accounting firm, is responsible for performing an independent audit of Hilltop's consolidated financial statements in accordance with generally accepted auditing standards. The Audit Committee's responsibility is to monitor and oversee the financial reporting process.

In this context, the Audit Committee reviewed and discussed with management and PricewaterhouseCoopers LLP the audited financial statements for the year ended December 31, 2015, management's assessment of the effectiveness of the Company's internal control over financial reporting and PricewaterhouseCoopers LLP's evaluation of the Company's internal control over financial reporting. The Audit Committee has discussed with PricewaterhouseCoopers

LLP the matters that are required to be discussed by Auditing Standard No. 16, Communications with Audit Committees, issued by the Public Company Accounting Oversight Board.

The Audit Committee received from PricewaterhouseCoopers LLP the written disclosures and the letter required by the Public Company Accounting Oversight Board in Rule 3526, and has discussed with PricewaterhouseCoopers LLP the issue of its independence from the Company. The Audit Committee also concluded that PricewaterhouseCoopers LLP's provision of audit and non-audit services to the Company and its affiliates is compatible with PricewaterhouseCoopers LLP's independence.

Based upon the Audit Committee's review of the audited consolidated financial statements and its discussion with management and PricewaterhouseCoopers LLP noted above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2015.

This report has been furnished by the members of the Audit Committee.

The Audit Committee also reviews and pre-approves all audit services. In some cases, pre-approval is provided by the full committee for up to a year, and relates to a particular category or group of services and is subject to a specific budget. In other cases, the Chairman of the Audit Committee has the delegated authority from the committee to pre-approve additional services, and such pre-approvals are then communicated to the full Audit Committee. The Audit Committee pre-approved all fees noted above for 2015 and 2014.

The policy contains a de minimis provision that operates to provide retroactive approval for permissible non-audit services under certain circumstances. No services were provided by PricewaterhouseCoopers LLP during either 2015 or 2014 that fell under this provision.
