Agreements with The Chemours Company

Effective as of prior to the opening of trading on the New York Stock Exchange on July 1, 2015, E. I. du Pont de Nemours and Company (the "Company"), completed the previously announced separation of the businesses comprising its Performance Chemicals segment into a separate and independent public company by way of a distribution of the Chemours Company ("Chemours") through a pro rata dividend in-kind of all the then outstanding shares of Chemours' common stock par value \$0.01 to holders of the Company's common stock, par value \$0.30 per share as of 5:00 p.m. ET on June 23, 2015 (the "Separation"). In connection with the Separation, the Company entered into certain agreements with Chemours.

Separation Agreement

The Company and Chemours entered into a Separation Agreement, dated June 26, 2015 that sets forth, among other things, the agreements between the Company and Chemours regarding the principal transactions necessary to effect the Separation. It also sets forth other agreements that govern certain aspects of the Company's ongoing relationship with Chemours after the completion of the Separation. The description of the Separation Agreement set forth under this Item 1.01 is qualified in its entirety by reference to the complete terms and conditions of the Separation Agreement attached hereto as Exhibit 2.1.

Tax Matters Agreement

The Company and Chemours entered into a Tax Matters Agreement, dated June 26, 2015 with effect from July 1, 2015, that governs the parties' respective rights, responsibilities and obligations with respect to tax liabilities and benefits, tax attributes, the preparation and filing of tax returns, the control of audits and other tax proceedings and other matters regarding taxes. In general, under the agreement, the Company will be responsible for any U.S. federal, state and local taxes (and any related interest, penalties or audit adjustments) reportable on a consolidated, combined or unitary return that includes the Company or any of its subsidiaries (and Chemours and/or any of its subsidiaries) for any periods or portions thereof ending on or prior to the date of the Separation and Chemours will be responsible for any U.S. federal, state, local and foreign taxes (and any related interest, penalties or audit adjustments) that are imposed on Chemours and/or any of its subsidiaries for all tax periods, whether before or after the date of the distribution. Neither party's obligations under the agreement will be limited in amount or subject to any cap. Additionally, Chemours will generally agree to indemnify DuPont and its affiliates against any and all tax-related liabilities incurred by them relating to the distribution and certain other aspects of the separation to the extent caused by an acquisition of Chemours' stock or assets or by certain other action undertaken by Chemours. The description of the Tax Matters Agreement set forth under this Item 1.01 is qualified in its entirety by reference to the complete terms and conditions of the Tax Matters Agreement attached hereto as Exhibit 2.2.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On July 1, 2015, the Company effected the distribution and completed the Separation of Chemours from the Company. Chemours is now an independent public company and will commence trading "regular way" under the symbol "CC" on the New York Stock Exchange on July 1, 2015. Prior to the commencement of trading on July 1, 2015, the shareholders of record of the Company as of the close of business on June 23, 2015 (the "Record Date") received one share of Chemours common stock for every five shares of the Company's common stock held as of the Record Date. The Company did not issue fractional shares of Chemours' common stock in the distribution. The Company's stockholders received cash in lieu of fractional shares.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.
