INFORMATION STATEMENT

## Edgar Filing: AIR T INC - Form DEF 14C

This information statement is furnished to the stockholders of Air T, Inc. (hereinafter sometimes referred to as the "Company") by the Board of Directors in connection with the annual meeting of stockholders of the Company to be held on Thursday, August 22, 2002 at 10:00 a.m. at One Independence Center, 101 North Tryon Street, Suite 1900, Charlotte, North Carolina. Action will be taken at the annual meeting for the election of directors, the ratification of the appointment of independent auditors, and any other business that properly comes before the meeting. As provided in the Company's bylaws, up to ten directors may be elected.

Because of the expense involved in collecting proxies, the Company is not soliciting proxies. Accordingly, to vote on matters that will be considered at the Annual Meeting you must either attend the meeting or deliver a valid proxy to a person who attends the meeting. WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

This information statement is being mailed to stockholders on or about July 17, 2002. The Company's 2002 Annual Report to Stockholders accompanies this information statement.

### VOTING SECURITIES

Only stockholders of record at the close of business on July 1, 2002 will be entitled to vote at the annual meeting or any adjournment or adjournments thereof. The number of outstanding shares entitled to vote at the stockholders meeting is 2,724,320. The presence of a majority of the outstanding shares of the Company's Common Stock, par value \$.25 per share (the "Common Stock"), represented in person or by proxy at the meeting will constitute a quorum. Directors will be elected by a plurality of the votes cast. Cumulative voting is not allowed. Accordingly, abstentions and broker non-votes will not affect the outcome of the election of directors. The ratification of independent auditors and any other business coming before the meeting requires the affirmative vote of a majority of the shares present or represented at the meeting and entitled to vote. On such matters, an abstention will have the same effect as a negative vote but, because shares held by brokers will not be considered entitled to vote on matters as to which the brokers withhold authority, a broker non-vote will have no effect on votes on these matters.

### CERTAIN BENEFICIAL OWNERS

The following table sets forth information regarding the beneficial ownership of shares of Common Stock (determined in accordance with Rule 13d-3 of the Securities and Exchange Commission) of the Company as of June 1, 2002 by each person that beneficially owns five percent or more of the shares of Common Stock. Each person named in the table has sole voting and investment power with respect to all shares of Common Stock shown as beneficially owned, except as otherwise set forth in the notes to the table.

Each director receives a director's fee of \$500 per month and an attendance fee of \$500 is paid to outside directors for each meeting of the board of directors or a committee thereof. Pursuant to the Company's 1998 Omnibus Securities Award Plan (the "Plan") each director who is not an employee of the Company received an option to purchase 1,000 shares of Common Stock at an exercise price of \$6.375 per share (the closing bid price per share on the date of stockholder approval of the Plan.) The Plan provides for a similar option award to any director first elected to the board after the date the stockholders approved the Plan. Such options expire ten years after the date they were granted.

The Board of Directors has two standing committees: the Audit Committee and the Compensation Committee. The Audit Committee consists of Messrs. The following table sets forth, for each of the executive officers listed in the Summary Compensation Table who exercised options to purchase shares of Common Stock during the most recent fiscal year, the number of shares purchased and the value realized upon exercise, which is determined based on the aggregate fair market value of the shares at the time of the exercise minus the aggregate exercise price. The table also includes the value of such options at March 31, 2002 based upon the closing bid price of the Company's Common Stock in the over-the-counter market on that date (\$4.00 per share) and the exercise price of the options.

### EMPLOYMENT AGREEMENTS

Effective January 1, 1996, the Company and each of its subsidiaries entered into employment agreements with J. Hugh Bingham, John J. Gioffre and William

## Edgar Filing: AIR T INC - Form DEF 14C

H. Simpson, each of substantially similar form. Each of such employment agreements provides for an annual base salary (\$130,000, \$103,443 and \$165,537 for Messrs. Bingham, Gioffre and Simpson, respectively), which may be increased upon annual review by the Compensation Committee of the Company's Board of Directors. In addition, each such agreement provides for the payment of annual incentive bonus compensation equal to a percentage (2.0%, 1.5% and 2.0% for Messrs. Bingham, Gioffre and Simpson, respectively) of the Company's consolidated earnings before income taxes and extraordinary items as reported by the Company in its Annual Report on Form 10-K. Payment of such bonus is to be made within 15 days after the Company files its Annual Report on Form 10-K with the Securities and Exchange Commission.

The initial term of each such employment agreement expired on March 31, 1999, and the term is automatically extended for additional one-year terms unless either such executive officer or the Company's Board of Directors gives notice to terminate automatic extensions, which must be given by December 1 of each year (commencing with December 1, 1996).

Each such agreement provides that upon the executive officer's retirement, he shall be entitled to receive an annual benefit equal \$75,000 (\$60,000 for Mr. Gioffre), reduced by three percent for each full year that the termination of his employment precedes the date he reaches age 65. The retirement benefits under such agreements may be paid at the executive officer's election in the form of a single life annuity or a joint and survivor annuity or a life annuity with a ten-year period certain. In addition, such executive officer may elect to receive the entire retirement benefit in a lump sum payment equal to the present value of the benefit based on standard insurance annuity mortality tables and an interest rate equal to the 90-day average of the yield on ten-year U.S. Treasury Notes.

Retirement benefits shall be paid commencing on such executive officer's 65th birthday, provided that such executive officer may elect to receive benefits on the later of his 62nd birthday, in which case benefits will be reduced as described above, or the date on which his employment terminates, provided that notice of his termination of employment is given at least one year prior to the termination of employment. Any retirement benefits due under the employment agreement shall be offset by any other retirement benefits that such executive officer receives under any plan maintained by the Company. In the event such executive officer becomes totally disabled prior to retirement, he will be entitled to receive retirement benefits calculated as described above.

In the event of such executive officer's death before retirement, the agreement provides that the Company shall be required to pay an annual death benefit to such officer's estate equal to the single life annuity benefit such executive officer would have received if he had terminated employment on the later of his 65th birthday or the date of his death, payable over ten years; provided that such amount would be reduced by five percent for each year such executive officer's death occurs prior to age 65, but in no event more than 50 percent.

Each of the employment agreements provides that if the Company terminates such executive officer's employment other than for "cause" (as defined in the agreement), such executive officer be entitled to receive a lump sum cash payment equal to the amount of base salary payable for the remaining term of the agreement (at the then current rate) plus one-half of the maximum incentive bonus compensation that would be payable if such executive officer continued employment through the date of the expiration of the agreement (assuming for such purposes that the amount of incentive bonus compensation would be the same in each of the years remaining under the agreement as was paid for the most recent year prior to termination of employment). Each of the agreements further provides that if any payment on termination of

## Edgar Filing: AIR T INC - Form DEF 14C

employment would not be deductible by the Company under Section 280G(b)(2) of the Internal Revenue Code, the amount of such payment would be reduced to the largest amount that would be fully deductible by the Company.

### CERTAIN TRANSACTIONS

The Company leases its corporate and operating facilities at the Little Mountain, North Carolina airport from Little Mountain Airport Associates, Inc. ("Airport Associates"), a corporation whose stock is owned by J. Hugh Bingham, William H. Simpson, John J. Gioffre, the estate of David Clark and three unaffiliated third parties. Walter Clark and Allison Clark are beneficiaries of the estate of David Clark, and Walter Clark is a co-executor of the estate. On May 31, 2001, the Company renewed its lease for this facility, scheduled to expire on that date, for an additional five-year term, and adjusted the rent to account for increases in the consumer price index. Upon the renewal, the monthly rental payment was increased from \$8,073 to \$9,155. The Company paid aggregate rental payments of \$107,696 to Airport Associates pursuant to such lease during the fiscal year ended March 31, 2002. The Company believes that the terms of such lease are no less favorable to the Company than would be available from an independent third party.

### COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors establishes the compensation paid to the Company's executive officers, including the individuals named in the Summary Compensation Table. Although the Compensation Committee did not hold a formal meeting during the fiscal year, its members communicated informally during the course of the fiscal year.

#### Policies

The Compensation Committee seeks to establish compensation policies that provide appropriate rewards to the Company's executive officers commensurate with their service with the Company and to provide incentives for superior performance. Executive compensation is comprised of three components: base salary, annual cash bonuses and stock option awards. In setting an executive officer's base salary, the Compensation Committee engages in a subjective evaluation, examining the officer's level of responsibility in the Company and previous base compensation, the officer's performance over both the short and longer terms, the Company's performance over those periods and the length of the officer's service with the Company, assigning no particular weight to any of these factors. The Company has entered into employment agreements with certain of its executive officers establishing a minimum base annual salary and providing for an annual cash bonus equal to an established percentage of the Company's earnings before income taxes and extraordinary items. Accordingly, the Committee believes that a substantial portion of compensation of executive officers will be tied directly to the Company's overall financial performance.

In addition, during the fiscal year ended March 31, 1999, the Company awarded executive officers and other employees bonuses under the Company's 1998 Omnibus Securities Award Plan. Because the Company has not awarded stock options to its employees in the several years, and then awarded options only to executive officers, option awards were fairly uniformly distributed among the key employees of the Company, with each executive officer (other than the Chief Executive Officer and the Executive Vice President) receiving 9,000 options. In the 2000 fiscal year, the Company awarded 9,000 options to the Executive Vice President and 50,000 options to the Chief Executive Officer. These options expire five and ten years, respectively, after they were awarded. The options awarded to the Chief Executive Officer were fully exercisable on the date of grant, while the options awarded to the Executive Vice President became exercisable on the date of grant with respect to one half of the shares,

## Edgar Filing: AIR T INC - Form DEF 14C

and will become exercisable with respect to the remaining half one year after the date of grant. The Compensation Committee believes that options are performance-based compensation and serve as an incentive to management to remain with the Company. No options were awarded to executive officers in the most recent fiscal year. Stock options and other equity-based performance compensation may be awarded in the future.

### Compensation of Chief Executive Officer

The Committee established Mr. Walter Clark's annual salary at \$120,000 in January 1998 and has not adjusted his salary since that time. In setting Mr. Walter Clark's salary, the Committee deferred in part to Mr. Walter Clark's request that his compensation be kept relatively low. In determining salary and bonus for Mr. Walter Clark, the Committee has used its subjective evaluation of Mr. Walter Clark's performance and responsibilities, the Company's overall performance and his request that his compensation be relatively low. The Committee believes that the scope and his performance of his responsibilities, would justify a higher level of salary and bonus compensation to Mr. Walter Clark. During the fourth quarter of the fiscal year ended March 31, 2002, Mr. Walter Clark unilaterally reduced his annual salary to \$96,000. As noted above, in the 2000 fiscal year, the Company awarded to Mr. Walter Clark 50,000 options, which vested immediately and are exercisable for a period of ten years. No options were awarded in the most recent fiscal year to Mr. Clark or any other executive officer in light of awards that had been made in prior years.

### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

To the Company's knowledge, based solely on review of the copies of reports under Section 16(a) of the Securities Exchange Act of 1934 that have been furnished to the Company and written representations that no other reports were required, during the fiscal year ended March 31, 2002 all executive officers, directors and greater than ten- percent beneficial owners have complied with all applicable Section 16(a) filing requirements.

### RATIFICATION OF INDEPENDENT AUDITORS

The Board of Directors recommends that the stockholders ratify the appointment of Deloitte & Touche LLP to serve as the independent auditors for the Company and its subsidiary corporations for the fiscal year ending March 31, 2002. This firm has served as the independent auditors for the Company since 1983. Representatives of Deloitte & Touche LLP are expected to be present at the annual meeting and will have an opportunity to make a statement and will be available to respond to appropriate questions.

Report of the Audit Committee

## Edgar Filing: AIR T INC - Form DEF 14C

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditors are responsible for expressing an opinion on the conformity of the Company's audited financial statements to generally accepted accounting principles. In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements as of and for the year ended March 31, 2002. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No.61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures and letter required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. The Audit Committee also has considered whether the independent auditors provision of non-audit services to the Company is compatible with the auditor's independence. Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended March 31, 2002 for filing with the Securities and Exchange Commission.
