ITEM 7.01 REGULATION FD DISCLOSURE

American Express Company (the "Company") is furnishing the following

Edgar Filing: AMERICAN EXPRESS CO - Form 8-K

information under Item 7.01 - Regulation FD Disclosure:

On January 26, 2009, the Company issued its press release announcing its results for the quarter and year ended December 31, 2008, and its 2008 Fourth Quarter/Full Year Earnings Supplement. Subsequent to that date, the Company determined that adjustments were required as a result of a calculation error impacting the amount of ineffectiveness recorded for its fair value hedges. The adjustments resulted in a \$108 million reduction in Other Expenses, net, and an increase of \$68 million in Net Income. Net Income for the quarter and year ended December 31, 2008, was \$240 million and \$2.70 billion, respectively, compared to the \$172 million and \$2.63 billion, respectively, announced on January 26th. Earnings Per Share - Diluted for the quarter and year ended December 31, 2008, increased to \$0.21 and \$2.33, respectively, from \$0.15 and \$2.27, respectively.

Changes to previously announced segment income (loss) affected by these adjustments described above are as follows:

(Millions)	Segment Income (Loss) - Previously Announced	Segment Income (Loss) - As Adjusted
Three months ended 12/31/2008		
U.S. Card Services	\$4	\$64
Global Commercial Services	\$(18)	\$(7)
Year ended 12/31/2008		
U.S. Card Services	\$792	\$852
Global Commercial Services	\$494	\$505

In addition to the impacts on the two reporting segments shown above, the Corporate segment net income decreased by approximately \$2 million.

The adjustments discussed above have been reflected in the Company's Annual Report on Form 10-K for the year ended December 31, 2008, which was filed with the Securities and Exchange Commission on February 27, 2009.
