KCS ANNOUNCES TFM RECEIPT OF 1997 TAX AUDIT SUMMARY

Kansas City Southern (KCS) (NYSE:KSU) announced today that TFM, S.A. de C.V. ("TFM") was served on January, 20, 2004 with an official letter notifying TFM of the Mexican Government's findings and conclusions arising from its tax audit of TFM's tax return for the fiscal year ended December 31, 1997 ("Tax Audit Summary"). In the Tax Audit Summary, the Mexican Government notified TFM of its conclusion that the documentation provided by TFM in support of the value added tax payment and depreciation of the TFM Concession Title and the assets reported on TFM's 1997 tax return do not comply with the formalities required by the applicable tax legislation. The Tax Audit Summary also creates a provisional administrative attachment of the value added tax refund certificate received by TFM on January 19, 2004 from the Mexican Federal Treasury in the amount of 2,111,111,790.00 pesos.

By the terms of the Tax Audit Summary, TFM has 20 business days to present evidence to the Mexican Government in support of its position. KCS is currently reviewing the Tax Audit Summary with its legal advisors and with TFM officers. KCS will, following the completion of its legal review of the Tax Audit Summary, take the appropriate actions to support TFM's right to claim on its 1997 tax return depreciation and tax credits arising from the Northeast Railroad Company's, TFM's predecessor in interest, purchase of the assets and concession title from the Mexican National Railway Company as part of the privatization of the Mexican national railway system in 1997.

KCS is a transportation holding company that has railroad investments in the United States, Mexico and Panama. Its primary holding is The Kansas City Southern Railway Company (KCSR). Headquartered in Kansas City, Missouri, KCSR serves customers in the central and south central regions of the U.S. KCS' rail holdings and investments are primary components of a NAFTA Railway system that links the commercial and industrial centers of the United States, Canada and Mexico.
