PART III

Item 10.

Directors and Executive Officers of the Company

Directors The Certificate of Incorporation and By-laws of the Company provide for the division of the Board of Directors into three (3) classes, each class consisting as nearly as possible of one-third of the whole. The term of office of one class of directors expires each year, with each class of directors elected for a term of three (3) years and until the shareholders elect their qualified successors.

The Company's By-laws provide that the Board of Directors, by resolution from time to time, may fix the

Edgar Filing: LSB INDUSTRIES INC - Form 10-K/A

number of directors that shall constitute the whole Board of Directors. The By-laws presently provide that the number of directors may consist of not less than three (3) nor more than twelve (12). As of the date of this report, the Board of Directors currently has set the number of directors at twelve (12).

The By-laws of the Company further provide that only persons nominated by or at the direction of: (i) the Board of Directors of the Company, or (ii) any stockholder of the Company entitled to vote for the election of the directors that complies with certain notice procedures, shall be eligible for election as a director of the Company. Any stockholder desiring to nominate any person as a director of the Company must give written notice to the Secretary of the Company at the Company's principal executive office not less than fifty (50) days prior to the date of the meeting of stockholders to elect directors; except, if less than sixty (60) day's notice or prior disclosure of the date of such meeting is given to the stockholders, then written notice by the stockholder must be received by the Secretary of the Company not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. In addition, if the stockholder proposes to nominate any person, the stockholder's written notice to the Company must provide all information relating to such person that the stockholder desires to nominate that is required to be disclosed in solicitation of proxies pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended.

The terms of the \$3.25 Convertible Exchangeable Class C Preferred Stock, Series 2 ("Series 2 Preferred") provide that whenever dividends on the Series 2 Preferred are in arrears and unpaid in an amount equal to at least six quarterly dividends: (i) the number of members of the Board of Directors of the Company shall be increased by two effective as of the time of election of such directors; (ii) the Company shall, upon the written request of the record holder of 10% of the shares of Series 2 Preferred, call a special meeting of the Preferred Stockholders for the purpose of electing such two additional directors; and (iii) the Preferred Stockholders have the exclusive right to vote for and elect such two additional directors. At the request of Jayhawk Capital Management, L.L.C. ("Jayhawk"), a special meeting of the holders of the Series 2 Preferred was called on February 26, 2002 for the purpose of electing the two additional directors to the Company's Board of Directors. The special meeting was held on March 11, 2002. Jayhawk owns beneficially and of record 324,850 shares of the Series 2 Preferred, representing approximately 52.1% of the issued and outstanding Series 2 Preferred (excluding shares of the Series 2 Preferred owned by the Company and its subsidiaries).

3

The holders of the Company's Series 2 Preferred have elected two new members of the Company's Board of Directors, Dr. Allen Ford and Mr. Grant Donovan, as permitted pursuant to the terms of the Series 2 Preferred. The election of Dr. Ford and Mr. Donovan increased the number of directors from 10 to 12.

Certain Option Grants in 2001

The following table sets forth information relating to individual grants of stock options made to each of the named executive officers in the above Summary Compensation Table during the last fiscal year.

Individual Grants

| Name | Number of Shares of Common Stock Underlying Options Granted (#)(1) | % of Total Options Granted Employees in 2001 | Exercise Price (\$/sh) | Expiration Date | Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term (2) | |
|-----------------|--|--|------------------------|-----------------|--|----------|
| | | | | | 5% (\$) | 10% (\$) |
| Barry H. Golsen | 8,750 | 2.6 | 3.00 | 11/28/06 | 4,237 | 12,221 |
| Barry H. Golsen | 11,250 ⁽³⁾ | 3.4 | 2.73 | 11/28/11 | 19,315 | 48,948 |
| David R. Goss | 15,000 | 4.5 | 2.73 | 11/28/11 | 25,753 | 65,264 |

| David M. Shear | 15,000 | 4.5 | 2.73 | 11/28/11 | 25,753 | 65,264 |

(1) The Company may grant stock options under its 1993 Incentive Stock Option Plan (the 1993 plan) and the 1998 Incentive Stock Option Plan (the 1998 plan). The 1993 plan and the 1998 plan are collectively designated as the Plans. The Plans provide that the Company may grant options under the Plans to key salaried employees of the Company. The option price for all options granted under the Plans cannot equal less than 100% (or, with respect to incentive stock options, 110% for persons possessing more than 10% of the voting stock of the Company) of the market value of the Company's Common Stock on the date of the grant. The Company can grant options until August 5, 2003 under the 1993 Plan and until August 13, 2008 under the 1998 Plan. The holder of an option granted under the Plans may not exercise the option after ten (10) years from the date of grant of the option (or, with respect to incentive stock options, five (5) years for persons possessing more than 10% of the voting stock of the Company). The options become exercisable approximately 20% after one year from the date of the grant, an additional 20% after two years, an additional 30% after three years, and the remaining 30% after four years.

(2) The potential realizable value of each grant of options assumes that the market price of the Company's Common Stock appreciates in value from the date of grant to the end of the option term at the annualized rates shown above each column. The actual value that an executive may realize, if any, will depend on the amount by which the market price of the Company's Common Stock at the time of exercise exceeds the exercise price of the option. As of April 22, 2002, the closing price of a share of the Company's Common Stock as quoted on the Over-the-Counter Bulletin Board was \$3.30. There is no assurance that any executive will receive the amounts estimated in this table.

(3) The amount shown relates to non-qualified stock options which have the same provisions as incentive

Edgar Filing: LSB INDUSTRIES INC - Form 10-K/A

stock options discussed above except the provisions relating to persons possessing more than 10% of the voting stock of the Company are not included.

9

Aggregated Option Exercises in 2001 and Fiscal Year End Option Values

The following table sets forth information concerning the number and value of unexercised options held by each of the named executive officers during the last fiscal year and the year-end value of unexercised options. None of these executive officers exercised options during the year ended December 31, 2001.

| Name | Number of Securities Underlying Unexercised Options at FY End (#) (1) | Value of Unexercised In-the-Money Options at Fiscal Year End (\$) (1) (2) |
|-----------------|---|--|
| | Exercisable/Unexercisable | Exercisable/Unexercisable |
| Jack E. Golsen | 106,000 / 159,000 (3) | 138,675 / 208,013 |
| Barry H. Golsen | 62,000 / 113,000 (4) | 78,700 / 118,050 |
| David R. Goss | 119,000 / 75,000 (5) | 54,000 / 81,000 |
| Tony M. Shelby | 119,000 / 75,000 (5) | 54,000 / 81,000 |
| David M. Shear | 97,000 / 88,000 (5) | 36,450 / 98,550 |

(1) The stock options granted under the Company's stock option plans become exercisable 20% after one year from date of grant, an additional 20% after two years, an additional 30% after three years, and the remaining 30% after four years.

(2) The values are based on the difference between the price of the Company's Common Stock on the Over-the-Counter Bulletin Board at the close of trading on December 31, 2001 of \$2.60 per share and the exercise price of such option. The actual value realized by a named executive officer on the exercise of these options depends on the market value of the Company's Common Stock on the date of exercise.

(3) The amounts shown include a non-qualified stock option covering 176,500 shares of Common Stock of which 70,600 shares are currently exercisable.

(4) The amounts shown include a non-qualified stock option covering 66,250 shares of Common Stock of which 22,000 shares are currently exercisable.

(5) The amounts shown include a non-qualified stock option covering 35,000 shares of Common Stock of which 14,000 shares are currently exercisable.

Other Plans The Board of Directors has adopted an LSB Industries, Inc., Employee Savings Plan (the "401(k) Plan") for the employees (including executive officers) of the Company and its subsidiaries, excluding certain (but not all) employees covered under union agreements. The 401(k) Plan is an employee contribution plan, and the Company and its subsidiaries make no contributions to the 401(k) Plan. The amount that an employee may contribute

Edgar Filing: LSB INDUSTRIES INC - Form 10-K/A

to the 401(k) Plan equals a certain percentage of the employee's compensation, with the percentage based on the employee's income and certain other criteria as required under Section 401(k) of the Internal Revenue Code. The Company or subsidiary deducts the amounts contributed to the 401(k) Plan from the employee's compensation each pay period, in accordance with the employee's instructions, and pays the amount into the 401(k) Plan for the employee's benefit. The Summary Compensation Table set forth above includes any amount contributed and deferred during the 2001, 2000, and 1999 fiscal years pursuant to the 401(k) Plan by the named executive officers of the Company.

The Company has a death benefit plan for certain key employees. Under the plan, the designated beneficiary of an employee covered by the plan will receive a monthly benefit for a period of ten (10) years if the employee dies while in the employment of the Company or a wholly-owned subsidiary of the Company. The agreement with each employee provides, in addition to being subject to other terms and conditions set forth in the agreement, that the Company may terminate the agreement as to any employee at anytime prior to the employee's death. The Company has purchased life insurance on the life of each employee covered under the plan to provide, in large part, a source of funds for the Company's obligations under the Plan. The Company also will fund a portion of the benefits by investing the proceeds of such insurance policy received by the Company upon the employee's death. The Company is the owner and sole beneficiary of the insurance policy, with the proceeds payable to the Company upon the death of the employee. The following table sets forth the amounts of annual benefits payable to the designated beneficiary or beneficiaries of the executive officers named in the Summary Compensation Table set forth above under the above-described death benefits plan.

| Name of Individual | Amount of Annual Payment |
|--------------------|--------------------------|
| Jack E. Golsen | \$ 175,000 |
| Barry H. Golsen | \$ 30,000 |
| David R. Goss | \$ 35,000 |
| Tony M. Shelby | \$ 35,000 |
| David M. Shear | \$ N/A |

In addition to the above-described plans, during 1991 the Company entered into a non-qualified arrangement with certain key employees of the Company and its subsidiaries to provide compensation to such individuals in the event that they are employed by the Company or a subsidiary of the Company at age 65. Under the plan, the employee will be eligible to receive for the life of such employee, a designated benefit as set forth in the plan. In addition, if prior to attaining the age 65 the employee dies while in the employment of the Company or a subsidiary of the Company, the designated beneficiary of the employee will receive a monthly benefit for a period of ten (10) years. The agreement with each employee provides, in addition to being subject to other terms and conditions set forth in the agreement, that the Company may terminate the agreement as to any employee at any time prior to the employee's death. The Company has purchased insurance on the life of each employee covered under the plan where the Company is the owner and sole beneficiary of the insurance policy, with the proceeds payable to the Company to provide a source of funds for the Company's obligations under the plan. The Company may also fund a portion of the benefits by investing the proceeds of such insurance policies. Under the terms of the plan, if the employee becomes disabled while in the employment of the Company or a wholly-owned

11

subsidiary of the Company, the employee may request the Company to cash-in any life insurance on the life of such employee purchased to fund the Company's obligations under the plan. Jack E. Golsen does not participate in the plan. The following table sets forth the amounts of annual benefits payable to the executive officers named in the Summary Compensation Table set forth above under such retirement plan.

Compensation of Directors In 2001, the Company compensated eight non-employee directors in the amount of \$4,500 each for their services. The non-employee directors of the Company also received \$500 for every meeting of the Board of Directors attended during 2001. Messrs. Burtch, Ille, Rhodes and Shaffer, received an additional \$20,000 each for their services on the Audit Committee in 2001. Dr. Brown received an additional \$20,000 for his services on the Audit and Executive Salary Review Committees in 2001. During 2001, Mr. Munson was paid approximately \$37,800 for consulting services in connection with developing the Company's European business.

In September 1993, the Company adopted the 1993 Non-Employee Director Stock Option Plan (the "Outside Director Plan"). The Outside Director Plan authorizes the grant of non-qualified stock options to each member of the Company's Board of Directors who is not an officer or employee of the Company or its subsidiaries. The maximum shares for which options may be issued under the Outside Director Plan will be 150,000 shares (subject to adjustment as provided in the Outside Director Plan). The Company automatically grants to each outside director an option to acquire 5,000 shares of the Company's Common Stock on April 30 following the end of each of the Company's fiscal years in which the Company realizes net income of \$9.2 million or more for such fiscal year. The exercise price for an option granted under the Outside Director Plan shall be the fair market value of the shares of Common Stock at the time the option is granted. Each option granted under the Outside Director Plan, to the extent not exercised, shall terminate upon the earlier of the termination of the outside director as a member of the Company's Board of Directors or the fifth anniversary of the date such option was granted. The Company did not grant options under the Outside Director Plan in April, 2001, 2000, and 1999.

Employment Contracts and Termination of Employment and Change in Control Arrangements

a) Termination of Employment and Change in Control Agreements The Company has entered into severance agreements with Jack E. Golsen, Barry H. Golsen, Tony M. Shelby, David R. Goss, David M. Shear, and certain other officers of the Company and subsidiaries of the Company.

Each severance agreement provides (among other things) that if, within twenty-four (24) months after the occurrence of a change in control (as defined) of the Company, the Company terminates the officer's employment other than for cause (as defined), or the officer terminates his employment for good reason (as defined), the Company must pay the officer an amount

12

equal to 2.9 times the officer's base amount (as defined). The phrase "base amount" means the average annual gross compensation paid by the Company to the officer and includable in the officer's gross income during the period consisting of the most recent five (5) year period immediately preceding the change in control. If the officer has been employed by the Company for less than 5 years, the base amount is calculated with respect to the most recent number of taxable years ending before the change in control that the officer worked for the Company.

The severance agreements provide that a "change in control" means a change in control of the Company of a nature that would require the filing of a Form 8-K with the Securities and Exchange Commission and, in any event, would mean when: (1) any individual, firm, corporation, entity, or group (as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended) becomes the beneficial owner, directly or indirectly, of thirty percent (30%) or more of the combined voting power of the Company's outstanding voting securities having the right to vote for the election of directors, except acquisitions by: (a) any person, firm, corporation, entity, or group which, as of the date of the severance agreement, has that ownership, or (b) Jack E. Golsen, his wife; his children and the spouses of his children; his estate; executor or administrator of any estate, guardian or custodian for Jack E. Golsen, his wife, his children, or the spouses of his children, any corporation, trust, partnership, or other entity of which Jack E. Golsen, his wife, children, or the spouses of his children own at least eighty percent (80%) of the outstanding beneficial voting or equity interests, directly or indirectly, either by any one or more of the above-described persons, entities, or estates; and certain affiliates and associates of any of the above-described persons, entities, or estates; (2) individuals who, as of the date of the severance agreement, constitute the Board of Directors of the Company (the "Incumbent Board") and who cease for any reason to constitute a majority of the Board of Directors except that any person becoming a director subsequent to the date of the severance agreement, whose election or nomination for election is approved by a majority of the Incumbent Board (with certain limited exceptions), will constitute a member of the Incumbent Board; or (3) the sale by the Company of all or substantially all of its assets.

Except for the severance agreement with Jack E. Golsen, the termination of an officer's employment with the

Edgar Filing: LSB INDUSTRIES INC - Form 10-K/A

Company "for cause" means termination because of: (a) the mental or physical disability from performing the officer's duties for a period of one hundred twenty (120) consecutive days or one hundred eighty days (even though not consecutive) within a three hundred sixty (360) day period; (b) the conviction of a felony; (c) the embezzlement by the officer of Company assets resulting in substantial personal enrichment of the officer at the expense of the Company; or (d) the willful failure (when not mentally or physically disabled) to follow a direct written order from the Company's Board of Directors within the reasonable scope of the officer's duties performed during the sixty (60) day period prior to the change in control. The definition of "Cause" contained in the severance agreement with Jack E. Golsen means termination because of: (a) the conviction of Mr. Golsen of a felony involving moral turpitude after all appeals have been completed; or (b) if due to Mr. Golsen's serious, willful, gross misconduct or willful, gross neglect of his duties has resulted in material damages to the Company and its subsidiaries, taken as a whole, provided that (i) no action or failure to act by Mr. Golsen will constitute a reason for termination if he believed, in good faith, that such action or failure to act was in the Company's or its subsidiaries' best interest, and (ii) failure of Mr. Golsen to perform his duties hereunder due to disability

13

shall not be considered willful, gross misconduct or willful, gross negligence of his duties for any purpose.

The termination of an officer's employment with the Company for "good reason" means termination because of (a) the assignment to the officer of duties inconsistent with the officer's position, authority, duties, or responsibilities during the sixty (60) day period immediately preceding the change in control of the Company or any other action which results in the diminishment of those duties, position, authority, or responsibilities; (b) the relocation of the officer; (c) any purported termination by the Company of the officer's employment with the Company otherwise than as permitted by the severance agreement; or (d) in the event of a change in control of the Company, the failure of the successor or parent company to agree, in form and substance satisfactory to the officer, to assume (as to a successor) or guarantee (as to a parent) the severance agreement as of no change in control had occurred.

Except for the severance agreement with Jack E. Golsen, each severance agreement runs until the earlier of: (a) three years after the date of the severance agreement, or (b) the officer's normal retirement date from the Company; however, beginning on the first anniversary of the severance agreement and on each annual anniversary thereafter, the term of the severance agreement automatically extends for an additional one-year period, unless the Company gives notice otherwise at least sixty (60) days prior to the anniversary date. The severance agreement with Jack E. Golsen is effective for a period of three (3) years from the date of the severance agreement; except that, commencing on the date one (1) year after the date of such severance agreement and on each annual anniversary thereafter, the term of such severance agreement shall be automatically extended so as to terminate three (3) years from such renewal date, unless the Company gives notices otherwise at least one (1) year prior to the renewal date.

(b) Employment Agreement In March 1996, the Company entered into an employment agreement with Jack E. Golsen. The employment agreement requires the Company to employ Jack E. Golsen as an executive officer of the Company for an initial term of three (3) years and provides for two (2) automatic renewals of three (3) years each unless terminated by either party by the giving of written notice at least one (1) year prior to the end of the initial or first renewal period, whichever is applicable. Under the terms of such employment agreement, Mr. Golsen shall be paid (i) an annual base salary at his 1995 base rate, as adjusted from time to time by the Compensation Committee, but such shall never be adjusted to an amount less than Mr. Golsen's 1995 base salary, (ii) an annual bonus in an amount as determined by the Compensation Committee, and (iii) receive from the Company certain other fringe benefits. The employment agreement provides that Mr. Golsen's employment may not be terminated, except (i) upon conviction of a felony involving moral turpitude after all appeals have been exhausted, (ii) Mr. Golsen's serious, willful, gross misconduct or willful, gross negligence of duties resulting in material damage to the Company and its subsidiaries, taken as a whole, unless Mr. Golsen believed, in good faith, that such action or failure to act was in the Company's or its subsidiaries' best interest, and (iii) Mr. Golsen's death; provided, however, no such termination under (i) or (ii) above may occur unless and until the Company has delivered to Mr. Golsen a resolution duly adopted by an affirmative vote of three-fourths of the entire membership of the Board of Directors at a meeting called for such purpose after reasonable notice given to Mr. Golsen finding, in good faith, that Mr. Golsen violated (i) or (ii) above. If Mr. Golsen's employment is

14

terminated in breach of this Agreement, then he shall, in addition to his other rights and remedies, receive and the Company shall pay to Mr. Golsen (i) in a lump sum cash payment, on the date of termination, a sum equal to the amount of Mr. Golsen's annual base salary at the time of such termination and the amount of the last bonus paid to Mr. Golsen prior to such termination times (a) the number of years remaining under the employment agreement or (b) four (4) if such termination occurs during the last twelve (12) months of the initial period or the first renewal period, and (ii) provide to Mr. Golsen all of the fringe benefits that

Edgar Filing: LSB INDUSTRIES INC - Form 10-K/A

the Company was obligated to provide during his employment under the employment agreement for the remainder of the term of the employment agreement, or, if terminated at any time during the last twelve (12) months of the initial period or first renewal period, then during the remainder of the term and the next renewal period.

If there is a change in control (as defined in the severance agreement between Mr. Golsen and the Company) and within twenty-four (24) months after such change in control Mr. Golsen is terminated, other than for Cause (as defined in the severance agreement), then in such event, the severance agreement between Mr. Golsen and the Company shall be controlling.

In the event Mr. Golsen becomes disabled and is not able to perform his duties under the employment agreement as a result thereof for a period of twelve (12) consecutive months within any two (2) year period, the Company shall pay Mr. Golsen his full salary for the remainder of the term of the employment agreement and thereafter sixty percent (60%) of such salary until Mr. Golsen's death.

Compensation Committee Interlocks and Insider Participation The Company's Executive Salary Review Committee has the authority to set the compensation of all officers of the Company. This Committee generally considers and approves the recommendations of the President. The members of the Executive Salary Review Committee are the following non-employee directors: Robert C. Brown, M.D., and Bernard G. Ille. During 2001, the Executive Salary Review Committee had two (2) meetings.

See "Compensation of Directors" for information concerning compensation paid to non-employee directors of the Company during 2001 for services as a director to the Company, and Item 13 "Certain Relationships and Related Transactions" for information concerning compensation paid to an affiliate of Mr. Brown.
