ITEM 8.01 OTHER EVENTS

At its meeting held on May 22, 2009, the Board of Directors of First Merchants Corporation declared a quarterly cash dividend on its common stock.

As First Merchants Corporation navigates through this challenging economic environment, management is pleased to continue the tradition of paying a quarterly cash dividend. Given the pressure for banks to preserve capital, the First Merchants Board of Directors has declared a dividend of \$0.08 per share payable on June 19, 2009 to stockholders of record June 5, 2009. For purposes of broker trading, the ex-date of the cash dividend is June 3, 2009.

This decision was based upon detailed review and analyses of the Corporation's current and future capital needs, recognizing the importance of providing a competitive return to its shareholders and prudently balancing that with the desire to preserve and grow capital. As the economic cycle improves and the Corporation's earnings rebound to normal levels, management is committed to increasing the dividend accordingly. Consistent with the Corporation's dividend history, the dividend payout is reviewed on a quarterly basis to ensure it is consistent with our capital plan and earnings.

First Merchants remains well capitalized and believes this action is in the best interest of the Company, Shareholders, and its Customers.
