Proxy Statement

GENERAL

This proxy statement (first mailed to shareholders on or about April 22, 2003) is furnished in connection with the solicitation of proxies by Westwood One, Inc., a Delaware corporation (the "Company"), for use at the Annual Meeting of Shareholders of the Company to be held on May 28, 2003 at 10:00 a.m., Pacific Time, in the Great Room of the W Los Angeles Hotel, 930 Hilgarde Avenue, Los Angeles, CA 90024, and any adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Edgar Filing: WESTWOOD ONE INC /DE/ - Form DEF 14A

The Company's Annual Report on Form 10-K for the year ended December 31, 2002, including consolidated financial statements and other information, accompanies this Proxy Statement but does not form a part of the proxy soliciting material.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At our annual meeting, shareholders will act upon the matters outlined in the Notice of Annual Meeting of Shareholders accompanying this proxy statement, including the election of directors, the ratification of the appointment of the Company's independent accountants, and such other business as may properly come before the meeting. In addition, management will report on the performance of the Company during 2002 and respond to questions from shareholders.

Who is entitled to vote at the meeting?

Only shareholders of record at the close of business on April 11, 2003, the record date for the meeting, are entitled to receive notice of and to participate in the annual meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting. As of the record date, there were 102,322,744 shares of Common Stock outstanding, excluding treasury shares, and 703,466 shares of Class B Stock outstanding.

What are the voting rights of holders of the Company's Common Stock and Class B Stock?

Under the Company's certificate of incorporation, each holder of outstanding Common Stock is entitled to cast one (1) vote for each share of Common Stock held by such holder and each holder of Class B Stock is entitled to cast fifty (50) votes for each share of Class B Stock held by such holder. Only the Common Stock is publicly traded.

Who can attend the meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend the meeting. If you attend, please note that cameras, recording devices and other electronic devices will not be permitted at the meeting.

Please also note that if you hold your shares in "street name" (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date in order to gain entrance.

What constitutes a quorum?

With respect to the election of the director to be elected by the holders of the Common Stock voting alone, the presence at the meeting, in person or by proxy, of the holders of at least one-third of the shares of Common Stock outstanding on the record date and the presence at the meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the Common Stock and the Class B Stock outstanding on the record date will constitute a quorum, permitting the holders of Common Stock to take action on that matter. With respect to all other matters to be voted on at the meeting, the presence at the meeting, in person or by proxy, of the holders of a majority of the

aggregate voting power of the Common Stock and the Class B Stock outstanding on the record date will constitute a quorum, permitting the shareholders to take

Edgar Filing: WESTWOOD ONE INC /DE/ - Form DEF 14A

action on those matters.

Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum.

How do I vote?

If you complete and properly sign and date the accompanying proxy card and return it to the Company, it will be voted as you direct. If you are a registered shareholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" shareholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. In addition, the powers of the proxy holders will be suspended if you attend the meeting in person and vote, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

- o FOR the election of the nominated directors; and
- o FOR ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent accountants for fiscal 2003;

Management is not aware of any matters, other than those specified above, that will be presented for action at the annual meeting, but if any other matters do properly come before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

What vote is required to approve each item?

With respect to each matter to be voted on the affirmative vote of a majority of the votes entitled to be cast and represented in person or by proxy at the meeting will be required to approve each such matter. Other than with respect to the election of Mr. Dennis, Mr. Miles and Ms. Hummer, on all matters proposed the Common Stock and the Class B Stock vote together as a class. With respect to the election of Mr. Dennis, Mr. Miles and Ms. Hummer, the Common Stock votes separately as a class and the Class B Stock is not entitled to vote. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. A properly executed proxy marked "ABSTAIN" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some or all of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on

Edgar Filing: WESTWOOD ONE INC /DE/ - Form DEF 14A

those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

What is beneficial ownership?

Beneficial ownership has been determined in accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Under this Rule, certain shares may be deemed to be beneficially owned by more than one person (such as where persons share voting power or investment power). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided; in computing the percentage of ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. As a

2

result, the percentage of outstanding shares of any person as shown in the following table does not necessarily reflect the person's actual voting power at any particular date.

How much stock do the Company's largest shareholders and directors and executive officers own?

The following table shows the amount of the Company's Common Stock and Class B Stock beneficially owned (unless otherwise indicated) by our largest shareholders (those who own more than 5% of the outstanding shares), directors, the executive officers named in the Executive Compensation Summary Table below and those directors and executive officers as a group. Except as otherwise indicated, all information is as of April 11, 2003. At April 11, 2003, there were 102,322,744 shares of Common Stock outstanding and 703,466 shares of Class B Stock outstanding.

PROPOSAL 1 - ELECTION OF DIRECTORS

How is the Board of Directors structured and what are their terms?

The Board of Directors is divided into three classes (Class I, II, and III), each class serving for three-year terms, which terms do not coincide. The Board of Directors currently is comprised of eleven individuals. However, the Company's Bylaws have been amended to increase the size of the Board of Directors to thirteen. When such vacancies are filled, an additional director will be added to Class III and Class I. Only one class of directors is elected at each annual meeting. Of the directors, at least 33 1/3% must be independent outside directors. Pursuant to the Company's certificate of incorporation, holders of Common Stock, voting alone, have the right to elect 20% of the Board of Directors, which is currently three directors. However, it is currently intended that the holders of the Common Stock will vote alone to elect all the independent directors, at least one of whom will be elected each year, as set forth below. The remaining members of the Board are elected by all shareholders voting together as a single class.

At the annual meeting, holders of Common Stock, voting alone, will elect the independent Class II directors and holders of Common Stock and Class B Stock, voting together, will elect the other Class II director, for three-year terms, until their successors are elected and qualified. The Board of Directors intends to nominate David Dennis (independent director), Maria Hummer (independent director), George Miles (independent director), and Farid Suleman to serve three-year terms ending in 2006. All nominees currently serve as Class II directors of the Company. Unless otherwise indicated on any proxy, the persons named as proxy voters on the enclosed proxy card intend to vote the stock represented by each proxy to elect these nominees. The nominees are willing to serve as directors, but should any or all refuse to or be unable to serve, the named proxy holders will vote for one or more other persons nominated by the Board of Directors.

The election of Mr. Dennis, Ms. Hummer and Mr. Miles will require the affirmative vote of a majority of the votes entitled to be cast and represented in person or by proxy at the meeting. With respect to the election of Mr. Suleman, the Common Stock and the Class B Stock vote together as a class. With respect to the election of Mr. Dennis, Ms. Hummer, and Mr. Miles the Common Stock votes separately as a class and the Class B Stock is not entitled to vote.

4

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF DAVID DENNIS, MARIA HUMMER, GEORGE MILES, AND FARID SULEMAN AS CLASS II DIRECTORS.

Each grant is made on the date of the Company's annual shareholder meeting or on the date they are appointed to the Board of Directors. Mr. Karmazin has elected not to receive mandatory grants of stock options normally provided to non-officer directors.

How often did the Board meet during 2002?

The Board of Directors met six times during 2002. Each director attended more than 75% of the total number of meetings of the Board and Committees on which he or she served.

What committees has the Board established?

The Board of Directors has Audit, Nominating and Corporate Governance, and Compensation Committees.

The members of the Audit Committee in 2002 were Messrs. Dennis (Chairman), Lerman and Ms. Hummer. Mr. Miles was appointed to the Audit Committee in December 2002. Pursuant to the Sarbanes-Oxley Act of 2002 (the "Act") and the New York Stock Exchange ("NYSE") listing standards, Mr. Dennis, and Mr. Miles meet the requirements of independence proscribed thereunder. In addition, Messrs. Dennis and Miles are considered "Financial Experts" pursuant to the Act and the NYSE listing standards. The Audit Committee is mainly responsible for overseeing the integrity of the Company's financial statements, audits, and internal controls amongst other matters. The Committee is also charged with appointing, setting the compensation for and overseeing the Company's

Edgar Filing: WESTWOOD ONE INC /DE/ - Form DEF 14A

independent auditors and ensuring their qualifications and independence. The Audit Committee operates under a written charter, which was revised and amended as a result of the Act and adopted by the Board of Directors. The Audit Committee charter is included herein as Appendix A, (the "Charter") and will be available on the Company website. The Committee's responsibilities and activities are further discussed below under "Report of the Audit Committee." There were five meetings of the Audit Committee during fiscal 2002.

The members of the Nominating Committee in 2002 were Messrs. Dennis (Chairman), Karmazin and Pattiz. The primary function of the Nominating Committee is to recommend possible qualified candidates to the Board for election as directors of the Company and to recommend a slate of directors that the Board proposes for election by shareholders at the annual meeting. The Nominating Committee will also consider, at meetings of the Committee, those recommendations by shareholders which are submitted, along with biographical and business experience information, to the Company at its principal executive office. There were several informal meetings of the Committee in 2002. Effective March 25, 2003, the Board has established that the Nominating Committee will become the Nominating and Corporate Governance Committee. This Committee, in addition to its preexisting role, will be responsible for overseeing the development and implementation of the Company's policies and practices with regard to corporate governance. The Company has, at the direction of The Board of Directors, sought a reaffirmation of compliance of the Company's Code of Ethics from all its executives and employees.

The members of the Compensation Committee in 2002 were Messrs. Greenberg (Chairman), Dennis and Smith. The Compensation Committee is comprised entirely of independent members of the Board of Directors. The Committee reviews, at the behest of the Board, compensation strategy and structure for key senior executives. The Committee also reviews and approves the Company's plans and policies and generally oversees the Company's incentive compensation and equity based plans. The Committee administers the Company's Amended Stock Incentive Plan, and is authorized to approve, and may negotiate, employment arrangements with key executives of the Company and its subsidiaries. There were three meetings of the Compensation Committee in 2002, and Committee members engaged in informal discussions and took several actions by written consent during fiscal 2002.

The Board may from time to time, establish or maintain additional committees as necessary or appropriate.

PROPOSAL 2 - APPOINTMENT OF INDEPENDENT ACCOUNTANTS

Action will be taken at the annual meeting to ratify the appointment of PricewaterhouseCoopers LLP as independent accountants of the Company for the fiscal year ending December 31, 2003. PricewaterhouseCoopers LLP has been the independent accountant of the Company since 1984. The Company knows of no direct or material indirect financial interest of PricewaterhouseCoopers LLP in the Company or of any connection of that firm with the Company in the capacity of promoter, underwriter, voting trustee, officer or employee.

Report of the Audit Committee

The Audit Committee operates pursuant to its Charter, which was revised and approved by the Board of Directors and is included herein as Appendix 1. The Charter, which complies with applicable SEC regulations, Sarbanes-Oxley and New York Stock Exchange rules, addresses five broad areas of responsibility of the Committee:

Edgar Filing: WESTWOOD ONE INC /DE/ - Form DEF 14A

- 1) Reviewing and discussing the preparation of quarterly and annual financial reports with the Company's management and its independent accountants;
- 2) Supervising the relationship between the Company and its independent accountants, including discussing the matters required by SAS 61 (Codification of Standards on Auditing Standards) with its independent accountants, evaluating the independence of the accountants in accordance with Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and recommending their appointment or removal, reviewing the scope of their audit and non-audit services and related fees;
- 3) Overseeing management's implementation of effective systems of internal controls;
- 4) Reviewing and approving the internal corporate audit staff functions; and
- 5) Reviewing and investigating any matters pertaining to the integrity of management, including conflicts of interest, or adherence to standards of business conduct.

The Committee or its Chairman reviewed and discussed with both management and its independent accountants all financial statements prior to their filing with the SEC. Management advised the Committee in each case that all financial statements were prepared in accordance with generally accepted accounting principles, and reviewed significant issues with the Committee. The Committee also held discussions with the Company's independent accountants concerning the matters required to be discussed by SAS 61.

The Committee also discussed with PricewaterhouseCoopers LLP ("PWC") their independence and received from PWC the written disclosures and the letter from PWC required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. In addition, the Committee has considered whether the provision of non-audit services by PWC is compatible with maintaining their independence.

Based on its reviews and discussions, the Committee recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K. The Committee also recommended to the Board of Directors the selection of the Company's independent accountants for the year ending December 31, 2003.

Audit Fees

PWC has audited the consolidated financial statements of the Company for the year ended December 31, 2002. Direct fees related to the issuance of the audit opinion and the timely review of quarterly reports on Form 10-Q were \$287,500.

8

Financial Information Systems Design and Implementation Fees

PWC did not render services relating to financial information systems design and implementation for the year ended December 31, 2002 and, accordingly, no fees were billed for any such services.

Edgar Filing: WESTWOOD ONE INC /DE/ - Form DEF 14A

Non-Audit Fees

The Audit Committee has also adopted policies and procedures for preapproving all non-audit work performed by PWC. PWC received \$118,000 in fees for audit related services in 2002. Such fees relate to auditing the Company's employee benefit plans, auditing a subsidiary's financial statements in relation to a government contract, consulting with respect to the renewal of the Management Agreement and regarding the implementation of new accounting pronouncements.

Representation of Independent Accountants at Annual Meeting

A representative of PricewaterhouseCoopers LLP will be present at the annual meeting and will have an opportunity to make a statement. He or she will also respond to appropriate questions.

The affirmative vote of a majority of the Common Stock and Class B Stock, voting together as a single class, represented in person or by proxy at the annual meeting is required for passage.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT ACCOUNTANTS.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Messrs. Karmazin and Hollander are officers or employees of Infinity, which beneficially owns 15.6% of the Common Stock of the Company. Infinity manages the business and operations of the Company pursuant to the terms of the Management Agreement, by providing to the Company the services of a chief executive officer and a chief financial officer. The agreement was entered into in March 1999 and was subsequently amended to, among other things, extend the agreement until March 31, 2009. Pursuant to the Management Agreement, the Company is obligated to pay to Infinity an annual base fee subject to an annual increase by a percentage amount equal to the increase based on a specified consumer price index. The fee in 2002 was approximately \$2,712,000. Effective April 1, 2004, the Company will be obligated to pay to Infinity an annual base fee in the amount of \$3,000,000 subject to an annual increase for each year thereafter by a percentage amount equal to the increase in a specified price index for the prior year.

In addition, the Company pays to Infinity incentive bonus compensation in an amount equal to 10% of the amount by which the Company's operating cash flow exceeds a target amount for the applicable year, subject to certain adjustments. The Company must also reimburse Infinity for certain out-of-pocket expenses incurred by Infinity in performing the services contemplated by the Management Agreement consistent with past practice. Under the Management Agreement, the Company paid or accrued amounts to Infinity aggregating approximately \$5,012,000 during fiscal 2002. As additional compensation to Infinity under the Management Agreement, Infinity was granted on March 30, 1999, warrants to purchase 2,000,000 shares of Common Stock at a price of \$10.00 per share (sold in 2001) and 2,000,000 shares of Common Stock at a price of \$12.50 per share (sold in 2002, see below), in each case exercisable only if certain thresholds with respect to the Company's Common Stock price were met. On January 2, 2003, the Company, pursuant to the Letter Agreement which was ratified by the Company's disinterested shareholders on May 29, 2002, agreed to grant Infinity warrants to purchase an aggregate 4,500,000 shares of the Company's Common Stock (comprised of two warrants to purchase 1,000,000 Common shares per warrant and five warrants to purchase 500,000 Common shares per warrant). Of the 4,500,000 warrants issued, the two one million share warrants have an exercise price of \$43.11 and \$48.36, respectively, and become exercisable if the average price of the Company's Common Stock reaches a price of \$64.67 and \$77.38, respectively,

Edgar Filing: WESTWOOD ONE INC /DE/ - Form DEF 14A

for at least 20 out of 30 consecutive trading days for any period throughout the ten year term of the warrants.

Of the remaining five warrants to purchase an aggregate of 2,500,000 Common shares, the exercise price for each of the five warrants will be equal to approximately 115%, 132%, 152%, 175%, and 201%, respectively, of the average price of the Company's Common Stock for the 15 trading days prior to January 2, 2004. The five warrants have a term of 10 years (only if they become exercisable) and can become exercisable on January 2, 2005, 2006, 2007, 2008, and 2009, respectively. Additionally, in order for the warrants to become exercisable, the average price of the Company's Common Stock for each of the 15 trading days prior to January 2 of such year (commencing on January 2, 2005 with respect to the first 500,000 warrant tranche and each January 2 thereafter for

9

each of the remaining four warrants) must be at least equal to both the exercise price of the warrant and 120% of the corresponding prior year 15 day trading average.

The Company and Infinity have also entered into a registration rights agreement with respect to the shares of Common Stock issuable upon exercise of the warrants pursuant to which the Company granted to Infinity specified demand and registration rights. In 2002, Infinity sold its \$12.50 warrants to the Company in two separate transactions, receiving net proceeds aggregating \$51,070,000. The transactions, which were completed at a discount to the market value of the securities, were reviewed and approved by the Compensation Committee and by the Board of Directors other than the directors who were officers or employees of Infinity.

The Management Agreement provides that all transactions between the Company and Infinity or its affiliates will be on a basis that is at least as favorable to the Company as if the transaction were entered into with an independent third party. In addition, subject to specified exceptions, all agreements between the Company and Infinity or any of its affiliates must be approved by the Board of Directors.

The Company has a Representation Agreement with Infinity to operate the CBS Radio Networks until March 31, 2009. The Company retains all revenue and is responsible for all expenses of the CBS Radio Networks. In addition, a number of Infinity's radio stations are affiliated with the Company's radio networks and the Company purchases several programs from Infinity. During 2002, the Company incurred expenses aggregating approximately \$77,566,000 under the Representation Agreement and for Infinity affiliations and programs.

Mr. Suleman has been President and Chief Executive Officer of Citadel since April 2002. Many of the radio stations owned by Citadel have been broadcast programming produced by the Company both before and after Mr. Suleman became an officer of Citadel. During the time that Mr. Suleman was an officer of Citadel, the Company paid Citadel owned stations approximately \$442,000 pursuant to the terms of the stations affiliation agreements with the Company.

Mr. Lerman has been a member of the Washington, D.C. law firm of Leventhal, Senter and Lerman, PLLC since 1986. From time to time, the Company engages Leventhal, Senter and Lerman, PLLC in certain matters. The fees associated with those engagements aggregated approximately \$35,000 in 2002. In addition, Leventhal, Senter and Lerman PLLC provides services to Infinity. Mr. Lerman serves as Infinity's General Counsel.

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

Section 16(a) of the Exchange Act requires the Company's executive officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Executive officers, directors and more than ten percent shareholders are required by Securities and Exchange Commission regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from its directors and executive officers, the Company believes that during 2002 its executive officers, directors and more than ten percent beneficial owners complied with all SEC filing requirements applicable to them, with the exception of Mr. Dennis, Mr. Holt, Ms. Hummer, Mr. Lerman, Mr. Smith, and Mr. Hollander who inadvertently failed to timely file reports disclosing a stock option grant; and Mr. Miles and Mr. Bortnick who inadvertently failed to timely file reports disclosing the event upon which they became reporting persons. These transactions on behalf of the aforementioned have subsequently been reported.

MacKenzie Partners may solicit proxies by mail, telephone, telegraph and personal solicitation, and will request banks, brokers and other nominees, fiduciaries and custodians nominally holding shares of Common Stock of record to forward proxy soliciting material to the beneficial owners of such shares. For these services, the Company will pay MacKenzie Partners a fee estimated not to exceed \$3,500, plus reimbursement for expenses.
