Explanatory Note

This Amendment No. 1 on Form 10-K/A (this “Amendment”) amends our Annual Report on Form 10-K for the year ended December 31, 2012 filed with the SEC on April 1, 2013 (the “Original 10-K”). This Amendment is filed solely for the purpose of including information that was to be incorporated by reference from the Company's definitive proxy statement pursuant to Regulation 14A of the Securities Exchange Act of 1934. The Company will not file a proxy statement for an annual meeting of stockholders within 120 days of its fiscal year ended December 31, 2012 and accordingly, is amending and restating in their entirety Items 10, 11, 12, 13 and 14 of Part III of the Original 10-K. In addition, pursuant to Rule 13a-14(a) under the Securities Exchange Act of 1934, the Company is including with this Amendment certain currently dated certifications. Except for the information described above, the Company has not modified or updated disclosures provided in the Original 10-K in this Amendment. Accordingly, this Amendment does not reflect events occurring after the filing of the Original 10-K or modify or update those disclosures affected by subsequent events. Information not affected by this amendment is unchanged and reflects the disclosures made at the time the Original 10-K was filed.

Part III

Item 10. Directors, Executive Officers and Corporate Governance

Directors

The eight directors of the Company's nine-person Board of Directors (referred to in this Part III as the “Board”) are listed below (there is presently a vacancy due to the resignation of former CEO, Spencer Brown, as indicated below). Three directors are elected by the holders of Class A Common Stock (one of whom must be “independent” pursuant to NASDAQ regulations); the CEO is a director (as noted, this directorship is presently vacant) and the remaining five directors are elected by the holders of Class B Common Stock (two of whom must be “independent” pursuant to NASDAQ regulations). As previously announced, if our recapitalization closes on April 16, 2013, the Company's Board will be reduced to seven directors. Since the Company delisted from the NASDAQ Global Market on December 6, 2012, it is no longer required to have independent directors on its Board. Because our Amended and Restated Certificate of Incorporation (which will be filed and become effective upon the closing of the recapitalization) does not require that we have independent directors and because we are no longer listed on NASDAQ (which required that our Audit Committee be comprised solely of independent directors), our Board may not have any independent directors after the closing of the recapitalization. We have listed below for each current director on our Board, the committees on which such director serves, his age as of April 1, 2013, the year he became a director of the Company and whether he was elected by the Class A Common stockholders or Class B Common stockholder.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the SEC. Officers, directors and more than ten percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from its directors and executive officers, the Company believes that during 2012 its executive officers, directors and more than ten percent beneficial owners complied with all SEC filing requirements applicable to them.

Code of Ethics

The Company has a written policy entitled "Code of Ethics" that is applicable to all employees, officers and directors of the Company, including its principal executive officer, principal financial officer, principal accounting officer or controller, or any person performing similar functions. The Code of Ethics is available on the Company's website (www.dialglobal.com) and is available in print at no cost to any stockholder upon request by contacting the Company at (212) 419-2900 or sending a letter to 220 W. 42nd Street, 3rd Floor, New York, NY 10036, Attn: Legal Dept.

Director Nomination Procedures

On October 21, 2011, the Board adopted and approved the First Amendment to the Amended and Restated By-Laws (the "Amended and Restated By-Laws"), which, among other things, slightly modified Section 2.16 of the Amended and Restated By-Laws to state that nominations of persons for election to the Board may be made by stockholders who are stockholders of record on the date of the giving of the notice and who comply with the notice procedures set forth in Section 2.16 of the Amended and Restated By-Laws and to additionally state that such stockholder must also have the right to vote for the election of the directors being nominated under the terms of the class of stock held by such stockholder. Such change was made in connection with the Merger that closed on October 21, 2011 and reflects that certain directors are elected by the holders of the Class A Common Stock and others are elected by the holders of the Class B Common Stock. Otherwise, the nomination process remains unchanged.

It is contemplated that nominations to the Board will be reviewed by the Chairman of the Board, in consultation with the Chief Executive Officer and such members of Oaktree and Gores that sit on the Board.

Committees of the Board

The Board has an Audit Committee and Compensation Committee. The written charters of each such committee remain unchanged since April 23, 2009, when the Board adopted amended and restated written charters for each. The full text of each committee charter is available on the Company's website at www.dialglobal.com and is available in print free of charge to any stockholder upon request. Under their respective charters, each of these committees is authorized and assured of appropriate funding to retain and consult with external advisors, consultants and counsel. Since April 23, 2009, the Company has not had a Nominating and Governance Committee. From November 20, 2009 through December 6, 2012 (when the Company voluntarily delisted from the NASDAQ Global Market), the Company

was subject to NASDAQ rules and regulations except where it relied on the “controlled company” exemption to the board of directors and committee composition requirements under the rules of the NASDAQ Global Market. As a result of the exemption, the Company was not required to have a Nominating and Governance Committee, or have its Board comprised of a majority of “independent” directors and has the flexibility to include non-independent directors on its Compensation Committee. The “controlled company” exception did not modify the independence requirements for the Audit Committee, and the Company complies with the requirements of the Sarbanes-Oxley Act of 2002 (“SOX”) and the NASDAQ Global Market rules which require that its audit committee be composed of at least three independent directors. In making a determination of a director's “independence,” the Board used the NASDAQ standard of “independence” in determining that each of Messrs. Haimovitz, Ming and Murphy is independent. As described above, upon the closing of the recapitalization, the Board

will be reduced to seven directors. Because the Company is no longer listed on NASDAQ and because the Amended and Restated Certificate of Incorporation (anticipated to be filed upon the closing of the recapitalization) does not require independent directors, the Company may elect not to have any independent directors after such closing.

The Audit Committee

The current members of the Audit Committee are Messrs. Haimovitz, Ming and Murphy. Pursuant to SOX and the NASDAQ standards described above, the Board has determined that Messrs. Haimovitz, Ming and Murphy meet the requirements of independence proscribed thereunder. In addition, the Board has determined that each of Messrs. Haimovitz, Ming and Murphy is an “audit committee financial expert” pursuant to SOX. For further information concerning each of their qualifications as an “audit committee financial expert,” see their biographies which appear above in this report under the heading entitled “Directors.”

The Audit Committee is responsible for, among other things, the appointment, compensation, retention and oversight of the Company's independent registered public accounting firm; reviewing with the independent registered public accounting firm the scope of the audit plan and audit fees; and reviewing the Company's financial statements and related disclosures. The Audit Committee meets separately with senior management of the Company, the Company's General Counsel, the Company's internal auditor and its independent registered public accounting firm on a regular basis.

The Compensation Committee

The current members of the Compensation Committee are Messrs. Haimovitz, Murphy, Salter and Stone. The Compensation Committee also has a subcommittee, consisting solely of two independent directors, Messrs. Haimovitz and Murphy, for the purpose of making equity grants to the Company's key employees, including its NEOs. When it was listed on NASDAQ, the Company had the flexibility to include non-independent directors on its Compensation Committee under the NASDAQ rules, but chose to have independent directors on the subcommittee in order to address tax and securities law considerations under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”) and Section 16(b) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), respectively.

The Compensation Committee has the following responsibilities pursuant to its charter (a copy of which is available on the Company's website at www.dialglobal.com), which was last amended on April 23, 2009:

- Develop (with input from the CEO/President) and recommend to the Board for approval compensation to be provided to officers holding the title of Executive Vice President and above (“senior executive officers”);
- Review and approve corporate goals and objectives relative to the compensation of senior executive officers;
- Review the results of and procedures for the evaluation of the performance of other executive officers by the CEO/President;
- At the direction of the Board, establish compensation for the Company's non-employee directors;
- Recommend to the Board for approval all qualified and non-qualified employee incentive compensation and equity ownership plan and all other material employee benefit plans;
- Act on behalf of the Board in overseeing the administration of all qualified and non-qualified employee incentive compensation, equity ownership and other benefit plans, in a manner consistent with the terms of any such plans;
- Approve investment policies for the Company's qualified and nonqualified pension plans (and, as appropriate, compensation deferral arrangements) and review actuarial information concerning such plans;
- In consultation with management, oversee regulatory compliance with respect to compensation matters, including overseeing the Company's policies on structuring compensation programs to preserve tax deductibility, unless otherwise determined by the Committee;
- Prepare an annual report on executive compensation for inclusion in the Company's annual proxy statement in accordance with applicable laws and regulations; and

Perform any other duties or responsibilities consistent with its Charter and the Company's certificate of incorporation, by-laws and applicable laws, regulations and rules as the Board may deem necessary, advisable or appropriate for the Committee to perform.

In carrying out its responsibilities, the Compensation Committee is authorized to engage outside advisors to consult with the Committee as it deems appropriate.

The Board may from time to time, establish or maintain additional committees as necessary or appropriate.

(1) The amounts reported in columns (e) and (f) represent the grant date fair value all stock and option awards granted in fiscal years 2011 and 2012 (as applicable), calculated in accordance with FASB ASC 718, without regard to the estimated forfeiture related to service-based vesting conditions. For a more detailed discussion of the assumptions

used by the Company in estimating fair value, refer to Note 13 (Stock-Based Compensation) of the Notes to the Consolidated Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2011 and Note 10 (Stock-Based Compensation) of the Notes to the Consolidated Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2012. These amounts reflect the Company's accounting expense for these awards and do not correspond to the actual amounts, if any, that will be recognized by the named executive officers. Stock options only have value to an executive if the stock price of the Company's common stock increases after the date the stock options are granted, and such value is measured by the increase in the stock price (which is the value shown in the table above). This is different from the values listed in the table above and below (i.e., Summary Compensation Table, Outstanding Equity Awards at 2012 Fiscal Year-End) which represent the grant date fair value, computed in accordance with FASB ASC 718. The vesting terms of the stock awards and option awards reported in the table above are described below.

With limited exceptions, the Company does not provide perquisites to its employees, including the named executive officers. Messrs. Brown, Landau and Williams each received a car allowance of \$1,250 per month (2) (\$15,000/year) and a club allowance of \$15,000 per year until their respective resignations. Ms. Clifton receives a commutation allowance of \$25,000 per year. The amounts reflected above show the amounts utilized in 2011 and 2012.

Ms. Decker received a stock option for 120,000 shares of common stock on March 1, 2012, and Ms. Clifton (3) received a stock option for 650,000 shares of common stock on June 25, 2012. Each of Messrs. Brown, Landau and Williams received a stock option for 1,637,125 shares of common stock on December 20, 2011. All of such stock options are "underwater", that is the Company's current stock price is below the exercise price of the stock options. Mr. Landau's employment terminated on February 8, 2013 and each of Mr. Brown's and Mr. Williams' (4) employment terminated on April 5, 2013 in connection with the appointment of Paul Caine as CEO. Each of Messrs. Brown, Landau and Williams continues to receive compensation pursuant to his respective employment agreement as discussed below.

Provisions Related to Equity Compensation

Material terms related to the equity compensation reported in the table above include the following:

Vesting Generally

The stock options awarded after the Merger, including those to Messrs. Brown, Landau, Schore and Williams on December 20, 2011, Ms. Decker in March 2012 and Ms. Clifton in June 2012, were made pursuant to the 2011 Stock Option Plan (the "2011 Plan"). The vesting schedule of the stock options issued to Messrs. Brown, Landau, Schore and Williams is set forth in footnote 2 below the table entitled "Outstanding Equity Awards at 2012 Fiscal Year-End" which appears below. Other stock options were issued under the 2011 Plan on March 1, 2012, are subject to a 4-year vesting schedule and vest in 25% installments beginning on the anniversary of the grant date (March 1, 2013) and continuing on each anniversary thereafter until fully vested, as indicated in footnote 1 below the table entitled "Outstanding Equity Awards at 2012 Fiscal Year-End".

Vesting upon a Change in Control; Death; Disability

All stock options awards made under the 2011 Plan, including those granted to the former co-CEOs, shall vest in their entirety upon a change of control, death or termination due to disability. Such terms have the meaning described below under the description of NEOs' employment agreements.

Vesting in connection with a Termination without Cause

In connection with the employment agreements negotiated by and between the Company and the former co-CEOs, a termination with "cause" would constitute a "Qualifying Termination" which would mean that the portion of the 2011 stock option awarded to such co-CEO that would have vested within the date that is 6 months after the Qualifying Termination shall vest immediately. For executive officers who were not co-CEOs (including Ms. Decker and Ms. Clifton), there is no acceleration of vesting associated with a termination without cause.

OUTSTANDING EQUITY AWARDS AT 2012 FISCAL YEAR-END

The following table sets forth, on an award-by-award basis, the number of shares covered by exercisable and unexercisable stock options outstanding to each of the Company's NEOs as of December 31, 2012 (there was no unvested restricted stock or RSUs as of such date).

Williams	572,993	1,064,132	—	\$3.27	12/20/2021				

The stock options listed in the table above for Ms. Decker and Ms. Clifton vested/vest as follows: in 25%

(1) installments beginning on the first anniversary of the grant date (June 25, 2012 (Clifton); March 1, 2012 (Decker)) and continuing on each anniversary thereafter until fully vested.

When issued, the stock options listed in the table above for Messrs. Brown, Landau and Williams were scheduled to vest as follows: 2.5% vested and became exercisable immediately on the grant date (December 20, 2011); 87.5% vested/vest in monthly installments of 2.5% beginning on December 21, 2011 through and including October 21, 2014; and (iii) 10% will become vested and exercisable in monthly installments of 0.833% commencing on

(2) November 21, 2014 through and including October 21, 2015; such that, upon October 21, 2015, the grantee would be fully vested in the option. Pursuant to the terms of their resignation, the portion of such executives' stock option that would have vested in the six months after the date of their termination immediately vested and became exercisable and remain exercisable for one year after the date of their termination. The remainder of such stock options shall be forfeited by such employees.

Employment Agreements

General

The Company has written employment agreements with each of the NEOs, the material terms of which are set forth below, including as they relate to payment at or following such NEO's various termination events, including a change in control. These summaries do not purport to be exhaustive and you should refer to the actual agreements for a more detailed description of the terms. As indicated below, all of the employment agreements contain non-competition and non-solicitation provisions which extend after the termination of such agreements for the period indicated below.

Defined Terms: Cause, Good Reason, Change in Control

When terms such as “cause,” “good reason” or “change in control” are used in the summaries of the employment agreements, please refer to the following for the meaning thereof.

Cause - Messrs. Brown, Williams and Landau (collectively, for the purposes of the description of their employment agreement, which have since terminated, the “co-CEOs”)

In the case of the co-CEOs, they were terminable for cause under the following circumstances: (1) the willful failure to substantially perform his material lawful duties within ten (10) business days after demand for substantial performance is delivered by the Company and where such willful failure is not due to employee's disability or during an approved leave of absence, (2) material misappropriation, breach of fiduciary duty or fraud with regard to the Company or any of its Subsidiaries, (3) conviction of or the pleading of guilty or nolo contendere with regard to a felony (other than a traffic violation), (4) gross negligence or willful misconduct which, in the good faith determination by the Board, is reasonably likely to be materially injurious to the Company, or (5) any other material breach of a provision that remains uncured for ten (10) days after the Board provides employee with written notice of its good-faith determination that Cause exists.

Cause - other NEOs

In the case of other NEOs (Decker, Clifton), they are generally terminable for cause if they have: (1) failed, refused or habitually have neglected to perform their duties, breached a statutory or common law duty or otherwise materially breached their employment agreement or committed a material violation of the Company's internal policies or procedures; (2) been convicted of a felony or a crime involving moral turpitude or engaged in conduct injurious to the Company's reputation; (3) become unable by reason of physical disability or other incapacity to perform their duties for 90 continuous days or 120 non-continuous days in a 12-month period ; (4) breached a non-solicitation, non-compete or confidentiality provision; (5) committed an act of fraud, material misrepresentation, dishonesty related to his employment, or stolen or embezzled assets of the Company; or (6) engaged in a conflict of interest or self-dealing.

Good Reason

Only the co-CEOs could terminate their employment for “good reason” which is defined in their employment agreement as the occurrence of any of the following events without such co-CEO's prior written consent: (1) a reduction in his Base Salary or annual bonus opportunity, (2) any diminution of his title, position or reporting line, or the appointment of any individual to an officer position with the Company senior to him; (3) any material reduction of his duties or responsibilities, (4) following a change in control (as defined in his employment agreement), a requirement to report to a person or group of persons other than the board of directors of the ultimate parent entity of the Company, (5) relocation to a place of business outside Manhattan in New York City (relocation to a place of business more than thirty (30) miles from the Mr. Williams' office location as of October 20, 2011 in the case of Mr. Williams who works in Los Angeles, CA), (6) a material breach by the Company of any provision of this Agreement or of the option agreement that remains uncured for ten (10) days after written notice thereof is provided to the Company; provided, however, that except in the case of an event described in clause (6) hereof, any termination by employee with “good reason” shall occur only within sixty (60) days following the first to occur of any of the events or circumstances set forth herein as constituting good reason. As discussed below, Mr. Landau terminated his employment agreement for “good reason” as of February 8, 2013 and Messrs. Brown and Williams similarly terminated their employment for “good reason” on April 5, 2013.

Change in Control

The term “change in control” has the same meaning for all of the NEOs currently employed by the Company (i.e., the former co-CEOs, Decker, Clifton) and the other executive officers. In the case of the former co-CEOs, such definition is located in their employment agreements because it is a potential element of the good reason definition (see above). In the case of Decker, Clifton and the other executive officers, the definition is located in their stock option award agreement since such definition is only relevant to stock options.

NEOs: Employment Agreement Summaries

Employment Agreements for Messrs. Brown, Landau and Williams, each a co-Chief Executive Officer through February 8, 2013 (each has since resigned from the Company).

Initial employment term of four years, October 21, 2011-October 21, 2015, each terminated earlier as described in more detail above.

Annual base salary of \$600,000, subject to increase by the Compensation Committee in its discretion.

\$250,000 bonus for 2011 and eligible for annual discretionary bonuses in future years (target at least 50% of then-current base salary).

Terminates immediately in the event of death or disability, or upon employee's resignation with or without "good reason", or Company's termination with or without "cause" (subject to notice periods applicable thereto); in the case of termination by the Company without "cause" or by employee without "good reason", such termination shall be effective upon 30 days' prior written notice.

If employment with the Company terminates for reason other than "cause" (including by Company's written election not to renew the employment agreement) or by employee's resignation with "good reason", such co-CEO shall receive: (1) continued payment of his base salary and participation in benefit programs (other than bonus and incentive compensation plans) to the extent permitted under the terms of such programs or, if not permitted, as provided under applicable law, for two years, (2) his accrued and unpaid base salary through the date of termination, (3) unreimbursed business expenses, (4) benefits payable to senior executives under the Company's employee benefit plans upon a termination of employment, (5) fully earned but unpaid annual bonus in respect of any completed fiscal year which ended prior to the date of termination and (6) a pro rata portion of the actual performance bonus that would have been paid to such co-CEO (as determined by the Compensation Committee) for the fiscal year in which the termination occurs. Payment of the benefits set forth in clauses (1) and (6) above are contingent on such co-CEO executing a fully effective waiver and general release substantially in the form attached to the co-CEO's employment agreement.

Car and parking allowance of \$1,250 per month (15,000 per year) and a country club allowance of \$15,000 per year. In the event that any parachute payment (within the meaning of Section 280G(b)(2) of the Code) to a co-CEO would be subject to the excise tax imposed by Section 4099 of the Code, such Co-CEO is entitled to receive an additional payment equal to the lesser of (i) all such excise taxes (together with interest and penalties thereon) imposed on such parachute payment, plus any income taxes, interest and penalties thereon, and (ii) \$500,000.

Pursuant to each co-CEO's 2011 option agreement, upon a "change in control," death or disability, each co-CEO's outstanding 2011 stock option will become fully vested and immediately exercisable. Upon a termination by the Company without cause, the co-CEO's resignation with good reason or the Company's notice of non-renewal, any portion of a co-CEO's outstanding 2011 stock option that would have become vested and exercisable during the six-month period following such termination (assuming no termination had occurred), will become immediately exercisable.

Non-Compete: During a co-CEO's employment period and for the 24 month period thereafter, a Co-CEO may not engage or participate in any business activity that competes directly or indirectly with material business of the Company or any of its subsidiaries, or for himself or on behalf of any third party, solicit employees or customers of the Company or its affiliates.

As described in more detail above, each of Messrs. Brown, Landau and Williams elected to terminate his respective employment agreement for "good reason" in connection with certain executive management changes. Each of them will continue to receive his contractual base salary (\$600,000) in equal installments over two (2) years and benefits at the Company's expense provided each executes the general release attached to his employment agreement in connection therewith and does not breach or revoke it or certain provisions of his employment agreement. Additionally, the portion of the stock option each received on December 20, 2011 for 1,637,000 shares at an exercise price of \$3.27/share that is scheduled to vest on or prior to the six-month anniversary of the Termination Date (i.e., August 8, 2013 for Landau and October 5, 2013 for Brown and Williams) accelerated and immediately vested upon their respective Termination Date and will remain exercisable for one year thereafter. Each is subject to a two-year non-compete in connection with the foregoing.

Ms. Decker, President, Sales

Term expires on April 16, 2014. The Company shall provide notice of its desire not to extend the employment agreement by no later than the 180th day prior to the stated termination. The employment agreement will remain in effect following the expiration of the term and will thereafter be terminable by either party upon 60 days' written notice.

Annual salary of \$450,000.

Discretionary annual bonus of up to \$150,000, pursuant to such terms set forth in her commission plan (such plan to be established by mutual agreement between Ms. Decker and the Company), provided, however, Ms. Decker may receive a greater commission if she exceeds the targets set forth therein.

Discretionary annual equity awards.

Agreement terminates automatically in the event of death; terminable by the Company immediately upon notice of a cause event or upon ten days' prior written notice in the event of disability.

If terminated for any reason (other than by the Company without Cause as described in the next bullet point), Ms. Decker is entitled to the following: (1) her base salary prorated to the date of termination; (2) reimbursement for any unreimbursed expenses properly incurred through date of termination; (3) any earned but unpaid commission and (4) any entitlement under employee benefit plans and programs. If Ms. Decker is terminated for cause (with the exception of a termination due to failure to perform her duties in connection with a disability), all equity awards will be forfeited except for exercised stock options.

If terminated by the Company for any reason other than cause prior to the expiration of the term, Ms. Decker will receive the greater of (x) her base salary for the remainder of the Term and (y) her base salary for six months and continued coverage under COBRA for nine (9) months after termination, or such earlier time until she ceases to be eligible for COBRA or becomes eligible for coverage under the health insurance plan of a subsequent employer. Payment of the amounts and benefits described here are contingent on Ms. Decker executing a fully effective waiver and general release.

Upon a change in control, in accordance with the terms of the 2011 Plan and her stock option agreement, all of Ms. Decker's outstanding equity awards will become fully vested and immediately exercisable and shall remain exercisable for such period described in the 2011 Plan and her stock option agreement.

Non-compete: If Ms. Decker is terminated, then for the Restricted Period, Ms. Decker may not engage in any Restricted Activity, compete with the Company or its affiliates or solicit employees or customers of the Company or its affiliates. For Ms. Decker, the "Restricted Period" is a period equal to the remainder of the term of her employment agreement plus the greater of: (x) the period for which she receives severance after her date of termination if she is terminated for a reason other than for cause event; or (y) such additional period at the Company's option (capped at a maximum of twelve months) for which she receives severance after her date of termination, if Ms. Decker is terminated for cause, or by death or disability or Ms. Decker resigns.

Generally speaking, in the case of Ms. Decker and Ms. Clifton (see below), a "Restricted Activity" consists of: (i) providing services to a radio network or syndicator, or any direct competitor of the Company or its affiliates; (ii) soliciting client advertisers of the Company or its affiliates and dealing with accounts with respect thereto; (iii) soliciting such client advertisers to enter into any contract or arrangement with any person or organization to provide national or regional radio network or syndicated programming; or (iv) forming or providing operational assistance to any business or a division of any business engaged in the foregoing activities.

Ms. Clifton, Chief Financial Officer (effective June 25, 2012).

Term expires on June 25, 2015. The Company shall provide notice of its desire not to extend the employment agreement by no later than the 90th day prior to the stated termination. If no notice is provided and the employment agreement is not terminated, it will remain in effect following the expiration of the term for an additional three-year term.

Annual salary of \$475,000.

Discretionary annual bonus of up to \$237,500, with a minimum annual bonus for 2012 of no less than the pro-rata portion of \$166,250 (i.e., approximately \$83,000). Seventy percent (70%) of such target annual bonus shall be calculated based upon the achievement of certain financial objectives as determined by the Board and the remaining thirty percent (30%) of such annual bonus shall be calculated based upon the achievement of "Management by Objectives" as determined by the Board in consultation with Ms. Clifton.

Awarded stock options to purchase 650,000 shares of common stock and thereafter, eligible for discretionary annual equity awards.

Agreement terminates automatically in the event of death; terminable by the Company immediately upon notice of a cause event; terminable by employee for "good reason" or upon ten days' prior written notice in the event of disability.

If terminated for any reason (other than by the Company without Cause as described in the next bullet point), Ms. Clifton is entitled to the following: (1) her base salary prorated to the date of termination; (2) reimbursement for any

unreimbursed expenses properly incurred through date of termination (including her commutation allowance); (3) any entitlement under employee benefit plans and programs and (4) a pro rata portion of the actual annual bonus that would have been paid to her in the year of her termination. If Ms. Clifton is terminated for cause (with the exception of a termination due to failure to perform her duties in connection with a disability), all equity awards will be forfeited except for exercised stock options.

If terminated by the Company for any reason other than cause prior to the expiration of the term or by employee's resignation with "good reason", Ms. Clifton will receive her base salary for fifteen (15) months and continued coverage under COBRA for fifteen (15) months after termination, or such earlier time until she ceases to be eligible for COBRA or becomes eligible for coverage under the health insurance plan of a subsequent employer. Payment of the amounts and benefits described here are contingent on Ms. Clifton executing a fully effective waiver and general release.

Upon a change in control, in accordance with the terms of the 2011 Plan and her stock option agreement, all of Ms. Clifton's outstanding equity awards will become fully vested and immediately exercisable and shall remain exercisable for such period described in the 2011 Plan and her stock option agreement.

Non-compete: If Ms. Clifton is terminated, then for the Restricted Period, Ms. Clifton may not engage in any Restricted Activity, compete with the Company or its affiliates or solicit employees or customers of the Company or its affiliates. For Ms. Clifton, the "Restricted Period" is a period equal to the remainder of the term of her employment agreement plus the period for which she receives severance after her date of termination.

Potential Payments upon Termination or Change in Control

The Company has employment agreements with its NEOs that require it to make payments upon termination or upon a change in control as described below. We have included a table setting forth the amounts of various payments for convenience. The table should be reviewed with the narrative that follows for a more complete description. As noted elsewhere in this report, each of Messrs. Brown, Landau and Williams resigned for "good reason" in 2013, which event constituted a "Qualifying Termination" as described below. In connection therewith, each will receive such payments described above.

Potential Payments upon Termination or Change in Control Pursuant to Employment Agreements

Name	Termination Scenario	Amount Payable	Equity Compensation
Brown, Landau, Williams (1)	(A) For Cause; Not Good Reason	Accrued (but unpaid) salary/benefits and expense reimbursement	—
	(B) Without Cause; For Good Reason; Company Election not to renew past initial 4-year term (2)	Accrued Obligations, Pro Rata Bonus, two years' base salary and continued benefits (2)	6 additional months of 2011 stock option award accelerates and vests upon termination
	(C) Change in Control (3)	280G excise tax (3)	2011 stock option award accelerates and vests upon a change in control
	Death/Disability (4)(5)	Accrued Obligations and Pro Rata Bonus	2011 stock option award accelerates and vests upon termination
Decker	For Cause; Death/Disability(5)	Accrued (but unpaid) salary/benefits and expense reimbursement	—
	Without Cause	Base salary for the greater of remaining initial term or 6 months	—
	Change in Control	—	All outstanding equity awards vest upon termination
Clifton	(A) For Cause; Death/Disability (5); Not Good Reason	Accrued (but unpaid) salary/benefits and expense reimbursement	—
	(B) Without Cause; For Good Reason	Base salary for 15 months	—
	(C) Change in Control	—	All outstanding equity awards vest upon termination

(1)

For purposes of the co-CEOs listed above, “Accrued Obligations” means (1) accrued and unpaid base salary, (2) unreimbursed business expenses, (3) benefits payable to senior executives under the Company's employee benefit plans upon a termination of employment and (4) fully earned but unpaid annual bonus in respect of any completed fiscal year which ended prior to the date of termination. In the event of a Qualifying Termination the portion of the Stock Option for 1,637,125 shares of Common Stock (“2011 SO Award”) that would have become vested and exercisable during the six-month period after the date of the Qualifying Termination shall immediately become vested and exercisable as described in footnote 2 below. Only the former co-CEOs and Ms. Clifton had/have a provision allowing them to terminate for “good reason”.

(2) Such events (termination without cause, termination by employee for good reason or Company election not to renew) would constitute a “Qualifying Termination” which would entitle the employee to Accrued Obligations, his Pro Rata Bonus and two years' base salary (\$1,200,000). “Pro Rata Bonus” means a pro rata portion of the actual performance bonus that would have

been paid to such co-CEO (as determined by the Compensation Committee in good faith) for the fiscal year in which the termination occurs (based on a 365-day calendar year).

(3) This assumes that only a change in control has occurred and that in connection with such there has been no requirement for the co-CEO to report to a person or persons other than the board of directors of the ultimate parent entity of the Company. If there were such a requirement, such would be a termination for “good reason”. If a change in control were to occur, there is a potential that payments to the co-CEOs due thereunder would constitute a parachute payment within the meaning of Section 280G(b)(2) of the Code, in which case such would be subject to the excise tax imposed by Section 4099 of the Code. In that event, under the terms of their employment agreements, the co-CEOs would be entitled to receive an additional payment equal to the lesser of (i) all such excise taxes (together with interest and penalties thereon) imposed on such parachute payment, plus any income taxes, interest and penalties thereon, and (ii) \$500,000.

(4) A termination for Death or Disability is the same as a “Qualifying Termination” except in such instance, full vesting related to the 2011 Stock Option Award occurs.

Generally speaking, the term “disability” means an employee's inability to perform the duties and functions of his (5) position for a period of 120 consecutive days or 180 days in any 12-month period as a result of any mental or physical illness, disability or incapacity.

DIRECTOR COMPENSATION

The following table sets forth the compensation for the Company's directors who served during the year ended December 31, 2012. Messrs. Brown, Ford, Haimovitz, Murphy, Salter and Schore became directors on October 21, 2011 when the Merger closed.

As Chairman and an employee of the Company, Mr. Schore also did not, and does not, receive compensation for his services as a director. The table above excludes \$250,000 of compensation which Mr. Schore received in his capacity as Chairman of the Company.

As reflected above, as employees of Oaktree Capital Management L.P. or The Gores Group, LLC, Messrs. Ford,

(2) Gimbel, Salter and Stone did not in 2012 and presently do not, receive cash or equity compensation for their services as directors of the Company.

(3) As noted above, Mr. Brown resigned as director and CEO effective April 5, 2013.

The table below sets forth information regarding the amount of outstanding RSUs granted to our current directors and held as of December 31, 2012. Only Messrs. Brown and Schore hold vested, unexercised stock options but such were awarded to them for their service as officers and not as directors and accordingly are not reported below. Only Messrs. Haimovitz, Ming and Murphy hold vested RSUs.

Name	Stock Awards	Stock Options	RSUs (vested)	RSUs (unvested)
Haimovitz	—	—	20,000 (1)	—
Ming	—	—	20,000 (1)	—
Murphy	—	—	20,000 (1)	—

The RSUs listed above are valued at \$3.25/share (the closing price of our common stock on the grant date which (1) constitutes fair value under the terms of our 2010 Plan) and were issued on December 20, 2011. The RSUs vested as indicated below and were granted under the 2010 Plan.

General. The Committee reviews and evaluates compensation for the Company's non-employee directors on an annual basis and the Board prior to making a recommendation to the Board. The Board then considers the recommendation of the Committee and generally approves such recommendation at the Board meeting held directly after the Company's annual meeting of stockholders.

Fees. In 2012 directors received \$35,000 a year for their services as Board directors. Audit Committee members received a \$10,000 annual retainer and Compensation Committee members received a \$5,000 annual retainer. In addition to the aforementioned annual retainers, directors received: (x) \$1,500 per in-person Board or committee meeting attended and (y) \$1,000 per telephonic Board or committee meeting attended, for each Board or committee meeting in excess of four (4) per year (with the Board, Audit Committee and Compensation Committee each measured separately when assessing the four meeting threshold).

Equity Compensation. For their services commencing in 2011, each independent director (Messrs. Haimovitz, Ming and Murphy) received \$65,000 in value of RSUs. Accordingly, on December 20, 2011, each director received 20,000 RSUs (based on a closing share price of \$3.25/share on such date). The terms of the awards are governed by the terms of the 2010 Plan and vested as follows: one-twelfth (1/12) immediately and one-twelfth (1/12) on December 21, 2011 and each monthly anniversary thereafter through October 21, 2012.

Dividends; Vesting. Those directors who received RSUs are entitled to receive dividend equivalents on the RSUs (subject to vesting) when and if the Company pays a cash dividend on its common stock. Such dividend equivalents are credited to a book entry account, and are deemed to be reinvested in common shares on the date the cash dividend is paid. Dividend equivalents are payable, in shares of common stock, only upon the vesting of the related restricted shares. Directors' RSUs will vest automatically, in full, upon a change in control or upon their retirement, as defined in the 2010 Plan. Each RSU counts as three shares under the terms of the 2010 Plan. As of December 31, 2012, the Company had 352,620 shares remaining for issuance under the 2010 Plan.

Transfer Restrictions; Voting Rights. RSUs accrue dividend equivalents when dividends are paid, if any, on the common stock beginning on the date of grant. Until the stock vests, RSUs may not be sold, pledged, or otherwise transferred; however, once a grant of such is made, the holder is entitled to receive dividends thereon (as described above). A holder may not vote shares associated with RSUs until the shares underlying such award have been distributed (which occurs upon vesting).

Waivers of Compensation

During the time in 2012 when each served as a director, Messrs. Brown and Schore did not receive additional remuneration for serving as a director of the Company. Directors of the Company who are employed by Gores

(Gimbel and Stone) and directors employed by Oaktree (Ford and Salter), similarly did not receive cash compensation.

Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters

Equity Compensation Plan Information

Information regarding securities available for issuance under the Company's equity compensation plans is set forth in Item 5 (Market for Registrant's Common Equity, Related Stockholder Matters and Issuer Purchases of Equity Securities) of the Company's Annual Report on Form 10-K filed with the SEC on April 1, 2013 under the heading "Equity Compensation Plan Information."

Beneficial ownership has been determined in accordance with Rule 13d-3 under the Exchange Act. Under Rule 13d-3, certain shares may be deemed to be beneficially owned by more than one person (such as where persons share voting power or investment power). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage of ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of such acquisition rights. As a result, the percentage of outstanding shares of any person as shown in the following table does not necessarily reflect the person's actual voting power at any particular date. The percentage of common stock beneficially owned by a person assumes that the person has exercised all options the person holds that are exercisable within 60 days (through June 11, 2013), and that no other persons exercised any of their options. Except as otherwise indicated, the business address for each of the following persons is 220 W. 42nd Street, 3rd Floor, New York, New York 10036. Except as otherwise indicated in the footnotes to the table or in cases where community property laws apply, we believe that each person identified in the table possesses sole voting and investment power over all shares of common stock shown as beneficially owned by the person.

The following table sets forth information known to us regarding the beneficial ownership of our common stock as of April 12, 2013, by:

- each person known by us to be the beneficial owner of more than 5% of the outstanding shares of our common stock;
- each of our current executive officers and directors; and
- all current executive officers and directors of the Company as a group.

Information in the columns of the table below is based on 57,031,961 shares of our common stock issued and outstanding as of March 22, 2013.

- (1) The person in the table has sole voting and investment power with respects to all shares of stock indicated above, unless otherwise indicated. Tabular information listed above is based on information contained in the most recent Schedule 13D/13G filings and other filings made by such person with the SEC as well as other information made available to the Company. The numbers presented above do not include unvested and/or deferred RSUs which have no voting rights until shares are distributed in accordance with their terms. All dividend equivalents on vested restricted stock units and shares of restricted stock (both vested and unvested) are included in the numbers reported above. As described elsewhere in this Information Statement, a holder of restricted stock only (i.e., not RSU) is entitled to vote the restricted shares once it has been awarded such shares. Accordingly, all restricted shares that have been awarded, whether or not vested, are reported in this table of beneficial ownership, even though a holder will not receive such shares until vesting. This is not the case with restricted stock units or stock options that are not deemed beneficially owned until 60 days prior to

vesting. For purposes of the 2011 Stock Option Plan, holders of Class A Common Stock and Class B Common Stock vote together as a single class.

- (2) Triton Media Group, LLC is controlled by OCM Principal Opportunities Fund III, L.P., OCM Principal Opportunities Fund IIIA, L.P., and OCM Principal Opportunities Fund IV, L.P., each of which is a fund managed by Oaktree Capital Management, L.P. Under applicable law, certain of these individuals and their respective spouses may be deemed to be beneficial owners having indirect ownership of the securities owned of record by Triton by virtue of such status. Each of the foregoing entities and the partners, managers and members thereof disclaim beneficial ownership of all shares reported herein in excess of their pecuniary interests, if any. With the exception of 71,428 shares of Class A Common Stock, each of the shares owned by Triton is Class B Common Stock. Because the Class B Common Stock is not convertible to Class A Common Stock at the option of Triton, nor may it automatically convert to Class A Common Stock earlier than three years from the date of issuance, Triton disclaims beneficial ownership of any Class A Common Stock by virtue of ownership of Class B Common Stock. In addition, Triton owns 9,691.374 shares of Series A Preferred Stock of the Company.

- (3) Gores Radio, LLC (“Gores Radio”) is managed by The Gores Group, LLC. Gores Capital Partners II, L.P. and Gores Co-Invest Partnership II, L.P., which we refer to collectively as the “Gores Funds,” are members of Gores Radio. Each of the members of Gores Radio has the right to receive dividends from, or proceeds from, the sale of investments by Gores Radio, including the shares of common stock, in accordance with their membership interests in Gores Radio. Gores Capital Advisors II, LLC, which we refer to as “Gores Advisors,” is the general partner of the Gores Funds and is managed by The Gores Group, LLC. Alec E. Gores is the manager of The Gores Group, LLC. Each of the members of Gores Advisors has the right to receive dividends from, or proceeds from, the sale of investments by the Gores Funds, including the shares of common stock, in accordance with their membership interests in Gores Advisors. Under applicable law, certain of these individuals and their respective spouses may be deemed to be beneficial owners having indirect ownership of the securities owned of record by Gores Radio by virtue of such status. Each of the foregoing entities and the partners, managers and members thereof disclaim beneficial ownership of all shares reported herein in excess of their pecuniary interests, if any. Each of the shares owned by Gores Radio is Class A Common Stock.

- (4) Triton Media Group, LLC is controlled by OCM Principal Opportunities Fund III, L.P., OCM Principal Opportunities Fund IIIA, L.P. and OCM Principal Opportunities Fund IV, L.P., each of which is a fund managed by Oaktree Capital Management, L.P. By virtue of being a director and/or officer of Triton Media Group, LLC (as is the case with Messrs. Lazar and Schore who are officers of Triton) as well as having a direct or indirect ownership interest therein (as is the case with Messrs. Brown, Ford, Landau, Lazar, Salter, Schore and Williams), the reporting person could be deemed to have beneficial ownership of securities of the Issuer owned by Triton Media Group, LLC. Each of Messrs. Brown, Ford, Landau, Lazar, Salter, Schore and Williams disclaims beneficial ownership of securities of the Company owned by Triton, except to the extent of any pecuniary interest therein.

- (5) Until April 5, 2013, Mr. Brown served as a director and CEO of the Company. As indicated above, Mr. Williams resigned on April 5, 2013 and Mr. Landau resigned on February 8, 2013. Mr. Mammone resigned on November 30, 2012.

- (6) Triton Media Group, LLC is controlled by OCM Principal Opportunities Fund III, L.P., OCM Principal Opportunities Fund IIIA, L.P. and OCM Principal Opportunities Fund IV, L.P., each of which is a fund managed by Oaktree Capital Management, L.P. By virtue of being a Managing Director and co-Portfolio Manager (U.S.) at Oaktree Capital Management, L.P. and a director of Triton Media Group, LLC, Mr. Ford

could be deemed to have beneficial ownership of securities of the Issuer owned by Triton Media Group, LLC.

- (7) By virtue of being a principal of The Gores Group, LLC, Mr. Gimbel may be deemed to have or share beneficial ownership of securities beneficially owned by Gores. Mr. Gimbel expressly disclaims beneficial ownership of such securities, except to the extent of his pecuniary interest therein. See Note 3.

- (9) By virtue of being a senior managing director of The Gores Group, LLC, Mr. Stone may be deemed to have or share beneficial ownership of securities beneficially owned by Gores. Mr. Stone expressly disclaims beneficial ownership of such securities, except to the extent of his pecuniary interest therein. See Note 3.

Changes in Control

The Company is not aware of any arrangement which may at a subsequent date result in a change in control of the Company.

Item 13. Certain Relationships and Related Transactions, and Director Independence

Related Party Transactions

As previously discussed in this report, on October 21, 2011, we completed the merger (the "Merger") contemplated by the Agreement and Plan of Merger, dated as of July 30, 2011, by and among Westwood, Radio Network Holdings, LLC, a Delaware corporation (since renamed Verge Media Companies LLC and known as "Merger Sub"), and Verge Media Companies, Inc. (together with its subsidiaries, "Verge"). As part of the Merger, Verge merged with and into Merger Sub, with Merger Sub continuing as the surviving company. Westwood remained the parent company and was renamed Dial Global, Inc. on December 12, 2011.

The following sets forth any transaction entered into in 2011 or 2012, or any transaction currently proposed, in which a related person has, or will have, a direct or indirect material interest.

24/7 Formats Management Agreement and Purchase Agreement

Pursuant to a Management Agreement between Westwood One Radio Networks, Inc. and Excelsior Radio Networks, Inc. ("Excelsior") dated as of May 23, 2006, Excelsior managed and operated eight 24/7 formats from 2006 to 2011 in exchange for quarterly license fees. Under the agreement, Verge had the option to purchase the 24/7 formats and on July 29, 2011, it entered into a Sale and Purchase Agreement with Westwood to exercise its option for \$4,950,000. Upon such purchase on July 29, 2011, the Management Agreement was terminated. Prior to purchasing the formats, Verge paid Westwood \$1,320,000 in license payments for 2011.

Transition Services Agreement with Triton Digital

On July 29, 2011, Excelsior Radio Networks, LLC (a subsidiary of the Company) entered into a transition services agreement with Triton Digital, Inc. ("Triton Digital"). Under the agreement, Verge agreed to provide Triton Digital with the use of certain premises leased by the Company and certain related services for a monthly fee of \$22,000 plus related facilities expenses for a time period not to extend beyond April 2014. Under the agreement, the support and use of the various facilities may be terminated at different times (for each facility) but any termination earlier than the stated termination date must be mutually agreed upon by the parties. In 2011, we received \$110,000 in fees for the five months of services provided under such agreement. In 2012, we received \$264,000 in fees for the services provided under such agreement.

Digital Reseller Agreement with Triton Media

On July 29, 2011, Triton Media Group, LLC ("Triton") and Dial Communications Global Media, LLC, a wholly-owned subsidiary of the Company ("Dial Communications"), entered into a Digital Reseller Agreement with a four-year term, which was terminated by mutual agreement of the Parties on December 31, 2012. Under this agreement, Dial Communications provided, at its sole expense, services to Triton customarily rendered by terrestrial network radio sales representatives in the United States. Triton exclusively used Dial Communications for the sale of over the air impressions/inventory procured by bartering with U.S. traditional terrestrial radio stations in exchange for Triton services, except that Triton was permitted to allow a broadcaster that controls a competing network to sell its inventory (bartered for Triton services and products) via its owned and operated network.

In return for these services, Triton paid Dial Communications a commission based on the gross receipts of revenue derived from the inventory, less customary advertising agency commissions actually paid by Dial Communications. In 2011 (from July 29, 2011 through December 31, 2011) and 2012, Triton paid Dial Communications an aggregate of \$1,780,000 and \$3,002,000, respectively, under the Digital Reseller Agreement.

Spin-off of Digital Services Business to Triton Digital

On July 29, 2011, the then Board of Directors of Verge approved a spin-off of the operations of Verge's digital services business to a related entity, Triton Digital, that was owned by Triton, Verge's sole stockholder at that time. Verge spun-off the digital services business' net assets with a carrying value of \$111,859,000 to Triton Digital for the year ended December 31, 2011.

Indemnification Letter

The Company, Westwood, Gores and Triton entered into the Indemnity and Contribution Agreement, dated as of July 30, 2011 and amended on October 21, 2011, whereby under certain circumstances and subject to certain limitations, Triton agreed to indemnify Westwood if Westwood suffers any losses arising from or directly related to the Digital Services business (spun off

prior to the Merger), and Gores agreed to indemnify Triton if Westwood suffers any losses arising from or directly related to Westwood's sale of its Metro Traffic business which closed on April 29, 2011.

Pre- and Post-Merger Indebtedness

As part of the Merger, \$30.0 million of PIK Notes were issued on October 21, 2011. As of December 31, 2012, the total amount of PIK Notes issued to Gores was \$12,687,277 (including accrued interest from the date of issuance to year end); to certain entities affiliated with Oaktree was \$20,777,804 (inclusive of accrued interest), and \$2,308,645 (inclusive of accrued interest) to Black Canyon Capital LLC ("Black Canyon") who was a related party of Verge's until the Merger.

Prior to the Merger, senior notes totaling approximately \$94,585,000 were held by Verge's major stockholders: Oaktree, Black Canyon and certain members of management. We paid \$15,577,000 in interest on such senior notes in 2011, which amount includes a prepayment penalty of \$3,397,000 associated with our early repayment of the senior notes when the Merger closed. More information related to our PIK Notes and senior notes can be located in Note 4 - Debt in our 10-K filed on April 1, 2013.

Ordinary Course Business with Radio Stations

Oaktree currently holds a greater than 10% equity interest in Townsquare Media LLC, Liberman Broadcasting Inc. and Peak Broadcasting LLC, each of which own radio stations and with whom we may do business from time to time. In 2011, we recognized approximately \$5.0 million in revenue and \$2.0 million in operating income and in 2012, we recognized \$7.5 million in revenue and \$1.7 million in operating income from radio stations in which Oaktree has (directly or indirectly) a financial interest. The business we conduct with these radio stations is barter-based, that is we provide programming to these radio stations in exchange for airtime within such programming. In 2013, we entered into an agreement to purchase advertising inventory from Townsquare.

Management Fees

Prior to the Merger, Verge paid Triton, its sole shareholder, fees related to consultancy and advisory services rendered to it by Triton. The fees paid in 2011 from January 1, 2011 until October 21, 2011 (the date the Merger closed) were \$212,000. This arrangement was terminated in connection with the Merger so there were no fees paid in 2012.

Glendon Partners Consulting Services

For consulting services rendered in calendar year 2011 by Glendon Partners ("Glendon"), an operating group associated with Gores, the Company paid Glendon \$1.0 million. Prior to the Merger, Gores was Westwood's principal stockholder and now owns approximately 30% of the Company's common stock (taking into account the Class A and Class B common stock on a combined basis). The Glendon fees consisted of payment for services rendered by various members of Glendon, including Andrew Bronstein and Michael Nold, who prior to the Merger served as Company directors and provided professional services to the Company in the areas of operational improvement, tax, finance, accounting, legal and insurance/risk management and are based on Glendon's hourly billing rates.

Company Review, Approval or Ratification of Related Party Transactions

While the Company does not have a written policy outlining such, it is the Company's practice to review all transactions with its related parties (referred to herein as "related party transactions") as they arise. Related parties are identified by the finance, accounts payable and legal departments, who, among other things, review questionnaires submitted to the Company's directors and officers on an annual basis, monitor Schedule 13Ds and 13Gs filed with the SEC, review employee certifications regarding code of ethics and business conduct which are updated annually, and

review on a quarterly basis, related party listings generated by the legal and finance departments, which listing includes affiliates of Oaktree and Gores that such parties provide to the Company. Any related party transaction is reviewed by either the Office of the General Counsel or Chief Financial Officer, who examines, among other things, the approximate dollar value of the transaction and the material facts surrounding the related party's interest in, or relationship to, the related party transaction. With respect to related party transactions that involve an independent director, such parties also consider whether such transaction affects the “independence” of such director pursuant to applicable rules and regulations. Customarily, the Chief Financial Officer must approve any related party transaction, however, if after consultation, the General Counsel and Chief Financial Officer determine a related party transaction is significant, the transaction is then referred to the Board for its review and approval.

During 2011 and through November 6, 2012 when he resigned from the Company, Brian Landau, son of our former co-Chief Executive Officer David Landau, was an ad sales representative of the Company and received aggregate compensation, comprised of base salary and a sales commission, of \$58,294 and \$179,901 for the years ended December 31, 2012 and 2011, respectively. Carlisle Williams, daughter of our former President and co-CEO Ken Williams, is an editorial coordinator in digital (she was initially hired as a sales assistant) and received aggregate compensation of \$50,000 and \$42,179 for the years ended December 31, 2012 and 2011, respectively. Kirby Stirland, daughter of our President of Programming Kirk Stirland, is a writer/producer and received aggregate compensation, including salary and bonus, of \$43,000 and \$38,000 for the years ended December 31, 2012 and December 31, 2011, respectively. Ms. Stirland was hired on January 31, 2011 which is why there is a discrepancy in pay between 2011 and 2012. In each instance, the parent of each individual hired was not part of the approval/hiring process which was ultimately overseen by Hiram Lazar, Chief Administrative Officer. Suzanne Shultz, VP of Marketing, hired Carlisle Williams for her current position (Eileen Decker, President of Sales, initially hired Ms. Williams as a sales assistant) and Chris Corcoran, EVP of Sports, hired Kirby Stirland.

Item 14. Principal Accountant Fees and Services

Fees to Independent Registered Public Accounting Firm

The following table presents fees billed for fiscal years 2012 and 2011 for professional services rendered by Ernst & Young LLP for the audit of the Company's financial statements for such fiscal years and fees billed for audit-related services, tax services and all other services rendered by Ernst & Young LLP and PricewaterhouseCoopers LLP for 2012 and 2011. Effective November 23, 2011, the Company dismissed PricewaterhouseCoopers LLP and appointed Ernst & Young LLP as the Company's new independent registered public accounting firm, including for the audit of the Company's financial statements for the 2011 and 2012 fiscal years. Both decisions were approved by the Audit Committee.

(in thousands)	2012	2011	
(1) Audit Fees	\$2,186	(1) \$1,122	(2)
(2) Audit-Related Fees	4	661	
(3) Tax Fees	150	—	
(4) All Other Fees	—	—	

(1) Of such amount, \$194 relates to the review of the first and second quarters of 2011 in order to provide comparable financial statements for 2012.

(2) The above does not include approximately \$750 in audit fees for services rendered by PricewaterhouseCoopers LLP who was not the principal accountant for the audit in 2011.

All audit-related services were approved by the Audit Committee, which concluded that the provision of such services by Ernst & Young LLP did not impair that firm's independence in the conduct of the audit.

Audit Committee Pre-Approval Policies and Procedures

All services provided to the Company by PricewaterhouseCoopers LLP in 2011 (until its dismissal on November 23, 2011) and by Ernst & Young LLP for the remainder of 2011 and in 2012 were pre-approved by the Audit Committee. Under the Company's pre-approval policies and procedures, the Chair of the Audit Committee was authorized to pre-approve the engagement of PricewaterhouseCoopers LLP and was authorized to pre-approve the engagement of Ernst & Young LLP to provide certain specified audit and non-audit services, and the engagement of any accounting firm to provide certain specified audit services.
