Purpose

Edgar Filing: EDISON INTERNATIONAL - Form S-3

1. What is the purpose of the Plan?

The purpose of the Plan is to provide participants with an economical and convenient method of automatically investing all or a portion of their cash dividends and making optional cash investments to purchase shares of our Common Stock. When we direct the Plan Administrator to purchase Common Stock directly, the Plan provides us with a cost-efficient way to raise additional capital.

- o You pay no commission when shares are purchased under the Plan.

Page 4

- o Full investment of funds is possible under the Plan because the Plan permits fractional shares, as well as full shares, to be credited to your account.

- o Regular statements of account provide simplified record keeping.
- o You may execute certain transactions over the telephone or online.

Disadvantages

The Plan Administrator, Wells Fargo Bank, N.A., administers the Plan. The Plan Administrator is responsible for enrolling new participants in the Plan, reinvesting dividends, processing optional investments, processing share sale requests, depositing and safekeeping Plan shares, processing rollover certificates, and issuing account statements. The Plan Administrator is also responsible for purchasing and selling shares of Common Stock for participants' Plan accounts, including the selection of the broker/dealer through which Plan purchases are made. We have no control over the times or prices at which the Plan Administrator effects trades in the open market or the selection of the broker/dealer used by the Plan Administrator to effect open market transactions.

subject to any governmental regulation prohibiting their participation.

Account Forms

6. What forms do I use to enroll in the Plan, request transactions or make changes to my Plan?

You should obtain the proper form as described below and return it to the Plan Administrator. You may obtain these account forms by contacting the Plan Administrator by telephone, or downloading the forms (see Question 4).

Page 6

Account Authorization Form. An account authorization form is used to enroll in the Plan, change your record, select or change a dividend reinvestment option and, if you choose, to authorize, change or terminate your automatic monthly withdrawals or authorize automated account access.

Transaction Request Form. A transaction request form is used to establish, change or terminate automatic withdrawals, make optional cash investments, sell Plan shares, deposit share certificates, request Plan shares or terminate participation in the Plan. A transaction request form is attached to each statement mailed to participants.

You may conduct certain transactions by telephone or online without using these account forms (see Questions 24 and 25).

Enrollment

7. How do I enroll in the Plan?

You may enroll in the Plan online or by completing an account authorization form and returning it to the Plan Administrator.

Online. You may enroll online at www.shareowneronline.com. At the time of establishing online account access, you will be required to provide certain information such as: your social security and shareholder account number, company name (Edison International) and your email address in order to complete the enrollment process. After establishing online account access, you will be able to view your account and conduct certain transactions (see Questions 25 and 26).

Mail. You may also enroll by completing an account authorization form and returning it to the Plan Administrator at the address set forth in Question 4. You may obtain an account authorization form at any time by contacting the Plan Administrator at the address or telephone number stated in Question 4.

In addition to the enrollment procedures described above, interested investors who are not currently shareholders of record must make an initial investment as set forth in Question 8.

8. Are there any additional enrollment requirements for investors that are not already shareholders?

If you are not already a shareholder of record, you must also pay an enrollment fee of \$50 and an initial investment of at least \$1,000 or authorize automatic monthly withdrawals from your bank account of at least \$100 for a minimum of ten consecutive months.

9. How do I participate if my shares are held for me in the name of my bank or broker?

Beneficial owners whose shares are registered in names other than their own (for example, in the name of a broker, bank nominee or trustee) may participate in the Plan by one of the following three ways:

- o Beneficial owners may participate by having at least one of their shares registered in their own names.
- o Beneficial owners may make arrangements for participation with the broker or financial institution in whose name the stock is registered without having to transfer an

Edgar Filing: EDISON INTERNATIONAL - Form S-3

their own names, if the broker or fiduciary institution agrees to provide such services. In this case, it is the broker or fiduciary institution that becomes a participant.

- o Beneficial owners may enroll in the Plan by completing an account authorization form and the initial investment that is required for investors who are not already shareholders. There is a \$15 enrollment fee (see Question 8).

Page 7

When to Join the Plan

10. When may I join the Plan?

You may join the Plan at any time. If you are a shareholder of record and have elected to have dividends reinvested and the account authorization form is received by the Plan Administrator before the record date for the payment of a dividend, then the dividend will be used to purchase additional shares for you. If the account authorization form is received after the record date for a dividend, the dividends will not start until payment of the next dividend. Dividend payment dates for Common Stock will generally be January 31, April 30, July 31 and October 31. Subject to our board of directors' discretion, record dates will usually be the last business day of the month preceding the month of payment.

Dividend Reinvestment

11. How does dividend reinvestment work?

You will need to select one of three dividend reinvestment options offered through the Plan when you enroll. Your selection will apply to shares held in your Plan account and shares registered in your name. You can change your selection at any time by following the instructions in Question 13.

Your three dividend reinvestment options are as follows:

- o Full Dividend Reinvestment. You may elect to automatically reinvest in shares of the cash dividends paid on all shares then or subsequently held in physical certificate form registered in your name and all shares then or subsequently held in your Plan account, including fractional shares and shares purchased under the Plan.
- o Partial Dividend Reinvestment. You may elect to automatically reinvest the cash dividends as a percentage from 10 percent to 90 percent, in increments of 10 percent, of the cash dividends on shares then or subsequently held in physical certificate form registered in your name and all shares then or subsequently held in your Plan account. The Plan Administrator will reinvest the cash dividends paid on the specified percentage in shares of Common Stock.
- o Optional Cash Investments Only. You may elect optional cash investments only. You will continue to receive, by check or direct deposit, cash dividends paid on shares then or subsequently held in physical certificate form registered in your name and held in your Plan account.

Regardless of your choice of dividend reinvestment option, you may make optional cash investments at any time.

Optional Cash Investments

12. How do I make optional cash investments?

You may make optional cash investments by authorizing automatic monthly withdrawals from your United States bank account or by sending a check in U.S. funds payable to Shareowner Services at any time. You may vary your optional cash investments from a minimum of \$25 per transaction up to a maximum of \$1,000 per month. If you are not already a shareholder of record, there is an enrollment fee of \$15 and your investment must be at least \$1,000 or you must authorize automatic monthly withdrawals from your United States bank account of at least \$100 for a minimum of ten consecutive months.

Edgar Filing: EDISON INTERNATIONAL - Form S-3

Check. When making optional cash investments by check, you must include a completed transaction request form is attached to your account statement. You may also obtain a transaction statement by contacting the Plan Administrator (see Question 4).

Page 8

You should make your checks payable to Shareowner Services, include your account number and refer to Edison International. You should mail your check directly to the Plan Administrator set forth in Question 4. The Plan Administrator will make every effort to process your investment on the investment date, provided that it receives the funds no later than one business day prior to an investment date. Otherwise, the Plan Administrator will hold cash investments for investment on the next investment date (see Question 17). Do not mail checks to Edison International.

Your check must be in U.S. dollars and drawn on a United States bank. If you live outside the United States, you should contact your bank to verify they may provide you with a check that clears through a United States bank and may print the dollar amount in U.S. funds. Due to the longer clearance period, we do not accept checks through a non-United States bank. Please do not send cash.

You may obtain a refund of any cash investment upon request received by the Plan Administrator before the second business day prior to the date on which it is to be invested. However, the Plan Administrator will not make any refunds until it has actually collected the funds from any check.

If any optional cash contribution, including payments by check or automatic withdrawal, is returned for any reason, the Plan Administrator will remove from the participant's account any shares purchased with the credit of such funds, and will sell those shares. The Plan Administrator may sell other shares in order to recover a \$25 returned funds fee for each optional cash contribution returned unpaid for any reason. The Plan Administrator will issue additional shares as necessary to cover any market loss incurred by the Plan Administrator.

Automatic Electronic Funds Transfer. In addition to making optional cash investments by check, you may elect automatic monthly withdrawals from a designated United States bank account. With automatic monthly withdrawals, your bank account is debited five business days before the investment date. The investment date for automatic withdrawals is the third Thursday of each month or, if the third Thursday is not a trading day, the next trading day following the third Thursday of each month. If the investment date falls on a week in which a cash dividend is paid, the investment day will be the dividend payment date or, if the dividend payment date is not a trading day, the next trading day following the dividend payment date.

You will not receive any confirmation of the transfer of funds other than as reflected in your Plan account statement and in your bank statement.

To authorize automatic monthly withdrawals from your designated United States bank account, investors may go online or complete and sign the appropriate section of the account authorization form and mail it to the Plan Administrator together with a voided blank check or deposit slip for the amount of funds to be transferred. Current participants may go online to authorize monthly automatic withdrawals. Automatic funds transfers will begin as soon as practicable after the Plan Administrator receives your authorization.

You may stop the automatic cash withdrawal and investment service by going online, by telephone, or by having automated account access, or by writing to the Plan Administrator at the address shown in the instructions (see Question 4).

Participants may change the designated account for automatic deduction by going online or by writing to the Plan Administrator. To be effective with respect to a particular investment deduction, a change or termination request must be received by the Plan Administrator at least 15 business days before the investment date.

Page 9

Changing Your Investment Options

13. May I change my investment options under the Plan?

Edgar Filing: EDISON INTERNATIONAL - Form S-3

You may change your investment options at any time by contacting the Plan Administrator you have automated account access, making the request online or completing and returning an account form (see Questions 24 and 25 regarding telephone and online transactions).

Source of Shares Offered

14. What is the source of shares purchased under the Plan?

The Plan Administrator may acquire shares for participants under the Plan through:

- o purchases of newly issued shares of Common Stock from us, at our discretion,
- o purchase of shares of our Common Stock on the open market, or
- o a combination of the foregoing.

Number of Shares to be Purchased

15. How many shares will be purchased for me?

The number of shares of Common Stock purchased for you will depend on the amount of cash reinvested, if any, the amount of your optional cash investments, if any, and the purchase price at the applicable purchase date. Income tax withholding may be deducted from your cash dividend if you provide the Plan Administrator your social security number or if you are a foreign shareholder (see Question 14). Whole and fractional shares will be purchased, with the latter computed to three decimal places. All shares purchased, including fractional shares, will be credited to your Plan account.

Price of Shares

16. What will be the price of shares of Common Stock purchased under the Plan?

For shares of Common Stock purchased on the open market, the price of the shares will be the average price at which the Plan Administrator acquires the shares. We will pay to the Plan Administrator brokerage commissions and other fees for shares purchased in the open market.

If we elect to sell newly issued shares of Common Stock to the Plan Administrator, the price of the shares will be 100 percent of the average of the high and low sale prices of our Common Stock on the New York Stock Exchange--Composite Transactions on the applicable investment date or, if the New York Stock Exchange is closed on the investment date, on the next trading day the New York Stock Exchange is open.

When are Shares Purchased?

17. When are shares purchased under the Plan?

The timing of purchases under the Plan depends on whether the Plan Administrator is reinvesting dividends or investing initial and optional cash investments.

Dividend Reinvestment. The Plan Administrator expects to reinvest cash dividends on the applicable dividend payment date or, if the dividend payment date is not a trading day, the next trading day following the dividend payment date.

Page 10

Initial and Optional Cash Investments. The Plan Administrator expects to invest initial and optional cash investments on (a) Thursday of each week or, if Thursday is not a trading day, the next trading day following Thursday or (b) in any week in which a cash dividend is paid, the dividend payment date or, if the dividend payment date is not a trading day, the next trading day following the dividend payment date.

Although the Plan Administrator expects to complete all purchases on the dividend payment date, it will make all purchases within five business days of the dividend payment date, subject to any waiting periods required under applicable laws or stock exchange regulations.

Edgar Filing: EDISON INTERNATIONAL - Form S-3

The Plan Administrator will not be liable for any claim arising out of failure to purchase on a certain date or at a specific price. You bear this risk by participating in the Plan. You will not receive dividends on funds held by the Plan Administrator pending their investment in Common Stock.

How to Withdraw from the Plan

18. When and how can I withdraw from the Plan?

You may terminate your participation in the Plan at any time by submitting the appropriate transaction request form attached to your account statement or by submitting a written request that includes your account number and references "Edison International" to the Plan Administrator. Your request for termination should be signed by the authorized signers as their names appear on their account statement. You may also terminate your participation in the Plan by telephone if you have automatic withdrawal access (see Question 24).

If your request to terminate from the Plan is received on or after a dividend record date, the dividend payment date, your termination will be processed as soon as practicable, and a separate check will be mailed to you. Future dividends will be paid in cash, unless you rejoin the Plan. Your request for termination should be signed by the authorized signers as their names appear on their account statement.

The Plan Administrator must receive requests to terminate automatic monthly withdrawals from your account at least 15 business days prior to the scheduled investment date to ensure your request is processed in time to the next optional cash investment.

Upon termination of your participation in the Plan, the Plan Administrator will send you a statement representing the number of whole shares in your Plan account and a check, less any applicable brokerage commissions and service fees, for your fractional share interest. In order to receive a stock certificate, you must specifically request that a certificate be issued and sent to you. If you request, the Plan Administrator will sell some or all Plan shares on your behalf. After the settlement of the sale, the Plan Administrator will send you a check, less the applicable brokerage commissions and service fees, and a certificate for the whole shares not sold. In every case, the participant's interest in a fractional share will be settled at the current market price.

If you are submitting a request to sell all or part of your Plan shares and requesting that the proceeds be automatically deposited to a bank checking or savings account, you must provide a voided blank check for a checking account or blank savings deposit slip for a savings account. If you are unable to provide a check or deposit slip, your written request must have your signature medallion guaranteed by an eligible financial institution for direct deposit. Requests for automatic deposit of sale proceeds that do not provide the required documentation will not be honored and a check for the net proceeds will be issued.

Page 11

Withdrawal of Shares

19. May I withdraw shares from my Plan account?

If you wish to remain in the Plan but withdraw full shares, you may do so at any time by returning the transaction request form attached to your account statement to the Plan Administrator or by contacting the Plan Administrator by telephone (see Question 24). Any remaining whole or fractional shares will remain in your Plan account. Your shares will be issued to you in book-entry form, unless you specifically request a stock certificate. A direct registration statement will be delivered to you reflecting all transactions processed in your account.

Withdrawal of your entire share balance from the Plan will be considered a termination. You may re-enroll at any time by submitting a completed Account Authorization Form to the Plan Administrator.

Share Transfers and Gifts

Edgar Filing: EDISON INTERNATIONAL - Form S-3

20. May I transfer Plan shares to another person?

You may transfer Plan shares to another person, subject to compliance with any applicable laws. If you do this, you must complete and sign a stock power and return the completed executed stock power to the Plan Administrator. Your signature on the stock power must be medallion guaranteed by an eligible financial institution. You may obtain a stock power online or by contacting the Plan Administrator by telephone.

To transfer shares to an existing account of a participant, you should provide the participant's name and account number on the stock power. If the recipient is not already a participant in the Plan, you should instruct the Plan Administrator to open an account for the recipient. You may do this by submitting a stock power, a stock power authorization form and choosing a dividend reinvestment option for the recipient. You may also instruct the Plan Administrator to issue a share certificate in the recipient's name.

The Plan Administrator will use the following guidelines to execute share transfers when no specific instructions are not provided on the stock power form:

- o When transferring shares to a Plan participant, the Plan Administrator will transfer the shares to the participant's existing account.
- o When transferring shares to a current shareholder not participating in the Plan, the Plan Administrator will issue a certificate in the shareholder's name.
- o When transferring shares to a person who is not a current shareholder, the Plan Administrator will automatically open an account for the person and enroll them in the Plan. The Plan Administrator will select the "full dividend reinvestment" option for this account. The shareholder may change this dividend reinvestment option at any time (see Questions 24 and 25).

21. May I purchase shares for others?

You may purchase shares of Common Stock for others by making cash investments on their behalf. If the recipient is not already a participant in the Plan, you must have them complete an account authorization form and return the completed form to the Plan Administrator together with a \$15 enrollment fee and either a cash investment of at least \$1,000 or authorization for automatic monthly withdrawals of at least \$100 for ten consecutive months. If the participant is already a participant in the Plan, you may submit a stock power for at least \$25 with the recipient's account number and name on it.

Page 12

Sale of Shares

22. How may I sell shares in my Plan account?

You may request at any time that the Plan Administrator sell some or all of the shares in your Plan account by completing a transaction request form or submitting a written request, which includes the account number and references "Edison International" to the Plan Administrator.

If the current market value of the shares requested to be sold is \$25,000 or less, and you have previously authorized automated account access, you may sell Plan shares by contacting the Plan Administrator by telephone or requesting the sale online (see Questions 24 and 25). This limitation is set to help prevent unauthorized sales. In addition, the Plan Administrator, for any reason at its sole discretion and without liability, has the right to decline to process a telephone or online sale request and in its place require the submission of the sales request.

The Plan Administrator will make every effort to process your sale order on the next trading day following receipt of your properly completed request, provided that instructions are received before 4:00 PM Central Time. Sale requests involving multiple transactions may experience a delay. The Plan Administrator will not be liable for any claim arising out of failure to sell stock on a certain date or at a specific price. You will bear the risk by participating in the Plan.

Edgar Filing: EDISON INTERNATIONAL - Form S-3

The Plan Administrator will mail the proceeds from the sale of the shares, less applicable commissions and service fees, to you after settlement of the sale. You may choose to receive the sale by check payable to the name or names in which your Plan account is registered or to have deposited directly into your United States bank account.

23. Will I incur any expenses in connection with the sale of shares under the Plan?

The Plan Administrator charges a service fee of \$10 per transaction and a broker commission per share sold. The Plan Administrator deducts these fees directly from the sale check or direct

Account Access

24. May I execute transactions by telephone?

In order to conduct transactions by telephone, you will need to authorize automated access to your account and select a personal identification number for security purposes. Investors who do not currently participate in the Plan must use the account authorization form to establish automated access. Current participants may establish automated access by completing the appropriate section of the account authorization form. You may obtain these forms from the Plan Administrator (see Question 4). After you have authorized automated access, you will be able to:

- o Change your dividend reinvestment option;
- o Change the dollar amount or terminate automatic monthly withdrawals from your bank account;
- o Request a certificate for all or a portion of your whole Plan shares, if the current market value of the shares to be issued is \$50,000 or less; and
- o Sell all or a portion of your Plan shares, if the current market value of shares to be sold is \$25,000 or less and you have a United States bank account.

25. May I view my account information and execute transactions online?

The Plan Administrator maintains an internet web site at www.shareowneronline.com that allows you to view your account balance, stock values, dividend information, reinvestment details and other helpful information. You may use online access to:

Page 13

- o Enroll in the Plan;
- o Change your dividend reinvestment option;
- o Authorize, change or terminate automatic monthly withdrawals from your bank account;
- o Sell all or a portion of your Plan shares, if the current market value of the shares to be sold is \$25,000 or less, you have an United States bank account and, for joint accounts, you have previously authorized automated account access; and
- o Update your personal information.

26. How do I establish online access?

To establish online access go to www.shareowneronline.com and follow the instructions provided. Participation in the Plan through the Plan Administrator's online service is voluntary.

Stock Dividends, Splits and Rights Offerings

27. What happens if Edison International issues a stock dividend, declares a stock split

Edgar Filing: EDISON INTERNATIONAL - Form S-3

offering?

If we have a stock dividend or a stock split, the Plan Administrator will credit your Plan account with the payable date with the number of shares of Common Stock distributable with respect to the Plan as of the record date.

If you send a notice of termination or a request to sell to the Plan Administrator between the record date and the payable date for a stock distribution, the Plan Administrator will not process the request and the stock distribution is credited to your Plan account.

In a rights offering, your entitlement will be based on your total holdings, including those held in your Plan account. Rights applicable to shares credited to your Plan account, however, will be subject to the Plan Administrator. The proceeds will be credited to your Plan account and applied as an optional cash payment to purchase Common Stock on the next investment date. You may request, in writing, the Plan Administrator to issue a certificate for whole shares of Common Stock credited to your Plan account prior to the record date of the rights offering, in which case you would receive the rights.

Federal Income Tax Consequences

28. What are the Federal income tax consequences of participating in the Plan?

You have the same federal income tax obligations with respect to your dividends as do holders of Common Stock who are not participating in the Plan. This means that cash dividends reinvested pursuant to the Plan will be taxable as having been received even though you do not actually receive them in cash.

As a general rule, the tax basis for shares or fractions of a share credited to you under the Plan will be equal to the amount paid for the shares. The holding period for shares credited to you under the Plan commences the day following the credit of the shares to your account.

You will not realize any taxable income when you receive certificates for whole shares of Common Stock in your account under the Plan (for example, when you withdraw from the Plan or for other reasons request a withdrawal) but you will realize gain or loss upon the sale by you or the sale by the Plan Administrator of a fraction of a share held in your account, in an amount equal to the difference between the amount realized and the shares sold and your tax basis in

Page 14

those shares. Shares acquired through the reinvestment of dividends during the period January 1, 1981, to December 31, 1985, may be "Qualified Shares" under the Economic Recovery Tax of 1981.

The foregoing description is only a summary of certain federal income tax consequences of participating in the Plan and does not purport to be a complete description of the federal income tax consequences of participating in the Plan. The description may be affected by future legislation, Internal Revenue Service rulings, regulations, or court decisions. You are advised to consult with your own tax advisor as to the tax consequences of the foregoing summary of federal income tax consequences to your own tax situation.

Foreign Shareholders

29. What provision is made for foreign shareholders whose dividends are subject to income tax withholding?

In the case of those foreign shareholders whose dividends are subject to United States income tax withholding, an amount equal to the dividends, less the amount of tax required to be withheld, will be credited to the purchase of shares of Common Stock. The statement confirming purchases made for foreign participants will indicate the net dividend payment reinvested.

Optional cash payments received from foreign shareholders in the form of a check must be in United States dollars and drawn on a United States bank and will be invested in the same manner as payments to domestic participants.

Voting of Shares

Edgar Filing: EDISON INTERNATIONAL - Form S-3

30. How will shares held in my Plan account be voted at meetings of shareholders?

For each meeting of shareholders, you will receive proxy materials that allow you to vote your shares by proxy. If you do not return the proxy or return it unsigned, none of your shares will be voted in person. Fractional shares may not be voted.

Safekeeping Services

31. May I deposit certificated shares in my account?

You may deposit Common Stock certificates in your possession with the Plan Administrator for safekeeping. Deposited shares represented by Common Stock certificates will be credited to your Plan account. Thereafter, the shares will be treated in the same manner as shares purchased through the Plan.

You are responsible for maintaining your own records of the cost basis of certificated shares and reporting them with the Plan Administrator.

To use this service, you must send your certificates to the Plan Administrator, accompanied by a transaction request form attached to your account statement. You should not endorse the certificates and complete the assignment section on the back of the certificates.

Because you bear the risk of loss when sending stock certificates through the mail, we require that you send them registered and insured for at least 2 percent of the current market value of the shares represented by the certificates.

32. May my shares remain on deposit if my participation in the Plan is discontinued?

No. Upon withdrawal from the Plan, you must elect to receive your Plan shares either in certificated form, uncertificated form held in a direct registration account or in cash (see Question 18).

Page 15

Fees and Expenses

33. Will I incur any fees or expenses participating in the Plan?

You will pay no fees or expenses when purchasing newly issued shares either with reinvestment or optional cash payments. We will pay to the Plan Administrator brokerage commissions and other fees on shares purchased in the open market. If you terminate participation in the Plan and elect to have the Plan Administrator sell shares, you will pay a transaction charge plus brokerage commissions (see Question 23).

34. Who interprets and regulates the Plan?

Edgar Filing: EDISON INTERNATIONAL - Form S-3

We reserve the right to interpret and regulate the Plan as we deem desirable or necessary. The Plan Administrator will not be liable for any act done in good faith or for any omission in good faith, including, without limitation, any claim of liability arising out of failure to terminate a participant's account upon the participant's death prior to receipt of written notice of the death, the prices at which shares are purchased or sold for a participant's account, the times when purchases or sales are made, check fluctuations in the market value of our Common Stock.

We and the Plan Administrator cannot assure you of profits, or protect you against losses incurred on shares purchased under the Plan.

You should be aware and are cautioned that neither the Plan nor this prospectus provides any guarantee regarding the frequency or amount of future dividends, which will continue to depend upon our earnings, financial requirements and other factors, and the judgment of our board of directors.

Modification and Discontinuation of Plan

35. May the Plan be modified or discontinued?

We reserve the right to suspend, modify or terminate the Plan at any time. Notification of suspension, material modification or termination of the Plan will be sent to all affected participants under the Plan.

The Plan Administrator may terminate your participation in the Plan if you do not own at least one share in your name or hold at least one full share through the Plan.

See Exhibit Index.

Item 17. Undertakings.

The undersigned registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) or any deviation from the low or high end of the estimated maximum offering range may be reflected in the prospectus filed with the Securities and Exchange Commission pursuant to this registration statement if, in the aggregate, the changes in volume and price represent no more than a 20 percent change from the maximum aggregate offering price set forth in the "Calculation of Registration Costs" section of the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution of securities which was previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed or furnished to the Securities and Exchange Commission by the registrants pursuant to Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference into the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, a post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be a new offering thereof.

(5) To (i) use its best efforts to distribute prior to the opening of bids, to prospectors, bidders, underwriters and dealers, a reasonable number of copies of a prospectus which meets the requirements of Section 10(a) of the Securities Act of 1933, and relating to a security offered at competitive bidding, as contained in the registration statement, together with supplements thereto, and (ii) file an amendment to the registration statement reflecting competitive bidding, the terms of the reoffering and related matters to the extent required by the Act, not later than the first use, authorized by the registrant after the opening of bids, of the securities relating to any securities offered at competitive bidding, unless no further public offering of such securities by the registrant and no reoffering of such securities by the purchasers is planned to be made.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be sought by any director, officers and controlling persons of the registrants pursuant to the provisions described above, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore, unenforceable.
