REPORT OF INDEPENDENT ACCOUNTANTS

To the Board of Directors  
of PS Business Parks, Inc.

We have audited the accompanying combined statement of certain revenues and certain operating expenses of the operating properties that comprise Metro Park North, described in Note 1 (the "Statement"), for the year ended March 31, 2001. The Statement is the responsibility of Metro Park North's management. Our responsibility is to express an opinion on the Statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Statement. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Statement was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 1, and is not intended to be a complete presentation of Metro Park North's revenues and expenses.

METRO PARK NORTH  
 Notes to Combined Statements of Certain Revenues and Certain Operating Expenses

1. Background and Basis for Presentation

The accompanying combined statements of certain revenues and certain operating expenses include the accounts of the operating properties that comprise Metro Park North, located in Maryland and acquired by PS Business Parks, Inc., through its consolidated partnership (collectively referred to as the "Company") on December 27, 2001 for approximately \$127 million. The statements have been prepared in order to comply with Rule 3-14 of Regulation S-X, "Special instructions for real estate operations to be acquired" and are prepared on the accrual basis of accounting.

The following table summarizes the properties acquired:

Name and Location	Seller	Property Type
-----		
Metro Park I Rockville, Maryland	MP Investments I, LLC	Flex/Office
Metro Park II Rockville, Maryland	MP Investments II, LLC	Flex/Office

## Edgar Filing: PS BUSINESS PARKS INC/CA - Form 8-K/A

Metro Park III Rockville, Maryland	MP Investments III, LLC	Office
Metro Park IV Rockville, Maryland	MP Investments IV, LLC	Office
Metro Park V Rockville, Maryland	MP Investments V, LLC	Office

The combined statements of certain revenues and certain operating expenses include only the accounts and activities of the operating properties that comprise Metro Park North. Items that are not comparable to the future operations of Metro Park North have been excluded. Such items include depreciation, amortization, management fees, interest expense, interest income, professional fees, miscellaneous income and straight line rent adjustments.

### 2. Summary of Significant Accounting Policies

#### Revenue Recognition

Metro Park North leases space to tenants for which they charge minimum rents and receive reimbursement for certain operating expenses. The leases are accounted for as operating leases and are non-cancelable with varying terms and expiration dates. Recoveries from tenants are recognized as income in the period the applicable costs are accrued.

#### Certain Operating Expenses

Certain operating expenses include costs paid or incurred by the owners for maintaining, operating and repairing the operating properties. This includes utilities, repairs and maintenance and real estate taxes.

6

### METRO PARK NORTH

#### Notes to Combined Statements of Certain Revenues and Certain Operating Expenses

#### Use of Estimates

The preparation of the statements of certain revenues and certain operating expenses in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the statements of certain revenues and certain operating expenses and accompanying notes. Actual results could differ from those estimates.

#### Interim Statements

The interim financial data for the six months ended September 30, 2001 is unaudited; however, in the opinion of the management of the Company, the interim data includes all adjustments, consisting only of normal recurring adjustments, necessary for a fair statement of the results for the interim period. The results for the period presented are not necessarily indicative of the results for the full year.

### ITEM 7 (b) PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)

The following unaudited pro forma consolidated financial statements were prepared to reflect the acquisition of real estate facilities by PS Business Parks, Inc., through its consolidated partnership (collectively referred to as the "Company").

The Company acquired a business park consisting of 17 buildings known as "Metro Park North" on December 27, 2001 at an aggregate purchase price of approximately \$127.3 million (including closing costs and deferred maintenance). The Company is not affiliated with the sellers and the purchase price was established through arm's length negotiations. The acquisition was funded with the Company's existing cash balances, borrowings of \$40 million from its unsecured line of credit with Wells Fargo Bank and borrowings from an affiliate of \$35 million.

The Company acquired 12 buildings known as the "Prosperity Business Campus" and 12 buildings (including 24 acres of developable land) known as the "Cornell Oaks Corporate Center" on June 1, 2001 and November 20, 2001, respectively, at an aggregate purchase price of approximately \$175.9 million. The Company is not affiliated with the sellers and the purchase price was established through arm's length negotiations. The acquisitions were funded with the Company's existing cash balances, proceeds from preferred offerings (see below) and borrowings of \$60 million from its unsecured line of credit with Wells Fargo Bank.

In addition to adjustments to reflect the recently acquired properties, pro forma adjustments were made to reflect the following transactions:

1. On May 10, 2001 and June 18, 2001, the Company issued 1,840,000 and 800,000 depository shares, respectively, each representing 1/1,000 of a share of the Company's 9 1/2% Cumulative Preferred Stock, Series D at \$25.00 per share. Net proceeds were approximately \$64.3 million and were used for investment in real estate.
2. On September 21, 2001, the Company completed a private placement of 2,120,000 preferred units with a preferred distribution rate of 9 1/4%. Net proceeds were approximately \$51.6 million and were used for investment in real estate.

8

The pro forma consolidated balance sheet at September 30, 2001 has been prepared to reflect the subsequent acquisitions of commercial properties.

The pro forma consolidated statements of income for the nine months ended September 30, 2001 and the year ended December 31, 2000 have been prepared assuming (i) the aforementioned acquisitions of commercial properties and (ii) the aforementioned public offerings of depository shares representing fractional interest in preferred stock and the private placement of preferred units, as if all such transactions were consummated at the beginning of the periods presented. The operations of all property acquisitions are based on historical operating results.

As a result of the different existing fiscal year-ends of December 31 for the Company and March 31 for Metro Park North, the unaudited pro forma condensed combined statement of income for the year ended December 31, 2000 includes the actual operations of the Company for the year ended December 31, 2000 and the actual operations of Metro Park North for the year ended March 31, 2001. As

## Edgar Filing: PS BUSINESS PARKS INC/CA - Form 8-K/A

such, the operating results of Metro Park North for the three months ended March 31, 2001 are included in the unaudited pro forma condensed combined income statements for the year ended December 31, 2000 and also for the nine months ended September 30, 2001.

The pro forma adjustments are based upon available information and upon certain assumptions as set forth in the notes to the pro forma consolidated financial statements that the Company believes is reasonable in the circumstances. The pro forma consolidated financial statements and accompanying notes should be read in conjunction with the historical financial statements of the Company and other documents filed with the Securities and Exchange Commission (such as Form 8-K's which reference property acquisitions) from time to time. The following pro forma consolidated financial statements do not purport to represent what the Company's results of operations would actually have been if the transactions had in fact occurred at the beginning of the dates indicated or to project the Company's results of operations for any future date or period.
