Each shareholder is entitled to cast, in person or by proxy, one vote for each share held of record at the close of business on January 10, 2008. As of January 10, 2008 there were outstanding 2,352,316 shares of common stock, par value \$.01 per share (the "Common Stock"). The proxies named in the accompanying Form of Proxy will vote the shares represented thereby if the proxy appears to be valid on its face, and where specification is indicated as provided in such proxy, the shares represented will be voted in accordance with such specification. If no specification is made, the shares represented by the proxies will be voted (1) FOR the election of the two Board nominees for Class B Directors for three-year terms expiring at the fiscal 2010 Annual Meeting of Shareholders; and (2) FOR ratification of the appointment of Burr, Pilger & Mayer LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2008.

Proposal No. 1

ELECTION OF CLASS B DIRECTORS

The Company's Certificate of Incorporation provides that the Board of Directors shall consist of not more than nine nor less than five members. The exact number of Directors is fixed by the Board prior to each year's Annual Meeting of Shareholders. The Board is divided into three staggered classes, each class having not less than one or more than three members. Each Director is elected

Edgar Filing: INTERGROUP CORP - Form DEF 14A

to serve for a three-year term, and until the election and qualification of his or her successor. When vacancies on the Board occur, due to resignation or otherwise, the Directors then in office may continue to exercise the powers of the Directors and a majority of such directors may select a new Director to fill the vacancy. Any Director may resign at any time. Any Director may be removed by the vote of, or written consent of, the holders of a majority of the shares of Common Stock outstanding at a special meeting called for the purpose of removal or to ratify the recommendation of a majority of the Directors that such Director be removed.

The term of the Class B Directors expires at the fiscal 2007 Annual Meeting to be held on February 20, 2008. The Board has proposed Gary N. Jacobs and William J. Nance as the Class B Directors to serve until the fiscal 2010 Annual Meeting and until the election and qualification of their successors. The Board of Directors has been informed that the nominees have consented to being named as nominees and are willing to serve as Directors if elected. However, if any nominee should be unable, or declines to serve, it is intended that the proxies will be voted for such other person as the proxies shall, in their discretion, designate. Unless otherwise directed in the accompanying Proxy, the person's name therein will vote FOR the election of this nominee. Election requires the affirmative vote of a majority of the shares represented and voted at the Annual Meeting.

BOARD AND COMMITTEE INFORMATION

InterGroup's common stock is listed on the NASDAQ Capital Market tier of the NASDAQ Stock Market LLC ("NASDAQ"). InterGroup is a small business issuer under the rules and regulations of the Securities and Exchange Commission ("SEC").

The Board of Directors of InterGroup currently consists of five members. With the exception of the Company's President and CEO, John V. Winfield, all of InterGroup's Board of Directors consists of "independent" directors as independence is defined by the applicable rules of the SEC and NASDAQ. The Board of Directors held seven meetings during the 2007 Fiscal Year (in person, telephonically or by written consent). No Director attended (whether in person, telephonically, or by written consent) less than 75% of all meetings held during the period of time he served as Director during the 2007 Fiscal Year.

The Board of Directors has not established a formal process for security holders to send communications to the Board of Directors and the Board has not deemed it necessary to establish such a procedure at this time. Historically, almost all communications that the Company receives from security holders are administrative in nature and are not directed to the Board of Directors. If the Company should receive a security holder communication directed to the Board of Directors, or to an individual director, said communication will be relayed to the Board of Directors or the individual director as the case may be.

The Company does not have any formal policy with regard to board members attendance at annual meetings of shareholders but encourages each director to attend said meetings. All of the Company's directors attended the fiscal 2006 annual meeting of shareholders.

Edgar Filing: INTERGROUP CORP - Form DEF 14A

Committees:

The Company has an Executive Committee that meets in lieu of the Board upon the request of the Chairman of the Committee. Mr. Winfield is Chairman of the Executive Committee. The Committee held two meetings (in person, telephonically or by written consent) during the 2007 Fiscal Year.

4

The Company's Administrative and Compensation Committee (the "Compensation Committee") is comprised of three "independent" members of the Board of Directors as independence is defined by the applicable rules of the SEC and NASDAQ. Mr. Nance serves as Chairman of the Compensation Committee. The Company has not established a charter for the Compensation Committee. The Compensation Committee reviews and recommends to the Board of Directors the compensation for the Company's Chief Executive Officer and other executive officers, including equity or performance based compensation. The Compensation Committee seeks to design and set compensation to attract and retain highly qualified executive officers and to align their interests with those of long-term owners of the Company. The Compensation Committee may also make recommendations to the Board of Directors as to the amount and form of director compensation. The Compensation Committee has not engaged any compensation consultants in determining the amount or form of executive or director compensation, but does review and monitor published compensation surveys and studies. The Compensation Committee may delegate to the Company's Chief Executive Officer the authority determine the compensation of certain executive officers. The Compensation Committee held two meetings (in person, telephonically or by written consent) during the 2007 Fiscal Year. The Compensation Committee also oversees the Company's two Stock Option Plans and the 2007 Stock Compensation Plan for Non-Employee Directors.

The Company has a Real Estate Investment Committee, which is chaired by Mr. Nance. This Committee held eight meetings (in person, telephonically or by written consent) during the 2007 Fiscal Year. The Real Estate Investment Committee reviews and considers potential acquisitions and dispositions of property.

The Company's Nominating Committee is comprised of two "independent" directors as independence is defined by the applicable rules of the SEC and NASDAQ. The Company has not established a charter for the Nominating Committee and the Committee has no policy with regard to consideration of any director candidates recommended by security holders. As a small business issuer whose directors own in excess of fifty percent of the voting shares of the Company, InterGroup has not deemed it appropriate to institute such a policy. Mr. Love is the Chairman of the Nominating Committee. The Committee held one meeting during the 2007 Fiscal Year.

The Company's Securities Investment Committee oversees and establishes certain investment procedures and reports to the Board of Directors. The Committee's Chairman is Mr. Winfield. This committee held four meetings (in person, telephonically or by written consent) during the 2007 Fiscal Year.

The Company's Special Strategic Options Committee is chaired by Mr. Winfield. This committee held no formal meetings during the 2007 Fiscal Year, but its members consult with each other frequently on an informal basis. The Special Strategic Options Committee reviews and considers the Company's strategic options and provides guidance to accomplish its goals considering both current and prospective investment opportunities.

The Company is a small business issuer under SEC rules. The Company's Audit Committee is currently comprised of three members: Directors Nance

Edgar Filing: INTERGROUP CORP - Form DEF 14A

(Chairperson), Grunwald and Love, each of who meet the independence requirements of the SEC and NASDAQ as modified or supplemented from time to time. Directors Nance and Love also meet the Audit Committee Financial Expert requirement as defined by the SEC and NASDAQ. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the financial reporting process, the annual independent audit of the Company's financial statements, reviewing the financial reports provided by the Company to any governmental body or the public; the Company's system of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Company's auditing, accounting and financial processes generally. The Audit Committee is also responsible for the selection and retention of the Company's independent auditors. The Audit Committee held six meetings during the 2007 Fiscal Year.

The Company's Board of Directors has adopted a written charter for the Audit Committee, which is reviewed on an annual basis. A copy of that written charter, as amended, is attached as Appendix A to this proxy statement.

The Company has a secured right to receive, from any proceeds of the policies, reimbursement of all premiums paid prior to any payment to the beneficiary.

(3) Mr. Nguyen's salary and bonuses are allocated approximately 50% to the Company and 50% to Santa Fe and Portsmouth.

Winfield, to keep and retain his services as a direct and active manager of the securities portfolios of those companies. On January 12, 2004, the disinterested members of the Securities Investment Committee of InterGroup also established a performance based compensation program for Mr. Winfield, which was ratified by the Board of Directors. The Company's previous experience and results with outside money managers was not acceptable. Compensation amounts are earned, calculated and paid quarterly based on the results of the Company's investment portfolio for that quarter. Should the companies have a net investment loss during any quarter, Mr. Winfield would not be entitled to any further performance-based compensation until any such investment losses are recouped by the Company. This performance based compensation program may be modified or terminated at the discretion of the respective Boards of Directors. No performance based compensation was earned or paid for fiscal years ended June 30, 2007 or 2006.

Certain remuneration, however, is not subject to disallowance, including compensation paid on a

Since InterGroup, Santa Fe and Portsmouth are each public companies, the \$1,000,000 limitation applies separately to the compensation paid by each entity. For fiscal years 2007 and 2006 no compensation paid by the Company to its CEO or other executive officers was subject the deduction disallowance prescribed by Section 162(m) of the Code.

EQUITY COMPENSATION PLANS

The Company has three equity compensation plans, each of which has been approved by the Company's stockholders. Set forth below is a summary of those plans.

1998 Stock Option Plan for Selected Key Officers, Employees and Consultants

On December 8, 1998, the Board of Directors of the Company adopted, subject to shareholder approval and ratification, a 1998 Stock Option Plan for selected key officers, employees and consultants (the "Key Employee Plan"). The Key Employee Plan was ratified by the stockholders on January 27, 1999.

The stock to be offered under the Key Employee Plan shall be shares of the Company's Common Stock, par value \$.01 per share, which may be unissued shares or treasury shares. Subject to certain adjustments upon changes in capitalization, the aggregate number of shares to be delivered upon exercise of all options granted under the Key Employee Plan shall not exceed 300,000 shares (adjusted for stock split). The Key Employee Plan shall terminate on the earliest to occur of (i) the dates when all of the Common Stock available under the Key Employee Plan shall have been acquired through the exercise of options granted under the Key Employee Plan; (ii) 10 years after the date of the adoption of the Key Employee Plan by the Board; or (iii) such other date that

Edgar Filing: INTERGROUP CORP - Form DEF 14A

the Board may determine.

The Key Employee Plan is administered by a Committee appointed by the Board of Directors which consists of two or more disinterested persons within the meaning of Rule 16b-3 promulgated pursuant to the Securities Exchange Act of 1934 (the "Exchange Act"). Persons eligible to receive options under the Key Employee Plan shall be employees who are selected by the Committee. In determining the Employees to whom options shall be granted and the number of shares to be covered by each option, the Committee shall take into account the duties of the respective employee, their present and potential contribution to the success of the Company, their anticipated number of years of active service remaining and other factors as it deems relevant in connection with accomplishing the purposes of the Key Employee Plan. An employee who has been granted an option may be granted an additional option or options as the Committee shall so determine.

The exercise price of the option shall be determined at the time of grant and shall not be less than 100% of the fair market value of the Common Stock at the time of the grant of the option. The term of the option shall not exceed 10 years from the date on which the option is granted. The vesting schedule for the options and the method or time that when the option may be exercised in whole or in part shall be determined by the Committee. However, in no event shall an option be exercisable within six months of the date of grant in the case of an optionee subject to Section 16(b) of the Exchange Act. Subject to certain exceptions, the option shall terminate six months after the optionee's employment with the Company terminates. No options to purchase shares were granted pursuant to the Key Employee Plan during fiscal 2007.

8

Pursuant to the Plan, each non-employee director as of the adoption date of the Plan shall be granted on the date thereof: (i) if he or she became a non-employee director prior to January 1, 1998, an option to purchase 8,000 shares of Common Stock; and (ii) if he or she became a non-employee director on or after January 1, 1998, an option to purchase 4,000 shares of Common Stock.

Each new non-employee director who is elected to the Board shall automatically be granted an option to purchase 4,000 shares of Common Stock upon the initial date of election to the Board. On each July 1 following the adoption date, each non-employee director shall be granted an option to purchase 3,000 shares of Common Stock (adjusted for stock split) provided he or she holds such position on that date and the number of Common Shares available for grant under the Plan is sufficient to permit such automatic grant.

The exercise price of the option shall be determined at the time of grant and shall not be less than 100% of the fair market value of the Common Stock at the time of the grant of the option. The term of the option shall be for ten years. Options granted to any non-employee director will not vest 100% until such person has been a member of the Board for four (4) years or more. Non-employee directors who have been a member of the Board less than four (4) years, shall be vested with respect to 20% of the options on the date of grant and 20% on each anniversary of such person having become a member of the Board, provided that the optionee is on each such date serving as a member of the Board or as an employee or consultant to the Company.

Since all options authorized to be issued under the Plan were exhausted, there was no grant of options to non-employee directors in fiscal 2007. The Plan terminated upon shareholder approval, and Board adoption, of the 2007 Stock Compensation Plan for Non-Employee Directors described below; however, any outstanding options under the Plan remain effective in accordance with their terms.

Edgar Filing: INTERGROUP CORP - Form DEF 14A

2007 Stock Compensation Plan for Non-Employee Directors

On February 21, 2007, the stockholders of the Company approved The InterGroup Corporation 2007 Stock Compensation Plan for Non-Employee Directors (the "2007 Plan"), which was thereafter adopted by the Board of Directors. The 2007 Plan will terminate upon the earlier of the date all shares reserved for issuance have been awarded or February 21, 2017, if not sooner terminated by the Board upon recommendation by the Compensation Committee.

The stock to be available for issuance under the 2007 Plan shall be shares of the Company's Common Stock, par value \$.01 per share, which may be unissued shares or treasury shares. Subject to certain adjustments upon changes in capitalization, a maximum of 60,000 shares (subject to changes in capitalization or other adjustments for corporate changes) of the Common Stock will be available for issuance to participants under the 2007 Plan.

All non-employee directors are eligible to participate in the 2007 Plan. Each non-employee director as of the adoption date of the 2007 Plan shall be granted an award of 600 unrestricted shares of the Company's Common Stock. On each July 1 following the adoption date of the 2007 Plan, each non-employee director shall receive an automatic grant of a number of shares of Company's Common Stock equal in value to \$18,000 based on 100% of the fair market value (as defined) of the Common Stock on the date of grant, provided he or she holds such position on that date and the number of shares of Common Stock available for grant under the 2007 Plan is sufficient to permit such automatic grant. Any fractional shares resulting from such grant will be rounded up to next highest whole share. All stock awards to non-employee directors will be fully vested on the date of grant. The dollar amount of the annual grant is subject to further adjustment by the Board of Directors upon recommendation by the Compensation Committee.

The stock awards granted under the 2007 Plan are shares of unrestricted Common Stock and are fully vested on the date of grant. The right of the non-employee director to receive his or her annual grant of Common is personal to the director and is not transferable. Once received, shares of Common Stock awarded to the non-employee director are freely transferable subject to any requirements of Section 16(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). On June 28, 2007, Company filed a registration statement on Form S-8 to register the shares subject to the 2007 Plan and the Company's two stock option plans.

9

Upon recommendation of the Compensation Committee, the Board may, at any time and from time to time and in any respect, amend or modify the 2007 Plan. The Board must obtain stockholder approval of any material amendment to the 2007 Plan if required by any applicable law, regulation or stock exchange rule. The Board of Directors may amend the 2007 Plan or any award agreement, which amendment may be retroactive, in order to conform it to any present or future law, regulation or ruling relating to plans of this or similar nature. No amendment or modification of the 2007 Plan or any award agreement may adversely affect any outstanding award without the written consent of the participant holding the award.

Compensation of Directors

Until December 31, 2006, each director was paid a fee of \$1,500 per quarter for a total annual compensation of \$6,000. Directors were also eligible to receive \$500 for each committee meeting attended and \$600 for each committee meeting

Edgar Filing: INTERGROUP CORP - Form DEF 14A

chaired. Members of the Audit Committee also received a fee of \$500 per quarter. Directors who are also executive officers did not receive any fee for attending Board or Committee meetings. As an executive officer, the Company's Chairman has also elected to forego his annual board fee. Non-employee directors were eligible for grants of options to purchase shares of the Company's Common Stock pursuant to the 1998 Stock Option Plan for Non-Employee Directors. All of the options authorized to be issued under that Plan were exhausted effective with the July 1, 2005 option grants.

On February 21, 2007, the 2007 Plan was adopted to replace the old Plan. Pursuant to the 2007 Plan, each non-employee director is entitled to an annual grant of a number of shares of Common Stock of the Company equal in value to \$18,000 based on the fair market value of the Common Stock on the date of grant and a grant of 600 shares of Common Stock upon the formal adoption of the 2007 Plan by the Board.

Based on recommendations of the Administrative and Compensation Committee, the Board of Directors also approved a change in the amount and manner by which non-employee directors are to be paid cash compensation. Effective January 1, 2007, each non-employee director will receive an annual cash retainer in the amount of \$16,000, to be paid in equal quarterly payments. With the exception of members of the Audit Committee, non-employee directors will not receive any additional fees for attending Board or Committee meetings, but will be entitled to reimbursement of their reasonable expenses to attend such meetings. Members of the Audit Committee will be paid a fee of \$1,000 per quarter, with the Chair of that Committee to receive \$1,500 per quarter. The previous cash compensation policy had been in effect since 1986.

Based upon a review of the copies of such reports received by it, or written representations from certain reporting persons that no Form 5's were required for those persons, the Company believes that during fiscal 2007 all filing requirements applicable to its officers, directors, and greater than ten-percent beneficial owners were complied with.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On December 4, 1998, the Administrative and Compensation Committee authorized the Company to obtain whole life and split dollar insurance policies covering the Company's President and Chief Executive Officer, Mr. Winfield. During fiscal 2007 and 2006, the Company paid annual premiums in the amount of approximately \$85,000 for the split dollar insurance policy owned by, and the beneficiary of which is, a trust for the benefit of Mr. Winfield's family. The

Edgar Filing: INTERGROUP CORP - Form DEF 14A

Company has a secured right to receive, from any proceeds of the policy, reimbursement of all premiums paid prior to any payments to the beneficiary.

On June 30, 1998, the Company's Chairman and President entered into a voting trust agreement with the Company giving the Company the power to vote his 4.0% interest in the outstanding shares of the Santa Fe common stock.

As Chairman of the Securities Investment Committee, the Company's President and Chief Executive officer, John V. Winfield, oversees the investment activity of the Company in public and private markets pursuant to authority granted by the Board of Directors. Mr. Winfield also serves as Chief Executive Officer and Chairman of Santa Fe and Portsmouth and oversees the investment activity of those companies. Depending on certain market conditions and various risk factors, the Chief Executive Officer, his family, Santa Fe and Portsmouth may, at times, invest in the same companies in which the Company invests. The Company encourages such investments because it places personal resources of the Chief Executive Officer and his family members, and the resources of Santa Fe and Portsmouth, at risk in connection with investment decisions made on behalf of the Company. Under the direction of the Securities Investment Committee, the Company has instituted certain modifications to its procedures to reduce the potential for conflicts of interest.

The Company, its subsidiary Santa Fe and Santa Fe's subsidiary, Portsmouth, have established performance based compensation programs for Mr. Winfield's management of the securities portfolios of those companies. The performance based compensation program was approved by the disinterested members of the respective Boards of Directors of the Company and its subsidiaries. No performance bonus compensation was paid to Mr. Winfield for the fiscal years ended June 30, 2006 and 2007.

PROPOSAL NO. 2

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed the firm of Burr, Pilger & Mayer LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2008. Although the action of shareholders in this matter is not required, the Audit Committee believes it is appropriate to seek shareholder ratification of this appointment. Ratification requires the affirmative vote of a majority of the shares represented and voted at the Annual Meeting.

Edgar Filing: INTERGROUP CORP - Form DEF 14A

On October 23, 2007, the Audit Committee of the Board of Directors recommended and approved the dismissal of PricewaterhouseCoopers LLP ("PWC") as the Company's independent registered public accounting firm. PWC served as the independent registered accounting firm engaged to audit the Company's financial statements for its two most recent fiscal years. On October 23, 2007, the Audit Committee engaged and appointed Burr, Pilger & Mayer LLP ("BPM") as the Company's new independent registered accounting firm.

The reports of PWC on the financial statements of the Company for the fiscal years ended June 30, 2007 and 2006 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principle. During the fiscal years ended June 30, 2007 and 2006 and through October 23, 2007, there were no disagreements with PWC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements (as defined in Item 304(a)(1)(iv)(A) of Regulation S-B), if not resolved to the satisfaction of PWC, would have caused PWC to make reference thereto in their reports on the Company's financial statements for such years. During the fiscal years ended June 30, 2007 and 2006 and through October 23, 2007, there were no reportable events as defined in Item 304(a)(1)(iv)(B) of Regulation S-B.

The Company provided PWC with a copy of the above disclosures and requested that PWC furnish a letter addressed to the U.S. Securities and Exchange Commission stating whether or not it agrees with the statements made by the Company and, if not, stating the respects in which it does not agree. PWC furnished a letter confirming that it agreed with the statements made by the Company.

During fiscal years ended June 30, 2007 and 2006 and through October 23, 2007, there were no consultations with BPM on any matters described in Item 304(a)(2)(i) and Item 304(a)(2)(ii) of Regulation S-B.

BPM serves as the auditors of the Justice Investors limited partnership ("Justice" or the Partnership). Due to the consolidation of the financial statements of Justice into those of the Company, effective July 1, 2006, the Audit Committee believed that the engagement of BPM would promote greater efficiencies and savings for the Company, especially since the hotel owned by the Partnership is now the major asset and operating entity on the Company's financial statements.

We expect that a representative of Burr Pilger & Mayer will be present at the Annual Meeting to respond to appropriate questions from Shareholders, and we will provide this representative with an opportunity to make a statement if he or she desires to do so. We do not expect that a representative of PricewaterhouseCoopers will be present at the Annual Meeting.

The Audit Committee has also received the written disclosures and the letter from PricewaterhouseCoopers LLP regarding its independence as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), which was discussed with PricewaterhouseCoopers LLP.

Based on the Audit Committee's review of the audited financial statements, and the review and discussions with management and PricewaterhouseCoopers LLP referred to above, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended June 30, 2007 for filing with the Securities and Exchange Commission.

The Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Committee at its next scheduled meeting.

All of the services described herein were approved by the Audit Committee pursuant to its pre-approval policies.

Purpose:

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the Company's financial reporting process, the Company's systems of internal accounting and financial controls, and the annual independent audit of the Company's financial statements.

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention and shall have full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts for this purpose. The Board and the Committee are in place to represent the Company's shareholders, and the Company's independent registered public accounting firm is ultimately accountable to the Board and the Committee as such representatives of shareholders. It is the responsibility of the Committee to maintain free and open means of communication between the Board, the independent registered public accounting firm and the financial management and internal auditors of the Company.

The Committee shall review the adequacy of this Charter on an annual basis.

Membership:

The Committee shall be comprised of at least three (3) "independent" directors that meet the composition requirements as defined by the rules of the Securities and Exchange Commission ("SEC") and The NASDAQ Stock Market LLC ("NASDAQ") as may be modified and supplemented from time to time. Accordingly, all of the members of the Committee will be directors:

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. A majority of the members of the Committee shall constitute a quorum for the transaction of business. Minutes of each meeting of the Committee should be recorded by the Secretary to the Committee. Approval by a majority of the members present at a meeting at which a quorum is present shall constitute approval by the Committee. The Committee may also act by

unanimous written consent without a meeting. As part of its job to foster open communication, the Committee should meet at least annually with management and the Company's independent registered public accounting firm in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee or at least its Chairman should meet with the Company's independent registered public accounting firm and management quarterly to review the Company's financials consistent with #2 below. The Committee may request any officer or employee of the Company or the Company's outside counsel or the Company's independent registered public accounting firm to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Key Responsibilities:

The Committee's job is one of oversight, and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the Company's independent registered public accounting firm is responsible for auditing those financial statements pursuant to professional standards. Additionally, the Committee recognizes that financial management has more time, knowledge and detailed information about the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditor's work.

The following functions shall be the common recurring activities of the Committee in carrying out its oversight function. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate given the circumstances.

1. 3. Review disclosures made to the Committee by the Company's CEO and CFO during their certification process for the Form 10-KSB and Form 10-QSB about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.

8. Periodically consult with the Company's independent registered public accounting firm, out of the presence of management, about internal controls and the fullness and accuracy of the organization's financial statements.
