**Item 2.06. Material Impairments.**

The Registrant issued a press release on January 18, 2006 announcing the Company's intent to sell its existing national headquarters building located at 101 Gateway Centre Parkway, Richmond, Virginia and its intent to relocate and consolidate its national headquarters and other shared resources operations into a larger facility in the Richmond metropolitan area.

In connection with the proposed sale of its existing headquarters, the Company determined on January 13, 2006, that the building and related assets was appropriately classified as "held for sale" in accordance with Statement of Financial Accounting Standards No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets," and should be written down to its estimated fair value less cost to sell. The impairment charge from the write down of the building and related assets is estimated to be approximately \$8.0 million and will be reflected in the Registrant's results of operations for the three months ended March 31, 2006. It is expected that the future cash expenditures to exit certain leases related to the sale and relocation of the corporate operations will be approximately \$2.9 million.

The press release is being furnished as Exhibit 99.1 to this report and is incorporated by reference into this Item 2.06.
