Item 1.

Security and Issuer.

This Amendment No. 3 to Schedule 13D (this Amendment) relates to the common stock, par value \$0.01 per share (the Common Stock), and voting and other contractual rights relating thereto, of National Health Investors, Inc., a Maryland corporation (the Company), which has its principal executive offices located at 100 Vine Street, Murfreesboro, Tennessee 37130.

This Amendment amends and supplements the Schedule 13D dated as of October 5, 2006 (the Original Schedule 13D) filed by W. Andrew Adams (Andy), AdamsMark, L.P., a Washington limited partnership (AdamsMark), Springland Ventures, L.P., a Washington limited partnership (Springland), Dorothy B. Adams, who is the wife of Andy (Dorothy), The Adams Group, L.P., a Washington limited partnership (Adams Group), Adams Children s Trust, a Tennessee trust (the Children s Trust), Adams Family Foundation II, a Tennessee private foundation (the Foundation), and W. Andrew and Dorothy B. Adams Grandchildren s Trust, a Tennessee trust (the Grandchildren s Trust) and collectively with Andy, AdamsMark, Springland, Dorothy, Adams Group, the Children s Trust, and the Foundation, the Initial Reporting Persons); the Amendment No. 1 to Schedule 13D dated as of November 8, 2006 filed by the Initial Reporting Persons (Amendment No. 1); and the Amendment No. 2 to Schedule 13D dated as of January 2, 2007 filed by the Initial Reporting Persons and Ira Sochet Revocable Intervivos Trust, Ira Sochet, Richmond Equities, LLC, Richmond Properties, LLC, William T. Richmond, Marcia L. Richmond, Martha P. Richmond, William T. and Martha P. Richmond Revocable Living Trust, East Main Associates, L.P., Charlotte A. Swafford, Harold R. Swafford, Will Edwards Settle, Eva D. DenBesten, Keneva, L.P., Kenneth D. DenBesten, James G. Baker, III, Michael Ussery, Beth Ussery, David L. Lassiter, Joanne Mott Batey, Kristin S. Gaines, Deryl Doran Johnson, D. Doran Johnson Associates, L.P., Amanda C. Johnson, Sara Elizabeth Johnson Baker, Candace Renee Johnson Malone, Adams Christian Trust (the Christian Trust), Carl E. Adams, Jr., Windsor Associates, L.P., Jennie Mae Adams, Fred M. Adams, Adams/Readyville Charitable Lead Annuity Trust, Adams Investments, L.P., Readyville Family, L.P., Adams Family Foundation, Sara Family L.P., Adams Charitable Lead Trust, Adams Grandchildren Trust I, Adams Grandchildren Trust II, Rutherford Associates, L.P., Tennessee Boulevard Investments, L.P., Coggin Family Limited Partnership, D. Gerald Coggin, A. B. Adams, Ann Lu Adams, PELTAK, L.P., Wendel M. Adams, Ernest G. Burgess, RAGS Family, L.P., and Sonya A. Leeman (Amendment No. 2).

The Original Schedule 13D described a proposal by Andy and AdamsMark of a transaction that, if approved and adopted by the Board of Directors of the Company (the Board) and the stockholders of the Company, would have resulted in the Common Stock no longer being publicly traded (the Initial Proposal). In light of the rejection of the Initial Proposal by the special committee of independent members of the Board (the Committee), Andy, on behalf of himself, AdamsMark, Springland, Dorothy, Adams Group, and the Children s Trust (collectively, the Initial Proponents), orally submitted a revised proposal to the Committee on November 8, 2006, as disclosed in Amendment No. 1. In light of the Committee s decision not to accept the revised proposal, AdamsMark, on behalf of the Initial Proponents, submitted a proposal letter to the Committee on December 1, 2006 (the December 1 Letter). That proposal letter was to have been supplemented with subsequently delivered materials to constitute a new proposal.

Before the supplemental materials were delivered to the Committee, however, the Initial Reporting Persons and the Designated Stockholders (as disclosed and defined in Amendment No. 2) sent a letter containing a new proposal to the Committee on January 2, 2007. That proposal, like the Initial Proposal, called for a transaction that, if approved and adopted by the Board and the stockholders of the Company, would have resulted in the Common Stock no longer being publicly traded (the Subsequent Proposal).

On February 2, 2007, AdamsMark received a letter dated February 1, 2007 from the Committee stating, among other things, that the Committee unanimously concluded not to accept the Subsequent Proposal. On February 13, 2007, AdamsMark sent a letter to each of the Designated Stockholders

terminating the letter agreements pursuant to which they had agreed in principle, effective as of December 1, 2006, to participate in the merger and related transactions contemplated by the December 1 Letter. On April 4, 2007, AdamsMark, on behalf of itself and the other Reporting Persons (as defined below), sent a letter containing a new proposal to the Committee. That proposal, like the Initial Proposal and the Subsequent Proposal, is for a transaction that, if approved and adopted by the Board and the stockholders of the Company, would result in the Common Stock no longer being publicly traded (the Proposal).

This Amendment is filed by the Initial Reporting Persons and by the beneficial owners of the shares of Common Stock held by the stockholders named in Item 5(a) below (all such filing persons collectively, the Reporting Persons). Capitalized terms used but not defined in this Amendment have the respective meanings given them in the Original Schedule 13D, as amended by Amendment No. 1 and Amendment No. 2 (the Previously Amended Schedule 13D).

Item 3.

Source and Amount of Funds or Other Consideration.

Item 3 of the Previously Amended Schedule 13D is amended to read in its entirety as follows:

As more fully described in Item 4, the Proposal contemplates a series of related transactions, all occurring essentially simultaneously, that include (1) the Company's sale and transfer of its assets, other than cash, and its liabilities, other than accrued dividends payable, to a newly formed limited partnership (the "UPREIT") for an amount equal to \$34.00 per share of Common Stock, less the amount of cash retained by the Company, payable partly in cash and partly by a promissory note of the UPREIT, (2) the Company's declaration and payment of a dividend equal to \$15.00 per share of Common Stock, payable either in cash or by issuance of 0.7894737 of a share of Common Stock, at the election of each holder of shares of Common Stock (the "Dividend"), and (3) the merger (the "Merger") of the Company with an entity to be formed (the "Acquisition Entity") that would hold shares of Common Stock contributed by certain stockholders of the Company that have agreed to so participate. As a result of the Merger, all of the outstanding shares of Common Stock, other than shares held by the Acquisition Entity, would be converted into cash or, at the election of each of the Company's stockholders with at least 1,000 shares of Common Stock, shares of preferred stock of the Company as the survivor in the Merger (the "Surviving Entity"). It is anticipated that the cash to effect the UPREIT's purchase of the Company's assets, to pay the Dividend, and to pay cash in the Merger will be obtained from third-party financing, from personal funds of Andy, and through use of available cash and other liquid assets of the Company. Copies of two Conditional Commitment letters, dated November 29 and November 30, 2006, for debt financing from Column Financial, Inc., an affiliate of Credit Suisse (the "Financing Commitments"), were delivered to the Committee as part of the December 1 Letter and have been confirmed by Andy as applicable for the Proposal in the letter dated April 4, 2007 that made the Proposal (the "Proposal Letter"). The shares of preferred stock of the Surviving Entity that might be issued in the Merger will be issued by the Surviving Entity.

Item 4.

Purpose of Transaction.

Item 4 of the Previously Amended Schedule 13D is amended to read in its entirety as follows:

On April 4, 2007, the Proposal was made to the Committee by delivering the Proposal Letter, a copy of which is Exhibit G hereto and incorporated herein by reference. The Proposal is described below following a description of its background.

Background of the Proposal. At a regular Board meeting on August 2, 2006, Andy requested the Board to authorize the release of confidential information of the Company to certain possible financing sources for the purpose of evaluating whether it would be feasible for him or any of his other affiliated entities to make a proposal to acquire the Company. The Board authorized the release of information, subject to a confidentiality agreement or obligation of the recipients, and appointed the Committee to receive and consider any such proposal that might be made.

On October 5, 2006, Andy and AdamsMark orally submitted the Initial Proposal, to acquire the Company through a merger of the Company with and into a newly formed limited partnership, for consideration by the Committee. Under the Initial Proposal, each outstanding share of Common Stock would have been converted in that merger into \$30.00 in cash, a preferred equity interest in the surviving limited partnership having a value of \$30.00, or a common equity interest in the surviving limited partnership having a value of \$30.00, or any combination of cash or such equity interests, at the election of each stockholder of the Company. The number of stockholders that could have elected to receive each class of equity interests in the surviving limited partnership would have been limited, however, so that the surviving limited

partnership would not have been required to register a class of equity securities under the Securities Exchange Act of 1934, as amended (the "Act"). The right of any holder to transfer any such equity interest after the merger would also have been restricted for the same reason. All of the shares of Common Stock owned of record by AdamsMark would have been converted into common equity interests in the surviving limited partnership. The merger would have been subject to third-party financing arranged by AdamsMark and to stockholders of the Company holding approximately \$100 million of Common Stock (valued at the price per share in the Initial Proposal) electing to receive equity interests in the surviving limited partnership. The merger would have resulted in the surviving limited partnership being a privately held entity and the Company's stockholders receiving the merger consideration in exchange for all of the outstanding shares of Common Stock.

Springland, Dorothy, Adams Group, the Children's Trust, the Foundation, and the Grandchildren's Trust indicated that they supported the Initial Proposal.

On October 6, 2006, Andy and AdamsMark were informed that the Committee considered the price per share in the Initial Proposal to be inadequate and that the Committee desired more particular information about other aspects of the Initial Proposal.

At a meeting with the Committee on November 8, 2006, Andy orally submitted a revised proposal to the Committee on behalf of the Initial Proponents. That proposal contemplated a merger of the Company with a newly formed entity that would hold shares of Common Stock contributed by certain stockholders of the Company under a separate agreement or arrangement with the Initial Proponents. In that merger, all of the outstanding shares of Common Stock, other than those held by the newly formed entity (which would have been cancelled), would have been converted into cash in an amount per share greater than \$30.00 or shares of senior preferred stock of the Company as the surviving entity in that merger having the equivalent value, or a combination of cash and senior preferred stock, at the election of each holder of such shares of Common Stock. As the result of that merger, the stockholders of the Company, other than the newly formed entity, would have received the merger consideration in exchange for the outstanding shares of Common Stock (which would no longer have been listed on the New York Stock Exchange and would have been eligible for termination of registration pursuant to Section 12(g)(4) of the Act). That proposal was subject to two contingencies, third-party financing arranged by the Initial Proponents and agreements with those stockholders of the Company that would own the newly formed entity for the merger.

At the meeting, the Committee indicated that, before it could accept the revised proposal, it must have evidence that certain contingencies could be satisfied.

On December 1, 2006, AdamsMark, on behalf of the Initial Proponents, delivered the December 1 Letter to the Committee. The December 1 Letter was accompanied by copies of the Financing Commitments. The Initial Proponents expected, however, that no proposal would be made to or considered by the Committee until the

December 1 Letter was supplemented by a list of stockholders of the Company who agreed to become, and a copy of the form of the agreement by which they became, Designated Stockholders.

On December 6, 2006, the Initial Proponents received a letter from the Committee's counsel requesting delivery of certain items of information as a condition to the Committee's consideration of the December 1 Letter as a proposal. Those items included (1) the anticipated list of Designated Stockholders and their agreements and (2) a description of the anticipated

sources of capital for the merger and related transactions described in the December 1 Letter. On December 19, 2006, the Committee's counsel acknowledged in a letter that those items were the only items that the Committee was awaiting. By that date, however, the Initial Proponents and the Designated Stockholders, the agreements of which were being signed, had determined that the transactions in the December 1 Letter should be revised, and they were formulating a new proposal letter to supersede the December 1 Letter. They also had discussions with National HealthCare Corporation (NHC) and National HealthCare Realty Corporation (NHR) regarding the purchase by the Company (immediately before the merger) of respective shares of Common Stock owned by NHC and NHR if the merger and related transactions were to be effected, and those discussions resulted in letters of intent with NHC and NHR.

The Initial Reporting Persons and the Designated Stockholders sent a letter containing the Subsequent Proposal to the Committee on January 2, 2007 (the January 2 Letter). The Subsequent Proposal contemplated a series of related transactions, all occurring essentially simultaneously, that included (1) the Company's sale and transfer of its assets, other than cash, and its liabilities, other than accrued dividends payable, to a newly formed limited partnership for an amount equal to \$33.00 per share of Common Stock, less the amount of cash retained by the Company, payable partly in cash and partly by a promissory note of the limited partnership, (2) the Company's declaration and payment of a dividend equal to \$15.00 per share of Common Stock, payable either in cash or by issuance of 0.8333 of a share of Common Stock, at the election of each holder of shares of Common Stock, and (3) the merger of the Company with an entity to be formed that would hold shares of Common Stock contributed by the Designated Stockholders.

On February 2, 2007, AdamsMark received a letter dated February 1, 2007 from the Committee stating, among other things, that the Committee unanimously concluded not to accept the Subsequent Proposal. On February 2, 2007, the Company also issued a press release acknowledging the Committee's response and stating that the Committee unanimously believed that continuing to operate the Company as a public company would create greater value for public stockholders than the Subsequent Proposal and that the Committee requested that management further develop and implement a wide-ranging strategic plan to enhance the business and stockholder value of the Company.

Following the Committee's rejection of the Subsequent Proposal, Andy continued to consider the possibility of making another proposal and, on occasion, had informal discussions with individual members of the Committee and counsel to the Committee about certain aspects of a possible new proposal. On February 13, 2007, AdamsMark sent a letter to each of the Designated Stockholders terminating the letter agreements pursuant to which they had agreed in principle to participate in the merger and related transactions contemplated by the December 1 Letter. None of the Designated Stockholders other than the Reporting Persons are now participating in the Proposal.

Description of the Proposal. As described in the Proposal Letter, the Proposal contemplates a series of related transactions, to occur essentially simultaneously, but in the following order:

1.

NHC would sell all, and NHR would sell a portion, of its shares of Common Stock to the Company for \$34.00 per share, payable by delivery of a secured promissory note of the Company or the Surviving Entity upon and after the Merger.

33

DALLAS 1752535v5

2.

An affiliate of Andy would organize and act as the sole general partner of the UPREIT, which would purchase all of the Company's assets, other than cash, and assume all of the Company's liabilities, other than accrued dividends payable, for a purchase price in an amount equal to \$34.00 per share of Common Stock, less the amount of cash retained by the Company. The purchase price would be payable partly in cash and partly by delivery of a promissory note of the UPREIT.

3.

The Company would declare and pay the Dividend equal to \$15.00 per share of Common Stock. The Dividend would be paid, as determined by each holder of Common Stock, either in cash or by issuance and delivery of 0.7894737 of a share of Common Stock.

4.

The Reporting Persons would contribute all or most of their shares of Common Stock to the Acquisition Entity. The Merger Agreement (as defined below) would provide that additional stockholders of the Company could, if so invited, contribute their shares of Common Stock to the Acquisition Entity after the Board exempted the transaction from the Maryland Business Combination Act and the Maryland Control Share Acquisition Act and after the approval and execution of the Merger Agreement.

5.

The Company and the Acquisition Entity would enter into a merger agreement (the Merger Agreement) and effect the Merger. In the Merger, all of the outstanding shares of Common Stock, other than those held by the Acquisition Entity (which would be cancelled), would be converted into \$19.00 per share in cash or shares of preferred stock of the Surviving Entity with the terms described below (the Preferred Stock) having a value of \$19.00 per share of Common Stock, or a combination of cash and Preferred Stock, at the election of each holder of such shares of Common Stock that owns at least 1,000 shares of Common Stock (collectively, the Merger Consideration). (Any holder of fewer than 1,000 shares of Common Stock would receive only cash for those shares in the Merger.) Also in the Merger, the equity interests in the Acquisition Entity would be converted into shares of common stock of the Surviving Entity (Surviving Entity Common Stock) and shares of Preferred Stock.

In general, the Preferred Stock of the Surviving Entity would (a) be entitled to an annual cumulative dividend of \$1.25 per share (but no other dividend or distribution); (b) be convertible at the holder's option, at any time after December 31, 2009, into shares of Surviving Entity Common Stock at a conversion premium of 10% (i.e., at the rate of 0.9091 of a share of Surviving Entity Common Stock for each share of Preferred Stock); (c) be subject to mandatory redemption or repurchase by the Surviving Entity on December 31, 2027 for the sum of the liquidation

value of \$19.00 per share plus all then accrued and unpaid dividends; (d) have a preference over the other shares of capital stock of the Surviving Entity as to dividends and upon liquidation (with the liquidation value of \$19.00 per share); (e) be non-voting except as provided by law; and (f) not be transferable by the holder except to the Surviving Entity or any other stockholder of the Surviving Entity or by operation of law unless the holders of Preferred Stock equal or exceed 500 (which is not now anticipated).

6.

As necessary to comply with REIT ownership rules, certain of the Reporting Persons would elect to receive cash as the Merger Consideration for their shares of Common Stock not contributed to the Acquisition Entity and would use that cash to purchase limited partnership interests in the UPREIT. The Surviving Entity would purchase limited partnership interests in the UPREIT in an amount equal to \$19.00 times the

number of outstanding shares of Surviving Entity Common Stock.

7.

To provide stockholders of the Company that elect to remain invested in the Surviving Entity with cash to pay at least a portion of the tax arising out of the sale of assets of the Company to the UPREIT (as described above), the Surviving Entity would declare and pay to all holders of Surviving Entity Common Stock and Surviving Entity Preferred Stock a one-time dividend of \$1.00 per share.

As the result of the Merger and these related transactions, (1) substantially all of the assets and liabilities of the Company before the Merger would be owned by the UPREIT upon and after the Merger; (2) the UPREIT would be owned by the Surviving Entity, certain of the Reporting Persons and an entity affiliated with Andy upon and after the Merger; (3) the Surviving Entity would be owned by the Reporting Persons and any stockholders of the Company that elect to receive shares of Preferred Stock in the Merger as a privately held real estate investment trust (unless, as is not now anticipated, there are 500 or more holders of the Preferred Stock, which would require registration of the Preferred Stock under the Act), and (4) the stockholders of the Company, other than the Acquisition Entity, would receive the Dividend and the Merger Consideration in exchange for the outstanding shares of Common Stock.

The Proposal Letter includes, as Exhibit A thereto, a non-exclusive list of reasons that the Reporting Persons believe the Proposal to be in the best interests of all of the Company's stockholders.

The Proposal Letter also includes statements of (1) Andy's belief that if the Committee does not recommend, or the Board does not approve, the Proposal, the Board should aggressively market the Company for sale at a higher price, and (2) Andy's intention, in that circumstance, to fully support efforts to effect such a sale.

If the Merger and related transactions are effected, the Common Stock would no longer be listed on the New York Stock Exchange and would be eligible for termination of registration pursuant to Section 12(g)(4) of the Act. The Board has appointed the Committee to review and consider the Proposal. For the Merger and related transactions to be effected, they would require authorization of the Board (in light of a recommendation of the Committee), the execution of a definitive Merger Agreement, and the satisfaction of various conditions to be set forth in the Merger Agreement, including the approval of the stockholders of the Company.

Other than as set forth in the preceding paragraphs, none of the Reporting Persons has any specific plans or proposals which relate to or would result in any extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; a sale or transfer of a material amount of assets of the

Company or any of its subsidiaries; any change in the present board of directors or management of the Company; any material change in the present capitalization or dividend policy of the Company; any other material change in the Company's business or corporate structure; changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person; causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or any action similar to any of those enumerated above; but each of such Reporting Persons reserves the right to propose or undertake or participate in any of the

foregoing actions in the future.

shares beneficially owned by Adams Investments, L.P., and the 12,606 shares beneficially owned by Readyville Family, L.P. He is also one of the trustees of each of Adams Family Foundation, Adams

Grandchildren Trust I, and Adams Grandchildren Trust II and therefore shares voting and dispositive power with the other trustees over the 44,390 shares owned by Adams Family Foundation, the 71,600 shares beneficially owned by Adams Grandchildren Trust I, and the 11,891 shares beneficially owned by Adams Grandchildren Trust II.

AdamsMark, L.P.

April 4, 2007

Special Committee of the
Board of Directors of
National Health Investors, Inc.
100 Vine Street
Suite 1202
Murfreesboro, Tennessee 37130

Attention: Richard F. LaRoche, Jr., Chairman

Gentlemen:

AdamsMark, L.P. is writing this letter on behalf of itself, Andy Adams and certain of their respective affiliates (collectively, the "Group"), in their capacity as stockholders of National Health Investors, Inc., a Maryland corporation ("NHI"). Reference is made to the letter from Alan J. Perkins, dated January 2, 2007 (the "January 2 Letter"), to the special committee (the "Committee") of the Board of Directors (the "Board"). The January 2 Letter outlined a series of events that led to the proposal reflected in the January 2 Letter. Ultimately, the Committee rejected the proposal described in the January 2 letter.

This new "stockholder choice" proposal to enhance stockholder value is intended to serve as the basis for a definitive Agreement and Plan of Merger that is recommended by the Committee and approved by the Board (the "Merger Agreement"). Exhibit A to this letter sets forth some of the reasons that AdamsMark believes that it would be in the best interests of all stockholders of NHI (the "NHI Stockholders") for the Committee to recommend this new proposal

and for the Board to accept and submit this proposal to the NHI Stockholders for their approval. This proposal, as described below, contemplates a series of related transactions, all of which would occur essentially simultaneously but in the order described below.

1.

NHC and NHR Sale. National HealthCare Corporation (NHC) would sell all of its 1,405,642 shares of common stock of NHI (the NHI Common Stock), and National HealthCare Realty Corporation (NHR) would sell 150,000 of its 225,000 shares of NHI Common Stock, or collectively approximately 5.6% of the outstanding shares of NHI Common Stock, to NHI for a purchase price of \$34.00 per share (or a total purchase price of \$47,791,828 and \$5,100,000, respectively). The purchase price payable to each of NHC and NHR would be payable by delivery of a secured promissory note.

2.

Formation of UPREIT; Sale of NHI Assets. An affiliate of Mr. Adams would organize and act as the sole general partner of a newly formed limited partnership (the UPREIT). NHI would sell all of its assets other than cash to the UPREIT, and the UPREIT would assume all of NHI's liabilities other than NHI's accrued dividends payable. The purchase price would be an amount equal to \$34.00 per outstanding share of NHI Common Stock, less the amount of cash retained by NHI, and would be payable partly in cash and partly by delivery of a promissory note.

3.

NHI \$15.00 Dividend. NHI would declare and pay a dividend of \$15.00 per share of NHI Common Stock (the Dividend). The Dividend in respect of each share of NHI Common Stock would be paid, as determined by the NHI Stockholder who is the holder of such share of NHI Common Stock, either (a) in cash or (b) by the issuance and delivery of 0.7894737 of a share of NHI Common Stock (such fraction being derived by

dividing \$15.00 by \$19.00, the post-Dividend value of each share of NHI Common Stock under this proposal).

4.

Formation of Acquisition Entity. A newly formed entity (the Acquisition Entity), to be owned by the Group, would be organized solely for the purpose of engaging in the Merger (as defined below). Each member of the Group would contribute its shares of NHI Common Stock to the Acquisition Entity in a one-for-one exchange for shares of preferred stock (the Acquisition Entity Preferred Stock) and/or common stock (the Acquisition Entity Common Stock) of the Acquisition Entity, with each member of Group determining the number of shares of its NHI Common Stock it desires to exchange. It is anticipated that most members of the Group will elect to exchange all or almost all of their shares of NHI Common Stock. The Merger Agreement would provide that any additional participants in the Group could contribute their shares after the Board exempted the transaction from the Maryland Business Combination Act and the Maryland Control Share Acquisition Act (as described below) and after the approval and execution of the Merger Agreement. To the extent necessary to comply with REIT ownership rules, as indicated in paragraph 6 below, certain members of the Group which would otherwise exchange all of their shares of NHI Common Stock for Acquisition Entity Preferred Stock and/or Acquisition Entity Common Stock will not do so, but instead will elect to receive cash in the Merger and become limited partners in the UPREIT by reinvesting their proceeds in the UPREIT.

5.

Merger. NHI and the Acquisition Entity would enter into the Merger Agreement, pursuant to which the Acquisition Entity would merge with and into NHI (the Merger), with NHI being the surviving entity (the Surviving Entity). The Merger Agreement would (a) not contain representations and warranties (other than fundamental ones such as those that relate to organization, existence and authority), (b) not impose any indemnification obligations on the NHI Stockholders and, accordingly, not require the establishment of an escrow account, (c) allow the Committee up to 30 days to undertake a market check, or a go-shop, (d) provide for a termination fee and reverse termination fee, as applicable, of \$1,000,000, payable by the party which fails to consummate the Merger, and (e) require that existing Directors and Officers liability insurance coverage be maintained for at least three years from consummation of the Merger. At the effective time of the Merger, (a) each share of NHI Common Stock, other than those owned by the Acquisition Entity, would be converted, at the election of each NHI Stockholder, into either (i) \$19.00 in cash, or (ii) one share of Preferred Stock of the Surviving Entity (the Surviving Entity Preferred Stock), provided that any holder of fewer than 1,000 shares of NHI Common Stock would be entitled to receive only cash, (b) each share of Acquisition Entity Preferred Stock and Acquisition Entity Common Stock owned by the Group would be converted into one share of Surviving Entity Preferred Stock and one share of Common Stock of the Surviving Entity (the Surviving Entity Common Stock), respectively, and (c) each share of NHI Common Stock owned by the Acquisition Entity would be cancelled. The Surviving Entity Preferred Stock would be (i) entitled to an annual cumulative dividend of \$1.25 per share (but no other dividend or distribution), (ii) at any time after December 31, 2009, convertible at the holder's option into shares of Surviving Entity Common Stock at a conversion premium of 10% (i.e., at the rate of 0.9091 of a share of Surviving Entity Common Stock for each share of Surviving Entity Preferred Stock), (iii) subject to mandatory redemption or repurchase by the Surviving Entity on December 31, 2027, at a per share price equal to the liquidation value described in clause (v) below plus all accrued and unpaid dividends, (iv) entitled to a preference as to dividends over all other classes of capital stock of the Surviving Entity, (v) entitled to a preference over all other classes of capital stock of the Surviving Entity upon liquidation of the Surviving Entity (at a per share liquidation value equal to \$19.00), and (vi) non-voting except as provided by law.

6.

UPREIT Investment. To the extent necessary to comply with REIT ownership rules, certain members of the Group would use the cash proceeds they receive for their shares of NHI Common Stock in the Merger (i.e., the shares not contributed to the Acquisition Entity) to purchase limited partnership interests in the UPREIT. The Surviving Entity would purchase limited partnership interests in the UPREIT with a value equal to (a) \$19.00, multiplied by (b) the number of outstanding shares of Surviving Entity Common Stock.

7.

One-Time Distribution and \$1.00 Dividend. In order to provide the NHI Stockholders who elect to remain invested in the Surviving Entity with cash to pay at least a portion of the tax arising out of the asset sale described in paragraph 2 above, the Surviving Entity would declare and pay to all holders of shares of Surviving Entity Common Stock and Surviving Entity Preferred Stock a one-time dividend of \$1.00 per share.

8.

Consequences of Transactions. As the result of the transactions described above, (a) substantially all of the assets and liabilities of NHI before the Merger would be owned by the UPREIT, (b) all limited partnership interests in the UPREIT would be owned by the Surviving Entity and, to the extent necessary to comply with REIT ownership rules, certain members of the Group, and all general partnership interests in the UPREIT would be owned by an affiliate of Mr. Adams, (c) the Surviving Entity would be owned by the Group and any NHI Stockholders who elect to receive shares of Surviving Entity Preferred Stock in the Merger, (d) the Surviving Entity would be a private REIT and the shares of Surviving Entity Preferred Stock would not be transferable (except to the Surviving Entity or other stockholders of the Surviving Entity or by operation of law), unless, as is not now anticipated, there are 500 or more holders of the Surviving Entity Preferred Stock, which would require registration of the Surviving Entity Preferred Stock under the Securities Exchange Act of 1934, and (e) the NHI Stockholders (other than the Acquisition Entity), to the extent they do not elect to receive shares of Surviving Entity Preferred Stock in the Merger, would receive \$34.00 per share in cash through a combination of the Dividend and the Merger.

9.

Conditions Precedent. This proposal is conditioned upon the following: (a) the approval by the Board and the Committee of the participation in the Group by NHI Stockholders not currently members of the Group, including their exchange of their shares of NHI Common Stock for shares of Acquisition Entity Common Stock and/or Acquisition Entity Preferred Stock, and the Board and the Committee exempting the transactions contemplated by this proposal from the Maryland Business Combination Act and the Maryland Control Share Acquisition Act, (b) approval of this proposal by the Board and the Committee and the NHI Stockholders as required by law, (c) expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1986, (d) compliance with all securities and other applicable laws, and (e) the closing of the debt financing required to fund the cash portion of the Dividend and the cash payable in the Merger. The conditional commitment letters from various financing sources were previously provided and Mr. Adams has received confirmation that the conditional commitments will be extended to whatever date is necessary to consummate the Dividend and the Merger.

I am available to discuss this proposal with you at your convenience. I firmly believe that this stockholder choice proposal to immediately enhance stockholder value represents a fair value, is in the best interest of all NHI Stockholders and represents a superior value as compared to pursuing the Company's current strategy. If the Committee does not agree to support this proposal of \$34.00 per share, then the Board should aggressively market the sale of NHI at a higher price. In that event, as a member of the Board, I will fully support any and all such efforts. Thank you for your consideration of this proposal.

Very truly yours,

AdamsMark, L.P.

Exhibit A

Certain Reasons Stockholders Choice Proposal is in Stockholders Best Interest

1.

The proposal offers all NHI Stockholders the opportunity to make a choice.

2.

The proposal represents immediate enhancement of stockholder value because \$34.00 per share represents the highest value for the NHI Common Stock in eight years. The REIT sellers market we have experienced for the last nine months obviously will change at some point in the foreseeable future, so timing of the Board's decision is critical.

3.

Even if the NHI Common Stock from time to time in the future trades as high as \$34.00, most NHI Stockholders will not be able to liquidate their NHI Stock near or at that price because the market will not be able to absorb sales of a significant number of shares without a corresponding decrease in the trading price. The proposal allows all NHI Stockholders to liquidate their NHI Stock at a value of \$34.00 per share for all cash if they so choose.

4.

Stockholders will have the choice to either retain an ownership interest in NHI or receive all cash, or a combination of both. In essence, the proposal should not be considered a sale of NHI, but rather as an enhancement of stockholder value that allows each NHI Stockholder who so chooses to liquidate all or any portion of its NHI Common Stock.

5.

The proposal would permit the NHI Stockholders to diversify their investment strategy, while, if and to the extent they so choose, maintaining a growth opportunity in the Surviving Entity (including enjoying the benefit of the step-up in basis in the Surviving Entity's assets that would result from the transaction contemplated by the proposal).

6.

The proposal is likely to allow NHI to deregister the NHI Common Stock, thereby permitting NHI to save the significant direct and indirect costs associated with maintaining its status as a publicly traded company.

7.

The NHI Stockholders can continue their investment in NHI in a senior preferred position until such time, if ever, they conclude that the long-term value of NHI will be sufficient to justify converting their shares of Surviving Entity Preferred Stock to shares of Surviving Entity Common Stock.

8.

The valuations for companies in general, and REITs in particular, are at historic highs, and \$34.00 per share will represent the highest value for the NHI Common Stock in eight years.
