**Item 2.03.**

**Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant**

On November 1, 2011, we entered into a four-year \$200,000,000 unsecured revolving credit facility to lower our cost of capital and fund new healthcare real estate investments. Interest on outstanding borrowings is at a margin of 150 basis points over LIBOR (currently totaling 1.75%) and the unused commitment fee is 35 basis points per annum. We have the option to extend the maturity to five years. There is an accordion feature in the credit facility that could increase the total commitment to \$300,000,000. Borrowings on the credit facility were used to pay off and cancel the previous credit facility which bore interest at 250 basis points over LIBOR and had an outstanding balance of \$80,125,000 on November 1, 2011. We also cancelled the previous interest rate swap agreement which fixed \$48,125,000 of borrowing on the previous credit facility at an annual interest rate of 3.98%. The new credit facility is provided by Wells Fargo, Bank of Montreal, and KeyBank, with Pinnacle National Financial Partners as a participating bank.
