Item 8.01. Other Events.

National Health Investors, Inc. (NHI) has received notice that on September 4, 2012, the receiver of SeniorTrust of Florida, Inc. ("SeniorTrust"), an NHI borrower, filed a lawsuit against NHI and another party (Davidson Co., Tenn. Chancery Court Case No.12-1275-III).

SeniorTrust is one the nonprofit corporations that is the subject of the Office of the Tennessee Attorney General (OTAG) investigation as previously disclosed by NHI. Also as previously disclosed, a receiver was appointed for SeniorTrust in November 2011. NHI sold SeniorTrust eight nursing homes in Kansas and Missouri in December 2004. NHI financed 100% of SeniorTrust's \$26.3 million purchase price for these eight facilities. SeniorTrust did not make any payments on the note prior to 2008.

As part of its complaint, SeniorTrust asserts claims that primarily arise from an assertion that the terms of the 2004 transaction were unfair to SeniorTrust. SeniorTrust also asserts that NHI caused SeniorTrust to enter into other transactions on terms adverse to SeniorTrust. SeniorTrust seeks compensatory and punitive damages and other relief.

Interest income recognized by NHI in 2011 for payments made by SeniorTrust was approximately \$990,000. An unfavorable outcome in the litigation with SeniorTrust could have a material adverse effect on the financial statements of NHI.

NHI adamantly denies SeniorTrust's claims and intends to vigorously defend against SeniorTrust's complaint.
