**Intertape Polymer Group Inc. Amends Credit Facilities and  
Appoints Chairman of the Board**

**Montréal, Québec and Bradenton, Florida July 5, 2006** Intertape Polymer Group Inc. (NYSE, TSX: ITP) today announced that on June 30, 2006 it executed definitive documentation to amend its credit facilities, in a manner which will accommodate the charges associated with its previously announced cost savings initiatives.

The amendments to the credit facilities permit the add back of certain one-time charges in connection with Intertape Polymer Group Inc.'s (IPG or the Company) cost cutting efforts, and delays until quarters ending after March 31, 2007, the increase in the Interest Expense Coverage Ratio from 3.00:1.00 to 3.25:1.00.

The Company's credit facilities as amended will permit IPG to exclude from the calculation of Consolidated EBITDA, approximately \$26.8M of the restructuring charges related to severance costs, manufacturing and retail restructurings, a lease termination, and costs associated with the amendment of the credit facilities, which are expected to be taken in the fiscal quarters ending June 30, 2006 or September 30, 2006. These charges are attributable to previously announced cost saving actions that the Company expects will result in approximately \$5.7 million in annualized savings.

The Company believes that the amendments to the credit facilities will provide IPG the flexibility needed to manage its business and improve its earnings and operating efficiencies.

The Company is also pleased to announce that Michael L. Richards, a senior partner in the law firm of Stikeman Elliott LLP, has been appointed the Chairman of the Board. Mr. Richards has served as a Director of IPG and its predecessor company since 1981.
