RONI AL-DOR APPOINTED AS PRESIDENT AND CEO OF SAPIENS

Itzick Sharir who led the company for 5 years, announced his departure

Research Triangle Park, NC - October 27, 2005 - Sapiens International Corporation N.V. (NASDAQ and TASE: SPNS) a member of the Formula Group (NASDAQ: FORTY and TASE: FORT), today announced the appointment of Mr. Roni Al-Dor to serve as its President and Chief Executive Officer, effective as of November 10, 2005, following the release of the company's financial results for the third quarter of 2005. Mr. Al-Dor has over 20 years of experience in the High Tech industry, including 12 years as President of TTI Telecom, which he co-founded and which he successfully took public on the NASDAQ National Market and which reached annual sales of \$60 million. Mr. Al-Dor replaces Itzick Sharir, the company's President and CEO during the last 5 years, who is announcing his retirement from the company in order to pursue personal interests.

Itzick Sharir, departing President and CEO, reflecting on his tenure, said, "It was a great honor to be part of the Sapiens family for the past 5 years and, from the bottom of my heart, I would like to thank everyone who worked with me. We are currently beginning to see the fruits of our efforts for the long term development of the company. I wish Roni good luck in his new position and I am confident of his success."

Gadi Goldstein, President of Formula, commenting on the replacement, stated: "I would like to thank Itzick Sharir for 5 years of leadership and guiding the company to new markets and industries, and I wish him the best of luck in the future. Similarly, I would like to congratulate and welcome Roni Al-Dor, upon his assumption of the position of President and CEO. Roni Al-Dor brings with him much business and operational experience and proven successes of managing a software company in the international markets. We are confident that Roni's qualities and experience will enable him to address the challenges facing the company and lead Sapiens to great successes."

Mr. Al-Dor added, "Sapiens is a company with significant assets - talented and skilled personnel, valuable core technology, an impressive customer base and various software solutions. I am grateful to the Board of Directors for their confidence in me and for the opportunity to lead a company such as Sapiens on the road to fulfilling its potential."
