PROXY STATEMENT

For the Annual Meeting of Stockholders
To Be Held on Tuesday, May 23, 2006

Solicitation of Proxy

This Proxy Statement is furnished to stockholders of IntegraMed America, Inc. (the "Company") in connection with the solicitation by the Company's Board of Directors of proxies for use at the Annual Meeting of Stockholders of the Company to be held in Purchase, New York, on Tuesday, May 23, 2006 at 10:00 a.m., and any adjournments of the meeting ("Annual Meeting").

Mailing Date

The Annual Report of the Company for 2005, including financial

Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

statements, the NOTICE OF ANNUAL MEETING OF STOCKHOLDERS, this Proxy Statement, and the Proxy Card are being mailed to stockholders on or about April 13, 2006.

Who can vote -- Record Date

The record date for determining stockholders entitled to notice of and to vote at the Annual Meeting is March 31, 2006. Each of the 5,127,300 shares of Common Stock, par value \$.01 per share (the "Common Stock"), of the Company issued and outstanding on the record date is entitled to one vote at the meeting.

How to vote -- Proxy Instructions

You can vote your shares by mailing in your proxy card. Stockholders who hold their shares in "street name" must vote their shares in the manner prescribed by their brokers.

In voting on the Directors, you may specify whether your shares should be voted for all, some, or none of the nominees for director.

If you do not specify on your proxy card how you want to vote your shares, we will vote them "FOR" the election of all nominees for director as set forth under "Election of Directors".

Revocation of Proxies

You may revoke your Proxy at any time before it is exercised in any of three ways:

- (1) by submitting written notice of revocation to the Company's Secretary, which must be received prior to the Annual Meeting;
- (2) by submitting a new Proxy by mail that is dated later in time and properly signed; or
- (3) by voting in person at the meeting.

1

Quorum

A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist if the holders of a majority of the votes entitled to be cast by the stockholders at the Annual Meeting are present, in person or by proxy. Broker "non-votes" and abstentions are counted as present at the Annual Meeting for purposes of determining whether a quorum exists.

Required Vote

Nominees receiving a plurality of the voted shares present in person or represented by proxy at the Annual Meeting will be elected directors. "Plurality" means that the nominees who receive the largest number of votes cast are elected as directors. For that reason, any shares not voted (whether abstentions, broker "non-votes" or otherwise) will not affect the outcome of the election of directors. The Board does not anticipate that any nominee will be unable or decline to serve.

Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

Voting Results

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in our quarterly report on Form 10-Q for the second quarter of 2006.

Other Business

The Company does not intend to bring any business before the meeting other than that set forth in the Notice of Annual Meeting and described in this Proxy Statement. However, if any other business should properly come before the meeting, the persons named in the enclosed proxy card intend to vote in accordance with their best judgment on such business and any matters dealing with the conduct of the meeting pursuant to the discretionary authority granted by your proxy.

Mr. Higham is precluded from being deemed independent under the NASD listing standards because he currently serves as an executive officer of the Company. Mr. Canet is precluded from being deemed independent under the NASD listing standards because he has served as an executive officer of the Company during the past three years and Mr. Liebler is precluded from being deemed independent under the NASD listing standards because he received compensation other than director fees from the Company in excess of \$60,000 during the previous three (3) years.

Directors are elected by the Company's stockholders at each annual meeting or, in the case of a vacancy, are appointed by the directors then in office, to serve until the next annual meeting of stockholders or until their successors are elected and qualified. Officers are appointed by and serve at the

Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

discretion of the Board of Directors.

During 2005, the Board of Directors held four meetings, and took action by written consent three times. Each director attended at least 75% of the aggregate of all meetings of (i) the Board of Directors and (ii) the committees thereof on which each director served during 2005. In 2005, the independent directors of the Board met four times in executive session.

Stockholders may communicate directly with the directors. All communications should be sent in care of the Secretary of the Company at the Company's address and should prominently indicate on the outside of the envelope that it is intended for the Board of Directors, for non-employee directors or a particular committee of the directors. If no director is specified, the communication will be forwarded to the entire Board.

The Company does not have a policy requiring the directors to attend stockholders meetings; however, all of our directors attended the 2005 annual meeting. It is expected that all of our directors will attend the 2006 Annual Meeting.

CHANGE-IN-CONTROL ARRANGEMENTS

On October 10, 2005, the Company entered into an employment agreement with Jay Higham to serve as its President and Chief Executive Officer, effective January 1, 2006. Pursuant to the employment agreement, Mr. Higham was appointed director of the Company on January 24, 2006. The employment agreement provides for Mr. Higham to receive an annual salary of \$275,000, subject to increases. Under the employment agreement, Mr. Higham was granted \$400,000 worth of shares, with the number of shares being determined based on the closing price of the Company's stock the first trading day of January 2006, of Company stock which vest over a 10-year period. Pursuant to the agreement, the Company may terminate Mr. Higham's employment without cause on thirty days' notice, in which event Mr. Higham will receive, as severance pay, twelve months' base salary payable, plus Mr. Higham's annual bonus, without regard to the condition precedents established under the bonus plan, in a lump sum.

The employment agreement further provides that in the event that within one year after a "Change of Control" (as defined therein) of the Company, Mr. Higham's employment is terminated by Mr. Higham for "Good Reason" (as defined therein) or by the Company without cause, Mr. Higham will be paid a lump sum amount equal to his base salary for a 24-month period following termination, plus twice the full amount of Mr. Higham's annual bonus based on his then current salary, without regard to the condition precedents established for the bonus payment.

Under the employment agreement, Mr. Higham has agreed not to compete with the Company while employed by the Company and for a period of two years thereafter.

The Company is also party to Executive Retention Agreements with its executive officers, including those set forth in the foregoing compensation table.

The Executive Retention Agreements (the "Agreements") provide for certain severance payments and benefits to the named executives in the event of a termination of their employment, either by the Company without cause, or by the executive for "Good Reason" (as defined therein), at any time within eighteen (18) months following a "Change in Control" (as defined therein) of the Company (any such termination, a "Qualifying Termination"). More specifically, the Agreements provide the named executives with one additional year of salary, bonus (if applicable), and benefits (or equivalent), more than he or she would previously have been entitled to receive upon a termination without cause. Accordingly, pursuant to the Agreements, in the event of a Qualifying Termination, the named executives will be paid one year's severance. Pursuant to the terms of the Agreements, all incentive options granted to the respective executive would become fully vested upon a Qualifying Termination, subject to certain terms and conditions. Also, pursuant to the Agreements, the Company would be required to pay each respective executive for all reasonable fees and expenses incurred by the respective executive in litigating his or her rights, thereunder, to the extent the executive is successful in any such litigation.

In the event an executive officer, other than Mr. Higham who would be paid in accordance with the terms of his employment agreement, is terminated without cause under circumstances outside a "Change in Control," each person would be paid ninety (90) days salary continuation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

Such executive officers, directors, and greater than 10% beneficial owners are required by Commission regulation to furnish the Company with copies of all Section 16(a) forms filed by such reporting persons.

11

Company's executive officers and directors, and greater than 10% beneficial owners complied with applicable Section 16(a) filing requirements during the year ended December 31, 2005.

COMMITTEE REPORT ON EXECUTIVE COMPENSATION (1)

The goal of the Company's executive compensation policy is to ensure that an appropriate relationship exists between executive compensation and the creation of stockholder value, while at the same time attracting, motivating and retaining senior management. The Compensation Committee's executive compensation philosophy (which applies generally to all Company management, including the President and Chief Executive Officer, Jay Higham) considers a number of factors, which may include:

- o rewarding eligible employees who have achieved specific business and financial success during the fiscal year;
- o giving eligible employees the incentive to strive for higher productivity, efficiency and quality of service; and
- o encouraging the "best" people to join and stay with the Company.

Compensation structures for senior management generally include a combination of salary, bonuses and restricted stock grants. Specific executive officer base salary is determined based on a range of measures and by comparison to the compensation of executive officers of comparable companies. For the fiscal year ended December 31, 2005, the bonuses of senior management were derived in accordance with a predetermined percentage of base salary. The actual bonuses were based on two components. The first component was based on the Company's performance during the fiscal year ended December 31, 2005 versus the 2005 budget. The second component was based on the achievement of specific individual milestones. The Compensation Committee also endorses the position that equity ownership by senior management is beneficial in aligning their interest with those of stockholders, especially in the enhancement of stockholder value. The Compensation Committee considers the Company's performance under these measures and uses its subjective judgment and discretion in approving individual compensation, including restrictive stock grants. Mr. Higham's base salary was established pursuant to an employment agreement, although his bonus is determined in the same fashion as other executive officers.

Limitation of Audit Committee's Role

The Audit Committee's role is one of oversight.
