Item 5. Other Events And Required FD Disclosure

On August 11, 2004, the company announced that a purported class action complaint had been filed on August 9, 2004 in the United States District Court for the Southern District of California against Ligand Pharmaceuticals Incorporated, its Chief Executive Officer and its Chief Financial Officer. The complaint alleges that Ligand violated the Securities Exchange Act of 1934 by failing to disclose, and by misrepresenting, certain material adverse facts which allegedly were known to defendants or recklessly disregarded by them. The plaintiff seeks unspecified damages on behalf of a purported class of purchasers of Ligand's securities during the period from March 3, 2004 through August 2, 2004. The company is aware that similar actions have subsequently been filed against the same defendants and anticipates that additional actions may be filed
