## Explanation of Responses:

- \* If the form is filed by more than one reporting person, see Instruction 5(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

- The reporting person acquired the shares of Common Stock subject to the zero-cost collar in connection with FTI's acquisition of the Business Recovery Services business of PriceWaterhouseCoopers, LLP in August 2002. In connection with that acquisition, certain former partners of PwC, including the reporting person, received shares of our Common Stock that were subject to contractual restrictions on transfer and sale. On April 25, 2003, the reporting person entered into a zero-cost collar arrangement with a securities broker pursuant to which he wrote a covered call option and purchased a put option with respect to 27,638 of the restricted shares of Common Stock that he received in connection with that transaction. Only one of the options can be in the money on the expiration date, at which time the in-the-money option will be exercised (and settled in stock or cash), and the other option will expire. If neither option is in the money on the expiration date, both options will expire.
- (1) Option vests in three equal annual installments beginning one year after the grant date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, See Instruction 6 for procedure.
