On April 22, 2005, the following transactions occurred pursuant to a Note Amendment Agreement, dated as of April 22, 2005 (the Note Amendment Agreement), among the Issuer and the H&F Partnerships: (i) the amendment and restatement of \$240,000,000 aggregate principal amount of the Issuer's 4.0% Convertible Subordinated Notes due 2006 (the 4% Notes) then held by the H&F Partnerships to consist of \$240,000,000 aggregate principal amount of 3.75% Series B Convertible Notes due 2012 (the Series B Notes) and (ii) the issuance to the H&F Partnerships of warrants (the Series B Warrants) to purchase 2,753,448 shares of Common Stock at an initial exercise price of \$14.50 per share. The Series B Notes will be convertible into Common Stock, subject to certain adjustments and conditions, at an initial conversion price of \$14.50 per share, which would result in the issuance of 16,551,724 shares of Common Stock were the \$240,000,000 aggregate principal amount of Series B Notes converted.

The 4% Notes had been acquired by the H&F Partnerships on May 3, 2001 pursuant to the terms and subject to the conditions set forth in a Securities Purchase Agreement, dated as of March 23, 2001, between the Issuer and each of the H&F Partnerships. The source of funds for the acquisition of the 4% Notes by each of the H&F Partnerships were capital contributions of the partners of such H&F Partnership.

On April 22, 2005, the Issuer sold the following to Norway Acquisition SPV, LLC (Norway SPV) for an aggregate purchase price of \$205,000,000 pursuant to a Securities Purchase Agreement, dated as of April 22, 2005 (the Securities Purchase Agreement), between the Issuer and Norway SPV: (x) \$205,000,000 aggregate principal amount of 3.75% Series A Convertible Notes due 2012 (the Series A Notes , and together with the Series B Notes, the Notes) and (y) warrants (the Series A Warrants , and together with the Series B Warrants, the Warrants) to purchase 2,209,052 shares of Common Stock at an initial exercise price of \$14.50 per share. The Series A Notes will be convertible into Common Stock, subject to certain adjustments and conditions, at an initial conversion price of \$14.50 per share, which would result in the issuance of 14,137,931 shares of Common Stock were the \$205,000,000 aggregate principal amount of the Series A Notes converted.

To fund its purchase of the Series A Notes and the Series A Warrants from the Issuer, Norway SPV borrowed \$205,000,000 (the Loan) pursuant to a Secured Term Loan Agreement, dated as of April 22, 2005 (the Loan Agreement), with Norway Holdings SPV, LLC (Norway Holdings), certain lenders party thereto and JPMorgan Chase Bank, N.A., as administrative agent (JPMorgan Chase). The Loan bears interest at a rate equal to the Adjusted LIBO Rate (as defined in the Loan Agreement) applicable to each interest period under the Loan Agreement plus 0.25% per annum. The Loan matures on the earliest of (i) the Closing Date (as defined in the Merger Agreement), (ii) if the Merger Agreement (as defined below) terminates or is terminated, the later of (x) the date on which the Merger Agreement terminates or is terminated and (y) October 24, 2005, and (iii) April 22, 2006.

Until the earlier of (i) the completion of the Merger (as defined below) or (ii) the later of (x) the termination of the Merger Agreement and (y) October 24, 2005, the Issuer will maintain all proceeds from the sale of the Series A Notes and the Series A Warrants in a deposit and/or securities account subject to a Blocked Account Control and Security Agreement (the Security Agreement), dated as of April 22, 2005, by and among the Issuer, JPMorgan Chase Bank, N.A., as administrative agent, and JPMorgan Chase Bank, as depository. In connection

CUSIP No. 631103108

with the Loan Agreement, the Issuer also entered into a Guarantee Agreement, dated as of April 22, 2005 (the Guarantee), with Norway SPV and JPMorgan Chase, pursuant to which the Issuer guaranteed the \$205,000,000 borrowed pursuant to the Loan Agreement. In addition, in connection with the Loan Agreement, Norway Holdings, Norway SPV and JPMorgan Chase entered into a Collateral Agreement, dated as of April 22, 2005 (the Collateral Agreement), pursuant to which the Loan is (a) secured by the Series A Notes and the Series A Warrants and (b) guaranteed by Norway Holdings, which guarantee is secured by the equity interests of Norway SPV owned by Norway Holdings.

The H&F Partnerships have entered into a Subscription Agreement, dated as of April 22, 2005 (the Subscription Agreement), among Norway Holdings and the H&F Partnerships, pursuant to which Norway Holdings will issue and the H&F Partnerships will subscribe to additional membership interests (an Additional Subscription) by making capital contributions to Norway Holdings: (a) upon the earlier to occur (if at all) of (i) the Merger Closing (as defined in the Merger Agreement) or (ii) October 24, 2005 if (and only if) the Merger Agreement has been terminated and such day is not the Series A Redemption Date (as defined in the Indenture (as defined below)), an aggregate of \$60,000,000 or (b) (i) if an Additional Subscription is not required under clause (a) hereof and (ii) if the Collateral (as defined in the Collateral Agreement) is insufficient (the Shortfall Amount) to satisfy all obligations of Norway SPV due on the Maturity Date (as defined in the Loan Agreement), an aggregate of 29.3% of the Shortfall Amount (up to an aggregate of \$60,000,000). The H&F Partnerships' equity contributions, together with equity contributions to be made by the SLP Entities (as defined below), will be used to repay the obligations of Norway SPV under the Loan Agreement. The Issuer is a third party beneficiary under the Subscription Agreement. The source of funds for such Additional Subscription by each of the H&F Partnerships will be capital contributions of the partners of such H&F Partnerships.

On October 31, 2001, the H&F Partnerships acquired 500,000 shares of Common Stock. The source of funds for the acquisition of such Common Stock by each of the H&F Partnerships were the capital commitments of the partners of such H&F Partnership.

The information set forth in response to this Item 3 is qualified in its entirety by reference to the Note Amendment Agreement (Exhibit 1 hereto), the Securities Purchase Agreement (Exhibit 2 hereto), the Form of Series A Warrant (Exhibit 3 hereto), the Form of Series B Warrant (Exhibit 4 hereto), the Loan Agreement (Exhibit 5 hereto), the Security Agreement (Exhibit 6 hereto), the Guarantee (Exhibit 7 hereto), the Collateral Agreement (Exhibit 8 hereto) and the Subscription Agreement (Exhibit 9 hereto), each of which is incorporated herein by reference.

Item 4 Purpose of Transaction.

The information set forth or incorporated by reference in Items 2, 3, 5 and 6 is hereby incorporated herein by reference.

Each of the H&F Partnerships acquired the Notes and the Warrants and all other shares of Common Stock beneficially owned by it for investment purposes.

CUSIP No. 631103108

Page 10 of 21

The acquisition of the Notes and the Warrants pursuant to the Note Amendment Agreement and the Securities Purchase Agreement occurred in connection with the Agreement and Plan of Merger, dated as of April 22, 2005 (the Merger Agreement), among the Issuer, Norway Acquisition Corp., a wholly-owned subsidiary of the Issuer (Merger Sub), and Instinet Group Incorporated (Instinet), pursuant to which, upon the terms and subject to the conditions set forth therein, Norway Acquisition Corp. will merge with and into Instinet (the Merger), which will become a wholly-owned subsidiary of the Issuer.

Pursuant to the Securities Purchase Agreement and the Note Amendment Agreement, the Issuer agreed to hold a stockholders meeting (Stockholders Meeting) and use its reasonable best efforts to obtain from the Issuer's stockholders a vote approving an amendment to the Issuer's Restated Certificate of Incorporation that would permit the holders of the Notes to vote on all matters submitted to a vote of the stockholders of the Issuer. Under the terms of the proposed amendment, each holder of the Notes would be entitled to the number of votes equal to the number of shares of Common Stock that could be acquired upon conversion of such holder's Notes on the applicable record date, subject to the 5% voting limitation contained in the Restated Certificate of Incorporation of the Issuer.

In addition, pursuant to the Securities Purchase Agreement, on or prior to October 24, 2005 or, if later, five business days after the Stockholders Meeting, the Issuer may, at its option, repurchase \$3,817,342.50 aggregate principal amount of the Series A Notes beneficially owned by the H&F Partnerships for a repurchase price in cash equal to 105% of such aggregate principal amount plus any accrued and unpaid interest to, but not including, the repurchase date. Furthermore, as more fully described in Item 6 below, the Indenture provides for the redemption of the Notes under specified circumstances.

The Issuer and each of the H&F Partnerships were party to a Securityholders Agreement, dated as of May 3, 2001, pursuant to which, among other things, the H&F Partnerships were entitled to nominate a representative (a Board Designee), and the Issuer was obligated to support such Board Designee for election, to the Issuer's Board of Directors. In connection with the issuance of the Notes and the Warrants, on April 22, 2005, the H&F Partnerships entered into an Amended and Restated Securityholders Agreement (the Amended Securityholders Agreement) with the Issuer and Silver Lake Partners II TSA, L.P. (SLP II TSA), Silver Lake Technology Investors II, L.L.C., Silver Lake Partners TSA, L.P. (SLP TSA), Silver Lake Investors, L.P., Integral Capital Partners VI, L.P. and VAB Investors, LLC (collectively, the SLP Entities). Under the terms of this agreement, (i) for so long as the H&F Partnerships beneficially own at least 5,793,000 shares of Common Stock (on an as-converted basis), HFCP IV will continue to be entitled to designate a Board Designee who the Issuer will use its reasonable best efforts to cause to be elected by the Issuer's stockholders by, among other things, including such Board Designee on the Issuer's slate of nominees and recommending such Board Designee for election; provided, that if such Board Designee is not elected to the Issuer's Board of Directors, HFCP IV will be entitled to designate a board observer, (ii) for so long as the SLP Entities beneficially own at least 3,500,000 shares of Common Stock (on an as-converted basis), (x) SLP II TSA will be entitled to the same board representation rights as HFCP IV and (y) SLP TSA will be entitled to designate a board observer and (iii) (x) each of HFCP IV and SLP II TSA, if such party's Board Designee is not elected to the Issuer's Board of Directors, and (y) SLP TSA are entitled to obtain additional information about the Issuer and certain

Page 11 of 21

consultation and information rights with respect to the Issuer; provided, that such rights cease (a) for HFPC IV when the H&F Partnerships beneficially own less than 1,650,000 shares of Common Stock and (b) for SLP TSA and SLP II TSA when the SLP Entities beneficially own less 1,000,000 shares of Common Stock, in each case on an as-converted basis. The H&F Partnerships' current Board Designee pursuant to the Amended Securityholders Agreement is Patrick J. Healy. The Issuer has agreed to appoint Mr. Healy to the Finance and Policy Committees of the Issuer's Board of Directors.

The Amended Securityholders Agreement also provides, among other things, that none of the H&F Partnerships, the SLP Entities or Norway SPV may transfer any of the Notes, the Warrants or the Common Stock prior to the earlier of (x) nine months following the closing of the Merger, (y) 18 months after April 22, 2005 and (z) October 24, 2005 if the Merger Agreement has been terminated prior to such date and the Series A Redemption Date (as defined in the Indenture) does not occur on such date, subject to certain exceptions including transfers in connection with a tender or exchange offer or a merger or consolidation. The Amended Securityholders Agreement also restricts the transfer of such securities to a Competitor (as defined in the Amended Securityholders Agreement), in each case subject to certain exceptions including transfers in connection with a tender or exchange offer or a merger or consolidation. In addition, each of the H&F Partnerships and the SLP Entities agreed that it would not enter into any hedging transactions with respect to the Notes, the Warrants or the Common Stock that it beneficially owned as of April 22, 2005.

Although no Reporting Person currently has any specific plan or proposal to acquire or dispose of Common Stock or any securities exercisable for or convertible into Common Stock, each Reporting Person, consistent with its investment purpose, at any time and from time to time may directly or indirectly acquire additional shares of Common Stock or its associated rights or securities exercisable for or convertible into Common Stock or dispose of any or all of its shares of Common Stock or its associated rights or securities exercisable for or convertible into Common Stock (including, without limitation, distributing some or all of such shares or securities to such Reporting Person's members, partners, stockholders or beneficiaries, as applicable) depending upon an ongoing evaluation of its investment in Common Stock and securities exercisable for or convertible into Common Stock, applicable legal restrictions, prevailing market conditions, other investment opportunities, liquidity requirements of such Reporting Person and/or other investment considerations.

In addition, each Reporting Person, solely in its capacity as a stockholder or other securityholder of Issuer, may engage in communications with one or more other stockholders of Issuer, one or more officers of Issuer and/or one or more members of the Board of Directors of Issuer and/or one or more representatives of Issuer regarding Issuer, including but not limited to its operations. Each of the Reporting Persons, in its capacity as a stockholder or other securityholder of Issuer, may discuss ideas that, if effected may relate to, or may result in, any of the matters listed in Items 4(a)-(i) of Schedule 13D.

Other than as described above, each of the Reporting Persons reports that neither it, nor to its knowledge any of the other persons named in Item 2 of this Schedule 13D, currently has any plan or proposal which relates to, or may result in, any of the matters listed in Items 4(a)-(i) of Schedule 13D, although the Reporting Persons may, at any time and from time to time,

review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto.

The information set forth in response to this Item 4 is qualified in its entirety by reference to the Note Amendment Agreement (Exhibit 1 hereto), the Securities Purchase Agreement (Exhibit 2 hereto) and the Amended Securityholders Agreement (Exhibit 10 hereto), each of which is incorporated herein by reference.

Item 5 Interest in Securities of the Issuer.

The information set forth or incorporated by reference in Items 2, 3, 4 and 6 is hereby incorporated herein by reference.

(a), (b) The following disclosure assumes that there are 79,453,556 shares of Common Stock outstanding, which the Issuer represented in the Note Amendment Agreement and the Securities Purchase Agreement was the number of outstanding shares of Common Stock as of March 31, 2005.

The Series A Notes and the Series A Warrants are directly owned by Norway SPV. Subject to the terms of the Collateral Agreement, Norway Holdings is the owner of all of the outstanding equity interests of Norway SPV and, accordingly, may be deemed to beneficially own the Series A Notes and the Series A Warrants. Pursuant to the Limited Liability Agreement of Norway Holdings SPV, LLC (the Holdings LLC Agreement), the managing members of Norway Holdings are (i) the H&F Partnerships and (ii) Silver Lake Partners II TSA, L.P., Silver Lake Technology Investors II, L.L.C., Silver Lake Partners TSA, L.P., Silver Lake Investors, L.P. (collectively, the SLP Managing Members). Except as set forth below, the unanimous vote of the managing members of Norway Holdings is required for any act of Norway Holdings. Notwithstanding the foregoing, but subject to the terms of the Collateral Agreement, the Holdings LLC Agreement provides that (i) any decision with regard to the voting, conversion, exercise or disposition of the Series A Notes held by Norway SPV representing \$60 million aggregate principal amount and the Series A Warrants held by Norway SPV representing the right to acquire 646,552 shares of Common Stock shall be made by the H&F Partnerships in their sole and absolute discretion in their capacity as members of Norway Holdings and the SLP Entities that are members of Norway Holdings shall have no pecuniary or other interest in, or authority to vote, convert, exercise or dispose of, such securities and (ii) any decision with regard to the voting, conversion, exercise or disposition of the Series A Notes held by Norway SPV representing \$145 million aggregate principal amount and the Series A Warrants held by Norway SPV representing the right to acquire 1,562,500 shares of Common Stock shall be made by the SLP Managing Members in their sole and absolute discretion as members of Norway Holdings and the H&F Partnerships that are members of Norway Holdings shall have no pecuniary or other interest in, or authority to vote, convert, exercise or dispose of, such securities.

As a result of the Holdings LLC Agreement, the Reporting Persons and the SLP Entities may be deemed to constitute a group within the meaning of Section 13(d)(5) of the rules and regulations promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the Exchange Act), with respect to the Series A Notes and the Series A Warrants beneficially owned by Norway Holdings. As such, each of the

Reporting Persons and the SLP Entities (i) may be deemed to have acquired beneficial ownership for purposes of Section 13(d) of the Exchange Act of all the Series A Notes and the Series A Warrants beneficially owned by Norway Holdings and (ii) pursuant to Rule 13d-3 of the rules and regulations promulgated by the Securities and Exchange Commission (the SEC) pursuant to the Exchange Act, may be deemed to beneficially own the 14,137,931 shares of Common Stock underlying such Series A Notes and the 2,209,052 shares underlying such Series A Warrants. In such circumstances, the H&F Partnerships would be deemed to beneficially own 36,157,153 shares of Common Stock (including the beneficial ownership of Common Stock described below in this Item 6), representing approximately 31.4% of the Common Stock outstanding. However, the Reporting Persons disclaim beneficial ownership of any of the shares of Common Stock underlying the Series A Notes and the Series A Warrants, except to the extent set forth below.

Pursuant to Rule 13d-3 of the rules and regulations promulgated by the SEC pursuant to the Exchange Act, each of the H&F Partnerships, by virtue of their status as managing members of Norway Holdings and the other provisions of the Holdings LLC Agreement, may be deemed to beneficially own the following (collectively, the Series A Securities): (i) 4,137,931 shares of Common Stock underlying \$60 million aggregate principal amount of the Series A Notes beneficially owned by Norway Holdings and (ii) 646,552 shares of Common Stock underlying the Series A Warrants beneficially owned by Norway Holdings. Each of the H&F Partnerships has shared voting and dispositive power with respect to these securities.

Item 6 Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information set forth or incorporated by reference in Items 3, 4 and 5 is hereby incorporated herein by reference.

Pursuant to the terms of the Note Amendment Agreement and the Securities Purchase Agreement, the Issuer has agreed to reimburse the H&F Partnerships and the SLP Entities for their reasonable out-of-pocket fees and expenses incurred in connection with the transactions contemplated by such agreements up to \$4,000,000 in the aggregate if the Merger is consummated or up to \$2,000,000 in the aggregate if the Merger is not consummated. The Issuer has also agreed to pay all filing fees in respect of any filings under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and all costs related to the Loan Agreement. In addition, Norway SPV has agreed to reimburse the Issuer for certain payments the Issuer may make under the Guarantee.

The Notes are governed by the terms of an Indenture (the Indenture) between the Issuer and Law Debenture Trust Company of New York, as trustee. The Notes are senior unsecured obligations of Issuer and rank pari passu in right of payment with all existing and any future senior unsecured indebtedness of Issuer and are senior in right of payment to any future subordinated indebtedness of Issuer.

The Series A Notes bear interest of 3.75% per year and have a maturity date of October 24, 2012. If any of the following events occur, the Series A Notes will be redeemed by the Issuer for a price equal to the Adjusted Issue Price (as defined in the Indenture) of the Series A Notes to be redeemed plus any accrued and unpaid interest to, but not including, such redemption date: (x) (a) the Merger Agreement is terminated on or prior to October 24, 2005 and (b) (i) the Issuer has not entered into a transaction or agreement that is still in effect on October 24, 2005 which, if consummated, would result in a Specified Transaction (as defined below) involving consideration equal to or greater than \$26 per share of Common Stock or (ii) if the Issuer has entered into a transaction or agreement that is still in effect on October 24, 2005 which, if consummated, would result in a Specified Transaction involving consideration less than \$26 per share of Common Stock and no third party has commenced and has outstanding on October 24, 2005 a tender or exchange offer for all of the Issuer's outstanding Common Stock for consideration equal to or greater than \$26 per share of Common Stock or (y) if the Merger Agreement has not terminated on or prior to October 24, 2005, the date (if any) which is the earlier to occur of (a) the date that the Merger Agreement is terminated and (b) April 22, 2006 if the Merger (as defined in the Merger Agreement) has not been completed prior to such time. The aggregate redemption price for the Series A Notes and the Series A Warrants will be \$205.0 million plus any accrued interest on the Series A Notes. Upon the mandatory redemption of the Series A Notes as described in this paragraph, (i) the Series B Notes will be amended and restated in their entirety to reflect the terms of the 4% Notes (with the exception that if such amendment and restate occurs at any time after November 3, 2005, the H&F Partnerships have the option to extend the maturity date of the Series B Notes beyond the original May 3, 2006 maturity date by the amount of time that elapsed between the issuance date of the Series B Notes and the date of such amendment and restatement (the Interim Period)), (ii) the Issuer will make

a supplemental interest payment to the H&F Partnerships representing 0.25% per annum on the Series B Notes for the Interim Period and (iii) the Series B Warrants will terminate.

The Series B Notes bear interest of 3.75% per year and are convertible into Common Stock on or after April 22, 2006; provided, that they may be converted earlier in connection with a tender or exchange offer for Common Stock or a transaction or agreement, which, if consummated, would result in a merger or consolidation of the Issuer or the sale, lease or other transfer of all or substantially all of the consolidated assets of the Issuer in a transaction specified in clause (ii) (a Specified Transaction) of the definition of Fundamental Change included in the Indenture.

Subject to the immediately following sentence, the Series A Notes are convertible on or after April 22, 2006; provided, that they may be converted earlier in connection with a tender or exchange offer for Common Stock or a transaction or agreement, which, if consummated, would result in a Fundamental Change. The Series A Notes may not be converted prior to October 24, 2005 or, if later, five business days after the Stockholders Meeting. The Issuer has agreed to hold the Stockholders Meeting as promptly as reasonably practicable and in any event no later than July 22, 2005.

The Issuer may redeem the Notes at any time after April 22, 2011 for a cash payment equal to the aggregate principal amount of the Notes plus any accrued and unpaid interest on the Notes, subject to the holders' option to convert the Notes into Common Stock after notice of such redemption is given. The Indenture is subject to specified events of default, including failure to make required payments, failure to comply with certain agreements or covenants, acceleration of certain other indebtedness, rendering of final judgments for the payment of certain money, and certain events of bankruptcy and insolvency.

Subject to the immediately following sentence, the Series A Warrants are exercisable on or after April 22, 2006; provided, that they may be exercised earlier in connection with a tender or exchange offer or a Specified Transaction that does not result in the redemption of the Series A Notes. The Series A Warrants may not be exercised prior to October 24, 2005 or, if later, five business days after the Stockholders Meeting. Unless earlier redeemed as provided in the immediately following sentence, the Series A Warrants terminate upon the third anniversary of the closing date of the Merger. If any of the following events occur, the Series A Warrants will be redeemed by the Issuer for a price equal to the dollar amount representing the product of (a) the fraction (i) the numerator of which shall be the amount of shares subject to the Series A Warrant and (ii) the denominator of which shall be the aggregate amount of shares subject to all Series A Warrants multiplied by (b) the sum of (i) \$205,000,000 minus (ii) the aggregate Adjusted Issue Price of the Series A Notes: (x) (a) the Merger Agreement is terminated on or prior to October 24, 2005 and (b) (i) the Issuer has not entered into a transaction or agreement that is still in effect on October 24, 2005 which, if consummated, would result in a Specified Transaction involving consideration equal to or greater than \$26 per share of Common Stock or (ii) if the Issuer has entered into a transaction or agreement that is still in effect on October 24, 2005 which, if consummated, would result in a Specified Transaction involving consideration less than \$26 per share of Common Stock and no third party has commenced and has outstanding on October 24, 2005 a tender or exchange offer for all of the Issuer's outstanding Common Stock for consideration equal to or greater than \$26 per share of Common Stock or

(y) if the Merger Agreement has not terminated on or prior to October 24, 2005, the date (if any) which is the earlier to occur of (a) the date that the Merger Agreement is terminated and (b) April 22, 2006 if the Merger (as defined in the Merger Agreement) has not been completed prior to such time.

The Series B Warrants are exercisable for Common Stock on or after April 22, 2006; provided, that they may be exercised earlier in connection with a tender or exchange offer or a Specified Transaction (as defined below) that does not result in the redemption of the Series B Notes. The Series B Warrants terminate upon the earlier to occur of (i) the amendment and restatement of the Series B Notes or (ii) the third anniversary of the closing date of the Merger (as defined below).

After the earlier of (i) the date which is nine months after the closing of the Merger or (ii) October 24, 2006, the holders of the Notes and the Warrants will be entitled to the benefits of a registration rights agreement dated April 22, 2005 (the Registration Rights Agreement) among the H&F Partnerships, the SLP Entities and the Issuer. Under the Registration Rights Agreement, the Issuer has agreed to file registration statements to cover the resale of the Notes or the Common Stock issuable upon conversion of the Notes or exercise of the Warrants at the request of the holders. The Registration Rights Agreement also grants rights permitting the holders to include their Common Stock if the Issuer files registration statements to register its Common Stock.

Except as set forth above, to the Reporting Persons' knowledge, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
