Independent Auditors' Report

Plan Administrator
Yum! Brands 401(k) Plan:

We have audited the accompanying statements of net assets available for benefits of the Yum! Brands 401(k) Plan (the "Plan") as of September 30, 2003 and 2002 and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial

statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of September 30, 2003 and 2002, and the changes in net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of assets (held at end of year) and reportable transactions for the year ended September 30, 2003 are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all materials respects in relation to the basic financial statements taken as a whole.

YUM! BRANDS 401(k) PLAN

Notes to Financial Statements

September 30, 2003 and 2002

(Tabular amounts in thousands)

(1) Summary Plan Description

The following description of the Yum! Brands 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a)

General

YUM! Brands, Inc. (the "Company") adopted the Plan effective October 7, 1997 as a result of the spin-off of the Company from PepsiCo, Inc. The Plan is a successor of the PepsiCo Long Term Savings Program. Any employee within a group or class so designated by the Company is eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act, as amended ("ERISA").

On October 1, 2001, the Plan was amended to adopt a safe harbor matching contribution, in accordance with Code section 401(k)(12)(B).

The investments of the Plan are maintained in a trust (the "Trust") by State Street Corporation (the "Trustee").

(b)

Contributions

Each participant in the Plan may elect to contribute any amount, not to exceed 25% of eligible earnings (15% for periods prior to January 1, 2003). The maximum contribution allowed for 2003 and 2002 was \$12,000 and \$11,000, respectively.

Additionally, eligible participants receive a matching contribution directed into the YUM! Stock Fund that is equal to the sum of: (a) 100% of such salary deferral contribution that does not exceed 3% of the participant's eligible pay for such pay period and (b) 50% of such salary deferral contribution that exceeds 3% and does not exceed 5% of the participant's eligible pay for such pay period. The Company may also make discretionary contributions to the Plan. No discretionary contributions were made by the Company for the years ended September 30, 2003 and 2002.

(c)

Participant Loans

The Plan has a loan program for participants. The maximum amount a participant may borrow is the lesser of 50% of the participant's vested interest under the Plan; \$50,000 reduced by the excess of the highest outstanding loan balance during the preceding one-year period ending on the day prior to the date the loan was made, over the outstanding balance of loans on the date the loan was made; 100% of the value of the participant's investment in certain funds; or the maximum loan amount that can be amortized by the participant's net pay. Loans may be outstanding for up to four years. The interest rate for loans is based on the prime rate plus 1%. A participant may have up to two loans outstanding from the Plan at any time. A one-time loan origination fee of \$50 per loan is charged to those participants who obtain a loan. Interest on loans is allocated to each of the funds based upon the participant's investment election percentages. Any loans outstanding shall become immediately due and payable in full if the participant's employment is terminated.

(Continued)

YUM! BRANDS 401(k) PLAN

Notes to Financial Statements

September 30, 2003 and 2002

(Tabular amounts in thousands)

The loans are secured by the balance in the participant's account and currently outstanding loans bear interest at rates that range from 4.75% to 10.5% as of September 30, 2003.

(d)

Vesting

Participants are fully vested in the entire value of their accounts upon contribution, including the Company matching contribution.

(e)

Withdrawals

Distributions under the Plan are made upon a participant's death, disability, retirement, or termination of employment. Benefit payments are made in the form of a lump sum cash amount or in kind distribution. As discussed above, the Plan permits withdrawals under a loan program.

(f)

Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA.

(2) Summary of Accounting Policies

(a)

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

(b)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c)

Investment Valuation and Income Recognition

Investment Valuation

-- Cash and cash equivalents and participant loans are recorded at cost, which approximates fair value. Investments in common stock and common/commingled trusts are valued at quoted market prices.

Income Recognition

-- Dividend income is recorded on the ex-dividend date. Income from investments is recorded as earned on an accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses on the sales of securities are reported on the average cost method.

(d)

Payment of Benefits

Benefits are recorded when paid.
