## SCHEDULE 13D

CUSIP No. Y2692M 10 3

Page 6 of 8 Pages

**Item 1. Security and Issuer.**

This Amendment No. 1 (this Amendment) to the Schedule 13D filed on December 1, 2005 (the Statement) by Frontline Ltd., a Bermuda corporation (Frontline), Bandama Investment Ltd., a Liberian corporation and wholly-owned subsidiary of Frontline (Bandama), Hemen Holding Limited, a Cyprus holding company and principal shareholder of Frontline (Hemen) and John Fredriksen, an individual, the ultimate beneficiary of Hemen, and the Chairman, Chief Executive Officer, President and a Director of Frontline (Fredriksen, and together with Frontline, Bandama and Hemen, the Reporting Persons) relates to the Common Stock, par value \$0.01 per share (the Common Stock), of General Maritime Corporation, a Marshall Islands corporation (the Issuer).

In particular, this Amendment reflects a series of purchases by the Issuer of its own Common Stock, which have decreased the total outstanding shares of the Issuer's Common Stock (reported by the Issuer in its Form 8-K filed on January 4, 2006 8-K to total 34,301,064 shares following a January 19, 2006 share repurchase) and which have increased the percentage of shares held by the Reporting Persons by more than 1%. Due to the Issuer's continuing share repurchase program, the percentage of shares held by the Reporting Persons could continue to change in the future. Except as amended and supplemented hereby, the Statement remains in full force and effect.

**Item 4. Purpose of Transaction.**

In the ordinary course of its business, Frontline is engaged in the evaluation of potential candidates for acquisitions and strategic transactions. As part of this evaluation strategy, Frontline identified the Issuer as a candidate for an acquisition or strategic transaction in early 2004. On several occasions beginning in mid 2004, representatives of Frontline had discussions with the management of the Issuer regarding a possible business combination, however, the Issuer expressed that it was not interested in exploring a transaction at that time.

On December 1, 2005, Frontline sent a letter to the Issuer submitting a proposal to acquire the Issuer in a cash transaction. On December 5, 2005, the Issuer issued a press releasing announcing that its Board of Directors had rejected the proposal. No other communications have occurred between Frontline and the Issuer since then regarding a possible business combination. However, Frontline may attempt to reinitiate discussions with the Issuer in the future, either through oral or written communications, regarding a possible business combination.

The purpose of the Reporting Persons in acquiring the securities of the Issuer indicated in Item 5 below was to obtain an equity position in the Issuer for investment purposes. The Reporting Persons intend to seek to acquire control of the Issuer although they have not formulated any specific plan in this regard other than initiating discussions with the Issuer as discussed above and there can be no assurance that any additional plans will be developed or as to the terms or the timing of any such plan. Any such plan that may be formulated could involve directly proposing a business combination transaction to the Issuer and its Board of Directors or making a tender offer for some or all of the Issuer's shares of Common Stock. The Reporting Persons intend to continue to evaluate the Issuer's business, financial condition, results of operations, capital structure, management, stock market performance, competitive outlook and other relevant factors. As part of such evaluations, the Reporting Persons may seek the views of, hold discussions with and respond to inquiries from representatives of the Issuer and other persons regarding the Issuer's affairs and potential business combinations. Depending on such evaluations and applicable legal requirements, the Reporting Persons may purchase additional shares of Common Stock, or dispose of any and all shares of Common Stock held by them. Any acquisition or disposition of shares of Common Stock by the Reporting Persons may be effected through open market or privately negotiated

transactions, or otherwise. In the interest of maximizing shareholder value, the Reporting Persons may, from time to time, develop plans respecting, or propose changes in the management, policies, operations, capital structure or business of the Issuer. Such plans or proposals may include or relate to one or more of the transactions specified in subparagraphs (a) through (j) of Item 4 of Schedule 13D, including, without limitation, a merger, disposition, sale of the Issuer's assets or change in the Issuer's capitalization.

Except to the extent set forth herein, the Reporting Persons do not have any present plans or proposals that relate to or would result in any of the actions required to be described in subparagraphs (a) through (j) of Item 4 of Schedule 13D. However, the Reporting Persons retain their respective rights to modify their plans with respect to the transactions described in this Item 4, to acquire or dispose of securities of the Issuer and to formulate plans and proposals which could result in the occurrence of any such events, subject to applicable laws and regulations.

**Item 5. Interest in Securities of the Issuer.**

Item 5(a) is amended and restated in its entirety to read as follows:

(a) Each of Frontline, Bandama, Hemen and Fredriksen may be deemed to beneficially own 3,860,000 shares of Common Stock, representing approximately 11.25% of the outstanding shares of Common Stock of the Issuer (based upon 34,301,064 shares of Common Stock outstanding as of January 19, 2006 as reported by the Issuer in its Form 8-K filed on January 4, 2006). To the best of Frontline's, Bandama's, Hemen's and Fredriksen's knowledge, none of the other persons named in response to Item 2 own any securities of the Issuer.
