PROXY STATEMENT

March 22, 2004

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Chartwell Dividend and Income Fund, Inc., a Maryland corporation (the Fund), for use at the Fund's Annual Meeting of Shareholders to be held at PFPC Inc., 103 Bellevue Parkway, Wilmington, Delaware, on Wednesday, April 21, 2004, at 8:30 a.m., and at any adjournment thereof (the Meeting). This Proxy Statement, the accompanying Notice of Annual Meeting of Shareholders, and the accompanying proxy are being mailed to shareholders on or about March 22, 2004.

The Board of Directors has fixed the close of business on March 15, 2004 as the record date for the determination of shareholders entitled to notice of, and to vote at, the Meeting and at any postponement or adjournment thereof (the Record Date). The outstanding voting shares of the Fund as of the Record Date consisted of 16,376,900 shares of common stock, each share being entitled to one vote. All properly executed and timely received proxies will be voted at the Meeting in accordance with the directions marked thereon or otherwise provided therein. Accordingly, unless instructions to the contrary are marked, proxies solicited on behalf of the Board of Directors will be voted FOR the election of the nominee for Director (Proposal One). Any shareholder may revoke his or her proxy at any time prior to the exercise thereof by giving written notice to the Secretary of the Fund at 400 Bellevue Parkway, Wilmington, Delaware 19809, by signing another proxy of a later date or by personally voting at the Meeting.

Properly executed proxies may be returned with instructions to abstain from voting or to withhold authority to vote (an abstention) or may represent a broker non-vote (which is a proxy from a broker or nominee indicating that the broker or nominee has not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary power to vote). The shares represented by abstentions or broker non-votes will be considered present at the Meeting for purposes of determining the existence of a quorum for the transaction of business. With respect to Proposal One, which is a matter to be determined by a plurality of votes cast on such matter, neither abstentions nor broker non-votes, not being votes cast, will have any effect on the outcome of the shareholder vote. If any proposal, other than Proposal One, properly comes before the Meeting, shares represented by proxies will be voted on such proposals in the discretion of the person or persons holding the proxies.

A quorum for the Meeting will consist of the presence in person or by proxy of the holders of a majority of the shares entitled to vote at the Meeting. Whether or not a quorum is present at the Meeting, if sufficient votes in favor of the position recommended by the Board of Directors on Proposal One are not received, the persons named as proxies may, but are under no obligation to, with no other notice than announcement at the Meeting, propose and vote for one or more adjournments of the Meeting for up to 120 days after the Record Date to permit the further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those shares affected by the adjournment that are represented at the Meeting in person or by

proxy. Shares represented by proxies indicating a vote contrary to the position recommended by a majority of the Board of Directors on Proposal One will be voted against adjournment as to that proposal.

Costs of soliciting proxies will be borne by the Fund. It is anticipated that banks, brokerage houses, and other custodians will be requested on behalf of the Fund to forward solicitation material to their principals to obtain authorizations for the execution of proxies. In addition to soliciting proxies by use of the mail, some of the officers of the Fund and persons affiliated with Chartwell Investment Partners, L.P., the Fund's investment adviser (the Adviser), may, without remuneration, solicit proxies personally or by telephone or telefax.

The Fund prepares and mails to its Shareholders financial reports on a semi-annual basis. The Fund will furnish to Shareholders upon request, without charge, copies of its Annual Report to Shareholders, containing audited financial statements for the fiscal year ended November 30, 2003. Requests for such Annual Report should be directed to the Fund c/o SEI Investments Global Funds Services, 1 Freedom Valley Drive, Oaks, Pennsylvania 19456 or telephone toll-free 1-866-585-6552. The Annual Report is not to be regarded as proxy soliciting material.

ELECTION OF DIRECTOR

(Proposal One)

At the Meeting, shareholders will be asked to elect one (1) Director to the Fund's Board of Directors. The Board of Directors of the Fund, including the Directors who are not interested persons of the Fund, has nominated Bernard P. Schaffer to serve as a Class II Director to hold office until the Annual Meeting of Shareholders in 2007, or thereafter when his successor is duly elected and qualified. It is the intention of the persons named in the accompanying proxy card to vote in favor of election of Mr. Schaffer.

Pursuant to the Charter and By-Laws of the Fund, the Board of Directors is divided into three classes, as nearly equal in number as possible. Each Director serves for three years with one class being elected each year. Each year the term of office of one class will expire. The Board of Directors is currently comprised of five Directors, whose class and term of office are as follows: Class I: Messrs. Kenneth F. Herlihy and C. Warren Ormerod term expires in 2006; Class II: Mr. Bernard P. Schaffer term expires in 2004; and Class III: Messrs. Winthrop S. Jessup and George W. Grosz term expires in 2005. All of the current members of the Board of Directors have previously been elected by the Fund's shareholders.

Mr. Schaffer is standing for re-election by shareholders to serve as a Class II Director until the Fund's 2007 Annual Meeting of Shareholders and until his successor has been elected and qualified. The nominee has indicated his intention to continue to serve if elected and has consented to being named in the Proxy Statement. The Board of Directors of the Fund knows of no reason why the nominee will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominee as the Board of Directors may recommend.

Directors, including those who are not interested persons of the Fund as that term is defined in the Investment Company Act of 1940, as amended (1940 Act) (the Independent Directors), shall be elected by the affirmative vote of a plurality of the shares of the Fund cast in person or by proxy and entitled to vote thereon, provided a quorum is present. In order for any other persons to be nominated for election to the Board of Directors at this Meeting, the By-Laws require the proposed nominee to notify the Fund in writing by the tenth day following the day on which notice of the Meeting is mailed and to provide such written information required by the Secretary of the Fund. This Proxy Statement is expected to be mailed on March 22, 2004 and, if such occurs, any such notice must be received by the Fund on or before April 1, 2004.

Standing Committees and Board of Directors Meetings

The Fund has a standing Audit Committee of the Board comprised of all Directors who are not interested persons of the Fund, the Fund's investment adviser or their affiliates within the meaning of the Investment Company Act of 1940, as amended (the 1940 Act), and who are independent as defined in the New York Stock Exchange applicable listing standards. Currently, Messrs. Herlihy, Grosz and Ormerod serve as members of the Audit Committee. The Audit Committee is responsible for the selection and engagement of the Fund's independent auditors (subject to ratification by the Fund's Independent Directors), including evaluating such auditors' independence and pre-approving audit and non-audit services, and meeting with such auditors to consider and review matters relating to the Fund's financial reports and accounting. In addition, the Audit Committee serves as the Fund's Qualified Legal Compliance Committee. The Audit Committee held two meetings during the fiscal year ended November 30, 2003. The Fund has adopted a written Audit Committee Charter, a copy of which is attached to this Proxy Statement as Annex A.

The Fund also has a standing Nominating Committee of the Board that acts pursuant to a written charter. The Nominating Committee is responsible for selecting and nominating for consideration by the full Board candidates to be considered for election/appointment as additional Independent Directors of the Board. The Nominating Committee currently consists of Messrs. Herlihy, Grosz and Ormerod. None of the members of the Nominating Committee is an interested person of the Fund as that term is defined in the 1940 Act and each member of the Nominating Committee is independent as defined under the listing standards of the New York Stock Exchange. A copy of the Nominating Committee's charter is attached to this Proxy Statement as Annex B. The Nominating Committee did not meet during the fiscal year ended November 30, 2003.

Other than as described in its charter, the Nominating Committee has not adopted a formal process for identifying and evaluating nominees, including nominees recommended by shareholders. The Nominating Committee does not have at this time specific, minimum qualifications for nominees and has not established formal specific qualities or skills that it regards as necessary for one or more the Fund's Directors to possess (other than any qualities or skills that may be required by applicable law, regulation or listing standard). However, in identifying and evaluating nominees, the Nominating Committee considers factors it deems relevant, which may include: whether the person is an interested person as defined under the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve on the Fund's Board of the Directors; whether the person has any relationships that may impair his or her independence, such as any business, financial or family relationships with Fund management, the investment adviser of the Fund, Fund service providers or their affiliates; whether the person serves on any boards of, or is otherwise affiliated with, competing financial service organizations or their related funds; whether the person is willing to serve and willing and able to commit the time necessary for the performance of duties of a director of the Fund; the contribution which the person can make to the Board and the Fund, with consideration being given to the person's business acumen, professional experience, education and such other factors as the Committee may consider relevant; and the character and integrity of the person.

The Nominating Committee will consider Independent Director nominees recommended by shareholders should a vacancy among the Independent Directors arise. Currently, there are no vacancies. Shareholders who wish to recommend a nominee should send a written request addressed to the Secretary of the Fund which includes the shareholder's contact information, the proposed candidate's biographical data and qualifications, and all other information relating to such person that is required to be disclosed in solicitations of proxies for the election of directors under Regulation 14A of the Securities Exchange Act of 1934. A recommendation must be accompanied by a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the Fund's shareholders. All shareholder recommended nominee submissions must be received by the Fund by the deadline for submission of any shareholder proposals to be included in the Fund's proxy statement for its next annual meeting. Recommendations for candidates to the Board will be evaluated in light of whether the number of Board members is expected to change and whether the Board expects any vacancies among the Independent Directors. All nominee recommendations from Fund shareholders will be acknowledged, although there may be times when the Committee is not actively recruiting new Independent Directors. In those circumstances, the nominee recommendation will be kept on file until active recruitment is under way. In the event that a vacancy arises or a change in Board membership is determined to be advisable, the Nominating Committee will, in addition to any shareholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Nominating Committee. The Nominating Committee does not evaluate nominees for Director differently based on whether the nominee is recommended by a security holder. While it has not done so in the past, the Nominating Committee may retain a consultant to assist the Committee in a search for a qualified candidate.

No nominee recommendations have been received by shareholders.

The Fund has a standing Fair Value Committee whose function is to monitor the valuation of portfolio securities and other investments and, as authorized by the Board of Directors, to make all necessary determinations of fair value for the portfolio holdings for which market quotations are not readily available, after consideration of all relevant factors, and report such determinations to the full Board. The Fair Value Committee consists of six members: two Directors of the Fund (Messrs. Jessup and Schaffer); two officers of the Fund (Messrs. Hagar and Toburen); and two representatives of SEI Investments Global Funds Services, the Fund's administrator (Jennifer Spratley and Robert Morrow). The Fair Value Committee held two meetings during the fiscal year ended November 30, 2003.

The Fund has no compensation committee of the Board of Directors.

During the Fund's last fiscal year, the Board of Directors held four regularly scheduled meetings. For the fiscal year ended November 30, 2003, each of the Directors then in office attended at least 75% of the total

number of meetings of the Board of Directors and of all Committees of the Board held during the period on which he served. The Fund does not have a formal policy regarding attendance by Directors at annual meetings of shareholders but encourages such attendance. Four of the five Directors then in office attended the Fund's 2003 annual meeting of shareholders.

THE BOARD OF DIRECTORS OF THE FUND RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE NOMINEE TO SERVE AS A DIRECTOR OF THE FUND.

**REPORT OF THE AUDIT COMMITTEE;
INFORMATION REGARDING THE FUND'S INDEPENDENT AUDITORS**

Selection of Independent Auditors

The Fund's Audit Committee has selected, and the Fund's Independent Directors have ratified the selection of, the firm of PricewaterhouseCoopers LLP (PwC), independent public accountants, as independent auditors to audit the financial statements of the Fund for the fiscal year ending November 30, 2004. In reliance on Rule 32a-4 under the 1940 Act, the Fund is not seeking shareholder ratification of the selection of its independent auditors. Representatives of PwC are not expected to be present at the Meeting but have been given the opportunity to make a statement if they so desire and will be available by telephone should any matter arise requiring their presence.

Report of the Audit Committee

The Fund's Board of Directors has adopted and approved a formal written charter for the Audit Committee, which sets forth the Committee's responsibilities. As required by the charter, the Audit Committee has received the written disclosures and the letter from PwC required by Independence Standards Board No. 1 and has discussed with PwC its independence with respect to the Fund. The Fund has been advised by PwC that neither the firm nor any of its partners had a direct financial or material indirect financial interest in the Fund as of January 21, 2004.

The Fund's financial statements for the fiscal year ended November 30, 2003 were audited by PwC. The Audit Committee has reviewed and discussed the Fund's audited financial statements with Fund management and PwC, and discussed certain matters with PwC addressed by Statements on Auditing Standards No. 61. Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors (and the Board approved) that the Fund's audited financial statements be included in the Fund's annual report for the Fund's fiscal year ended November 30, 2003.

Audit Committee

Audit Fees

The aggregate fees paid to PwC for professional services rendered by PwC for the audit of the Fund's annual financial statements or for services that are normally provided by PwC in connection with statutory and regulatory filings or engagements were \$40,000 for the fiscal year ended November 30, 2003 and \$43,850 for the fiscal year ended November 30, 2002.

Audit-Related Fees

No fees were billed by PwC for the fiscal years ended November 30, 2003 and 2002 for any audit-related services.

Tax Fees

The aggregate fees paid for tax-related services, including tax compliance, tax advice and tax return preparation, rendered by PwC to the Fund were \$4,400 for the fiscal year ended November 30, 2003 and \$5,500 for the fiscal year ended November 30, 2002.

All Other Fees

The aggregate fees billed by PwC for all other services to the Fund amounted to \$18,540 for each of the fiscal years ending November 30, 2003 and 2002. These fees were for agreed-upon procedures performed on behalf of the Fund to verify compliance with asset coverage and maintenance tests with respect to the Fund's commercial paper program.

PwC did not render any audit, audit-related, tax or any other services to the Fund's investment adviser or entities that control, are controlled by or under common control with the Adviser that provide ongoing services to the Fund for the fiscal year ending November 30, 2003 or for the fiscal year ending November 30, 2002.

Audit Committee Pre-Approval Policies and Procedures

As of the date of this Proxy Statement, the Audit Committee has not adopted pre-approval policies and procedures. As a result, all services provided by PwC must be directly pre-approved by the Audit Committee. The Audit Committee pre-approved audit and non-audit services provided by PwC to the Fund in 2003.

Aggregate Non-Audit Fees

The aggregate non-audit fees for services provided to the Fund, the Adviser, and any entities that control, are controlled by or under common control with the Adviser that provides ongoing services to the Fund for the fiscal years ending November 30, 2003 and 2002 were \$22,940 and \$24,040, respectively. In recommending the approval of PwC as the Fund's independent auditors, the Audit Committee considered whether the services described above, including all non-audit services rendered to the Fund, the Adviser or an affiliate of the Adviser that provides ongoing services to the Fund, were compatible with maintaining the independence of PwC.

OTHER BUSINESS

The management of the Fund does not know of any other matters to be brought before the Meeting. If such matters are properly brought before the Meeting, proxies not limited to the contrary will be voted in accordance with the best judgment of the person or persons acting thereunder. To propose any business for consideration at this Meeting (other than matters included in this Proxy Statement), a Shareholder must notify the Fund in writing by the tenth day following the day on which notice of the Meeting is mailed and to provide such written information to the Fund as required by the Secretary of the Fund. This Proxy Statement is expected to be mailed to Shareholders on March 22, 2004, and, if such occurs, any such notice must be received by the Fund on or before April 1, 2004.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the Exchange Act) and Section 30(h) of the 1940 Act in combination require the Fund's Directors, officers, investment adviser, affiliates of the investment adviser, and persons who beneficially own more than 10% of the Fund's outstanding securities (Reporting Persons), to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the SEC) and the New York Stock Exchange. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings. Based solely on a review of the copies of these reports furnished to the Fund and representations that no other reports were required to be filed, the Fund believes that its Reporting Persons complied with the applicable filing requirements during the fiscal year ended November 30, 2003, except that a Form 4 was not timely filed on behalf of George Grosz, a Director of the Fund, to report his sale of shares of the Fund on October 8, 2003 due to an administrative error. A Form 4 was subsequently filed to report this event.

Statement of Purpose and Policy

The Audit Committee (Committee) of the Board of Directors of Chartwell Dividend and Income Fund, Inc. (the Fund) is established by and amongst the Board of Directors for the purpose of overseeing the accounting and financial reporting processes of the Fund and audits of the Fund's financial statements. The Committee is directly responsible for the appointment, compensation and oversight of the work of any independent accountants employed by the Fund for the purpose of preparing or issuing an audit report or related work. Accordingly, the Committee will assist the Board of Directors in its oversight of (i) the integrity of the Fund's financial statements; (ii) the Fund's compliance with legal and regulatory requirements; (iii) the independent accountants' qualifications and independence; and (iii) the performance of the Fund's independent auditors. The Committee will also prepare the audit committee report required by the Securities and Exchange Commission's proxy rules to be included in the Fund's annual proxy statement. The Committee will also serve as the Fund's Qualified Legal Compliance Committee.

Summary of Responsibilities

The function of the Committee is oversight. The Fund's management is responsible for (i) the preparation, presentation and integrity of the Fund's financial statements, (ii) the maintenance of appropriate accounting and financial reporting principles and policies and (iii) the maintenance of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Fund's auditor is responsible for planning and carrying out proper audits and reviews. In fulfilling their responsibilities hereunder, it is recognized that members of the Committee are not employees of the Fund. As such, it is not the duty or responsibility of the Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards.

In carrying out its responsibilities, the Committee should remain flexible, in order to react appropriately to changing conditions and legal requirements and to provide assurance to the Board and shareholders that the Fund's accounting and reporting practices are in accordance with applicable requirements and are of the highest quality. The Committee's responsibilities include the following:

1. Pre-Approve Audit and Non-Audit Services.

a. Directly appoint, retain, approve compensation for, evaluate and terminate the independent accountants to the Fund. The Committee will have sole authority to approve all engagement fees and terms as well as all non-audit engagements. The Committee shall also, if applicable, nominate the independent accountants to be proposed for stockholder ratification in any proxy statement. The independent accountants shall report directly to the Committee.

b. Review and approve in advance each audit and non-audit service permitted by appropriate rules or regulations provided to the Fund and each non-audit service provided to the Fund's investment adviser and any entity controlling, controlled by or under common control with the investment adviser that

provides ongoing services to the Fund relating to the operations and financial reporting of the Fund.* The Committee may not delegate this responsibility to the Board but may delegate the authority to grant such pre-approval to one or more Committee members, and further provided that the decision of such member(s) is presented to the full Committee at its next scheduled meeting. The Committee may approve each audit and non-audit service on a case-by-case basis, and/or adopt pre-approval policies and procedures that are detailed as to a particular service, provided that the Committee is informed of each service in a timely manner. The foregoing pre-approval requirement with respect to the provision of non-audit services may be waived if (i) the aggregate amount of all such non-audit services provided to the Fund constitutes not more than 5 percent of the total amount of revenues paid by the Fund to its independent accountants during the fiscal year in which the non-audit services are provided; (ii) such services were not recognized by the Fund at the time of the engagement to be non-audit services and (iii) such services are promptly brought to the attention of the Committee and approved prior to the completion of the audit by the Committee or by one or more members by the Committee to whom authority to grant such approvals has been delegated by the Committee.

2. *Review Audit and Financial Statements.* Review, in consultation with the independent accountants, the scope of the audit and the results of each external audit of the financial statements of the Fund, each report or opinion rendered by the independent accountants in connection with each audit and each related management letter. Review and discuss the annual and semi-annual financial statements with management. The Committee shall, if applicable, also discuss earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies, if any. Consider, in consultation with the independent accountants, the scope and plan of the forthcoming external audit.

3. *Review Information From Accountants.* Review with the independent accountants and obtain timely annual reports from them regarding: (i) all critical accounting policies and practices of the Fund; (ii) all alternative treatments of financial information within generally accepted accounting principles that the independent accountants have discussed with management; (iii) the ramifications of the use of such alternative disclosure and treatments, and the treatment the independent accountants prefer; (iv) other material written communications between the independent accountant and management, such as any management letter or schedule of unadjusted differences, observations and recommendations regarding internal controls, engagement letter and independence letter; (v) all non-audit services provided to any entity in the Fund that were not pre-approved by the Fund's audit committee; (vi) any problems, difficulties or restrictions encountered in the audit; (vii) any significant disagreements with management and management's responses to recommendations made by the independent accountants in connection with the audit (including any accounting adjustments that were noted or proposed by the independent accountant but were not accepted by management because of immateriality or otherwise) and (viii) any communications between the audit team and the independent accountant's national office with respect to auditing or accounting issues presented by the engagement.

4. *Review Accounting Issues.* Review (i) major issues regarding accounting principles and financial statement presentations, including any significant changes in the company's selection or application of accounting principles, and major issues as to the adequacy of the company's internal controls and any special audit steps adopted in light of material control deficiencies; (ii) analyses prepared by management and/or the independent accountant setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements; including analyses of the effects of alternative GAAP methods on the financial statements; (iii) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the company; and (iv) the type and presentation of information to be included in earnings press releases (paying particular attention to any use of pro forma, or adjusted non-GAAP, information).

* The Committee shall also consider whether any non-audit services rendered by the Fund's independent accountants to the investment adviser and any entity controlling, controlled by or under common control with the investment adviser that were not pre-approved by the Committee are compatible with maintaining the auditor's independence.

5. *Review Certifying Officer Reports.* The Committee will review with the Fund's principal executive and financial officers, in connection with the certifications required by the Sarbanes-Oxley Act of 2002: (i) all significant deficiencies in the design or operation of the Fund's internal controls that could adversely affect the Fund's ability to record, process, summarize and report the Fund's financial data; (ii) any material weaknesses in the Fund's internal controls; and (iii) any fraud, whether or not material, that involved management or other employees with a significant role in the Fund's internal controls. The Committee will also review the Fund's independent accountants' (or other independent accountants') review of the accounting and internal control procedures of the Fund's custodian, transfer agent and administrator to check compliance with the rules and regulations of the SEC and other applicable requirements.

6. *Evaluate and Report to the Board Concerning Independent Accountants' Qualifications.* Annually review and evaluate the qualifications, performance and independence of the Fund's independent accountants and the lead audit partner. In connection with this evaluation, the Committee shall obtain from the Fund's independent accountants, and conduct a review of, a report describing (i) the independent accountants' internal quality-control procedures (ii) any material issues raised by the independent accountants' most recent internal quality control review, peer review or inquiry or investigation by governmental or professional authorities within the preceding five years with respect to one or more of its independent audits carried out by the independent accountants and any steps taken to deal with any such issues and (iii) all relationships between the independent accountant and the Fund, for purposes of assessing the independent accountant's independence. The Committee shall present its conclusions with respect to this evaluation to the full Board.

7. *Review Accountant Independence and Audit Partner Rotation.* Review all factors bearing on the independence of the independent accountants and make a determination that the independent accountants possess the requisite independence necessary under the securities laws and applicable accounting standards in order for the independent accountants to certify the Fund's financial statements. In connection with this review and evaluation, the Committee shall:

a. Receive a formal written statement from the independent accountants setting forth all relationships with the Fund, consistent with the Independence Standards Board Standard No. 1 – Independence Discussions with Audit Committee.

b. Discuss with the independent accountants any disclosed relationships or services that may impact the objectivity and independence of the independent accountants. In this regard, the Audit Committee shall ensure that the independent accountants submit at least annually to the Audit Committee a formal written statement listing all relationships between the independent accountants and the Fund and any other relationship that may adversely affect the independence of the independent accountants.

c. Discuss with the independent accountants the matters required to be discussed by Statements on Auditing Standards No.61 Communications with Audit Committees.

d. Take, or recommend that the Board take, appropriate action to ensure the independence of the independent accountants.

e. Confirm that the lead and concurring audit partners(), have not performed such audit services for the Fund in each of the five previous fiscal years, and other audit partners are rotated every seven years, followed by a two-year time out period.

8. *Resolve Disputes.* Resolve any disputes among the Fund's service contractors and officers and the independent accountants that arise in connection with financial reporting.

Audit Partner means a member of the Fund's audit engagement team who has decision-making responsibility for significant auditing, accounting and reporting matters that affect the Fund's financial statements or who maintains regular contact with the Fund's management and the Committee. The term includes lead and concurring partners and partners with significant contact with the Fund.

9. *Discuss Financial Exposures.* Discuss with the Fund's officers, the Fund's major financial exposures and the steps management has taken to monitor and control such exposures, including the Fund's risk assessment and risk management policies.

10. *Report to Board.* Report to the entire Board regularly and as requested on the performance of its responsibilities and its findings.

11. *Proxy Statement Disclosure.* Prepare, with the assistance of the Fund's management and Fund counsel, the necessary disclosures required of the Committee in the Fund's proxy statement in connection with its Annual Meeting of Stockholders.

12. *Complaint Procedure.* Establish procedures for the receipt, retention and treatment of complaints regarding accounting, internal auditing controls or auditing matters and for the confidential, anonymous submission by employees of the Fund and employees of the Fund's investment adviser, administrator, principal underwriter or any other providers of accounting-related services to the Fund of concerns regarding questionable accounting or auditing matters.

13. *Investigate Audit Interference.* Investigate any circumstance that comes to the attention of the Committee that indicates that any officer or Board member of the Fund or the Fund's investment adviser, administrator or distributor, or any person acting under their direction, may have violated applicable regulatory provisions prohibiting: (a) materially false or misleading statements or omissions in connection with any audit of the Fund's financial statements or the preparation of any document or report required to be filed with the SEC; or (b) actions to fraudulently influence, coerce, manipulate or mislead the Fund's independent accountants in connection with the rendering of the Fund's financial statements.

14. *Miscellaneous.* Have the power to inquire into any financial matters in addition to those set forth above and perform such other functions as may be assigned to it by law, the Fund's charter, or by-laws, or by the Board.

15. *Qualified Legal Compliance Committee (QLCC) Duties.* It is the authority and the responsibility of the Committee as the Fund's QLCC to:

a. Receive reports of evidence of a material violation by the Fund or any officer, director, employee or agent of the Fund of an applicable United States federal or state securities law, a material breach of fiduciary duty arising under United States federal or state law, or a similar material violation of any United States federal or state law (a *Material Violation*);

d. At the conclusion of the investigation, the QLCC will (i) recommend, by majority vote, that the issuer implement an appropriate response to evidence of a Material Violation, and (ii) inform the CEO and the Board of Directors of the results of the investigation and the appropriate remedial measures to be adopted;

e. Take all other appropriate action, acting by majority vote, including notifying the Securities and Exchange Commission, in the event the issuer fails in any material respect in to implement an appropriate response that the QLCC has recommended; and

f. Adopt written procedures for the confidential receipt, retention and consideration of any report of evidence of a Material Violation.

The Committee shall conduct interviews or discussions as it deems appropriate with personnel of the Fund, and/or others whose views would be considered helpful to the Committee.

The Committee has the authority to retain independent counsel and other advisers, as it determines necessary to assist in the conduct of any investigation into any matters within the scope of the Committee's responsibilities or otherwise to carry out its duties. The Committee will determine the appropriate level of funding for payment of compensation to any independent accountant engaged for the purpose of preparing or issuing an audit report or performing other audit review or attest services; compensation of any outside legal, accounting or other advisors employed by the Committee; and ordinary administrative expenses of the Committee necessary or appropriate in carrying out its duties.

Meetings

The Committee shall meet at least twice each year or more often if necessary.

The Committee will meet, as often it deems necessary, separately with management, the independent accountants and any members of the Fund's accounting team.

Minutes of all Committee meetings shall be provided to the Board of Directors.

Additional Matters

The Committee will engage in an annual self-assessment of the Committee's fulfillment of its responsibilities.

The Committee will review and assess the Charter on an annual basis or more often as necessary.

The Committee will set clear hiring policies for employees of former employees of the independent accountants.

Membership

The Committee shall consist of at least three directors, all of whom qualify as independent directors of the Fund.

In order to be considered independent, a Committee member must be independent as that term is defined by the New York Stock Exchange, Inc. and may not, other than in his or her capacity as a member of the Committee, the Board of Directors or any other committee of the Board of Directors: (a) be an interested person of the Fund as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940; or (b) accept any consulting, advisory or other compensatory fee from the Fund either directly or indirectly, provided that a Committee Member may receive compensation under a retirement plan (including deferred compensation) for prior service with the Fund, provided such compensation is not contingent on continued service.
