Item 4.01 Changes in Registrant's Certifying Accountant

On December 20, 2007, GeoGlobal Resources, Inc. (the "Company") received a letter from Ernst & Young LLP ("E&Y") dated December 14, 2007 stating that it resigned, effective December 12, 2007, as auditor for the Company.

E&Y's reports on the Company's consolidated financial statements for each of the two fiscal years ended December 31, 2006 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

In connection with its engagement to audit the Company's consolidated financial statements for the two fiscal years ended December 31, 2006 and subsequent interim periods preceding the date of E&Y's resignation, the Company had no disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to its satisfaction, would have caused E&Y to make reference to the subject matter of the disagreement in connection with its reports.

The Company provided E&Y with a copy of this Current Report no later than the day of filing it with the Securities and Exchange Commission ("Commission"). The Company requested that E&Y furnish the Company with a letter addressed to the Commission stating whether E&Y agrees with the above statements and, if not, why not, stating the respects in which it does not agree.
