Actual results could differ materially from those contained or implied by such statements for a variety of factors including: the businesses of CapitalSource and TierOne may not be integrated successfully or such integration may take longer to accomplish than expected; disruption from the merger may make it more difficult to maintain relationships with clients, associates, or suppliers; the required governmental approvals of the merger may not be obtained or if obtained may not be on the proposed terms and schedule; TierOne s stockholders may not approve the merger; changes in economic conditions; movements in interest rates; competitive pressures on product pricing and services; success and timing of other business strategies; the nature, extent, and timing of governmental actions and reforms; and extended disruption of vital infrastructure; and other factors described in CapitalSource s 2006 Annual Report on Form 10-K, TierOne s 2006 Annual Report on Form 10-K, and documents subsequently filed by CapitalSource and TierOne with the Securities and Exchange Commission. All forward-looking statements included in this news release are based on information available at the time of the release. CapitalSource and TierOne are under no obligation to (and expressly disclaim any such obligation to) update or alter their forward-looking statements, whether as a result of new information, future events or otherwise.
