## Item 5.02 Compensatory Arrangements of Certain Officers.

On September 21, 2007, the Human Resources Committee of the Board of Directors of Donaldson Company, Inc. approved the payment of annual performance awards to the Company's executive officers for the fiscal year ended July 31, 2007 under the Company's cash incentive plan and the long term compensation plan under the 2001 Master Stock Incentive Plan. The following table sets forth the incentive amounts paid out in cash and the long term compensation plan awards paid out in Company stock for fiscal 2007 for the executive officers who will be included as the named executive officers in the Company's 2007 proxy statement.

<u>Name and Principal Position</u>	<u>Fiscal Year</u>	<u>Cash Incentive</u> (\$)	<u>LTIP Payouts</u> (shares)

(1) This award payout was Mr. VerHage's first award. To compensate an officer new to the plan, the first award is increased by 200% because no payment is made for the first two years of the incentive cycle. Mr. VerHage's actual share payout prior to the increase for the first award was 9,565 shares.

The cash incentive payments were based on the Company's achievement of performance goals relating to earnings per share, sales, profits, return on investment and diversity in management targets for the Company and its business units. The incentive payment for Mr. Cook was based on the achievement of performance goals for earnings per share for the Company and diversity in management. The cash incentive payments for Mr.

## Edgar Filing: DONALDSON CO INC - Form 8-K

VerHage, Mr. Schwab, Mr. Touw and Mr. McMurray were based on a combination of the Company's achievement of performance goals relating to earnings per share, sales, profits, return on investment and diversity in management targets for the Company and their respective business units.

The long term compensation awards were based on the Company's achievement of performance goals relating to a target for three-year compounded growth in net sales and after-tax return on investment, with an increase to the award for achievement of a three-year earnings per share goal. The named executive officers had previously designated to either receive payment of the respective awards in shares or to have the award of shares deferred under the Company's Deferred Compensation and 401(k) Excess Plan. Mr. VerHage, Mr. Schwab and Mr. McMurray deferred their awards and instead received a credit of phantom stock under the Company's Deferred Compensation and 401(k) Excess Plan, which units will be paid in shares at the deferral election date previously selected by the officer.
