THE NEW NEWMONT

-
- VISION
- o Newmont will be the world's premier gold company, creating shareholder value through operating excellence, targeted exploration, technological innovation, a sound financial structure and management expertise
 - o Newmont will leverage the complementary strengths of Newmont, Franco-Nevada and Normandy to provide investors with superior leverage to a rising gold price and a balanced portfolio of quality assets
- STRATEGY
- o Operating excellence with focus on large mining districts
 - Continued emphasis on cost reduction, district rationalization and synergy realization
 - o Rationalization and optimization of vast asset portfolio
 - o Exploration and development efforts to take advantage of large land position
 - o Maintain current "no hedging" philosophy
 - o Expand premier royalty income stream
 - o Continued excellence in environment management, community development and employee safety
- FUTURE
- o Generate superior returns for shareholders
 - o Further improve a low net debt/capitalization level
