## Edgar Filing: CAPITAL SENIOR LIVING CORP - Form 8-K

### Item 1.01 Entry into a Material Definitive Agreement.

On July 18, 2005, GMAC Commercial Mortgage Bank ("GMAC") funded four (4) loans to special purpose subsidiaries of Capital Senior Living Corporation ("Company") which refinanced loans on four (4) senior housing properties of the Company. The aggregate amount of the GMAC loans was \$39,150,000 and these loans refinanced loans on the same 4 properties previously financed by an affiliate of GMAC that had an outstanding balance of approximately \$34,000,000.

The loans from GMAC financing the 4 properties each have a term of ten years. The loans each bear interest at a fixed rate of 5.46% per annum. The loans are payable monthly, with payments consisting of interest and principal based on a 25-year amortization schedule. The loans are secured by mortgages or deeds of trust on the properties, assignments of leases and contracts and other related collateral, and each loan is cross defaulted and cross collateralized with the other GMAC loans in this loan facility. The loans are nonrecourse but with typical recourse exceptions, which recourse exceptions are guaranteed by another Company subsidiary. The loans provide for typical reserve accounts and require compliance with typical representations and warranties and on-going covenants, including a net worth requirement of the guarantor subsidiary. Each property securing the loans can be released from the lien of the mortgage or deed of trust on that property after a maximum three (3) year lock-out period provided that various defeasance requirements are satisfied.
