The Registrant is unable to file its 2004 Annual Report on Form 10-K by March 17, 2005, the original due date, as additional time is required to complete the preparation of said report, most notably as it relates to the restatement of the Registrant's previously issued financial statements for the years ended December 28, 2002 and December 27, 2003, for certain lease-related accounting errors. These errors have been previously described in the Registrant's Current Report on Form 8-K filed on February 18, 2005. The Registrant is continuing its evaluation and analysis to correct these errors and is unable at this time to file Items 6, 7, 7A, 8 and 9A of the Annual Report on Form 10-K, without unreasonable effort or expense. Concurrently with the filing of this extension request on Form 12b-25, the Registrant has filed the balance of its Report on Form 10-K on the original due date, noting therein the omitted Items. The Registrant expects to file its annual and interim financial data in its annual report on Form 10-K/A for fiscal year ended January 1, 2005 within the allowable extension period.
