This Amendment No. 1 ("Amendment No. 1") amends and supplements the statement on Schedule 13D filed with the Securities and Exchange Commission (the "SEC") on January 19, 2012 (the "Original Schedule 13D" and together with this Amendment No. 1, the "Schedule 13D") with respect to the shares ("Shares") of common stock, par value \$0.01 per share, of Marathon Petroleum Corporation, a Delaware corporation (the "Issuer"). This is the final amendment to the Schedule 13D and constitutes an "exit filing" for the Reporting Person.

Item 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

Item 3 of the Schedule 13D is hereby amended and restated in its entirety as follows:

The 16,024,622 Shares (including 796,745 Shares underlying options) reported herein by the Reporting Person were acquired at an aggregate purchase price of approximately \$517.3 million. Such Shares were acquired with investment funds in accounts managed by the Reporting Person.

Item 4. PURPOSE OF TRANSACTION.

Item 4 of the Schedule 13D is hereby amended and supplemented as follows:

The Reporting Person entered into the transactions set forth in Item 5(c) below in the course of managing its overall portfolio of equity holdings and currently intends to retain a significant interest in the Issuer's Shares. The Reporting Person has engaged in highly productive discussions with the Issuer's management and continues to believe that the Shares represent an attractive investment opportunity given the demonstrated commitment of the Issuer's board and management to creating shareholder value and the Issuer's recently announced substantial share repurchase program and exploration of strategic alternatives for its midstream assets including separation through the creation of an MLP.

Item 5. INTEREST IN SECURITIES OF THE COMPANY.

Paragraphs (a), (b), (c) and (e) to Item 5 of the Schedule 13D are hereby amended and restated in their entirety as follows:

(a) The aggregate percentage of Shares reported to be beneficially owned by the Reporting Person is based upon 356,518,305 Shares outstanding, which is the total number of Shares outstanding as of October 31, 2011, as reported on the Issuer's Form 10-Q filed on November 9, 2011.

At the close of business on February 9, 2012, the Reporting Person may be deemed to beneficially own 16,024,622 Shares (including 796,745 Shares underlying options), constituting approximately 4.5% of the Shares outstanding. Such options which are deemed to be beneficially owned include 796,745 European-style call options exercisable on February 17, 2012 at a strike price of \$27.50 for a total of 796,745 Shares.

(b) The Reporting Person has sole voting and dispositive powers over 16,024,622 Shares (including 796,745 Shares underlying options), which powers are exercised by the Principals.

(c) Information concerning transactions in the Shares effected by the Reporting Person since the filing of the Original Schedule 13D is set forth in Exhibit A hereto and is incorporated herein by reference. All of the transactions in Shares listed hereto were effected in open market purchases on the New York Stock Exchange through various brokerage entities.

(e) February 8, 2012.

Item 7. MATERIAL TO BE FILED AS EXHIBITS.

Exhibit Transactions in the Issuer Since the Filing of the Original Schedule 13D.
